

DEPARTMENT OF NAVAL SERVICE
Royal Naval College of Canada.

The Royal Naval College is established for the purpose of imparting a complete education in Naval Science.

Graduates are qualified to enter the Imperial or Canadian Services as midshipmen. A Naval career is not compulsory, however. For those who do not wish to enter the Navy the course provides a thorough grounding in Applied Science, and is accepted as qualifying for entry as second year students in Canadian Universities.

The scheme of education aims at developing discipline with ability to obey and take charge, a high sense of honour, both physical and mental, a good grounding in Science, Engineering, Mathematics, Navigation, History and Modern Languages, as a basis for general development or further specialization.

Particulars of entry may be obtained on application to the department of the Naval Service, Ottawa.

Pending erection of buildings to replace those destroyed at the time of the Halifax disaster the Royal Naval College is located at Esquimalt near Victoria, B.C.

Carhartt's
Allovers

Brush up against the car as hard as you like. There's nothing about Carhartt Allovers to hurt it, as in the case of ordinary clothes, for the buttons are concealed. The garment itself is neat fitting and well tailored. All seams are double stitched; all buttons are riveted and all points where the extra strain comes are doubly reinforced. A special swing pocket keeps the tools in place when you bend over. Practically all dealers carry Carhartt Allovers and are glad to recommend them.
