BIBLE THOUGHT —FOR TODAY—

Bible Thoughts memorized, will prove a priceless heritage in after years.

SAFE FROM ALL EVIL:—The Lord shall preserve thee from all evil: he shall preserve thy soul.—Psalm 121: 7.

TOWN AND VICINITY

May Day.

They call them bobber shops now.

Be a good neighbor and fence in your chickens.

The next public holiday is Victoria Day, May 24th.

The opening date for Glencoe chautauqua is July 5th.

The regular monthly meeting of the town council will be held on Monday evening.

Mrs. Grace McKinnon is seriously ill at the home of her cousins, Duncan Graham and sisters, North Glencoe.

Walter G. Squire is retiring from active farming, owing to ill health, and announces a private sale of stock, etc.

Owing to trade conditions the Fletcher Manufacturing Company are now operating their plant only three days a week.

Mrs. George Ogglesby returned home on Saturday from Victoria Hospital, London, where she underwent a serious operation.

Joseph Grant received word this week of the death of his father, Geo. Grant, of Buckie, Banffshire, Scotland, in his 90th year.

Mothers' Day will be observed in the Methodist and Presbyterian churches here on Sunday, May 11th, when the ordinance of baptism will be administered.

The work train and large gang of men engaged laying new steel on the C. N. R. from Windsor to Glencoe have reached Bothwell and only 12 miles remain to be laid.

Motorists are warned that a fine will be imposed if they fail to keep the license plates on their cars clean so that they may be read easily. Brush off the mud and dust and save an unpleasant visit to the police court.

A. P. McDougald and C. W. Hawkshaw, Middlesex county auditors, began Thursday their audit of the books of the county treasurer. The audit will cover the quarter ending March 31.

A dance given by the Junior I. O. D. E. on Wednesday evening of last week attracted a number of young people, who enjoyed the evening's program. Excellent music was furnished by the Ronnie Hart orchestra of London.

The town council are calling upon all citizens to clean up their premises by May 7th, as in former years. If citizens fail to do the necessary cleaning, the work will be done by the corporation and the cost added in the taxes.

Easter visitors at D. R. McAlpine's were J. D. McAlpine, Windsor; Mr. and Mrs. R. E. Crosby and family, Highgate; Mrs. J. A. Hawley and family, Mrs. Clara McAlpine, Isabel Violet McAlpine, Robert McAlpine and Elizabeth McAlpine, Detroit.

The marriage took place in the Methodist parsonage, Welland, on Saturday, April 19th, of Miss Bessie Harrison and Wm. DeC. Hawes, both of that town. Mr. Hawes lived in the vicinity of Glencoe some years ago, and is a veteran of the Great War.

At the tenth annual convention of the Southwestern Ontario Retail Lumber Dealers' Association, held in St. Thomas on Tuesday, James E. Naylor, of Essex, was elected president, and B. F. Clarke, of Glencoe, was re-elected vice-presidnt and secretary-treasurer.

The sixty-second anniversary of the Glencoe Presbyterian church will be celebrated on Sunday, June 1st. Rev. R. W. Ross, D.D., of Fort Massey church, Halifax, a former pastor of the Glencoe congregation, is expected to preach. Regular quarterly communion service will be held on the preceding Sunday.

An unusually large egg was handed in to the editor's sanctum this week by Marvin Watterworth. It measures six and one-half inches by eight inches in circumference, and weighs four and one-eighth ounces. We have seen goose eggs smaller, but Marvin declares emphatically that this egg is the product of a Plymouth Rock hen.

Rev. Dr. MacMillan, secretary of Church Praise, Toronto, gave an address in the Glencoe Presbyterian church Sunday evening on hymns and their authors. On Monday night members of various Presbyterian choirs and congregations in the district met in the lecture room of the church and enjoyed an evening of singing from the Book of Praise.

Pupils of Professor Gordon who are in Toronto this week participating in the annual musical festival are as follows:—Public school orchestra—Helen and Virgie Clarke, Donna and Ethel McAlpine, Irene Reith, Kathleen McIntyre and Carrie Smith; Southwestern Ontario high schools orchestra—Eleanor Sutherland, Hazel McAlpine, Miriam Oxley and Wm. Carruthers.

A new time table came into effect on the Canadian National Railways on Sunday. Changes in time at Glencoe are as follows:—Eastbound mail train now 10 a.m. instead of 10.05; noon train westbound now 11.59 a.m. instead of 12.26 p.m.; Wabash No. 3 westbound now 12.15 p.m. instead of 12.10 p.m. Several changes are made in train numbers. The corrected time table will be found in another column.

The recent millinery openings are said to have resulted in a local epidemic of hair-bobbing among the fair sex. The new spring styles, it appears, favor the tight-fitting hat, which goes best with a bobbed coiffure. Several Glencoe ladies have said good-bye to their locks the past week. It is quite a common sight these days to see the ladies step into barber shops which for merly were monopolized by mere men.

D. M. McKellar and other property owners on McRae street, near the railway station, are making a creditable clean-up of their premises. The good example should be followed by citizens generally. It would be a good thing if the council, the board of trade and the horticultural society were to get together and plan a clean-up of the old McAlpine hotel site and have a few trees and shrubs planted along the side next McRae street and hide some of the wretched-looking outbuildings from the view of passengers on the railway trains. As all passenger trains, some twenty a day, now stop at Glencoe, the few minutes' view of travellers cannot help but give an impression favorable or otherwise of our town.
