TUTHILL, VETERAN TRAINER OF TIGERS, LEAVES JENNINGS

Famous Conditioner of Noted Fighters Retires From Active Service.

DETROIT, Jan. 18.—After a career of a lifetime as a trainer of athletes, Harry Tuthill, since 1909 in charge of the Detroit Tigers as guide, philosopher and friend, has retired from active service. "Tutt" announced his withdrawal yesterday to President Frank Navin. His successor will be Tommy Daly, trainer last season for Toronto Leafs and in the off-season conditioner of soccer or hockey teams. It is understood that Daly's appointment came as a result of a recommendation from Dan Howley, who became intimately acquainted with Tommy during the time he managed the Toronto club.

Harry Tuthill's retirement concludes a long service in athletics, in the course of which he was associated with such men as James J. Corbett, Bob Fitzsimmons, Tommy West, Steve O'Donnell and Young Corbett. He afterwards was engaged by McGraw to conduct the New York Giants, being one of the first men engaged in this work by a baseball club. Tuthill's contract with West Point as trainer has still two years to run, and it is probable that he will work this out.

London Wins on Sarnia Ice, 3-2

Failure of Border Youths To Combine Lost Them Close Game With Heavier and More Experenced Cockneys.

	W.	L.
London	3	0
Sarnia	1	2
Watford	0	2

SARNIA, Jan. 17.—The city's youthful intermediate outfit were beaten, 3—2, by London's heavier and more experienced team. The visitors had anything but an easy time winning the fixture, and the Blue and White youngsters backchecked and were at their heels continually. The locals' failure to combine, which reports indicated they did with more or less success in their last clash with the Cockneys, cost them the game, as their individual efforts were wrecked on the London defence or Hynds in goal. Both goaltenders were busy throughout the session. The visitors' net minder showed admirable coolness, making stops of sure looking counters.

The Stars.

Arthurs, Elliott and Gillies excelled for London, and O'Brien, Mellon and Burgess for the home team. Each team was handed three penalties for minor offences.

Both teams slowed up the first period by playing a defensive game for the whole twenty minutes with a nil result in the way of goals.

In the second period they went at it in earnest and real willing. O'Brien opened the scoring when he batted one from outside the defence. Gillies circled through two minutes later and beat McAllister on a net shot.

At Top Speed.

Both teams were going at top speed for the third spasm, and Arthurs pushed in a rebound for London's second. He duplicated the feat five minutes later with the third. With only minutes to go, the whole local crew pressed down, and Jackson scored. Hynds was having a hard time to avert an overtime period when the gong ran.

The line-ups were:

London.		Sarnia.
Hynds	Goal	McAllister
Ferguson	R. D.	Milan
Arthur	L. D.	Burgess
Elliott	Centre	O'Brien
Gillies	R. W.	Jackson
McKay	L. W.	Harris
Lockhead	Sub	Magraph
	Sub	Brown

A RECENT BENEDICT

Odie Cleghorn of the Canadiens last week took a wife and a hockey game on in the same day. If it had been some old-time pro games, he might have had to get somebody to identify him.

Off the Boards

The Juniors are a mighty combination over their game with Tillsonburg Friday night, and the result of the Woodstock game in St. Thomas, figuring on the both teams showing in the Railway City, there will be a hard battle in store for the home youngsters when they journey down to the Baby City Friday night but they have a great chance of pulling off a win.

They have been steadily on the improvement. They have had practically all their practice in their games, but that they've got away with the gamble is a real argument for their talent. This week will see a lot of hard workout wherever ice is available, for the Woodstock game.

May Find Combination.

With Woods on the left wing, it looks as if the one big lack—combination—will be eliminated. He is fast, unselfish, goes down nicely with either Burgess or Logan, and manages to do a lot of back-checking and blocking in between whiles. Firing, however, isn't Bancroft for good by a long shot. Against certain styles of playing, he works diligently, and to good effect along the left boards.

The Sarnia City youngsters again threw a scare into the local intermediates. Up here their condition, and combination came pretty nearly beating the more experienced and faster local crew, but they made the mistake of forgetting the latter factor Saturday night, with the usual result.

Argos' defeat by Kitchener by 9 to 1 last Friday night hasn't cleared up the senior situation much. Argos are out of it anyway, and they have it doped out that the ex-champs are also. The Hamilton ex-champs, with Mattee gone, might as well drop their schedule or burn it. The Wednesday meeting between Dentals and Varsity will settle or not whether the Blue and White collection are going to make the mouth mechanics trouble. Granites and Parkdale are the choices in the other group, and they both have victories over Kitchener to prove it.

With the addition of Mattee and Prodger, the Toronto fans are again looking with favor on the St. Pats. They've been a friendless bunch the last week, but the fans have taken a perfectly legal reviver of hope for the last half of the schedule.

A Real Comeback.

Goldie Prodger's performance against his old club-mates, the Quebec Bulldogs, measures up as one of the best in any game. Three years ago, Prodger gave up hockey to enlist. With very little practice, and in the middle of the season, he jumps into uniform and on skates and incidentally into the limelight all of a heap. The least he should have done was said "Excuse me, gentlemen."

GROUP THREE OF L.C.I. WIN OVER GROUP IV. SENIORS

Group three of the L. C. I. League put it over the seniors of group one on Saturday, the score tallying 7 to 6 at the final bell. Wilson was slow and did not put up his usual game. Ruse was good and scored the winning counter. The next game will be Thursday.

Children's Coughs Quickly Cured

It is very hard to keep the children from taking cold. They will run out of doors not properly wrapped—play too hard and become overheated—get their feet wet—kick the bed clothes off at night.

There is nothing so good for children's coughs, colds, whooping cough or bronchitis as Dr. Wood's Norway Pine Syrup. It is so pleasant to the taste the youngsters take it without any fuss, and at the same time its promptness and effectiveness in loosening the phlegm, and healing the lungs and bronchial tubes and such that the cough is checked before any serious trouble can possibly develop.

Mrs. Harold Acker, Lake Pleasant, N.S., writes "I have three children, the eldest eight years and the baby ten months old. They all had a bad cough. I knew of quite a few persons who had used Dr. Wood's Norway Pine Syrup with good results so I got three bottles. I am glad I did so as it is a sure cure for coughs and colds. A home where there are children should never be without it. I highly recommend it to those who need a quick cure."

FIRST INTERNATIONAL RUGBY GAME SINCE WAR WON BY WALES

Interest in Soccer Cup Ties Defers To Rugger Clash At Swansea.

LONDON, Jan. 18.—(By the Canadian Press Cable.)—The international at Swansea was the principal engagement on the rugby program on Saturday, and indeed dominated the whole football scene, although the leagues were again in full swing and two postponed English Cup ties were being played. The meeting of the English and Welsh fifteens had been eagerly awaited and discussed, this being the first international since 1914, and the quality of the players was largely unknown, as naturally the services of very few pre-war stars were available. Hemmett is English-born, but has played with Newport. He was chosen for both teams, but elected to play for England. The Welshmen were very confident, with a specially large measure of faith in their forwards, an attitude which the play fully justified, for while the all-round English side was inferior, the Welsh pack was really the dominating factor of the match, although England led at the interval 5 to 3. The Welsh victory was, however, assured from the start, and the great ascendancy of Wales in the second half is indicated by their addition of two dropped goals, a penalty goal, and a try, while England did nothing. The result makes the sides equal in respect of the number of matches won since the beginning of the contest, viz fifteen. Nothing exceptional marked the rugby union clubb matches, but Huddersfield gave Yorke a severe beating in the North Union by 51 to 7. In the postponed ties the success of Bradford at Home over Portsmouth was anticipated, although the latter held good credentials as leaders of the southern league. Gillingham's defeat, however, by a team outside the league football, was hardly expected. The league program yielded some exciting struggles, and a remarkable feature was the general success of the home teams, not one home club except Reading suffering defeat, and there were 29 home matches. West Bromwich, by defeating Blackpool Rovers, 5 to 2, obtain some satisfaction for their defeat in the cup matches by Barnsley and incidentally improved their position as leaders. In this they were assisted by the experience of their nearest competitors Bromley, who were only able to secure one point against Aston Villa who have played a fine game for weeks past and Newcastle United going down before Oldham. Sheffield Wednesday, though successful over Overton, are again at the bottom of the league table, two points below Oldham. Tottenham, who beat Stockport, are practically safe for the second league championship, but Portsmouth are in imminent danger of being ousted by Crystal Palace from the leadership of the southern league.

That the Barnsley cup conquerors of West Bromwich should fall before Clapton Orient who occupy a lowly place in the second league, was another illustration of football uncertainties.

The proposed transfer of Huddersfield town club to Leeds, replacing the extinguished Leeds City team, is not yet accomplished. It stood over pending an effort to raise twenty-five thousand pounds sterling to insure the club's future at Huddersfield which failed, but the question of the appointment of a receiver has arisen, causing further delay. The league management committee have, however, now given unconditional sanction to the plan, and the transfer will almost certainly be effected.

JAY GOULD INJURED IN EXHIBITION GAME

Tuxedo, N. Y., Jan. 19.—Jay Gould, world's open court tennis champion, sustained an injury in an exhibition match here yesterday with Walter A. Kinsella, his strongest rival. The title holder stumbled while reaching for the ball and his head struck against the sidewalk, opening a deep gash in his forehead. The accident occurred at a moment when Gould was trying to score the points necessary to defeat Kinsella in three straight sets. He had won the first two, 6—3, 6—3, and was leading in the third, 6—5.

With the Trotters and Pacers

Claude B. Fletcher will have charge of the race program at Watertown, N.Y., again in 1920.

The pacer Lulu P., 2:23½, was sired by Lu Princeton, 2:01, when that great stallion was two years old.

Pacing Patch, the fast green pacing daughter of Star Patchen, 2:09, in Vic Fleming's string, is sound again, and will be started at Mount Clemens ice meeting.

Spurgeon Gammon and Colin McDonald, two horse fanciers of New Glasgow, N.S., have been out scouting for speed for the coming ice races in that section, buying two in Montreal which they think will fill the bill.

It is reported that Lotto Watts, 2:06¼, and Lord Stout, 2:07¼, owned by John C. Welty, president of the N. T. A., that were raced by Murphy the past season, will be handled by Cox this year.

H. C. Jewett, the well-known Fredericton, N.B., horseman, is the new owner of the handsome big trotter, Border Prince, 2:11¼, by Border Prince, 2:12¼, having exchanged the trotting colt, Native Worthy, for his new acquisition a few days ago.

Granite State Park at Dover, N.H., will be continued as a training grounds, Walter R. Cox having leased the property to Stewart J. Mackay of Berlin, N.H., who will take possession with a half dozen horses and sublet training accommodations to any other stables desiring to use the track.

The Kentucky breeder, James R. Magowan, who recently bought the highly-bred stallion, Music Master, 2:09¾, a son of Mako, and the renowned matron, Santos, owns two others of the produce of Santos; the noted stallion, J. Malcolm Forbes, 2:05, and the brood mare, Nautilus, by Chimes.

C. A. Harrison, Seattle, Wash., has just sold the trotting gelding Western Scout, brother of King Brook, 2:01¾, to Roy M. Pike, a wealthy show and road-horse fancier, who exhibits his string at the principal exhibitions in the far west. Western Scout has been greatly admired by all who ever saw him, and shows to advantage single, under saddle and to pole.

Billy Sunday, 2:13¾, the fast pacing son of Hal O., by Hal B., 2:04½, was a very consistent winner last season for his owners, Messrs. Adams and Burnside, of Kincardine. He started fifteen times, winning thirteen of them and being placed second in the other two.

Mabel Trask, 2:01¾, and Lu Princeton, 2:01, will not go to Laurel Hall with Walter Cox, but have been shipped by him to Kentucky, where they will winter at Walnut Hall. Mabel was bred to Lu last spring, but is not believed to be in foal. The famous pair will doubtless be mated again the coming season.

G. L. Parker, Portland, Ore., through his trainer, Frank Ragsdale, purchased of Perry Mozea, Salem, Ore., a three-year-old by B. and M., a son of Zombro, 2:11. This colt is accounted a very classy trotter, one of the best in that locality; in fact, Ragsdale at present has seven head in charge and new additions are expected in the near future. One of the latest to arrive was the pacer King Seal, 2:09, the property of Robert Failer of Medford, Ore.

Harvey Ernst, who owns and has managed the Rockport race track for many years, is about to sell the land and retire from giving race meetings. The land has become so valuable, in the most rapidly-growing part of Cleveland, the West Side, that he feels that he cannot afford to hold it much longer. It is rumored that John King, the well-known judge and the life-long friend of Ernst, who has moved to Cleveland recently, has taken an option on the Berea track, which is just a little bit farther away from the centre of the city than Rockport. This means that when Ernst retires the third half-mile track near Cleveland will be maintained at Berea. There is no reason why Mr. King should not be as successful with the Berea track as Mr. Ernst was with the Rockport track.

PRODGER MAKES GREAT COMEBACK IN ST. PATS WIN

Local Star Makes Good Against Quebec and Helps in 8--3 Defeat.

TORONTO, Jan. 18.—Notwithstanding the fact that St. Patricks are practically out of the running for the first half championship in the National Hockey League race, one of the largest crowds of the season turned out here on Saturday night to see the Irish hand Quebec an 8 to 3 defeat. Matte and Prodger lined up with the locals, and both made good. Matte, the former Tiger star, was every bit as effective as he was in the O. H. A., and he made himself solid with the fans by fearless efforts. Canadiens and Ottawa are having a close battle for first half honors, but the acquisition of Matte and Prodger means that St. Patricks will likely be the team to beat for the title in the second half.

SHRIVER OF SAGINAW TURNED BACK FOR MORE SCHOOLING

SAGINAW, Mich., Jan. 18.—Harry Shriver, leading percentage hitter of the M.-O. circuit last year, has been turned back to the Saginaw club by Providence for another season. Shriver is a youngster. Other players signed so far are Dunkel, first baseman, and McDaniels.

The directors of the club meet tomorrow to hear reports of the year's business from President Clements, and to lay plans for the coming season.

CANADIENS WIN GRUELLING GAME FROM SENATORS

Repeat Great Struggle of 1914 At Montreal---Vezina Impregnable in Goal.

MONTREAL, Jan. 18.—Taking an almost desperate chance and shooting from centre ice to break the existing tie, Arbour, who played brilliantly throughout for Canadians, scored the odd goal that gave the Flying Frenchmen a victory over the Senators by a score of 3 to 2 in the N. H. L. game here last night. The victory assured Canadiens second place in the race for the honors of the first half of the schedule and give the team an outside chance of beating the Senators for the premier honor.

While luck was a factor in the scoring of the goal that brought the game to a termination, the exhibition of hockey furnished by the teams has perhaps never been surpassed in a local rink and overshadows any previous game since the memorable meeting between Canadiens and Ottawa at the old arena, on Jan. 14, 1914, when Dubeau scored just such a lucky goal that gave the Canadiens a victory over Ottawa by 1 to 0 after twenty minutes of overtime play.

As in the game six years ago, the Ottawa players had the better of the play on Saturday night, but were unable to beat Vezina, who made sensational stops.

STRATFORD AND STONE TOWN TIED FOR GROUP HONORS

STRATFORD, Jan. 18.—Some important games in local hockey circles are scheduled for the coming week. On Monday the local juniors go to Preston, and are looking for a win. This game had been slated for Tuesday, but was advanced a day. Following this the Midgets have another hard game on Friday night when they play the Union Jacks in Kitchener. This should be a cracking good game. Here the locals won 10 to 5. Arrangements have been made for a special train to go to Kitchener on Friday, leaving here at 6:30 and returning at 11:30 from Kitchener. A large number of the fans will go with the boys.

The Intermediates lost to Milverton last night at Milverton, 7 to 5, after 30 minutes' overtime had been played. The game did not start until 10:30, and it was 1:30 before it was finished.

Stratford was without the services of Moore, who is ill. This loss makes Stratford and St. Marys a tie for the group honors. St. Marys play here on Thursday night, and the locals have to win in order to meet Seaforth for the group. They won in St. Marys, and should also pull out a win here Thursday.

DENTALS WIN.

OTTAWA, Jan. 18.—Toronto Dentals defeated the Wanderers of this Capital Hockey League by a score of 6 to 3 at the Laurier avenue arena Saturday night. The visitors proved to be all that the advance notices claimed.
