## HAY JUMPED TO $12.50 A TON

### Only One Load Sold for a Less Figure Today on the Market.

### NEW OATS UP TO $1.32

**But the Demand Was Slow—Old Oats Sold Between $1.55 and $1.62—Other Quotations.**

The local market today was inclined to be slack, as far as the quantities of produce were concerned, though the prices were good.

Hay was in great demand, but the supply was very short, only about a dozen loads being offered. One load went for $12, the remainder bringing the high price of $12 50, and even at this high price double the quantity offered would have found a ready sale.

There was a good quantity of oats offered for sale. New oats sold at from $1 30 to $1 35, but the demand for them was slow.

Old oats found a ready market. One very poor load brought $1 51, but the remainder sold between $1 55 and $1 60, the majority tending toward the higher price. A couple of loads of wheat were offered and sold at 95c.

Death came very suddenly to Mr. Samuel Purdy, of lot 4, con. 5 of the Township of West Nissouri last night.

Mr. Purdy had not been feeling in the best of health and a doctor was called in. There was no expectation, however, that Mr. Purdy's illness was of a serious nature, and at half past eight he retired. From that time, however, he sank rapidly, dying at nine o'clock from heart failure.

Mr. Purdy, while not feeling in the best of health, has been attending to his work till yesterday, and his sudden death comes as a great shock to his family and friends. He is survived by his wife and two sons, Milton and Vernon Purdy. The funeral will be held on Thursday at 2:30 p. m., to the Clipperton Cemetery.

## BIG CROWDS TAKE IN SWIMMING BATHS

### Nearly 700 Were at the Popular Pool This Morning.

There was an enormous crowd at the swimming bath this morning, the first batch numbering 245, and there were two other batches about as large. It is a significant fact that this morning there was a record attendance from boys east of Adelaide street. These were waiting at the bath before 8 o'clock, and among them there were 25 who had not been at the pond before. There are at present about 150 entered in the swimming contest which takes place next Wednesday. The baths will be open to all that day until 11 o'clock, when all but the contestants will be required to leave. It is hoped that a large number of people will take advantage of the opportunity of visiting the baths on the occasion of the competition. Next Wednesday will be the last day of the baths for the boys, and Thursday week for the girls.

## EAST LONDON

## BIG SUM OF MONEY FOR CARSHOPS EMPLOYEES

### Pay Car Left About $16,000 in Checks for East End People on Its Visit Here.

When the checks left by the Grand Trunk pay car at the carshops are cashed 415 employees now on the pay roll will be about $16,000 in pocket.

There is now plenty of work, and about fifty men have been taken on within the last couple of months.

"It is practically impossible to get the necessary number of carpenters to handle the work," said an official at the shops this afternoon, "and we are having great difficulty in turning out the work."

According to the manufacturers in that section everything points to the return of prosperity, and within a short time business will be as brisk as it was before the panic.

Real estate men are also of the opinion that prosperity is on the rebound. It is said that there is at least three times the demand for houses that there was a year ago. Building is brisk and contractors in all sections are kept busy.
