THE ABBOTT, 2:04.

New York, Sept. 13.—The attendance was large on the fourth day of the Grand Circuit meeting at the Empire City tracks. The big event of the day was the mile against time by the crack gelding The Abbott, to beat his record of 2:04¾. He went very slow to the quarter, and then went like lightning to the half in 1:02½. He shot by the three-quarter pole in 1:32¾, and came home in 2:04. This makes him the champion gelding racer, but still leaves him behind the world's champion record held by Alix, 2:03¾. Summary:

2:18 trotting class, purse $1,200—Lady Norvette 1, Maid Thorne 2, Leonard Bell 3. Best time, 2:12¼. J. E. C., Ambo, First Love, Leveran, Rivalday and Martha also trotted.

2:13 pace, purse $1,200—Tom Calhoun 1, Deveras 2, Prince A. 3. Best time, 2:10. Fred W., Ithuna, Rie Lijero also paced.

Free-for-all pace, wagon race—Hontas Crook 1, Quadriga 2, Silver Maker 3. Time, 2:10.

DONCASTER RACES.

London, Sept. 13.—At the third day's racing of Doncaster Seutember meeting today the Corporation selling handicap plate of 200 sovereigns, for 3-year-olds, the winner to be sold by auction for 100 sovereigns, 6 furlongs, was won by Remember Me, ridden by Rigsby, who, also, on Tin Soldier, tied for first place in the race for the Rous plate of 500 sovereigns, for 2-year-olds, at three-quarters of a mile, the tying horse being Quest. The Portland plate, of 500 sovereigns, added to a handicap sweepstakes of 10 sovereigns each, for for 3-year-olds and upwards, 5 furlongs an 152 yards, was won by the Prince of Wales' chestnut horse Ducknow, by St. Angelo, out of Luck, on which Tod Sloan had the mount.

TOD SLOAN SUSPENDED.

London, Sept. 13.—Tod Sloan was suspended today for the rest of the Doncaster meeting for crossing Eager, ridden by Morny Cannon, in the race for the Portland plate.

THE TORONTO RACES.

Toronto, Sept. 13.—The attendance at the Woodbine this afternoon was again remarkably large. The racing today was good, and the finishes, on a fast, dusty track, were very close, except in the hunter's flat race, which was won very easily by Seagram's Joe Miller. The race was a selling one, and J. S. Wadsworth bid up the price from $100 to $300, Joe Miller becoming his property at that figure. In the brush handicap, Chopin lost the race because Weber, who rode the colt, was afraid to squeeze through alongside the rail. Following is the summary:

First race, purse $300, all ages, ¾ mile—Prejudice 1, Silver Garter 2, Spurs 3. Time, 1:16¾.

Second race, purse $300, 2-year-olds, 5 furlongs—The Jade 1, Ben Mac Dhui 2, Alea 3. Time, 1:03.

Fifth race, open, steeplechase, handicap, purse $300, 1¾ mgiles—Trillion 1, Arquebus 2, Last Fellow 3. Time, 3:30½.

Sixth race, purse $250, all ages, selling, 7 furlongs—Handicapper 1, Lady of the West 2, Exit 3. Time, 1:30.

MABEL McKINLEY MARRIED.

Somerset, Pa., Sept. 14.—The McKinley-Baer wedding, which Wednesday evening united the lives of Miss Mabel McKinley and Dr. Hermanus L. Baer was perhaps the most elegant, from many points of view, ever witnessed in this state. The presence of President and Mrs. McKinley, the uncle and aunt of the bride, with other prominent persons from various parts of the United States, gave dignity and tone to the affair. Col. W. C. Brown, of New York, was master of ceremonies. Lewis H. Baer was the best man, Miss Nora Jarvis was the maid of honor, and Dr. Morgan performed the ceremony.

TUG FIREMAN DROWNED.

Windsor, Sept. 14.—The crew of the tug A. G. Seaman, lying near the Canadian Pacific dock in Windsor, heard a cry for help at 2 o'clock yesterday morning, and, seeing a man struggling in the water, lowered a yawl, but too late to save him. The unfortunate was Jacob Rominger, fireman on the tug. He was the last man on watch, and it is supposed that in some manner he fell overboard. Rominger was 35 years old, and unmarried, and shipped at Wiarton, Ont.

Wells are drying out and pastures are in bad shape in Wayne county, Mich. There has been no rain in some sections for months.

Opiates Hasten Decay of the Nerves

The Nerves Must Not Be Trifled With—Wasted Nerves Are Restored and Revitalized By Use of

DR. CHASE'S NERVE FOOD (PILLS)

Your physician will tell you that morphine, cocaine and other opiates induce sleep and rest only by deadening the nerves, that such relief is only temporary, and that the use of such drugs actually hastens the decay of the nerve cells.

The nerves must not be trifled with. No one can afford to waste nervous energy, the vital forces of the body. No one can afford to neglect diseased nerves until overcome by nervous prostration, paralysis, epilepsy or insanity.

It is next to impossible to estimate the effect of disordered nerves on the organs of the body. The whole machinery of circulation, respiration and digestion can only be properly carried on when force is supplied by the nerves.

Starved, exhausted nerves cause pains, such as headache, neuralgia, sciatic rheumatism, backache and aching limbs.

The beginnings of nerve disorders are usually sleeplessness, irritability, loss of energy and appetite, a twitching of the muscles, tired brain and depressed spirits.

When you can't sleep at nights and toss in misery, longing for daybreak to come, do not yield to the temptation to use morphine, cocaine or other opiates. They only hasten decay.

Let reason rule. Get right down to the foundation of the trouble and build up the system by using Dr. Chase's Nerve Food (pills).

This great restorative is in pill form and contains the very elements of nature, which go to form new, red corpuscles in the blood, and create new nerve cells.

It is worth while to remember that Dr. Chase's Nerve Food (pills) is not a patent medicine, but the greatest prescription of Dr. A. W. Chase, author of the family recipe book.

Dr. Chase's Nerve Food (pills) is an up-to-date scientific prescription which has proven itself to be a specific for all nervous diseases. It cannot fail, if used persistently, because it actually rebuilds and revitalizes the wasted nerves. It is especially recommended for ills peculiar to women, because they almost invariably arise from exhausted nerves. Dr. Chase's Nerve Food (pills), 50 cents a box, at all druggists or by mail from Edmanson, Bates & Co., Toronto. Book on nervous diseases free.

BRITISH TAKE BARBERTON

Gen. French's Force Capture the Boers' Position.

Louis Botha Reported to Have Resigned Command of the Transvaal Forces.

London, Sept. 14.—Gen. French has occupied Barberton.

A Pretoria dispatch says that Lord Roberts started for the eastern portion of the Transvaal. Gen. Pole-Carew has advanced along Eland's Valley to Nooit Gedacht.

A Pretoria dispatch states that Lord Roberts has declared martial law throughout the entire Transvaal.

THE BOER LEADERS.

A Lorenzo Marquez dispatch says: Mr. Kruger telegraphed his wife to join him before sailing, but she has replied that her health will not permit. It is reported that Commandant Louis Botha has resigned the chief command of the Transvaal forces to Commandant Viljoen.

FROM LORD ROBERTS.

Pretoria, Sept. 11—7:40 p.m.—Methuen attacked Varma's camp at Malapoo on Sunday and dispersed the enemy. He took 30 prisoners. The British had six wounded. Several Boers were seen to fall, and many riderless horses were noticed.

Gen. Buller is at Kopgat, and is driving the Boers before him. He has captured several tons of food. The Boers destroyed a gun tackle and thirteen wagons of ammunition to prevent their capture by the British.

The mounted infantry which started from the Ventersburg road station attacked the enemy at Cypnergat kopjes on Sept. 9, and captured cattle and horses that had been stolen from the farmers. The British casualties were two killed and two slightly wounded.

Hildyard reports that he drove the enemy from Lankwaithe Pass on Sept. 10, and followed them through the pass on the way to the east of Utrecht.

BOERS' TREATMENT OF THE SICK

The British officers who were captured by the Boers were fairly treated. The food furnished to the non-commissioned officers and men, however, was inadequate in quantity and inferior in quality. The inhuman treatment of the sick prisoners reflects the greatest discredit on the Boer authorities.

CLEARED OF BOERS.

Johannesburg, Sept. 10—3:30 p.m.—A division of colonial troops has been sent to clear the Boers out of the Heidelberg Hills. Gen. Barton has cleared the country around Krugersdorp of burghers. He also burned the house of Mr. Van Zyl, which was a notorious refuge for the Boers. The movement of Gen. Hart toward Potchefstroom was successful.

GEN. THERON KILLED.

Gen. Theron, the Boer raider, was positively identified among the killed. Dr. Condere, of the French ambulance corps with the Boers, has entered the British lines. He says that he has left the Boers for good. He is disgusted with the treatment he received, and has been disillusioned regarding the Boer character. He says that he worked hard all through the war without receiving any pay and with little food. He has still to receive the first "Thank you" from the Boers.

BOERS SHORT OF AMMUNITION.

Pretoria, Sept. 11—4:14 p.m.—It is evident from the nature of the wounds of the British troops now being sent to the hospitals here from the front, that the Boers are running short of ammunition for their rifles, and are using Martini-Henry and sporting guns.

A HUMILIATING EXIT.

In commenting on Kruger's extraordinary flight, the London Standard regards it as an informal confession of defeat and as marking the close of the campaign. It half regrets that he was not compelled to surrender in person, but contends that as a practical matter his flight is more convenient than his capture would have been.

The Morning Post and the Daily Telegraph, on the contrary, say they do not believe his departure necessarily implies the end of the war. They fear a prolongation of guerilla, though the Morning Post considers Capt. Richmann's recall by the American war department is being of the utmost significance.

The Daily News and the Chronicle dwell upon the pathos of President Kruger's position. Some of the other papers condemn what the call his meanness in forsaking the burghers, whom he misled.

BOER POWER BROKEN.

The German papers, discussing Mr. interpret it as tantamount to the end of the war. The National Zeitung says: "This remains true, even if Mr. Kruger is only temporarily absent, to make efforts for the intervention of Europe." The Vossiche Zeitung observes: "The friends of the Boers must reconcile themselves to the fact that the Boer power of resistance is definitely broken."

THE HOSPITALS.

London, Sept. 14.—Mr. Bourdett-Coutts, M.P., entertained the Canadian and Australian soldiers, invalided from South Africa, at dinner on the occasion of their visit to his residence, Holly Lodge, on Tuesday. Referring to the hospital inquiry he said he did not consider it patriotic to hide under a cloak the defects of our machinery of treating the sick and wounded of our battlefields. His sole object in the course he had taken was to secure reform in existing conditions.

Pretoria, Sept. 14.—The evidence of medical men here generally is to the effect that the statements of Mr. Bourdett-Coutts regarding the condition of the hospitals were greatly exaggerated.

The Canadians

KILLED.

London, Sept. 14.—The war office has been officially notified that the six Strathconas—Sergts. Logan and Brothers, and Privates West, Cruickshank, Jones and Wiggins, at first reported missing, were killed.

The arrival of 60 Canadian soldiers at Charing Cross this morning was almost unnoticed, but wherever on the route to Euston station the boys were recognized, their appearance called for cheers. At Euston, the crowd was small, but they gave the Canadians an enthusiastic send-off.

COMING HOME.

A party of between 50 and 60 Canadian soldiers, invalided from Liverpool, sailed from Liverpool for Canada on the steamship Dominion this afternoon. Among the number are the following members of B Company, first contingent:

Pte. H. Donohue, 36th (Middlesex) Light Infantry.

Pte. A. W. Woodward, 26th (Middlesex) Light Infantry.

Pte. A. H. Anderson, 25th (Elgin) Battalion, St. Thomas.

Pte. J. F. Hubbard, 30th (Wellington Rifles) belonging to A Squadron, Canadian Mounted Rifles, is also with the party.
