BETTER TO LIQUIDATE

A Montreal Concern Voluntarily Goes Out of Business.

[Canadian Press.]

Montreal, July 8. — The Corinthia Manufacturing Company yesterday went into voluntary liquidation on an order issued by Mr. Justice Greenshields, and Mr. John Adams, secretary-treasurer of the company, was appointed provisional liquidator. This was decided upon some time ago at a meeting of the shareholders and stockholders, when the position of the company was outlined by President Thomas Robb and Capt. Robert S. Clift. It was considered that there was no prospect for making a success of the company's business, and that it would be better to liquidate while there was a likelihood of meeting all liabilities and distributing any surplus among the shareholders.
