SLUGGED AT SMITH'S FALLS GAME OFF AT HALF TIME

Marlboros Were Behind 6 to 4, When Referee Decided to Leave it to the O.H.A.

The Marlboros had a rough reception last night at Smith's Falls, playing the second final for the championship of the Ontario Hockey Association. The Toronto team went east with a lead of 5 goals from last Saturday's incident in the Mutual-street rink. Special reports state that the Marlboros were slugged into submission, and as the O.H.A. secretary and treasurer were present, it is not likely that Referee Rose caused the game to be abandoned without a serious consultation at half time. The G.N.W. despatch, given below, would make it appear that Smith's Falls was in a fair way to surmount the lead.

Smith's Falls, Feb. 22.—Before the largest crowd ever assembled in the local rink the Marlboro hockey team of Toronto were defeated to-night in the final O.H.A. championship match by a score of 6 to 4. Early in the first half Winchester of the visitors was injured by a bump on the nose, and Farren of the local team retired with him. Later on Armstrong's lip was cut, and he failed to reappear, when Cowan was laid off to even up. With five men each the game proceeded, the the locals played the remaining time with only four men and for some minutes with only three. The following penalties will show: May, Cowan and Fraser 2, Serviss 3 and Smith 4. The game was not what could be called rough, every injury being purely accidental and much regretted by the locals, and the spectators. The Marlboros were simply outplayed, and were weakening every minute, as the pace was much faster and the checking closer than they had anticipated. Many times the locals played rings around the Marlboros, and it was quite evident to the large audience that the only way to save the round was to default, which they did. Smith's Falls appeared on the ice after waiting over 30 minutes for the visitors, and then it was that Referee Rose gave the remarkable decision that the game was off and the O.H.A. executive would decide the issue. The referee had no authority to give such a decision.

When the Marlboros were warmed to appear and refused the game should have been awarded to Smith's Falls. The simple fact is that the Marlboros were all in and fully realized the hopelessness of their efforts. The great crowd was bitterly disappointed, but pleased to note that the splendid showing of the locals when given an opportunity to play hockey was the means by which the visitors lost their wind and nerve. Should a team again meet on neutral ice the Smith's Falls team have no reason to even contemplate defeat for every man proved himself to be capable of playing the fastest kind of hockey.
