
A New Agency For the Hupmobile

Owners and buyers of the Hupmobile in London territory will be served from now on by Barton & Rumble.

We feel that we are well equipped in experience and in facilities to give the Hupmobile the worthy representation to which it is entitled.

The car, as you know, is popular, because of its extraordinary performance, its marked economy, the splendid service it gives, and its unusual comfort.

For Hupmobile owners comfort goes beyond the car's unusual riding and driving qualities.

They regard comfort as meaning, also, better performance, better and more continuous service, and greater economy.

It is a perfectly logical thing, to them, to expect their cars to outpoint others in performance. They make no exception even of multi-cylinder cars.

Economy they enjoy to an extraordinary degree, in unusual gasoline and tire milage, the small amount of oil they use, and their freedom from costly repairs.

Having these distinct advantages, owners are loyal to the Hupmobile.

It shall be our purpose, in all our dealings with all Hupmobile owners, to promote this feeling of loyalty still further.

WALL STREET.

New York, Sept. 8—Wall Street, 10:30 a.m.—Although industrial conditions over the week-end showed no material change, prices at the opening of today's stock market session suggested confidence in a satisfactory outcome of an existing labor deficiency. Last week's favorites, especially motors and their specialties, also oils and shippings, were conspicuous in the early dealings at gains of 1 to 3 points. United States Steel opened unchanged, but soon advanced half a point, Bethlehem gaining 1 point, with as much for Baldwin Locomotive and 2 points for Crucible Steel.

J. T. CUTHBERT WINS MANITOBA GOLF TITLE

Winnipeg, Sept. 8.—Temperament was the deciding factor in a nerve-racking endurance test, which went to the 37th hole before a decision was arrived at, in the final of the Manitoba amateur golf championship, played over the Elmhurst course on Saturday, and which was won by J. T. Cuthbert, champion of Saskatchewan.

Matt Thompson, his opponent, brother of the famous Toronto golfers, Nichol and W. J. Thompson, held on to a narrow lead of one hole right up to the 36th hole, when a cupped lie of a magnificent drive saw his second go astray. Cuthbert tying the match. On the extra, Thompson sliced into the bush, his second hitting a tree, bouncing back into trouble, but he made a gallant recovery to the green; but Cuthbert was on in two and laid his third dead, to win the title. A strong wind troubled both players, but Thomson was the chief sufferer, his mighty tee shots frequently carrying off the fairway. The scoring was high for a championship, but fair under the conditions, an average of 84 for 18 holes being played by both.

THISTLE CLUB TOURNEY.

L. R. Jones skipped the winning rink at the Thistle Club's usual Saturday afternoon bowling tournament.

The regular Monday night tournament will be held this evening, the draw being made at 7:15 o'clock.

SKIP THROWER'S RINK WON ROWING CLUB LAST MATINEE

Work Started Today On Improving Greens and Money Raised Saturday to Defray Expenses.

The final bowling matinee of the season was held by the London Rowing Club Saturday afternoon, about 100 members turning out and participating in the games. The winning rink consisted of J. Reed, A. Branston, A. McMullen, and A. Thrower, skip, with three victories and a plus of 18. Second prize was won by Capt. McDonald's rink, with three wins and a plus of 14, the other members being Dr. Jepson, Dr. Karn and C. Waugh. Third prize went to the rink skipped by W. J. Snelgrove, with three wins and plus 7. W. Shaver, J. L. Anderson and A. H. Whitlow were the three other players on the rink.

The plans for the improvements on the greens, which start today, were outlined for the benefit of the members by W. J. Snelgrove. Subscriptions to pay expenses, which are estimated between $1,500 and $2,000, were asked for, and over $1,000 was promised. It is felt by the committee in charge that the funds will be raised readily. Members who have not already donated are asked to send their names in to Emerson Nichols, chairman of the finance committee.

LADIES' GOLF MATCHES FIXED FOR SEPT. 16

Montreal, Sept. 6.—The dates of the Canadian ladies' championship at the Beaconsfield Golf Club at Point Claire have been fixed for Tuesday, Wednesday, Thursday, Friday and Saturday, September 16 to 20. The ladies' championship was last played over the Royal Montreal golf course at Dixie in 1913. The present holder of the title is Mrs. MacBeth, who, as Miss Muriel Dodd was one of Great Britain's most famous players. The same year as she won the Canadian title she also annexed the British championship. She is not now playing any serious golf, and will not come over to defend the title.

For the first time the beautiful Duchess of Connaught trophy will be played for at this tournament. In addition to this cup the champion of 1919 will be awarded the R. C. G. A. gold medal and the Canadian Ladies' Golf Union shield, so the winner will have trophies galore.
