OXFORD BEAT TONGORDER BY 1-2 LENGTH IN 2.13 1-5

Kehailan Third—There Were Seven Starters and Inferno Was Last.

Kenilworth Park, Buffalo, June 10.—(Special.)—The crack three-year-old of the year, Oxford, won the Buffalo Derby to-day in the rain and mud after a duel with the Canadian colt, Tongorder, which left both horses out to the last ounce. For a full half mile, from the head of the stretch to the judges' stand, it was as fierce a contest as man could wish to see, and when Oxford finally triumphed by half a length, it was more on account of Odom's masterful handling of the colt of Faraday, than of the latter's superiority over Dyment's horse. The two thousand Canadians present were loyal to Tongorder, and they cheered him every foot of the route in a hearty manner not common on American tracks, nor did they forsake him in defeat, for the applause was long and loud after he came back to the scales. "That Tongorder is a great colt," said McLaughlin, Oxford's owner, after the race. "I think my colt is the very best one of his age racing, and all I want now is a chance to meet J. R. Keene's Sysonby at a mile and an eighth or a mile and a quarter."

The weather conditions were about as unfavorable as could be had. It commenced raining at 10 a.m., and continued all day. For the first race the track was fairly good, but three contests over it left a heavy and lumpy track. The race before the Derby was run in 1.43 4-5, which shows the condition of the track. Seven horses started in the big race, the only absentee being Gamara, who was not brought up from New York at all.

Mr. Seagram wanted to scratch Inferno when he saw the condition of the course. His colt is not a mud runner, and his bad hoof had made it necessary for him to be rigged up with a barplate, but the Waterloo turfmen's friends prevailed upon him to start the colt.

Strange to say McLaughlin wanted to scratch Oxford, for his only previous performance in the mud had been mediocre, but J. G. Laing, of Buffalo, who owns a half interest in the colt, wanted to see him go, and McLaughlin consented.

A ton of Canadian money made Tongorder favorite at 9 to 5, and as they hammered away, the books cut his price to 3 to 2, while Oxford went from 2 1-2 to 1 up to 3 to 1 in betting. The Torontonians outbet the speculators of New York and this in spite of the fact that Tongorder had never raced over a muddy track in his life. Inferno ruled at 3 to 1, Right Royal 9 to 1, Kehailan 6 to 1, Silver Skin 5 to 1, and George Hendries King of Troy 15 to 1.

Dyment drew the rail position, but in this case it was not an advantage, for it placed Tongorder in the heaviest going. Oxford, sixth out from the rail, was the first away, with Tongorder, Silver Skin, King of Troy, Inferno, Kehailan and Right Royal following in a bunch.

As in all his races at Woodbine Tongorder started out to make the pace and it is matter of doubt if Walsh displayed good judgment in allowing him to do so to-day, with a stretch runner like Oxford being nursed by Odom, one of the most thoro horsemen in the world.

First time past the stand Tongorder was a clear length to the good, with Kehailan second, Inferno, Right Royal and King of Troy abreast and Oxford trailing with the other gray horse, Silver Skin, up the back stretch. Odom let out a wrap and went up to fourth place and Inferno was rushed into second position. At this stage it looked as tho the Canadians would have the race between them, but Seagram's colt tired and sprawled about at the mile, while as they plunged into a fog bank, Odom moved up another notch with Oxford, turning into the straight. Tongorder still had a neck the best of it, and now commenced the battle royal.

Odom on the outside had the better position, and in his long career as a premier jockey he never used it to better advantage than in this very race. He fairly lifted Oxford thru the mud, and never was horse urged as was this bulldog of the turf.

Inch by inch he crept up on Tongorder. It was rider against rider as well as horse against horse, and Odom outfinished Walsh. Both horses hung on gamely to the last jump, but Oxford was first home by about a yard. Kehailan, the colt which forced Tongorder to such a fast pace and was instrumental in bringing about his defeat, was third, George Hendrie's King of Troy fourth, Right Royal fifth, Inferno sixth and Silver Skin last. Time 24 4-5, 51 1-5, 1.16 3-5; 1.44 3-5 and 2.13 1-5.

"It was a tough race to lose," said Johnnie Dyment as Tongorder was being cooled out, "I think it was a case of too much pace on such a heavy track. We will meet Oxford again."

And when that happens, the tables may be turned. Next to Oxford's victory the surest thing about the Derby is that George Odom could have won on either horse.

Close at Hamilton.

Hamilton race track, June 10.—(Special.)—The Hamilton races closed to-day in a rain shower that started during the first race. There was a good attendance, including the largest crowd of the week on the Toronto excursion. Favorites failed in all but two races. Lady Huron and Sir Ralph both at odds on Romping in. Scarecrow, third choice, won the opening event. The winner alone stayed up in the jumping event. Lynch remounted Gearholm and took second, while Ohnet was disqualified and there was no show horse. The Bradley pair ran 1 and 3 in the fifth, Blue Grouse gettin' between them. The winner was best. Both were played strongly. The last race of the meeting went to Love Note, the strongly played second choice, that took such an early lead that Young Henry could not quite get up. Eight books had the better of the day. The announcement here of Oxford's victory at Buffalo created no surprise, as Tongorder was hardly expected to do in the mud.

TECUMSEHS 4, TORONTOS 1 GOOD SWIFT EXHIBITION

Tho It Rained Thruout—At Half Time Tecumsehs Led With Score 3 to 1.

Between two thousand and three thousand people went to Rosedale on Saturday to witness the game between the Torontos and the Tecumsehs. The weather was bad, a steady rain falling thruout the game. The gentlemen who have put up their money to keep those fine grounds open must have felt satisfied on Saturday that the citizens of Toronto appreciated their efforts. The boys in blue had a strong following in the stands, but it seems as if the public have decided to take a hand in the game and their attitude in crying down anything approaching unclean lacrosse seems to have a good effect. The applause for both teams was liberally given and the crowd enjoyed the cleanest game of lacrosse that has been played in Toronto in years, and the best this season. Referee Baker kept things going, and only had a few players to penalize. The players on both teams are to be congratulated for their sportsmanlike play. There was ample opportunity for dirty work, but it was to their credit and the elevation of the game that they were careful. Such play as that of Saturday will meet with approbation and large gate receipts. The game was by no means so one-sided as the score would indicate, but the boys in blue have not yet rounded into form. When they do the Tecumsehs will not have such a victory to record. Bill Hanley, Hugh Lambe and Francis did good work on the defence, and Brown, the goal-keeper, showed great improvement since his last game. Walter Cain certainly played a star game for the home, while Neeley, as usual, was always on the job. The Toronto home have not got into thoro going order yet, but when they begin to know one another they look good enough for any team in the league.

The Tecumsehs have strengthened their team by the services of John White. He certainly is a great worker and a clean player. Their defence is all good from the goal out, and at various times during the day showed up in brilliant style. The home has had more work together thau any of the other teams, and their win Saturday was due to fine combination. McMillan is a fine inside home man, and was there continuously thruout the match. The game ended with a score of 4 to 1 in favor of the Tecumsehs.

The first quarter opened with Toronto getting the ball and carrying it to Tecumsehs' goal, but Menarey, Stewart and White brought it down to Toronto's goal, where Parke was ruled off for an accidental blow, and the Indians took advantage to press the game, carrying it right in, but Hanley relieved. It was again brought in and Brown left his flags to intercept a pass, which Querrie secured, scoring in six and three-quarter minutes. The second goal began by the Torontos again bringing it down, and for a few minutes the Tecumsehs' defence were kept busy. However, a quick rush down the field and a shot on Toronto's goal sent Umpire Thompson's hand up. Referee Baker was right there and the goal was not allowed, as the ball went into the nets from the outside of the pole. It was a case of bad judgment, Mr. Thompson is a Toronto supporter. He retired and J. D. Bailey took his place. The Torontos went at it with a rush and the ball went from Neeley to Marshall and Parke, who passed to Henry, scoring in four and one-quarter minutes. Toronto again got the draw, and made a vigorous assault on the Tecumsehs. Clark, however, showed his ability to take care of hot one from Powers. The ball then traveled from goal to goal, each defence showing up in magnificent form, Bill Hanley and Lambe being very conspicuous by their good work. The Tecumsehs secured the ball, White and Querrie working it in. It was here that White took a chance and shot on goal at about 30 yards out. It was swift and straight, and to the surprise of everyone landed in the net—time seven minutes. This ended the scoring for the quarter. Menarey received a slight injury just as the whistle blew, but played the game out.

The second quarter began with Toronto again securing the ball and rushing it to the Tecumsehs' end. It looked for a few minutes as if the game was going to get rough, but Referee Baker sent Johnny Powers to the fence for clinging to Griffiths. Durkin immediately followed for hitting Bonnree and Marshall was sent off for tripping Murton. Again the teams steadied down, and the Tecumseh home worked in till Adamson put a hot one in, which Brown stopped. The play was transferred to Tecumseh's defence and Henry and Powers sent in two hot shots, but Bun Clark had his eye with him and cleared both in excellent style. The game was up and down, neither team having much advantage. Adamson was ruled off for hitting Neeley on the arm too strenuously. It then looked as if Toronto would again score, but the Tecumsehs rallied, and for a few minutes the game was fast and good. McMillan got hit on the head. After play was resumed, Querrie got the ball, passing to McMillan, who scored in 1 minute.

The fifth and last goal scored was where some of the finest play of the day was seen, both teams working like Trojans, the Torontos again and again boxing in Powers, Cain and Henry shooting straight and true. The Indians' home was also busy, and Adamson, Durkin and McMillan had good chances, but failed to connect. The quarter ended without further scoring. The last quarter only saw one goal scored. This went to the Tecumsehs, Durkin scoring in half a minute, making the goal in 26½ minutes. Grimes was sent to the bench for hitting Parke and it was during his rest that the Tecumseh defence put up a great game. Their goal was time and time again in danger, but the boys in blue didn't seem to have any luck. Big John White did some spectacular work during this period, and the grand stand did not stint their applause. The balance of the quarter saw no further scoring, the Powers made a great attempt to bring the ball in from behind the nets. Again he and John White were in a scuffle, and Powers, being unable to get the ball with his stick, passed it to Cain with his hand. Referee Baker gave White the ball. The incident was laughable. Parke got ruled off for striking Querrie, but both teams had had a strenuous match, and no further scoring was done.

The crowd filed out of the grounds, feeling satisfied with the good afternoon's sport.

The street car service was fairly good, and no doubt the management will look closely after the followers of the game at Rosedale.
