Queen Square.

The gap on northern Queen Square, is to be filled up by Mr. George Cushing, whose house was begun to-day by Mr. J. Sterling, who builds by the day, and whose work in the past is seen in some of best houses, the last being that of Mr. James Straton. Mr. Cushing builds a double house from plans by a Boston architect. It will be the finest of one of the finest lines of dwelling in the city, looking out over the Queen Square upon the Atlantic, on as fine a view as the world can afford, and surrounded by the beautiful residences of Mr. Cruikshank, Judge Palmer, Simeon Jones, Robt. Thomson and Senator Boyd. And so one by one the homes destroyed by our great fire are being rebuilt. In some cases the fathers gone; but instead, the sons are with us, doing the work, which makes our city a joy and pride.

St. Andrew's Rink.

There was a large audience at the St. Andrew's rink last evening to witness the first performance of "Erminie" by the Bijou Opera company. The company is an excellent one in every respect and much better than the majority of opera companies that have visited St. John recently. The seating arrangements of the theatre are excellent. Indeed it is doubtful if there is a poor seat in the house. The opera of Erminie is most amusing and interesting and was excellently performed. The leading characters were all well sustained and the chorus is strong.

Erminie will be presented again this evening and ought to be greeted by another big house.

LOCAL MATTERS.

For additional Local News see First Page.

TOMORROW being Dominion Day the GAZETTE will not be published

HIS FIRST INQUEST.—Coroner G. A. Hetherington held his first inquest Saturday evening.

ROYAL SALUTE.—To-morrow being Dominion Day a royal salute of 21 guns will be fired at 8 a. m., from Fort Dufferin, Carleton, by No. 2 Captain Gordon's battery, New Brunswick Brigade Garrison Artillery.

DURAT CASTLE.—This steamer arrived in Halifax at nine o'clock this morning, in 11 days from London and will be due here on Friday morning. After discharging her London goods she will load for West Indies via Halifax sailing hence on Monday 6th July.

PARTICULARLY INTERESTING to readers in the Maritime Provinces will be Mrs. Catherwood's serial, The Lady of Fort St. John, the first chapters of which will appear in the July number of the Atlantic Monthly. The story opens in the old fortress of Charles La Tour on the opposite side of the harbor, and is said to be full of dramatic interest.

WILL LAUNCH NEXT TUESDAY.—The two topmast schooner being built on Rankin's wharf by Mr. Richard Stackhouse, for Mr. W. S. Davidson, is to be launched next Tuesday, July 7th. She is a strongly built vessel of about 124 tons and measures 86 feet keel, 24 ft. 6in. beam, and 7ft. 6in. hold. She will be commanded by Captain Joan Dixon.

THE DEATH is announced of Arthur W. Howe, commission merchant of Dock street. Mr. Howe was a son of John Howe, formerly postmaster of St. John, and was a comparatively young man. For a number of years he represented the fifth ward in the Portland town council. He married a daughter of Charles Doherty Q. C., and leaves a family of young children. His death resulted from an attack of bronchitis.

COLLISION AT SEA.—On Thursday morning the ship Z. Ring at this port from Bordeaux passed a schooner off Machias Seal Islands with her mainmast broken and being towed by another schooner. She had been in collision during the night with a brigantine bound to Joggins. One of the crew of the schooner whose name is unknown was badly cut about the head by the falling spars. The brigt was lying a short distance from the schooner, at anchor, when the Ring passed.

WIRE NAILS are coming into general use, and the demand for them is increasing so rapidly, that Messrs. S. R. Foster & Son have now nine machines making them continuously and intend shortly to put in four more machines of the same kind. These machines cut the nails from coils of wire which rest on stands in front of them and at the same time put the heads on by a sort of hammer movement. Whether wire nails are as good as the ordinary cut nails is a much debated question among builders just now, but while the majority seem to be of the opinion that they do not hold as well as the cut nails the use of wire nails is becoming more common every day.

THE PREMIUM LIST of the Eastern Maine State Fair has been issued and it contains a large and varied list of cash prizes offered for horses, cattle, sheep, swine, poultry, pomological, horticultural, mechanical, needlework, art, etc. $1,000 for free for all trotting horses, $500 for free for all pacers, $500 for 2.26 class, $300 for 2.28 class trotters and pacers, $300 for 2.31 class, $300 for 2.34, 2.37, 2.45 and 3 minute classes and for one, two and three year olds large purses are offered. The great fair this year is to be held Tuesday, Wednesday, Thursday, and Friday, Sept. 1, 2, 3 and 4. Parties can have premium lists mailed free on application to Eastern Maine State Fair.

PASSENGERS, going across the bay by the steamer Monticello can procure breakfast on board.

My Partner

The Bradley players scored a decided hit last evening at Mechanic's Institute. My Partner was put on, and put on well, the performers taking their respective parts in a due of Ayer's Cathartic Pills will cease you without question. Just try them once and be assured; they have much worse dyspeptics cured. You'll find them nice and amply worth the price.

The plot of the play is good. It is well conceived and leads up admirably, to a happy re-union on all sides. Edmund Collier played a strong Joe Saunders, whose partner had wronged the girl Joe loved. C. F. Montaine as Ned Singleton, the partner was particularly good in the murder, scene in the second act, while Josiah Scraggs (Wm L. Flynn) could hardly have been better either in make-up, or impersonation of the murderer who killed only in self-defence, and carried off the gold to hide his crime. Mr. Flynn did some clever acting, and his work seemed to be appreciated. Mr. F. N. Kendrick, made a thorough beatitude of Chinee, and created lots of amusement. Hudson Liston as Major Henry Clay and Miss Reynolds as Posie Pentland offorded boundless amusement, both in the sentimental way and otherwise. The major was a typical congress seeker, always full of enthusiasm, and often something else.

Miss Grace Huntington, who took the part of the unfortunate Mary Brandon, did so in a realistic manner. Though at times slightly strained, her acting was full of the sadness of her role, and she at once attracted the sympathies of her hearers. Miss Huntington has been in St. John before, and she became popular on first performance. She is even more popular now. A splendid house greeted the first appearances of the Bradley players, and tonight My Partner will be repeated.

LOUIS GREEN, has recently made one of the largest importations of Havana cigars ever made in St. John. His stock is therefore complete in all the finest brands, and fresh. To the regular smoker this will be good news, for nothing is so acceptable as a finely flavored Havana.

METHODIST CONFERENCE.

The Business Transacted at Yesterday's Sessions.

At yesterday's session of the Methodist conference permission was granted J. W. McConnell, student at Mount Allison, to take the B. D. conrse instead of the regular course.

The stationing committee, asked permission to take H. S. Mahar and G. M. Young from Mount Allison and give them stations. In the case of Mr. Mahar this was not thought advisable. Mr. Young, however, was allowed to be withdrawn from the institution, and he has been appointed assistant pastor of Centenary church.

The report of the contingent fund was adopted.

The nominating committee recommended the appointment of Revs. John Read, W. W. Lodge and Messrs. J. L. Black and H. J. Thorne as the centennial fund committee. Adopted.

The chairman of any district in conference was authorized to employ W. Harry Bennett and Benjamin Howard as local preachers. A discussion ensued over the following resolution moved by Rev. C. H. Pailsey and seconded by Rev. T. Marshall: This conference regrets that the general conference has not appeinted on the board of governors of Mt. Allison all the persons nominated by this conference.

This was carried, and then a vote in favor of a reconsideration of the matter resulted in the following resolution moved by Rev. J. J. Colter and seconded by Dr. Stewart,

That this conference having heard the explanations offered for the omission of Rev. John Read's name from the list of nominations of board of governors of Mt. Allison they feel satisfied that the omission was an accidental oversight and request that at the earliest opportunity he be regularly appointed.

This resolution was almost unaminously adopted.

A ministerial session was held in the afternoon at which it was decided to give Rev. Mr. Lucas one year's leave of absence so that he may accept the position of secretary of the New Brunswick Sunday-school Association.

The conference declined to grant the request of Rev. F. W. Moore to be received into full connection, as he has been in business for about twenty years. It was agreed to give James W. McConnell two years of probation on account of the course taken by him at Mount Allison and his having preached for six months.

In the evening a meeting in the interest of the sustentation fund was held.

THE EXHIBITION.

Ira Cornwall Appointed Superintendent—The Citizens who Signed for the Guarantee Fund Relieved—Advertising Arrangements, etc.

The exhibition association directors met yesterday afternoon.

George Robertson, from the finance committee, reported recommending that Ira Cornwall be engaged as general superintendent in addition to his office as secretary, he to engage Mr. Hall as assistant typewriter, at a salary of $1,100, to cover all three; that the citizens who signed the guarantee fund be now relieved from further responsibility and invited to take stock in the association; that a call of 20 per cent be made upon the capital stock; that W. H. Thorne and T. Nisbet Robertson be added to the finance committee; that owing to business engagements H. J. Thorne has found it necessary to resign the chairmanship and George Robertson has consented to act as chairman. This was adopted after a short discussion.

The manufacturers' committee reported recommending that the following names be added to the committee: J. H. McAvity, J. D. Howe, D. M. Olive, J. W. Myers, M. Coll, T. S. Simms, H. W. Barker, John Kelly, P. Connor and R. N. Magee, that the secretary be intructed to communicate with Goldie & McCulloch and other builders with the object of obtaining terms for furnishing an engine; that C. T. Everett be employed as superintendent of machinery hall; that the secretary visit various points throughout the province to secure exhibits.

The report was adopted.

The printing and advertising committee reported recommending that (1) a sum not exceeding $1,000 be appropriated for advertising in the newspapers throughout the maritime province the same as last year, with the addition of the religious papers; (2) that a sum not exceeding $200 be expended for 5,000 lithographic posters; (3) that 1,000 forms of application of space be printed; (4) that 5,000 letter heads be printed at a cost of $18.

The report was adopted.

The $1500 for fireworks was not allowed as it was believed they could be furnished for less.

Jones vs Elgin, Petitcodiac and Havelock railway company et al; the bill was ordered to be taken pro confesso against one of the defendants, Thomas McLellan; and in the case of the same railway company against the Albert Southern Railway, claiming an engine, the hearing was set down for Tuesday next.

Trotting at Moosepath Park.

Indications point to a big day at Moosepath park tomorrow afternoon where two races have been arranged.

Of the four colts to start in the four-year-old race all are making their first bow on the turf, and all possess about equal speed. It would be very hazardous work to attempt to name the winner.

In the free-for-all Lady Sim will try to maintain her reputation against Joe Hooker and Willy Wally. This latter horse is showing wonderful speed this summer and may down the party, though he has had no track work and but very little fast work this season. Joe Hooker is as bright as a new dollar and was never working better. Lady Sim is in good condition for so early in the season and will take care of herself.

A special train will leave St. John station at 2 o'clock, local time, for Moosepath, returning as soon as the races are over.

Police Court.

Yurraen Farstage, Frank McGambley and Geo. Hudson, drunks, were fined $4 each.

Edward Murphy, drunk on Union street and insulting a lady in view of the police was fined $8.

Mary Ann Brookins, drunk was sent to jail for two months.

Terence Foley was fined $20 for selling after hours.

The dog license cases came up this morning, a large number of delinquents appearing to answer the charge of harboring unlicensed dogs. Those who had received summons and had paid their license before appearing at the court, were allowed to go on payment of costs. The cases of those who did not appear were postponed until Saturday morning.

DANCE AT RED HEAD.—A very successful dance was held at Red Head public hall last evening by the ladies of that place. John Anthony conducted the ceremonies and James Mace furnished violin music, and Miss Anthony played on the organ during the evening. A supper was provided by the ladies and the evening was much enjoyed by the 25 or 30 couples who were present. The proceeds go towards painting the hall.
