PREPARING FOR THE TENPINS

Toronto Bowling League Elects Officers for the Season.

Toronto Athletic Club Elected to Membership, Making Nine Clubs Ready for the Competition — To Play on One Pair of Alleys in Each Club.

The adjourned annual meeting of the Toronto Tenpin Bowling League was held last night at the Athenaeum Club, with A. T. Donnston in the chair, and the different clubs well represented.

An application from the T.A.C. was read. They were admitted to the league. This, with the 48th, who were taken in a week ago, will make nine clubs in the circuit, and there will probably be 10, as the Athenaeums are thinking of putting in a second team.

The motion that each club have only one pair of alleys to play on was carried. This will make things more even, being of advantage to the clubs who have no more than one pair.

The election of officers resulted in the following being chosen: President, Fred Whitehead, Athenaeum; vice-president, G. Wells, Lederkranz; secretary-treasurer, P. G. Kimmerly, Insurance; Executive Committee, W. H. Meadows, Q.O.R., and J. S. Cornell, T.A.C.

OVER THE OAKVILLE NETS.

Some Surprises in the Lawn Tennis Tournament — Two Wins for McMaster.

Oakville, Aug. 2.—Play was continued today in the Oakville turney, and there were certainly some surprises and at the same time excellent tennis. The great surprise to many was in the open singles, when H. Langton beat Fred Anderson in a three-set match, after some very clean tennis. Langton, knowing the grounds somewhat better than Anderson, seemed to give him confidence. At the finish of this match, McMaster arrived, and played G. Langton in the open singles, and after a very close match succeeded in defeating him. After playing this long match, McMaster went on again and played his match in the handicap, and to the delight and surprise of the spectators and players kept up his winning pace and defeated rather easily H. Langton, who had just beaten Anderson an hour before. This tournament is doing considerable good for the game in Oakville. The Misses Summerhayes will play off for the ladies' singles, and they will also likely win the ladies' doubles. The following are the games played to-day:

G. Langton (O) beat H. McLaughlin, 8—6, 4—6, 6—2; H. Langton (O) beat F. G. Anderson (T), 6—2, 2—6, 6—4; McMaster (T) beat G. Langton, 7—5, 3—6, 8—6; McMaster (T) beat H. Langton, 6—3, 6—1; Miss Summerhayes beat Miss Bray, 6—0, 6—1; G. Langton and Miss Heaven beat Langley and Miss Bray, 6—1, 6—2; Davis and Miss Summerhayes beat G. Langton and Miss Heaven, 7—5, 3—6, 7—5.

TWO GAMES IN THE EASTERN

Montreal Shut Out Providence and Buffalo Beat Syracuse.

President Powers Visits Toronto and says the League is in a Fairly Stable Position—Buckenberger's Stars Open a Series This Afternoon at the Island.

Though yesterday was an off day in the Eastern League, half the clubs worked. Montreal shut out Providence and Buffalo beat Syracuse. President Powers arrived here yesterday from Ottawa. He says that outside of Syracuse the teams are all doing well financially, and even Salt Town may play through the season. The Stars open a series of four games here to-day. The team is considerably changed since its last appearance, circumstances having eliminated considerable of the bad element, including Judd Smith and Bill Eagan, but the Buckenberger spirit will still remain, and there will be kicking and long games for the balance of the week. AFTER THE AMERICA'S CUP.

Sir Thomas Lipton to Challenge—To Build His Shamrock Under Lock and Key.

London, Aug. 2.—The hon. secretary of the Royal Ulster Yacht Club, Mr. Kelly, has telegraphed to the London office of the Associated Press, saying that the challenger for the America's Cup is Sir Thomas Lipton, the well-known merchant of London, New York, Chicago and Ceylon.

Sir Thomas Lipton's challenge will be despatched in a few days. Mr. Charles Russell is going to New York in order to hand the challenge to the New York Yacht Club.

The challenger is the sole owner of the Shamrock, whose dimensions he declines to make public at present. She will be built under lock and key, and elsewhere than on the Clyde. It is said the place and plans selected by Messrs. Lipton and Russell, who have cherished the project for years, will create a sensation when known.

Ireland May Also Challenge.

Belfast, Aug. 2.—The Ulster Yacht Club is still considering the question of challenging for the America's Cup. The matter will come before the Yacht Racing Association at Ryde next week. If a challenge is sent, it will be for a race in 1899. The secretary of the Ulster Yacht Club declines to furnish any further particulars, as the matter is not yet sufficiently advanced.

Before the Breeze.

When interviewed regarding the statement from Chicago about a challenge coming from the Chicago Yacht Club for the Canada Cup, Assistant Secretary Foot of the Royal Canadian Yacht Club stated that he had received no communication on the subject. As the cup was won two years ago by Canada of the R.C.Y.C., it might be expected that that club would be the first to hear of any proposal to challenge for it.

Bonshaw, the fleet little 22-footer, belonging to Commodore Aemilius Jarvis, that took part in the Royal St. Lawrence Yacht Club races last year, is being rebuilt, and it is expected that she will distinguish herself in the coming regatta on the bay. Bonshaw came very nearly being destroyed by fire during the winter, the boathouse in which she was stored being wrecked. She has done no racing, so far, this year.

To Welcome Visiting Oarsmen.

The Reception Committee of the C.A.A.O. will meet to-day at 8 p.m. at the T.A.C. to make arrangements for receiving the visitors upon arrival. The visitors will put up at the city boat club houses, as follows: The Argonauts will put up the Leanders of Hamilton, the Vespers of Philadelphia, the Mutuals and Detroit. The Toronto R.C. will receive the Pennsylvania Barge Club, the Wachusett R.C., the Catlin R.C. of Chicago and the G.T.R. R.C. of Montreal. The Dons will house the Recorse of Michigan R.C. and the Brockville R.C.

Victorias Champion Four.

The final match for the Canadian whist championship for fours, which was held over from the congress, was played last night at the Victoria Club between the Victoria four and the Athenaeums. The Victorias were the same that have won the championship for three years, and by last night's victory have again demonstrated that they are clearly entitled to their reputation as the best four yet gotten together in Canada.

The Athenaeum four was composed of the same players that competed for the Anglo-American championship and was selected by the committee for that match, not that they had demonstrated that they were the best four, but because they had, until last night, made as many points in the congress matches as any other four.

This makes the second season that the Athenaeums have won second place, and each year finds them stronger both in play and numbers, and they deserve great praise. That the visit of the American players will do whist great good in Canada is sure, and that they are the right sort everyone having anything to do with the congress will attest to. F. J. Tormey of San Francisco gave more information about how to conduct whist matches during his stay here than would fill a book. Last night's match resulted as follows:

Robert Fitzsimmons, the champion prize fighter of the world, has issued a challenge. He says there are but five men now worth considering, and advises these five to fight and determine the best man. He will fight that man. Also, he offers to fight Jeffries before Oct. 1, and posts his money, $2500, to bind the match. Fitz says that if McCoy beats Corbett in Buffalo on Sept. 10, he will take the Kid on.

Good Morning, Gentlemen—

We advertised last week any Tweed Suit in our warehouse at $10.00, cut by high-class artists and put together by first-class mechanics. Our sales have been simply enormous. The public ask how is it done. Well, we will let you in a little way to our secrets. We purchase everything direct from the first producer, from the most expensive cloth to the very thread they are sewn with. Now, every business man knows that the ordinary custom tailor giving credit is the most risky class of account, and any wholesale firm supplying them must have at the very least a profit of 33⅓ per cent. to enable him to exist, pay his enormous warehouse and travelling expenses and cover his greatest of all expenses—bad debts. When you buy from us you pay for your own clothes, nobody else's. Now you can figure out for yourself how we do it.

The $10 to order suit sale will continue this week—hundred patterns to make your selection from. We have a small army of artists employed, and can turn you out a suit in 48 hours.

If ready-to-wear garments interest you, read this evening's News.
