BANK OF TORONTO WINS FROM LONDON LIFE TEAM

Opening of Bankers' League Took Place on Saturday Afternoon—Score Was 10 to 0.

The Bank of Toronto opened the Bankers' League in a very auspicious manner on Saturday afternoon, when they trimmed the London Life team by a score of 10 to 0. The game was a good exhibition despite the one-sidedness of the score, and the London Life team played hard all through the contest. They were up against a faster and heavier team, however, and they were also handicapped by two of their best men, England and Nelles, getting hurt in the early stages. The Bank of Toronto team is a fast one, and look as if they might have an easy time winning the league championship. They are all experienced players, and a couple of them would make good on the local O. H. A. teams. Parsons, Wells and McArthur played well for the winners, while England, Jewell and Nelles played well for the losers.

The teams were:

Bank of Toronto—Milne, goal; Sullivan, point; Wright, cover; Wells, rover; McArthur, centre; Parsons, left, and Warren, right.

London Life—Aitkenhead, goal; Laurie, point; Quinn, cover; Nelles, rover; England, centre; Jewell, left, and Mills, right.

Referee—Jackson.

EATONS DEFEAT PARKDALE.

Toronto, Jan. 15.—In one of the most grueling games ever played in Toronto, Eatons defeated Parkdale Saturday night at the Ravina Rink in a senior O. H. A. game by the score of 9 to 6. Eatons held the upper hand all through after the first fifteen minutes, leading at the half by 4 to 2, and the Paddlers never got nearer than one goal through the last half.

A large crowd greeted the teams, but unfortunately they were forced to wait to nearly 9 o'clock before the game started, owing to Parkdale not having a certificate for Gus Edwards, who was to have taken Ridpath's place, the latter being out of the game with a poisoned finger. Parkdale, when they found that Eatons would not allow Edwards to play, trotted out McLaren, one of their juniors, but he only played about twelve minutes when he was forced to retire, taking Mathews with him.

The long wait that the spectators had, however, had allowed the rink to become filled with tobacco smoke, and before half-time one was hardly able to see the players at the other end. This smoke was also a very bad handicap on the players, and they suffered just as much through this as they did through any strenuous work on the ice. It is likely that henceforth smoking will be prohibited at the rink.

The game was replete with many sensational rushes, the feature of which was Rankin's brilliant rush in the second half, when he evaded the whole Parkdale team for a score:

The teams:

Eatons—Goal, Bricker; point, Hyland; cover, Rankin; rover, LaFlamme; centre, Meeking; right, Matthews; left, Foyston.

Parkdale—Goal, Gall; point, Davidson; cover, Lawson; rover, Bartlett; centre, Evans; right, Hunter; left, McLaren.

Referee—Allan Kinder.

ARGONAUTS DEFEATED.

Toronto, Jan. 15.—Trough a fast game of hockey was the reward of some 500 people who paid to see the Argo-Frontenac game at Excelsior Rink on Saturday evening, in the opening match of the Senior O. H. A. series, the Oarsmen were outclassed by the Kingston boys in the fine points that are essential to the game, and the result was 8 goals to 2. Though heavier, the Argos were not so speedy as their opponents, and they continually lost control of the rubber at critical moments. The Frontenacs not only proved more clever stick-handlers, but shot with more accuracy, and would have found the net oftener but for the good work of Addison in goal. Their combination was superior, but what counted most was their readiness; they were always on tiptoe. The home team seemed to lack practice.

The game was clean throughout, only three men being penalized for slight offences. The Argos have good material, and will strengthen with practice. The teams:

Argos—Goal, Addison; point, Stewart; cover, Kidd; rover, Dion; centre, Fleming; right, Adams; left, Brady.

Frontenacs—Goal, Edwards; point, Hyland; cover, Crawford; rover, Brouse; centre, Reid; right, Boyer; left, Nicholson.

C. R. U. HOLDS ITS ANNUAL MEETING

Western Canada Rugby Union Made an Honorary Member.

NEW OFFICERS ELECTED

Would Not Accept Invitation of A. A. U. To Become a Memeber of That Organization.

Montreal, Jan. 14.—The 21st annual meeting of the Canadian Rugby Union was held Saturday in the Windsor Hotel, delegates from the four bodies forming the organization, the Interprovincial, Intercollegiate, Ontario and Quebec bodies being present.

The application of the Western Canada Rugby Union, formed of the Manitoba, Saskatchewan and Alberta unions, for admission into the C. R. U. was considered and evoked considerable discussion on the part of the delegates, and it was finally decided, on account of the great distance and the lateness of the season, to make the western organization an honorary member of the eastern body.

The question of a challenge from the winners of the western series will be considered, should the occasion arise, by the incoming executive, provided the game can be properly handled and the season not too late.

An invitation, one which is considered annually, was read from the Amateur Athletic Union of Canada, asking the C. R. U. to join the national organization. In view of the attitude of the component parts of rugby organization, it was decided not to accede to this request.

The question of adoption of a standard ball was raised, but a number of Toronto and Montreal sporting concerns, who in their representation considered it unfair that one company should have a monopoly of the business of the league, made a protest.

The Canadian Union will hereafter have sole charge of the playing field, as heretofore, but also of the finances of the semi-final and final games in the three series of the Dominion championships. This means that the ticket sale will be expeditiously conducted, scalping abolished as far as possible, and no favoritism shown to clubs or their friends.

The executive of the Canadian Union will constitute the court of last appeal in all matters of rules interpretations.

The officers elected are as follows: President, John Davidson, Montreal; first vice-president, H. C. Griffith, St. Catharines; second vice-president, W. R. Hewitt, Toronto; honorary secretary-treasurer, Joseph Wright, Toronto.

ONLY FIVE HAMILTON PLAYERS WILL RETURN

Knotty Lee's Colts Will Present New Lineup This Season When Canadian League Opens.

Hamilton, Jan. 15.—Only five of the players who figured on tht Hamilton baseball team last season will be here again this year. Marty Killilea, Tommy Hess, Bill Rose, Grandow and probably Groh will be back again. It is not likely that Kensy, the first baseman, will be asked to return. William had no superiors as a fielding first-sacktr, but he failed to hit as well as expected. Manager Lee is trying to arrange to get Barry, who covered the initial sack for Brantford last year, and has several other good players in view.

"BRICK" OWENS THE MAN TO FILL THE VACANCY

"Bob" Emslie Is Also Official Decided Upon as an Umpire for Next Season.

New York, Jan. 13. — President Lynch, of the National League, it was learned today, has officially decided upon Clarence Owens as the man to fill the vacancy in the National League umpiring staff for the coming season, caused by the retirement of "Hank" O'Day to take the management of the Cincinnati team. Owens is a product of the American Association, around the circuit of which his work was highly commended. His home is in Kansas City. He also worked in the Eastern League in 1907. The other umpires on the official list given out are John Stone, Klem, Eason, Rigler, Finneran, Brennan, Emslie and Bush, the last-named of whom umpired a few games toward the close of last season.

Thirty-four ball players died during 1911, according to my records, and only two left enough property to care for their families. That ought to be an object lesson to the present generation.

DETROIT DEFEATS SARNIA SEPTETTE

Piett Did Not Play for Detroit Because Sarnia Protested Him, Claiming He Was a Professional.

Detroit, Jan. 15.—The Detroit hockey seven sprung a keen surprise Saturday night when, with their star, Capt. Piett, sitting on the side lines, they went into the game with the crack Sarnia team and defeated the Canadian hockeyites, 5 to 1.

Sarnia protested Piett, claiming that he was a professional and had received money for playing in Canada. Detroit agreed to play the game without Piett. They did and the victory was an easy one for the black and orange septette. Black and Emory were the stars of the evening.

OTTAWA WINS OUT FROM CANADIENS

Come Back Strong in Last Half, After Being Outplayed in First Period.

Montreal, Jan. 13. — Coming back strong tonight in the last period, after being outskated by the speedy Canadiens, Ottawa won out in the best hockey game seen here this season by a score of 4 to 3.

With the single exception of Kerr, the Ottawa men seemed quite unable to cope with the Frenchmen in the matter of speed, but they kept at it from start to finish, and in the last period, when the locals had skated themselves out, Ronan went through with the winning goal.

Ottawa did not score until the close of the first period, when, with the score 2 to 0 against them, Shore notched the first for the visitors.

Ottawa tied it up, through Darragh, half-way through the second spasm, but Pitre again put the Canadiens in the lead. Kerr pulled his team up again before the gong went, and in the third period Ronan notched the only and winning goal.

Seldom has a victory, won on local ice, been so well deserved as that of the Senators. Many teams, had they been carried off their feet by such wonderful speed as that which the Frenchmen turned loose, would have become disheartened, but the Ottawa sextette, playing for all they knew, always kept something in reserve, so that when in the last period Canadiens were beginning to show signs of slowing up, they still had a notch more left. Then they pulled her wide open and won out.

It was a splendid game to watch, a contest full of action and of such speed that even those accustomed to expect swift skating from the Frenchmen were astounded. For the first few minutes of each of the first two periods Canadiens gave an exhibition of skating that, it is safe to say, has never been excelled on Arena ice.

It was announced in the afternoon that Fred Taylor would be at coverpoint for the champions when they lined up, but when they jumped over the barrier it was the same crew that were seen here before, except that Darragh was on the wing, with Ronan in centre ice, Walsh not figuring in the lineup. Canadiens had the same team which defeated the Wanderers last Wednesday. Lineup:

Canadiens—Goal, Vezina; point, Dubeau; cover, Laviolette; centre, Glass; right wing, Pitre; left wing, Payan.

Ottawa—Goal, Lesueur; point, Lake; cover, Shore; centre, Ronan; right wing, Darragh; left wing, Kerr.

Dallaire replaced Dubeau in the third period, Glass going to point and Dallaire to centre.

Referee—E. Butterworth.

Judge of Play—Jack Marshall.

The London juniors will meet Ingersoll at the Princess Rink this evening, while the intermediates will battle with Woodstocks in that city. It is not likely that there will be any changes in either line-up. Wettlaufer will referee the local game. Ingersoll is coming with a strong team, and a good game is expected.

JOHNSON OBJECTS TO FLYN-PALZER MATCH

Says That if Flynn Loses It Will Injure His Match, and Result in Calling It Off.

[Canadian Press.]

Chicago, Ill., Jan. 15. — Jack Johnson, champion heavyweight, declared last night that unless he is consulted regarding the Jim Flynn-Al Palzer fight in New York, there will be no fight between himself and Flynn next July for the heavyweight title.

Johnson says that he has a verbal agreement with Flynn's manager, that neither fighter shall engage in a bout without the consent of the other.

The champion fears, he says, that Palzer may defeat Flynn, and this would injure his match with the latter or result in it being called off.

OUTLAW LEAGUE NAMED COLUMBIAN

New Organization Is Now a Certainty Although Yet Incomplete.

DO NOT INTEND WAR

Men Interested in Movement State They Have No Wish To Fight With Big Leagues.

Chicago, Jan. 13. — Threats of an "outlaw" baseball league entering cities now occupied by American Association, National or American League teams took concrete form here today when the Columbian League was organized. Men who are interested in the new movement say they do not wish a baseball war, but admit that they will attract just as many big league players to their fold as possible. It is asserted, however, that no fancy salaries are to be paid in order to get famous players to leave their present berths.

John T. Powers, the first president of the Wisconsin-Illinois League, was elected president. No other officers were selected today, but will be at another meeting two weeks from today.

Roesink in League.

The following men who propose to place clubs in their home cities were present: J. O. Masker, Kansas City; Thomas Farley and Willis Melville, Milwaukee; A. John Roesink, Detroit, and W. C. Nelson, Chicago. William Urian, of St. Louis, and W. H. Pierce, of Louisville were represented by President Powers.

Each of these cities have been assured a franchise in the new league, and teams will be placed in either Cleveland, Columbus, Pittsburg, Cincinnati, Indianapolis, Peoria, Minneapolis, or St. Paul, President Powers said. Applications have been received from all of those cities he said.

Play 140 Games.

The announced plan is to start the season during the latter part of April and play 140 games. As nearly as possible games will be played when the other teams in the various cities are not playing. For this reason no schedule will be issued until after the organized leagues have released theirs.

No playing managers have been chosen, but the promoters are confident that they will have several prominent players with them. Plans were perfected today for offering the management of the Chicago Club to Mordecai Brown, the St. Louis Club to Ed. Konetchy, and the Kansas City Club to Danny Shay.

Not Making War.

"We do not desire to leave the impression that we are making war on the big leagues," President Powers said. "We are not. We simply believe there is room in these cities for more teams. In each of the six cities selected thus far we have been assured of parks. We hope to produce a class of ball this year that will equal that of the American Association. Of course, our plans now are incomplete, but we are going through with them. I shall make a trip around the circuit next week."

With the organization of the league comes the long-threatened third club in Chicago. Niesen says he will place it in Gunther Park, on the north side. He owns the park.

Detroit's Park.

Detroit will have Mack Park as a home for the new team.

A few weeks ago John Roesink left for Chicago. Seven teams were then in the league, and three cities outside of Detroit wanted the eighth franchise. Few credited the Detroit promoter with a chance to land it. He won out.

Roesink has been working for years to establish a second big team in Detroit. He got a lease on the territory out on Mack avenue with that end in view. He will not have to improve the grounds much and can place a team in Detroit at very little cost.

OFFICERS ELECTED FOR OTTAWA RACING CLUB

Newly-Organized Association, in Which Prominent Ottawa Citizens Are Concerned, Holds Meeting.

Ottawa, Jan. 14. — The newly-organized Ottawa Racing Association held a meeting Saturday afternoon, at which active officers were elected. Many of the most influential citizens of the capital are interested in the Jockey Club, and arrangements are being made for the inaugural meet, which is to be held at the new course on the Aylmer road in June next.

Mr. Hal B. McGiverin was elected president, and the vice-presidents are Messrs. Stewart McClenaghan, Fred Carling and Senator Belcourt. Mr. Charlie Irvin is the honorary secretary, and Mr. G. Hugheson the honorary treasurer. It was intended to elect Hon. Clifford Sifton as president, but the latter, who is identified with the Ottawa Horse Show, the Ottawa Hunt Club, and many other well-known local organizations, declined on account of the fact that he would not be able to devote the necessary time. The directors were appointed some time ago.

A letter was read from his Royal Highness the Duke of Connaught, in which the Governor-General consented to the naming of the new grounds, Connaught Park. His royal highness said that it gave him great pleasure to do so, and wished the new club every success. It is the intention of the club to elect his royal highness honorary patron, and to invite him to open the magnificent new plant in June. The duke is a keen follower of the sport of kings.

Messrs. Stewart McClenaghan, Hal McGiverin and Edward S. Skead will go up to Toronto tomorrow night to represent the Ottawa club at the meeting of the Canadian Racing Association. They will ask for dates towards the end of June or early in July, and will be placed on the Dominion circuit, which includes Toronto, Montreal, Hamilton and Windsor. Work upon the new plant is already under way, and so soon as the snow is off the ground two hundred men will be put to work on the stands and stables. The club is already incorporated.

TAYLOR CANNOT PLAY FOR OTTAWA TEAM YET

It Was Expected That Deal Would Be Put Through Saturday, But Nothing Doing.

Ottawa, Jan. 14. — "The Ottawa Hockey Club will not consider any of Mr. Lichtenhein's absurd offers concerning Taylor," said Mr. N. C. Sparks, treasurer of the champions, when asked tonight what would be the next step of the local club concerning the Listowel cyclone. "Lichtenhein did not ask any cash," continued Mr. Sparks, who was the Ottawa representative at Saturday's meeting, "but wanted almost any two players on our roster. He first asked for Kerr and Ronan and then said that he would be satisfied with Darragh and Kerr or Ronan and Walsh. We do not intend to part with any of these men. He seemed particularly anxious to land Ronan or Kerr, but neither is for sale at any figure."

The Ottawas were chagrined through their failure to get Taylor, and their victory over Canadiens did not remove the sting. Taylor would not only bolster up the Ottawa team to a great extent, but he would serve as an immense drawing card and fill the local rink for the balance of the schedule. The season ticket sale is the lowest in many years, and if they had landed Taylor the seats would have all been disposed of in a short time. Taylor himself thought that he would have been turned over to the Ottawas and went down to Montreal with the champions, having selected a uniform the previous day. He had his favorite stick and skates along and was greatly disappointed when told that negotiations had not been successful. Taylor is just as determined as ever to play with Ottawa rather than with Wanderers. He has offers from the Maritime and British Columbia Leagues.

"FAMOUS" TEAM WINS CARPETBALL SERIES

McClary Welfare League Winds Up First Series—Six Teams Are Tie for Second Place.

The end of the first series of the McClary Foundry Welfare Carpetball League was played on Friday evening, the Famous team proving to be the winners. The victory of the Famous team reflects great credit on their captain, Mr. Gilman Shaw. Their playing was at all times gentlemanly and scientific. The Saskaltas are also to be congratulated on their splendid playing, while the other teams also did well. The last game of the series was played between the Maryboros and the Sunshines, the former winning by three points. The next series will begin in a week or so. The teams stands as follows:

SCOTCH CURLERS LOSE STRATHCONA CUP MATCH

It Now Looks Certain That Famous Trophy Will Remain in Canada—Only One Rink Won.

Montreal, Jan. 13.—In the Strathcona Cup match here today Montreal defeated the Scottish curlers by a score of 129 to 82. In Halifax the visitors were beaten by 16 shots. With Toronto and Winnipeg yet to play in, it looks certain that the famous trophy will remain in the Dominion for at least another year, and at the same time, owing to the big majority which the Montreal team obtained today, there is a distinct likelihood that the cup will pass out of the possession of the Winnipeg holders, and find a resting place in this city.

The secretary's rink was the only one of the six visiting rinks to win, and that only by the odd shot.

The games on Saturday clearly indicated that the Scotch curlers though tremendously keen are not as adept as their Canadian brethren. The visitors are good curlers, however, Scores:

SOME SPIRITED RACING WITNESSED AT MONTREAL

Free-For-All Pace Saw Three Heats With Three Different Horses in Front at the Finish.

Montreal, Jan. 13.—The racing was spirited in the three classes at the Delorimier Park meet this afternoon. Two of the races were won in one, two, three order, after a battle from start to finish. The third, the free-for-all pace, saw three heats with three different horses in front at the finish of each. The event will be the first on the programme on Monday. The two-mile open was a splendid contest, the second heat developing into a nose finish between Rex and Prince C., with Jay Kay, the Lachine-owned horse, less than half a length away. Summary:

WARNING O. H. A. CLUBS.

O. H. A. clubs are warned against playing with or against the Detroit hockey team while Webber Piett is a member of that organization. Piett is a professional hockey player and not eligible to play with amateurs. The Detroit club has been notified by wire.

It has been mutually agreed between Mitchell and Goderich to exchange dates of games scheduled for this week, owing to counter attractions, which would depreciate gate receipts. Mitchell now will play in Goderich on the 15th, and the return game will be played in Mitchell on the 19th.

The Whitby juniors having played home-and-home games with Oshawa in the O. H. A. series, and being exactly 40 goals behind, the scores having been 20 to 1 and 22 to 1, it has been decided to default the remaining two games with Oshawa. The explanation given is that "our boys are all young and light. Next year they ought to give a better account of themselves."

John M. Ward is quoted in Boston as intending to take steps toward some arrangement whereby the National League club may also play on the new Red Sox park. Has he so soon forgotten who is president of the American League?

The Click of the Steel Shoe

Jack Burke, the former Belleville and T. A. A. C. player, says that he has quit the game for good.

Jimmy Dissette, the former St. Mike's player, has been out at practice with the Vancouver team, but has not yet played in any of the games.

The intermediate O. H. A. game scheduled to be played at Collingwood on Friday night between Orillia and Collingwood did not take place, Orillia defaulting.

The Boston A. A. A. beat the Montreal A. A. A. team at Boston on Saturday night by 6 to 0. The game was close at all stages, but the Montrealers could not find the Boston net.

"Kernel" Ridpath, of the Parkdale seniors, is suffering with blood poisoning in one of his hands. The trouble appears to be deep-seated, and the fast little wing player will not be in the game for a week or two if at all this season.

In one of the fastest games of hockey ever played in Lindsay, the Trenton team met defeat at the hands of the Lindsay intermediates by the score of 13 to 8. For Lindsay, Stoddart, Spratt, Cain and Dennison were the stars, while Burtt and Armstrong brothers were Trenton's fast men.

The fourth game in the Pacific Coast League was won Friday night by Victoria, who again defeated the Vancouver seven by a score of 10 to 7. The game was fast at all periods, and very little rough work was in evidence. By winning this game the Victoria team are leading the league, and, with their strong team, look good for the championship.

Eatonias, Stratford, T. A. A. C. and Parkdale, of senior group No. 2, are tied in the standing, each having won once and lost once. In the other group the Kingston Frontenacs lead by virtue of their defeat of Argonauts here on Saturday night. University of Toronto has not yet played and St. Michael's College have dropped out of the senior race.

The first O. H. A. intermediate game played in Listowel this winter took place Friday night, when Listowel defeated Mount Forest by a score of 2 to 1. It was the closest game ever witnessed there. The first half ended with no score. In the second half Listowel got their first goal a few minutes after the start, Mount Forest tallying shortly after. Listowel again scored within about 15 minutes.

Doings In City Amateur Hockey Circles

The Young Canadian Club will hold a practice at Thorne's rink in East London tonight between 10 and 11 o'clock. All members are requested to turn out.

Do not forget to ask the rink management for one of The Advertiser's hockey score cards. Fill them out and return to the rink people or forward them to this office.

Manager Frank Evans, of the London Life team, is not disheartened over the defeat that the Bank of Toronto team administered to his team on Saturday, and expects to strengthen up for the next game.

The Presbyterian League schedule has been revised, and will be published in a day or so. The game for tomorrow evening will not be interfered with.

Have you noticed the number of shutouts that were administered in the City Hockey League last week? Here are a few of them: Knox 3, King Street 0; Gaste's 13, Miller's 0; Y. C. C. 3, St. Mary's 0; Dundas Centre Int. 1, Askin Street Int. 0; St. Peter's 3, Talbot Street 0; St. Andrew's 4, St. George's 0; Bank of Toronto 10, London Life 0.

On Wednesday evening at the Simcoe Rink, from 6 to 7 o'clock, two teams from the St. James'-Sunday School, South London, will clash. This is the first time these teams have ever played together. They are both equally matched, and are fast skaters and good stick-handlers, and a good game is looked for. The teams will line up as follows: First team—Goal, F. Widdowson; point, G. Aitkens; cover point, F. Judd; rover, R. Crouch; centre, H. Scott; left wing, A. McEwen; right wing, E. Wells. Second team—Goal, L. Hessel; point, R. Dumaresque; cover point, H. Aitken; rover, S. Wells; centre, H. Nugent; left wing, F. Bawden; right wing, A. Orüme or C. Wyse.
