AN EXCELLENT opportunity to obtain furniture and other household effects is offered at the sale at Rev. Mr. McBain's residence on Thursday, 20th inst. See advt.

REMOVAL.—Messrs. R. A. & J. Stewart have removed their offices in Newcastle to the building known as Hall's corner and recently purchased by Messrs. Sutherland & Creaghan.

NEW STEAMER.—We understand that R. P. Whitney, Esq., has arranged with the Miramichi Foundry Company of Chatham for the construction of a paddle wheel steamer for towing purposes in connection with his increasing business on the Northwest.

OF COURSE NOT.—There is no truth in the report that Hon. Mr. Adams has resigned the office of Surveyor General.—*Sun.*

Certainly not! He only wrote the resignation and placed it in the hands of a friend in whom he could trust not to submit it to the Governor in Council.

A WARNING.—The St. John *Globe's* Fredericton correspondent telegraphs that as Mr. White, the member for Sunbury, was drinking a glass of ginger beer he was partially strangled and fell against a sewing machine, inflicting an ugly wound on his face.

—Moral,—Don't drink ginger beer.

ATTRACTIVE SALE.—Special attention is directed to the auction sale of Furniture by Geo. I. Wilson, Esq., which is to take place on Saturday in Masonic Hall. Mr. Wilson's idea of placing the furniture in a place where it may be seen with advantage to those desiring to purchase, and where ladies may be accommodated with seats, free from the usual annoyances of house and out-of-door sales, is a good one that cannot fail to be appreciated.

VULCAN FIRE COMPANY.—At a meeting of the above company held in their room in the Engine House, Newcastle, on Monday evening the 3rd inst., the following officers were appointed:—

Captain—W. H. Buck.
1st Lieutenant—W. J. Miller.

COMPLIMENTARY.—We are informed that on Saturday last, His Honor Judge Wilkinson, intimated his desire to see the legal gentlemen who had been engaged in conducting cases in the Circuit Court before His Honor Chief Justice Allen, the County Court in the meantime meeting in the Grand Jury Room, and when these gentlemen were in attendance, robed in their gowns, he conveyed to the young men of the bar the pleasing news that the Chief Justice had expressed to him his high appreciation of the talent and ability of our young lawyers. He stated that he did not think it necessary for Miramichi litigants to go out of the County for men to plead their cases, as he thought that our young men were well able to handle the cases that arise here and are tried in Court.—*Advocate.*

JEALOUSY.—The Moncton *Times* appears to be very jealous and fearful, because a Liberal paper is to be established in that town under the management of J. E. B. McCreadY, Esq., the present able correspondent of the Toronto *Globe*. It makes statements concerning those interested in the enterprise which are well worthy of Sir Charles and his organs, of which latter the *Times* is about the most despicable in every way. For our part we were glad when we heard a month or two ago that leading Conservatives here were about to establish a paper in this County and if their undertaking has not entirely justified the "blowing" they did for it, or the good words we gave it at the start, we suppose its owners are doing as well as they know how to do and we should, therefore, deal charitably with their efforts in a new line of business.

"SHOO FLY."—If Messrs. R. R. Call, L. Tweedie, John Sadler & Co., do not cause their paper to display less of its bad manners towards the publisher of the ADVANCE we may cause some or all of them to wish they had "sneaked out" of "the contract" they have taken against the ADVANCE. Mr. Tweedie has been endeavoring to annoy the publisher of the ADVANCE with an apparently bogus libel suit, in addition to his other efforts to suppress us through the paper owned by the patent combination, but whether his insignificance will much longer protect him from our just resentment of his personal attacks is problematical. However, we will endeavor to put up with the little annoyances, just as we would with those of gnats, mosquitoes and other insects on a fishing expedition. If one goes in for sport we suppose he must expect a few "bites."

Easter Carnival.

The Skating Season at the Chatham Rink closed on Easter Monday evening by a carnival which was the most successful of the season in point of attendance and in the variety and attractiveness of the costumes, which reflected much credit upon the ingenuity, taste and inventive genius of the masqueraders. A full list of the skaters was not made up by the Secretary, so we do not attempt to publish one, which could not in any case, be either correct or full. The band furnished excellent music. Its members were:—

John Templeton, Cornet, Leader.
Arch. McEachern, 1st Violin.
Thos. Stapleton, do., do.,
Everett McEachern, 2nd Violin.
Henry Patterson, Solo Flute.
John Johnson, 1st Flute.
Campbell Johnson, Drum.

Much credit is due to Mr. Watt and his enterprising associates by whose efforts so much enjoyment has been afforded to skaters during the past four or five weeks. On the whole their management has been good and if facilities for skating are not provided for next winter, it will not be because these gentlemen have not done everything possible to make that health-giving exercise and pastime popular. The well-established modesty of the curlers suggests that nothing should be said in reference to their praiseworthy self denial in giving up "the game" for the accommodation of the skaters.

Easter Meetings.

At the regular Easter meeting in St. St. Paul's Church, Chatham Parish, the following were elected for the current year:—

Wardens.—Messrs. Geo. Burchill and Richard Carman.

Vestrymen.—Messrs. G. A. Blair, Wm. Wilkinson, Chas. Sargeant, John Brown, (Chatham Head,) S. Habberly, F. E. Winslow, John Baldwin, W. R. Howard, Geo. Lee, Theop. DesBrisay, Richard Hocken, Thos. F. Gillespie.

Delegates to Synod—Hon. Judge Wilkinson, G. A. Blair, Esq.,—Substitutes, George Burchill, Richard Carman.

G. A. Blair, Esq., and Hon. Judge Wilkinson were reelected Treasurer and Vestry Clerk, respectively.

At the meeting of St. Andrew's Church parishioners, Newcastle, the following were elected:—

Church Wardens—R. B. Haddow, W. Buck.

Vestry—Thos. Maltby, Chas. Maltby, J. M. Conygrahame, J. C. Fairey, J. G. Kethro and Wm. Fenn.

Delegates to D. C. S.—R. B. Haddow, Wm. Fenn.

Representatives to the Synod—R. B. Haddow, Wm. Fenn.

The list of officers elected at the Bathurst meeting is in our Bathurst notes.

Dramatic.

Excellent audiences greeted the "No Name" Dramatic Company of Moncton in both Newcastle and Chatham. They appeared on Monday evening in the former place and on Tuesday evening in the latter. The Company is composed of young ladies and gentlemen of the best social standing and it is not, therefore, a matter of surprise that they acquitted themselves before their audiences in a most satisfactory manner. The piece put on was "Caste" and its performance throughout was much in advance of ordinary amateur efforts. Indeed Mr. Paver as "Eccles," was perfection itself in word and action and Mr. Johnstone's Hautree left very little to be desired. Mr. Grover's lines were, perhaps, a little too deliberately spoken, but he was master of the text, and displayed a very fair mastery of the character of D'Alroy—not an easy one to assume by any means. Mr. Dodge also made an excellent "Geridge." "Polly Eccles" was played as perfectly by Miss H. B. Sayre as Old Eccles was by Mr. Paver and in saying this we can give no higher praise. Miss Iva Chandler was a captivating Esther, and Miss Campbell looked and acted the Marchioness to the letter. If this Company should again favor the Miramichi with a visit we hope they will remain longer with us and are sure they cannot fail to attract full houses.—The net proceeds of the two entertainments are to be devoted to charitable purposes.

"Jumbo."

NEW YORK, April 9.—"Jumbo," the largest elephant in captivity in the world, and for fifteen years past the pride of the London Zoological Gardens, was landed here to-day from the steamship "Assyrian Monarch," which left London, March 25. The announcement in the papers that "Jumbo" had arrived brought a large and curious and continually increasing crowd to Pier One and to the dock of the Monarch line Steamship Co. in Jersey City. There was, however, no hope of their getting even a glimpse of Jumbo, for it was late in the evening before the huge animal was landed at Pier One, preliminary to be taken up Broadway to Madison Square Garden. The strong wooden casement in which Jumbo was confined, is fifteen feet in height. Scott, his keeper, said the first day of the voyage Jumbo had shown signs of discontent and on the second day refused to eat, but afterwards took regularly his 200 pounds weight of hay per day besides other food. Scott said he conducted the Baroness Burdett-Coutts to see Jumbo on board the steamer prior to his departure, and the Baroness sent a large present of bon-bons for the animal. Scott also showed a letter he received from Kensington Palace from the children of the Duke of Kent, relatives of the Queen, offering to supply Jumbo with all kinds of delicacies for his voyage.

Barnum is the man who was enterprising enough to buy "Jumbo" and bring him to America. Wonder how much he would give for our Chatham elephant? Scott, the Dominion Architect has had charge of our elephant since the Government bought it for $10,000 and he says the first day after the purchase it showed signs of sickness, but thereafter it took regularly to its food and has eaten $5,000 worth, so that it now stands in the Dominion Menagerie accounts at a valuation of $15,000.

Presbytery Meeting.

The Presbytery of Miramichi held its quarterly meeting in St. James' Hall, Newcastle, on Tuesday of this week. There were eleven ministers and two elders present.

A report on statistics and the leading schemes of the Church by Rev. S. Houston, and on the state of religion by Rev. J. A. F. McBain, were given in and adopted by the Presbytery.

The committee appointed at last meeting to prepare a report on the proposed Sustentation and Supplemental Schemes recommended the adoption of a Sustentation Scheme in preference to a Supplemental one; but on motion by Rev. Mr. McKenzie, seconded by Rev. J. Boyd, the Presbytery expressed a preference for a Supplemental Scheme, and as to the details of the same adopted it as modified by the Pictou Presbytery except a slight change in the rate of contribution.

Rev. T. G. Johnstone and J. McCarter were appointed a committee to prepare a report on temperance and forward the same to the General Assembly's Convener on Temperance.

Circulars were read from other Presbyteries intimating that three Ministers from other churches are seeking admission to the Presbyterian Church in Canada.

After considerable and earnest discussion as to the mode of choosing Commissioners to the general Assembly it was carried by the casting vote of the Moderator that the present regulations be continued. The following were chosen Commissioners to the next General Assembly to meet in St. John in June proximo, viz.: Revs. Alex. Russell and T. G. Johnstone by rotation, and Mr. McKenzie and J. A. F. McBain by ballot. The elders chosen were Drs. Thomson and Duncan, and Messrs. D. Davidson and J. Porteus. Rev. Mr. McKenzie was appointed Treasurer of the Commissioner's Expenses Fund.

Application to the Supplement Board was made for the supplemented congregations within the bounds.

Rev. Dr. Cochrane, of Brantford, Ont., on motion by Rev. S. Houston, was nominated by a majority as Moderator of the next General Assembly, and Rev. K. McLellan, of Charlottetown, P. E. I., was unanimously nominated as Moderator of the Synod.

A communication was read from the Montreal Presbytery expressive of their gratification at action of this Presbytery in granting the translation of Mr. McBain to North Georgetown.

The pulpit of St. John's Church, Chatham, will be declared vacant on the first Sabbath in May by Rev. E. W. Waits.

Rev. Jas. Murray was appointed *ad interim* Moderator of Session during the vacancy, caused by the translation of Mr. McBain, whose closing service in Chatham will be held on Sabbath, 30th inst. His induction to his new charge will take place on 5th May.

Rev. T. G. Johnstone was appointed Moderator of Presbytery in the room of the present one till August prox.

The Presbytery adjourned, to meet at River Charlo on the 1st Tuesday of Aug. next at 11 a. m.

Bathurst Notes.

APRIL 11th 1882.

EASTER MEETING.—At the annual Easter Monday meeting held in St. George's Church yesterday, the following officers were elected for the ensuing year. *Church Wardens.*—Theophilus Desbrisay, Dr. Wm. P. Bishop.

Vestrymen.—C. H. Mann, H. W. Baldwin, J. E. O'Brien, D. G. McLauchlan, S. T. Miller, Wm. Hinton, Robert Ellis, John Ellis, Wm. Hillock, R. B. Vail, Edward Hickson and John T. Carter.

Delegates to Synod.—Theophilus DesBrisay, D. McLauchlan.

Vestry Clerk.—T. S. DesBrisay.

A CLAIMANT AT OTTAWA.

Mr. Onesiphore Turgeon, who abandoned his application for disclosure and discharge from arrest in case of Sivewright *et al* against him, at the last term of the Gloucester County Court, applied to His Honor, Judge Wilkinson, at the Restigouche County Court for leave to go out of the Province without forfeiting his bail. In his affidavit he stated he had a claim against the Dominion Government to the extent of fifteen hundred dollars or thereabouts and that it was absolutely necessary he should present his claim in person to have it adjusted. Leave was granted him for five weeks, and he at once set out for the capital. He has also in hand the claim of A. S. Sutherland and Chas H. Mann, the former for some $5000 for supplies to sec. 16 I. C. R. during construction and the latter arising out of the snow fences on the I. C. R. It is said these will all be paid before the elections.

PERSONAL.

K. F. Burns, Esq., arrived home from England on Tuesday evening last. He came via New York and visited Montreal and Ottawa on his way. He was met at Jacquet River by a number of his friends who went up in the accommodation for that purpose.

Hon. Robt. Young passed through town on Sunday morning en route for Caraquet.

Messrs. Ryan and McManus, M. P. P. have arrived home.

Messrs. W. J. Wilbur and H. W. Molloy, two of our young townsmen, leave this evening for Brandon. Mr. Wilbur was lately in the employ of Mr. S. Bishop and Mr. Molloy was formerly of the firm of Baldwin & Molloy.

ROWDYISM.

Our town on Saturday last appeared to have been entirely delivered over to the pugilistic element. A large number of woodsmen came in and, as was to have been expected, the great majority imbibed rather freely after their winter's exile. The result was free fights in almost every corner of the town and, as usual, our peace officers was conspicuous by their absence. Such an amount of rowdyism has not been seen in our streets in one day since the time of the railway construction and there seemed to be no one whose duty it was to attempt to put it down.

CHURCH CONTRACT.

Mr. Felix St. Cour has the contract to complete the interior of new St. George's Church, excepting the furniture. The work is to be finished by the first of August.

POLITICAL.

It is said that in case of a Dominion Election during the coming summer, K. F. Burns, Esq., will contest the County in the Conservative interest and that O. Turgeon, Esq., while having his claim adjust(?)ed at Ottawa will also have his claims to contest the County so adjusted that there will be a square fight between Messrs. Anglin and Burns.

[A good many Acts besides the above were passed, but they were not of interest to the people of this section of the country.]

The Dominion Election.

The best information we can get from Ottawa in reference to the prospects of a general election for the Dominion this summer is, that one is probable. Among the reasons assigned for a dissolution is the health of the Premier, which occasions his friends considerable anxiety. It is felt by the Government supporters that their prospects of success will be greater while Sir John is able to lead them, than at any other time, and that leads them to be much more willing to consent to a dissolution than they otherwise would be. But, as one correspondent says, "The only thing certain about the matter is that Sir John, if he is well enough, will do as he pleases whether the rank and file of his party like it or not."—*Pictou Herald.*

That Rupture.

There was considerable talk on Good Friday of a rupture in the ranks of the local Government. Mr. Adams, Surveyor General, was very much annoyed over the course taken by the Attorney General upon Mr. Butler's bill defining the duties of Constables, and being in a suitable frame of mind he was very free in his expressions of opinion in respect to the Government individually and collectively. It is said that he even went so far as to write out his resignation and hand it in; but whether this is the case or not, he talked resignation most violently. He has since been pacified. The most amusing thing about it was the indifference of his colleagues as to what course he should take. The fact of the matter is they would like to get rid of him, if they could without losing too much. They feel that he is a burden to carry through the Province, although a strong man in his own county. It is more than doubtful if he will remain in office after a new election under any circumstances.—*Herald.*

It is pretty generally known here that Mr. Adams is as weak at home as he is abroad. And it is quite certain that a new election will leave him little choice in reference to the matter of office.

WEDDING BELLS.—A very interesting affair took place at "Seaside Cottage," Maria, P. Q., on the evening of the 5th inst., when Mr. A. Normand DesBrisay, son of Theophilus DesBrisay, Esq., Q. C., of Bathurst, plighted his troth to Miss Annie Grace, youngest daughter of W. H. Rudolf, Esq., formerly of Halifax.—The ceremony was performed by the Rev. Mr. Lindsay, the bride being attended by Miss Elma Campbell, of Maria, and the groom by Mr. George Rudolf, brother of the bride. The fair bride was the recipient of a great number of very handsome and costly presents, the loving gifts of friends in various parts of this Province as well as in the Province of Nova Scotia, more especially in Halifax. Mr. DesBrisay goes West in a few days, he having secured a very lucrative position in the store of Mr. John Ferguson, of Minneapolis, Minn., formerly of Bathurst.—*Globe.*

AN UNFORTUNATE SHOT.—A very unfortunate accident took place on Thursday at Hampton. As is customary at this season of the year the sportsmen seek the twilight to have a shot at the wild geese that settle down on the river and creeks for the night. Mr. Norval Otty, son of Captain Robert Otty, was late in the evening endeavoring to creep near a flock of geese while he was partially covered by a sheet or other garment. While he was thus creeping along he was fired at by his neighbor, Mr. Joseph M. McManus, who was also at goose hunting. A large quantity of shot poured into Mr. Otty's side, dangerously wounding him. Dr. March, who has just returned from New York and settled in Hampton for future practice, was soon called, and with the assistance of Drs. Taylor and Macpherson, extracted most of the shot from his side and arm. It was discovered that he had a grain lodged in one eye and Dr. Coleman, of St. John, was telegraphed for, to, if possible, save that organ.—*Sun.*

BIRTH.

On the 14th January, at the parsonage, Little York, P. E. I., the wife of the Rev. George Steel—of a son.

MARRIED.

At Seaside Cottage, Maria, P. Q., on the 5th inst., by the Rev. P. Lindsay, A. Normand DesBrisay, son of Theops. DesBrisay, Esq., Q. C. of Bathurst, N. B., to Annie Grace, youngest daughter of W. H. Rudolf, Esq., formerly of Halifax, N. S.

At Campbellton, N. B., on the 5th inst., by the Rev. J. C. Herdman, B. D., Mr. Thomas Downs, of Deeside, P. Q., to Miss Susan Wyres, third daughter of Frederick Wyres, of the mouth of Patapedia, Main River of Restigouche.

In Portland, Me., on the 23rd ult., by the Rev. C. A. Dickinson, Samuel Copping, of Denver, Col., to Miss Ambersine Whalen, of Chatham, N. B.

DIED.
