cise of my best faculties, and when my sense of duty has been chastened and softened by reason and affection.

"I devoted myself to poor Charley from the time he left his bed, and we came to understand one another as I think but few fathers and sons ever do. The poor boy never blamed me for blighting so much happiness from him, and I have sometimes tried to think that his life has been made happier on the whole than it would had I not been taught my duty through his sacrifice. Still, neighbor Doring, I should be sorry to have you and your son William pass through a similar ordeal."

"I trust that we shall not," emphatically and gravely responded Doring. "I thank you for your story, friend Hanford, and I shall try and profit by it."

And he did profit by it, and we hope that every parent who is capable of striking his child in anger or petulence that reads this sketch from life will profit by it.

## GODERICH TOWNSHIP.

**Ploughing Match.**

A ploughing match was held on the farm of Mr. John McIntosh, Centre Road, on Tuesday last. The day was a most beautiful one for the purpose, and the attendance of spectators very good. The ground was level, even and in good order. The entries were in the

MEN'S CLASS:

John Beacom,.....with a Shaw plough.
John Cox.....Kirkbride "
R. Cameron, Stanley,.....McTavish "
Hugh Henly,.....Shaw "
H. Kirwen.....Runciman "
Stewart Ward.....Kirkbride "

BOYS' CLASS.

John Torrance.....McTavish plough.
Peter McDougall.....Runciman "
Stewart McDougall..... " "
C. McIntosh.....Shaw "
H. Wise.....Runciman "
L. Herbertson.....McTavish "

The work done in the Men's class was excellent, and so even that the judges, Messrs. A. Sands of Goderich, W. Elliot, (English,) and A. Robertson of Colborne, had a difficult task. It was thought that Kirwen would have come off first; but his opening was against him. Some of the boys also made excellent ploughing. Stewart McDougall's was, in our opinion, little if any behind that of the best in the men's class, Peter McDougall did well, and for a lad of about 14 little Jno Torrance came up close after the best in his class. The ploughing was done by 5 p. m., when Mr. Jno. McDonald read the prize list as follows:—

MEN'S CLASS.—1st, S. Ward, $6.00; 2nd, Kirwen, $5.00; 3rd, Cameron, $4.00; 4th, Henly, $3.00; 5th, John Cox, $2.00; 6th, Beacom, $1.50.

BOYS' CLASS.—1st, Stewart McDougall, a wooden plough ($9.00) presented by the workmen in Runciman's Foundry; 2nd, John Torrance, $5; 3.d. Wise, $4.00; 4th, McIntosh, $3.00; 5th, P. McDougall, $2.00; 6th, Herbertson, $1.50.

The ploughmen, judges and visitors partook of a first rate dinner in Mr. McIntosh's, the good lady of the house and her husband exerting themselves to see that all enjoyed their hearty hospitality.

SINGULAR ACCIDENT. — On Monday last as Mr John Anderson of this tp. was returning home with a load of lumber by way of Holmesville, his team, which is a wild one, became unmanageable while being turned at the 'Smithy' and ran full tilt against a horse standing at the shop door while its mate was being shod. The waggon tongue struck the poor brute with such force that he expired in a few minutes. We are informed that Mr. Anderson has consented to commute the damage with the owner of the horse, Mr. Cokely, by paying $80.00, although, in law, we doubt if he could have been held liable at all.

The Irish Fenians have committed a gross absurdity in their illegal drillings. The Fenian "circles" have been endeavoring to form themselves into "squares,"—(Punch.

A GOSE GOOSE.—The most respectable Fenian hitherto arrested is a tailor. This smacks strongly of the celebrated Cabbage Garden.—(Punch.

☞ "Honesty is the best policy," said a Scotchman. "I ken it, my friend," said another, "for I have have tried baith."

☞ A young Irishman, having been charged with being drunk on night before, and wishing to excuse himself, said, earnestly, "Indeed I never was drunk in my life, an' I never mean to be, for it always makes my head ache too bad next morning."

☞ The sales of the New York brokers and private bankers for the nine months of the present year amounted to six thousand millions of dollars, upon which they paid three millions and a half of taxes to the government. The sales of one broker amounted to 169 millions, and of another to 160 millions, and notwithstanding this enormous business very few of them report any capital of their own.

☞ The New York *World*, in an article on the equipages of Central Park, has the following: "Mrs. Henry Ward Beecher, whose repeated accidents with fiery horses has in no what changed her fondness for them, takes her afternoon airing in a coupe, and oddly enough the next object that we behold is that of a Methodist preacher, driving a three minute horse. This is the Rev. Mr. Hare, of Newburgh, who has trotted his pony in 2.38, and thinks like Mr. Beecher, that what a man or a horse is called to do, he should do with all his might."

☞ Recent geological discoveries prove, so far as theories can, that the great Belgian coalfield extends below the chalk formation Kent, Surrey and Sussex, and it is proposed to ask the Imperial Parliament for an appropriation to sink a test shaft to the required depth. If the theory is correct and the coal can be won, this new field will supply fuel for thousands of years to come, in a district abounding with iron ore, which has ceased to be worked since wood has become so valuable. It is worthy of remark in this connection that Camden and Leland record the existence in Surrey of jet pits, the locality of which is now unknown.

THE BRIGHTEST JEWEL IN THE SPANISH CROWN.—No one will fail to acknowledge the beautiful Island of Cuba is the brightest jewel of Spain. Its climate is the most healthy in the world, and thousands are restored by its genial influences. Yet greater, far greater, is the healing power and restoring influence of Bryan's Pulmonic Wafers on the health of our citizens. They will, if taken early, cure your cold and prevent consumption, and Cuba may be left unvisited, and long life enjoyed. Sold at 25cts a box by all medical dealers.

TWO FOLLIES.—First, to eat a hearty supper for the pleasure experienced during the brief time it is passing down the throat, at the expense of a whole night of disturbed sleep, and a weary waking in the morning. Second, to try all the remedies in existence for rheumatism, pains in the back and sides, coughs, colds, bruises, sprains, bruises, &c., before trying the "Canadian Pain Destroyer." Sold by all Medicine dealers at 25 cents per bottle.
