Everyone cannot show his appreciation by building a band stand but everyone can take in the picnic on first July and while enjoying a pleasant day's outing at the seashore add his little mite to help the Band along in financial matters.

PORT ELGIN INDUSTRIES. — Messrs. Read of Port Elgin Woolen Mills report this season's work well in advance of previous years. BARBADOES:—The Herbert cleared Saturday for Barbadoes with spruce lumber, shingles, hay, butter, stoves, etc. Since the trade between Barbadoes and Sackville is of some importance the following facts about the Island given the Post by Capt Robinson of the Herbert may be of interest. The total population in 1891 was 182,306 of whom only 16,613 were unmixed white, and 122,717 were unmixed black. In religion there are over 156,000 church of England, about 14,500 Wesleyans and nearly 7,000 Moravians with a few Catholics, Jews, and other denominations. CHANDLER-FORSAYETH.

DORCHESTER, June 18—A very pretty event took place at Trinity church this afternoon at 4 o'clock, when Dr E. B. Chandler, of Moncton, was united in marriage to Miss H Forsayeth, of Toronto, Ont. The bride entered the church leaning on the arm of her brother, Mr. B Forsayeth, of Toronto. She was gorgeously attired in a handsome cream silk dress and carried a very pretty boquet of cream roses and ferns. The Rev J. Roy Campbell, of this place, officiated. After the wedding the bridal party and guests drove to the residence of Mrs Joshua Chandler where a repast was partaken of. The newly married couple took the C P R for Halifax amid showers of rice and the good wishes of their many friends. They will spend their honeymoon in Cape Breton and P. E. I. The bride was the recipient of very many handsome presents, among which was the groom's present of a very valuable opal and diamond ring, Mrs Joshua Chandler $60 in gold, and Lady Smith $40 in gold. So far this is the event of the season.

PATON-BENT.

A very pleasant social hour was passed *and there was no collection.*
