MOTOR CAR SERVICE TO DETROIT BOATS

An entirely new line of summer tourist service will open here this week when sixty-horsepower Marlon-Handley cars will make their first trips to Sarnia conveying private parties who will leave there for Detroit on White Star Line boats.

The innovation will offer excellent opportunities for those who are fond of motoring, but who do not possess cars. The autos, which will accommodate parties of six, will be in charge of competent chauffeurs, and will be exclusively at the use of the party making the trip.

Only one party will occupy each car, as it is not intended to make the service similar to the "Jitney" lines although later, arrangements may be made for carrying single persons. Another pleasing feature is that the parties will be able to arrange for private rooms on the boats at much lower rates than if the fares were secured separately.

Rates will be given on application to F. B. Clarke, 416 Richmond street, and the dates for the trips can also be arranged at his office.
