A Partial Explanation.

Speaking about the exodus it may be said that many who join it do so by night and are no loss to the country they leave behind. To be sure they leave debts, which are dead losses to individuals, but their flight saves others from greater losses and the country from an increased jail account. The exodus certainly includes many of this kind.

Another interesting feature of the exodus is that it is principally made up of Reformers. The leaders and the press of that party have so long preached despair and argued decay that the Reform farmer was unable to stand a bad crop and gave up under small reverses. After reading the party organ he let his fences go down, his sheds cave in, the bailiff wind up his affairs and he left for the glorious Dakotas, content if he could see his name flourished in the party press as another unfortunate martyr to Tory misrule. Here was party devotion sure enough, but what was such a sacrifice to a man who still nursed hereditary wrongs inflicted by the Family Compact and regarded the Tory policy as literally inspired by the devil? The Liberal slogans of the past few years have persuaded the Liberal farmers to cross the line in droves, and the party has strengthened its arguments by sacrificing its voting power.

Notwithstanding the census and the gruesome construction that is being put upon the figures set before us we can look to the future without fear. If we have not progressed wonderfully in the past ten years we still have intact a country of vast resource. It will require more than the disappointing result of a census to dishearten those who aim to here build up a nation, and in the fullness of time every calumny will be answered and every doubt banished in the enduring success of worthy efforts.

If Molested Should be Arrested.

The police for some reason or other trifled with the misguided pair of notoriety seekers who tried to speak in the Park yesterday. They were conducted outside the Park twice by the police and twice they sauntered back through a different gate. Those men were violating a bylaw and should have been arrested, otherwise they were wrongfully interfered with. The authority that empowered the police to eject the men authorized their arrest, and by failing to take them into custody they were encouraged to further transgress the law. We maintain that the bylaw is in general favor with the people of Toronto, and we have the assurance of the City Solicitor that it is legal and regular. This hole and corner enforcement of it, this evident determination to not risk an arrest under its provisions, is exasperating to those who have faith in it besides encouraging the people to suspect and set it at naught. The police should have come down hard even upon mild offenders yesterday and so ended the trouble. If the bylaw is worthless let us know it at once.

As far as The World's information goes there is no ground for The Globe's statement that there will be a general election right away. It looks like an invention to scare the Reformers into looking after the revision of the voters' lists.

A NATURAL EXHORTER.

Conductor Snider's Sermon at the New Richmond Church.

An impressive sermon was delivered last night at the new Richmond Methodist Church by Conductor Snider, from the text, "Let your light so shine before men that others may see your good works and glorify your Father which is in Heaven," Mat. v, 16. The speaker is a practical railroad man and has been an employe of the Grand Trunk Railway for many years. He is a leader among men, and speaks with a pathos and humor that move his audience alternately to tears and laughter. The illustrations of the sermon were all drawn from railway life and were introduced in such a realistic manner as to hold the audience in rapt attention during the whole service, despite the fact that the church was crowded to its utmost capacity.

Mr. Snider will deliver a lecture to-night at the new Richmond Church on the subject, "Life on the Rail, or Men I have met."

Moore's Musee.

An unusually strong list of attractions is booked to appear at this popular amusement resort during this week, of course the strongest attraction being in the person of Miss Mattie Lee Price, the magnetic girl, better known as the human magnet. This lady is but 18 years of age and weighs less than 100 pounds, yet she possesses the strength of a Hercules. In the same department will be seen Barnello, the fire king, and Alf. Sidney, the champion pen-knife artist of the world. In the theatre will be seen Howe and Doyle's big specialty company, which includes some of the following well-known performers: Fenton Bros., the great European specialty artists; Herworth and Risby in their amusing sketch, entitled, "The Two Drummers"; Miss Ada Burnett, the charming vocalist; the Gildays, wholesale and retail dealers in Irish fun, and last but not least, Howe and Doyle, the statuary clog dancers.

Chronic Derangements of the Stomach, Liver and Blood, are speedily removed by the active principle of the ingredients entering into the composition of Parmelee's Vegetable Pills. These Pills act specifically on the deranged organs, stimulating to action the dormant energies of the system, thereby removing disease and renewing life and vitality to the afflicted. In this lies the great secret of the popularity of Parmelee's Vegetable Pills.

Clarets.

I make a specialty of clarets and have the largest stock of any house in Ontario, either wholesale or retail. Our own bottling sold at $3.75, $4.50 and $5.50 per doz. quarts, and are the best value ever sold in this city. Those shipped by the celebrated firm of Hannapier & Co., Bordeaux, are Florac, $6.25 per case, qts.; Chateau de Roc, $7.25, St. Julien $8; Pontet Canet, $12; Chateau de Vallion, 1884, at $15. Will ship to any part of Ontario. William Mara, 280 Queen-street west. Telephone 713. 135

No one need fear cholera or any summer complaint if they have a bottle of Dr. J. D. Kellogg's Dysentery Cordial ready for use. It corrects all looseness of the bowels promptly and causes a healthy and natural action. This is a medicine adapted for the young and old, rich and poor, and is rapidly becoming the most popular medicine for cholera, dysentery, etc., in the market.

Public Attention.

Public attention is called to the fact that by improved methods of manufacturing the different materials, the whole being carefully compounded in the Empire Baking Powder, a really good article can be sold at a moderate price. The Empire is made by Ellis & Keighley, Toronto, and sold for 25 cents a pound tin. Housekeepers are invited to test it. 1

CAN'T THE TORONTO'S PLAY.

THE HOME TEAM WIN A HARD GAME AT ROSEDALE.

Toronto Winners at the Montreal Bicycle Races—Park Nine Win a Great Victory at Galt—Nationals Will Play the Beavers—Rosedale Defeats East Toronto at Cricket—General Sports.

Fine and clear with just a touch of the coming Autumn, the weather on Saturday was made to order for a lacrosse match. The crowd gathered early in the grand stand at the Rosedale grounds. Some came with an idea that they would not see 50c. worth of lacrosse, and thought that it would be a walk over for Montreal. Whatever doubts may have existed, they were speedily removed after the first game, and the spectators were rewarded for patronizing the game by witnessing one of the grandest lacrosse matches ever seen on Rosedale grounds. Towards 3 o'clock the stand was filled, and by the time the ball was faced, there was not standing room on the stand or on the ground in front. Toronto enthusiasts, remembering the six straights in Montreal, were not very quick at taking the Montreal bets, although odds were offered at 10 to 7. After the first game had been won by Montreal, things did take a decidedly blue appearance, and 2 to 1 on the eastern men found few takers. It was soon perceived, however, that the Torontos were playing to win, and the cheers that greeted them from the grand stand were deafening. The old war-horses, whom some expected would tire after the first game, played as they never did before, and showed the Montrealers, as The World said they would the other day, that they were not playing against Colts this time. When Toronto won the second and third games, betting was even, and quite a large sum changed hands.

Numerous fouls were claimed during the match and McNaughton was once sent to the fence for striking Jack Garvin. Towards the end of the game the terrific work began to tell on some of the players, and time was called several times, on account of some of the mem taking cramps.

At 3.45 the teams lined up as follows:

Montreal	*Position.*	*Toronto.*
E. Shepherd	Goal	S. Martin
J. Patterson	Point	C. G. Carmichael
J. Louson	Cover Point	J. S. Garvin
Allan Cameron	Defence	R. Cheyne
J. Berry		Joe Irving
M. Michaud	Field	Paul Carmichael
W. Sprigings	Centre	John Garvin
T. Carlind	Home	C. Langley
H. E. McNaughton		W. Gale
W. Hodgson	Field	H. E. Sewell
A. Hodgson	Outside Home	Percy Scholfield
W. Geraghty	Inside Home	George Keith
Brophy	Captain	George Irving
McGee	Umpire	Senkler

Referee—Hubbel.

First game started with Toronto playing south. Sprigings got the ball at the face, and passed it to McNaughton, he put it well on Toronto flags, but Jimmy Garvin relieved the flags by a neat catch and good throw. During the game many shots were made at the Toronto goal keeper. J. Garvin and Joe Irving tried hard to protect the flags, but McNaughton was continually placing the sphere in dangerous proximity to the goal, and at length Geraghty made the lucky shot scoring for Montreal. Time 4 minutes.

Second game: Toronto players awakened to the fact that 4000 interested Torontonians were intently watching their every movement, and the game they put up reminded the spectators of the good old times, when it was more the exception than the rule to see the home team soused. The old warhorses Cheyne, Garvin, Paul Carmichael and Jud Sewell played as if their lives depended on Toronto winning the game. After the face Jimmy Garvin got the ball and passed to Bob Cheyne, who, by a beautiful throw, placed the ball on Montreal goal. Shepherd by a neat stop, checked the progress of the globular, and returned it down field. Next came a shot on Toronto flags which Sam Martin beautifully stopped. Each man played furiously, Toronto home working in grand style. Cheyne got a bad fall on the cinder path, which is a continual source of annoyance to players at Rosedale. Paul Carmichael got ball at face and ran right up on Montreal flags. It was returned, Lousen and Barry getting in some beautiful passing. Cheyne and Garvin were holding down the Hodgson brothers, and Scholfield, who was playing a grand game, seized a good opportunity when the eastern team's defence was scattered and scored for Toronto. Time 13 minutes.

Third game: This game was, if possible, fiercer than the second. Joe Irving made two lightning shots on the Montreal's flags, which were stopped, one by Lousen and the other by Shepherd. Montreal played a defence game and only twice did the ball get anywhere near the Toronto goal-keeper, and both times Sam was there to return it. Scholfield shot at flags and missed by a few inches. Toronto home played in superb style, and after many shots had been rained at Shepherd, Gale scored. Time 16 minutes.

Fourth game: When play started both teams went at it with untiring vigor. John Sewell ran up on flags and very nearly scored. Ball returned and W. Hodgson placed the ball right in the Toronto flags, Martin got the ball and passed to C. Carmichael, who threw up field. Shepherd returned it, and Jack Garvin got it, ran well up on the flags and made a wicked shot, but Shepherd stopped it just in time. Up she came again, Langley shot, Michaud saved the flags and sent the ball down again. Hodgson tried hard to score, but Sam Martin sent the sphere whizzing up the field. McNaughton was sent to the fence for fouling Jack Garvin, and from that time forth the game was purely a defence one on the part of Montreal. Irving shot, Sewell shot and Scholfield shot. Shepherd in goal did great work, but such continued shooting was sure to tell, and after about 10 minutes' work, Scholfield scored. Time 43 min.

Fifth game started with 9 minutes to play. McNaughton was again on the field. Garvin got ball at face and threw down on Montreal flags. Shepherd returned. Toronto played loose, having the match well in hand, and after some dodging around McNaughton scored for Montreal. Time 7 min. Summary:

Game.	*Won by.*	*Scorer.*	*Time.*
1st	Montreal	Geraghty	4 min.
2nd	Toronto	Scholfield	13 "
3rd	"	Gale	16 "
4th	"	Scholfield	43 "
5th	Montreal	McNaughton	7 "

Tecumsehs Win.

After the Toronto-Montreal match on Saturday afternoon the second Torontos and the Tecumsehs played an exhibition game, which resulted in a victory for the latter by a score of two goals to one. The following are the teams:

Toronto: Furness, Kuowles, Wheeler, Mason, Milligan, Millichamp, Anderson, Patterson, Allen, G. Cheney, Cook, Donaldson, W. Ryan, captain.

Tecumseh: Pringle, Fisher, Irwin, Yorke, Macpherson, Blyth, Baker, J. Gunn, Keith, Burns, Lugsdin, Boyd, Clemes, captain.

A Sad Termination.

OTTAWA, Aug. 29.—The Capital-Ottawa lacrosse match to-day had a very sad termination. After two games had been played Mr. Egan, father of Capt. M. Egan of the Capital team, dropped dead in the grand stand of heart disease and the match was stopped. Mr. Egan was 58 years of age and had been ill for about three years suffering from Bright's disease. It is supposed the excitement and the heat caused an acute attack of heart weakness and produced his death. The body was removed in the ambulance and the crowd dispersed. At the time play was stopped the Capitals had won two games in 6½ and 28 minutes. It was decided to continue the match on a future date, allowing the Capitals the two games already won. The Capitals had the best of the play throughout, being in better condition than the Ottawas. Play throughout was fast and exceedingly hard, the body checking closely approaching roughness. Dr. Cousens was referee. The Ottawas played their regular team but the Capitals who had been scouring the country for men for this match played Bark and Ritchie of the Crescents and Fallis of Brampton.

A Glorious Victory.

In Galt on Saturday the Park Nine and the home team played the most exciting amateur ball game that has been seen in Canada for some years. It took 13 innings to decide which team was the better, and then the Park Nine scored a glorious victory.

Galt started off with two runs in the first, two in the second and two in the third, and things looked very blue for the Park Nine, who had only one run at the end of the third. At the commencement of the fourth a few Toronto admirers of the Park Nine arrived at the ball grounds, which seemed to put new life into the team. Galt only scored one run after the third inning and after the sixth they failed to get a man as far as third. It was at the beginning of the fourth that the Toronto boys went in with a determination to win, and with the score six to one against them, it looked very dark. In the fourth inning, after McKown had gone out at first, Downs made a hit and scored on Maxwell's drive for two bases. Mitchell got his base on balls in the fifth, stole second and third, coming home on a pretty sacrifice by Nelson. In the seventh Fernley and Mitchell made hits, both men getting home on sacrifice hits. The score was 7 to 5 in favor of Galt at the commencement of the ninth, when Fernley led off with a three base hit, Mitchell got his base on balls and again stole second, both men scoring on Synge's pretty hit; Synge stole second and third and McKown was called out on first on a rank decision of the umpire.

The Park Nine would have won in this inning but for that decision, as Synge had crossed the plate. Neither teams scored until the thirteenth, although the Park Nine had men on bases in every inning after the ninth. In the thirteenth Downs made a hit, and after McKown and Synge had been put out he came home on Bates' hit for two sacks. Thus closed the best game of baseball that has been played in Canada for some years.

The feature of the game was the pitching of McKown, allowing the heavy hitters of Galt only five hits, all singles. Maxwell accepted 12 chances at second base without an error, while Fernley distinguished himself both in fielding and batting. In fact the Toronto boys all put up a fine game. Score:

		R.	H.	E.
Park Nine	1 0 0 1 1 0 2 0 2 0 0 0 1—	8	12	6
Galt	2 2 2 0 0 1 0 0 0 0 0 0—7	5	5	

Batteries: McKown-Bates; Cookman-Jones-Sanders. Umpire: Mitchell. Two-base hits—Bates 2, Maxwell, Synge. Three-base hit—Fernley.

Nationals v. Beavers.

The National and Beaver B.B.C.'s met Friday evening in Fletcher & Bond's Hotel and arranged one game, to be played on the ball grounds next Saturday, Sept. 5, for the championship of Toronto. There is great interest taken in these two teams on account of their both being champions of their respective leagues, and as the teams are composed of the best amateur talent obtainable in the city the citizens of Toronto will have a chance to judge the standard which amateur baseball has reached.

MONTREAL BICYCLE RACES.

The Toronto Riders Capture Several Prizes.

The Montreal Bicycle Club meet, which took place on the M.A.A. grounds Saturday afternoon, was a big success. There was a large attendance, the track was in splendid condition, the weather was perfection and the various events were closely contested. The most exciting event of the day was the breaking of the half-mile record by F. J. Burlo of the Manhattan Athletic Club of New York, who succeeded in beating F. H. Skerritt's time of 1 minute 17 seconds by 2-5 of a second. He also tried to beat A. W. Palmer's mile record of 2 minutes 43 1-5 seconds, but failed, as he made the run in 2 min. 45 4-5 sec. The American and western competitors succeeded in carrying off the principal prizes of the meet. The Toronto men were badly handicapped by a scarcity of wheels. Their wheels, which were shipped for here on Friday night, were mislaid at Kingston and the few who had wheels here had to lend them to the others. The wheels are of different sizes, and those who rode on strange wheels were consequently in bad shape for cinder.

In the one mile ordinary Carman smashed his wheel, but escaped uninjured himself. This unfortunate occurrence precluded him from entering in the other races. The Toronto contingent speak in glowing terms of the way in which they were used by the cyclists of the Metropolitan city, and are especially grateful to Mr. Rubenstein, the famous skater, for the many acts of kindness he tendered them.

Following is a list of the different events:

One mile novice, safety—J. W. Tatley, Montreal Bicycle Club, 1; F. B. Robins, Toronto Bicycle Club, 2. Time 3 mins. 4-5 secs.

One mile, novice, ordinary—W. T. Lennox T.B.C., 1; George J. Diverall, M.B.C., 2. Time 3.10 1-5.

Half mile, open, ordinary—W. M. Carman, Woodstock, 1; G. S. Lowe, M.B.C., 2. Time 1.21 1-5.

One mile, 3-minute class, ordinary—D. S. Lousen, M.B.C., 1; James Milne, T.B.C., 2. Time 3.15.

Three miles, open, safety—This was the most exciting event on the program. Hyslop, the Toronto's flyer, Palmer, the Hamilton crack, and P. J. Burlo of the Manhattan Athletic Club were the starters. The Toronto man was at a disadvantage, having to ride a strange wheel, but he put up a good race. Burlo took the lead at the start, but was passed by Hyslop on the second lap. He in turn was displaced by Palmer, who kept the lead until the end of the second mile, when Burlo made a spurt and crossed the line a winner. Time 9.45 2-5.

Three mile, open, ordinary—Carman, Mussen and Lowe entered. It was in this race that Carman broke his wheel. He was leading and stood a good chance of winning. Mussen dropped out and Lowe finished alone. Time 9.9 4-5.

Two mile, handicap, safety—Smith of Toronto rode a very fast race beating Burlo the scratch man, who started 35 seconds behind. Time 6.4.

Five mile, handicap, ordinary—D. S. Lousen, M.B.C., 1; W. G. MacClelland, T.B.C., 2. Time 16.12¼.

One mile, open, safety—P. J. Burlo 1, Carman 2. Time 2.42.

After the races the wheelmen having some time to spare, had some trial races. Hyslop and Smith of Toronto tried to lower the half-mile record, and made a half-mile in 1.18 2-5.

Allen the Club's Champion.

The Junior Wanderers Bicycle Club held its second annual road race on Saturday afternoon. The start was made at 4.05, and the following faced the mark: R. Williams, F. Hunter, F. Kearns, W. Woods, W. Ross and J. Allen. Ross held the lead for the first three miles, when Allen spurted on the half-way hill and held the lead for the rest of the race. Four dropped out in the half turn and only Ross and Allen were left to finish. Allen finished seven minutes ahead of Ross. This makes him champion of the club for the ensuing year.

Toronto Men Win.

NIAGARA, Aug. 29.—Veterans final, Yarker, Toronto, won. International doubles, McKenzie and Blackwood, Toronto, beat Bowman and Tanner, Rochester; Gamble and Daly beat Swabey and Kirkpatrick. In the final McKenzie and Blackwood, Toronto, won.

Saturday's Turf Winners.

Hawthorne Park: Strathmaid, Justice, Ethel, Lemon Blossom, Ivankoe.

Sheepshead Bay: Correction, La Tosca, His Highness, Pagan, Willie L., Snowball.

Gloucester: Jackstaff, Illian, Wenonah, Express, Appomattox, Flagrant.

Aquatics.

The Island Amateur Aquatic Association intend to hold, on the west point of the Island, next Saturday, Sept. 5, an interesting program as follows:

For record on the Murray swimming trophy, a boys swimming race for those under 18; distance 100 yards. Also a men's swimming race for quarter mile.

A tilting tournament for medals.

A war canoe race in which the Canoe Club have entered the Unktahee and the Argonauts have entered the Argo.

The championship of Canada 1000 yards swim, for gold medal for first place and silver medal for second.

The C.A.A.A. rules govern all these events.

The fleet of the R.C.Y.C. sailed to Oakville on Saturday, the Vreda proceeding on to Hamilton.

The Queen City Yacht Club held a 10-mile race on Saturday over the ordinary course. The Caprice came in first, Java second and Meteor third.

Bowling.

The return match between the Thistles of Hamilton v. the Victorias of this city was played on Saturday afternoon on the grounds of the latter club, resulting in the defeat of the visitors by 22 shots after a very interesting game. The score:

Local Jottings.

The Academy of Music opens on Thursday evening with Frank M. Wills and a company of able comedians.

A quantity of liquor was seized on the premises of John Leberay, 666 King-street west, on Saturday evening.

The house of Mr. Peter Ryan, 51 Grosvenor-street, was entered by burglars Saturday evening. Some clothing and a gold watch were taken.

Maggie Moffatt, 33 Duke-street, was arrested on Saturday charged with assaulting Mildred Walford.

Richard Rudd, 80 Portland-street, was arrested charged with malicious injury to property owned by William Holmans.

Luther Eberlin, 363 King-street west, received a watch from Mrs. Munro, who has a small fruit store at the foot of Spadina-avenue, for the purpose of repairing it. He pawned it, however, and for so doing was taken into custody.

James Bain, the 12-year-old son of Mr. N. K. Bain, Pape-avenue, was badly bitten yesterday by a dog owned by a Mr. Bradshaw. Dr. Rowan, Queen-street east, attended the boy and reported there is no danger unless blood poisoning sets in.

The World of Saturday contained an interview with Dr. Allen, which stated that the impure ice being used in the city is the cause of the great increase in typhoid fever. The Doctor writes: "Your reporter rather misunderstood me yesterday in regard to impure ice as producing the present typhoid. While impure ice is certainly dangerous, I think the foul privy pits are the general cause at present."

Personals.

Mr. Arthur Lewis, secretary of the Health Department, and Mr. John Kerr of the D. K. Thompson Company have gone to Quebec and Montreal to spend their holidays.

Alex. Macdonald, the well-known real estate broker, returned on Saturday, after a most enjoyable ocean trip.

Sick or Delicate Children.

No difficulty will be experienced regarding nourishment if Dyer's improved food for Infants be used. It is made from pure pearl barley, easily digested and nutritious—25 cents. Druggists keep it. W. A. Dyer & Co., Montreal.

THE OLD BOYS AT CRICKET.

FINAL MATCH ON UPPER CANADA'S COLLEGE GROUNDS.

They Bade the Old Halls and Pleasant Spot Farewell—The Yarns They Spun of Days Gone By—The King is Dead, Long Live the King—We'll Meet Again at Phillipi.

I never spoke the word Farewell!
But with an utterance faint and broken;
A heart-sick yearning for the time
When it should never more be spoken.

These words of Caroline Bowles were only partially true of those who gathered in the classical halls and pleasant grounds of Upper Canada College Saturday afternoon. It was a time of farewell, but a farewell illumined with buoyant hope. For four-score and four years U. C. College has done noble work in matters educational. Her record is of the highest. U. C. C. boys have made their mark in law, politics and medicine, have adorned the pulpit, the bench and the bar, and have been gallant soldiers in the armies of their own and foreign countries; have shown as geologists, explorers and engineers; have upheld the honor of their country in civil government, diplomacy and statecraft; have distinguished themselves in art, literature and poetry; have become merchant princes and great ship and mill-owners; have held high commands in British and Canadian armies; have expelled invasion and subdued foreign and domestic foes, and in numberless ways have reflected honor upon the race from which they sprang. Even among the 600 of deathless fame who charged at Balaclava were two Upper Canada College boys—Frederick Wells and Alexander Dunn.

A Sad Yet Joyous Farewell.

With such a record well may all ex-pupils be proud of their alma mater. In taking leave thereof and treading its now deserted halls for the last time the feeling of farewell legitimately came in. Rejoicing at the prospect of greater things to come and a goodlier home counterbalanced this, reminding The World's Reflective Young Man of that old-time episode when the old men wept at the remembrance of the old house and the younger generation shouted aloud for joy at the inauguration of the new.

Everything outward betoken rejoicing Saturday afternoon. The sun shone brightly, a cooling breeze prevailed, bunting was gaily floating, the band of the Boys in Green played inspiriting airs, ladies lent a charm to the animating scene.

It would be an arithmetical feat to total up the ages of those present. "Old boy" is often a mere figure os speech; but when a score of octogenarians and double that number of septuagenarians look on and some participate in a game of cricket, the united ages is beyond the range of mental calculation.

The "old boys'" cricket match—the last of a thousand and one games on the lawn—will be memorable. Talk of the garrulous veteran shouldering the crutch and showing how fields were won; the sailor safe in port recounting the dangers of the deep all paled for the novice into insignificance in view of the men of '45 showing how there was life in the old boys and that the weight of years had not disqualified them for straight bowling and good hitting.

A Feast of Reason and Good Things.

In keeping with the customs of the college, and, may it not be said, "the eternal fitness of things," when the game was half over an appetizing lunch was served.

Judge Kingsmill of Walkerton was an efficient chairman, enthusiastic at the sight of chums of long ago around him, felicitous in voicing their sentiments, eulogistic of the college triumphs, loyal and patriotic in his well-chosen words.

Rev. Dr. Scadding, the toast of whose health was received with cheers and musical honors was indeed "the old man eloquent." Pathetic he was too in his reminiscences. He declared he was proud of having been boy and master of that renowned college, and briefly reviewed educational progress since the days of long ago, when his name was registered on the college roll which many had inspected that day. Tinged with sadness, yet cheery were his words; prophetic of not only a good, but better, time coming his reference to the new Deer Park home. "Our breaking-up here is only a transfer to larger and better buildings, where the boys of Upper Canada will win their spurs and add lustre to the already famous record made here." And then of comrade, alive and dead, of masters distinguished and their famous pupils the venerable Doctor spoke. Rapt attention and hearty plaudits were his guerdon.

Mr. W. J. McMaster in eloquent terms took up the tale of good achieved. He hoped there would be an annual "old boys'" cricket match as well as convocation reunion in their new Toronto home.

Recalling Pleasant Memories.

Dr. Scadding, with venerable aspect, in the vice-chair, recalled the gap of time between his advent at Upper Canada College and that of the youthful son of Mr. Pedro Alma, the last entered boy on the college roll, who sat blushing at his father's side.

Historic documents were inspected, one containing prize poems of 50 years ago being much admired. So were two cricket balls, trophies for the school in 1847 and 1848 in matches against "the Province." These cricket balls bear the following inscriptions:

"1847, Sept. 4th and 5th, Upper Canada College made 187 runs. The Province made 134. The College won by 53 runs. Highest score for College, G. A. Barber 30; for Province, Joseph Hamilton 23."

"1848, August 10th and 11th, Upper Canada College made 237 runs. The Province made 179. The College won by 58 runs. Highest score for College, Ben Parsons 53; for Province, Corrigal 30."

The balls used in Saturday's cricket match will be similarly inscribed and preserved amongst the College souvenirs.

All the pictures and busts have already been transferred to the new house in North Toronto. This will be opened with flourish of oratorical trumpts September 15, and short as the intervening time is the contractors of the Belt Line Railway promise to convey the boys by special train to the station behind their future home. Hurrah! said everyone on Saturday; and the echo will be taken up on "our opening day," which will be memorable in Canada's educational history.
