PATER WON THE HANDICAP FROM LORD OF THE VALE

Five Favorites Catch the Judges' Eye at Bennings—New Orleans and Frisco Results.

Washington, April 2.—Five favorites and a strong second choice were registered as winners at Bennings. Tickle, an odds-on favorite, easily won the first race.

August Belmont's entries in the second, Curriculum and Fondulac, were coupled and made the favorites. Curriculum's jockey, Morris, waited until the turn into the stretch and then came away and won, eased up, from The Galloper, which just beat Woodline for the place.

The upset of the day was in the fifth event, in which Belmont's Lord of the Vale was a hot favorite. All of the starters were fancied, however, Ben Hodder and Pater especially carrying a load of money. Pater and Ben Hodder were the first to show, but the latter soon dropped back, Lord of the Vale and Race King forging ahead. So they ran to the end, the Belmont horse making an unavailing effort to overtake the fleet Pater in the last furlong. Summary:

Horses at the Valley Farm.

Hamilton, April 2.—If the weather continues fine for another day or two the horses in training at Mr. Hendrie's Valley Farm will be worked on the track, which is fast drying up. There are 11 horses in training at the farm now, as follows:

Nimble Dick, blk.c., 5, Harvey—Favor Me.
Coatfell, b.g., 3, Shaffell—Singing Girl.
*Blue Jeans, ch.g., 3, Harvey—Cottonade.

Altho five horses have been named for the plate race, not more than three of them will be started. The likely trio are Blue Jeans, Logan Water and Waterman, the last named being the most likely looking one of the lot. He is by Derwentwater, out of Splash, by Ben Strome.

Nimble Dick has grown into a handsome black stallion and is easily the finest-looking thorobred in the string. He will be schooled over the jumps when the horses go to the Woodbine track, which will be in about three weeks.

Royal Charlie has also developed nicely, and should win some races next summer.

The yearlings at the farm, 14 in number, have all been named. They are as follows:

Tuscarora, b.c., Harvey—Omeo.
Dialogue, c.f., Martimas—Rosina Vokes.
The Lintie, c.f., Martimas—Pee Weep.
Shimonese, c.f., Derwentwater—Lyddite.

There has been only one foal at the farm so far this spring, that one being by Derwentwater, out of Niblick. This will be the last of the Derwentwater get, as the good old sire died last fall in Tennessee. There are eight more mares in foal at Valley Farm to Harvey and Martimas, they being Butter Scotch, Lavrock, Favor Me, Pee Weep, Dance, Sugar Plum, Cuba Free and Firewater.

N. Scholes Elected Captain—Reports Read Were Satisfactory—Ring for Secretary Wibby.

The twenty-fifth annual meeting of the Don Rowing Club was held last night. The reports were all satisfactory. The treasurer showed a balance of 431. The secretary submitted a membership list of 116, an increase of 25. W. Wibby was presented with a gold ring for his services as chairman of the amusement committee and financial secretary. A letter was read from J. W. Flavelle, donating two new working boats.

Notice was read from the city ordering the club to move on Oct. 1, and a moving committee, consisting of Ed. Mack, J. O'Neill, jr., A. Boyd and J. Delaney, appointed. Officers were chosen, as follows:

Patron, J. W. Flavelle; hon. president, J. O'Neill, jr.; president, Ed. Mack; first vice-president, J. Delaney; second vice-president, A. Boyd; captain, N. Scholes; hon. treasurer, J. Young; financial secretary, W. Wibby; recording secretary, A. C. MacIver; executive committee, F. Mauthie, H. Jacob, A. Reynolds, J. Shea, J. Lumley, T. Haliburton, W. Leslie, C. Gloster, W. A great year is expected on the water. Entries will be made in all the races at both the C.A.A.O. and Dominion Day regattas, and the men will be in the best of shape under the new and capable captain, N. Scholes.

J. Delaney and A. C. MacIver were appointed representatives to the next Dominion Day regatta meeting in the King Edward.

The summer Saturday dances will start on April 21. There will be an open club night at an early date.

ROWE LOSES HIS CASE.

Appeal of O.H.A. is Sustained by Court on Decision Yesterday.

The divisional court, consisting of Chancellor Boyd and Judges Mabee and Magee, gave judgment yesterday allowing the appeal of the O.H.A., and dismissing the action of Rowe. By this Mr. Rowe, the Barrie player, loses his case against the O.H.A. This case has hung fire since February 7.

On Feb. 21 Judge Falconbridge gave the decision in favor of Rowe. The O. H. A. appealed the case and won on the decision given yesterday. The chancellor says:

In brief, there is no allegation and no proof of any property, real or personal, of the association, nothing of value in this sense from which the plaintiff has been excluded—nothing which by any possibility could come to him if the association was to be dissolved or wound up. Jurisdiction, then, according to binding authorities, is fundamentally lacking in this case, so far as an injunction is concerned, and that is the only relief given or claimed.

This point upon which we proceed was not raised or suggested before the chief justice; otherwise we should not have been troubled.

MONTREAL ARENA PATTERN.

For Toronto's New Artificial Rink, Which Will Be Ready by October

Manager Alex. Milne of the Caledonian Skating and Curling Rink returned about a week ago from a visit of inspection to different cities in the United States and Canada. He saw the artificial ice plants in Pittsburg and New York, also the natural ice rink in Montreal. After a thoro consideration, the owners have decided to build on their property on Mutual-street, which consists of the old rink site and the ground to the south, an area of about 400 by 200 feet.

One of the great drawbacks in hockey games in Toronto has been the manner in which the small boys and rabble gain access thru the windows. This will be out of the question in the new rink, as the windows will be high out of reach.

The present building will be torn down about the middle of May, and it is expected that the new rink will be completed by October.

The rink will be built after the style of the Arena in Montreal. The seating arrangements will be in amphitheatre style.

It was the intention of the Toronto owners to build a basement under the rink, but with the arrangement of seats as in the Montreal Arena this will not be required. Plenty of accommodation for horses during the Horse Show and other affairs of the kind can be had under the seats, where stalls will be built.

Sunlight Baseball League.

The Sunlight Baseball League's annual meeting was held last night, the officers being elected as follows:

Hon. president—Ald. Robt. Fleming.
President—J. J. McNamara.
Vice-president—A. E. Walton.
Treasurer—Charles J. Lavery.
Secretary—Left open until next meeting.

The grounds committee was appointed—Messrs. McNamara and Walton. Two or three good grounds are in sight.

Baseball Yesterday.

At Philadelphia—The local championship series between the American and National League clubs was opened, the Americans winning by 7 to 1.

At Washington—Washington (American) 8, Providence (Eastern) 3.

BERLIN AFTER ANOTHER CUP.

Will Have Strong Football Team This Season—Guelph Scots Senior.

Berlin, April 2.—(Special.)—Altho not quite finished admiring the John Ross Robertson Cup, Berlin is now beginning to devise ways and means for annexing the Western Football Association Challenge Cup. Most of the players who formed the only Canadian team that defeated the English Pilgrims last year, will again be in line and can be depended upon to put up a stiff fight for the cup now held by Seaforth.

There are indications that the ranks of the senior clubs will be augmented by several teams this season and one which gives rise to considerable speculation is the Scots' team of Guelph, to consist of Scotchmen who played the game in the Heatherland and who are among the many Scotch immigrants who have recently settled in and about Guelph. It is claimed that they will put up a team that will make both Galt and Berlin hump themselves.

Football Notes.

All Saints' intermediate and junior football teams held their first practice on Saturday afternoon, with a large turnout, and prospects are bright for a successful season. Until Moss Park, which has been secured by All Saints for practice grounds, is in condition, the practices will be held on the Don Flats, east side. The following players of last year's team, spring champions, will be found on the line-up: Pointon, Anderson, Penny, J. Dunn, Darlington, Hoppins, Carroll, Mann, Secker, Zilliax, and there is an opening for an outside left. An intermediate team will be entered in the league, if enough players turn out. Seven good men have already given in their names. Address all communications to R. Sargeant, 278 Sherbourne-street. Phone Main 12.

Broadview juveniles will practise to-night on the Don Flats. All players and those who intend to join are requested to be down early.

TORONTO BALL PLAYERS START TO WORK TO-DAY

Seventeen Players Have Reported, With More to Come—Becker Came in Last Night.

Manager Barrow left last night for Preston, taking with him the following players:

Catchers—Arthur McGovern and Jack Toft.
First Baseman—W. M. Yale.
Second Baseman—Thomas Ronan.
Outfielder—Jack White.
Pitchers—Charles T. Jaeger, Al. C. Watts, Roy H. Urbach, J. W. McGinley, Clarence Currie, A. P. Owens, P. Maroney.

Fred Mitchell, the Brooklyn pitcher, went up in the afternoon with his wife.

McGovern, Owens, Maroney and Ronan arrived yesterday. McGovern and Maroney are an old battery, having played together for three years. Ronan is a second baseman, who will fight it out with Long.

Rusty Owens is the pitcher secured from the Three I League. Last year he pitched 23 games, winning 15. He had seven shutouts and two games where only 28 men faced him.

Yesterday afternoon President McCaffery and Manager Barrow, along with a few others, went up to Diamond Park to see the grounds. The street car conductor was no doubt a fan, for when the car was nearing the park, he crys out "Ball Grounds." Needless to say the president and manager carried the happy smile after this remark.

The grounds were found to be drying out fast and by the time the team returns they should be in fair shape. The stands and dressing rooms have been overhauled, also the press box. After this the players will have an entrance to the grounds from the dressing rooms. This will save going thru the stands and will be much more convenient. The road to the grounds will be looked after by the city, who is going to pave it to the bleachers.

Jimmy Olcott of the Toronto Lacrosse Club, was engaged yesterday to train the team and left for Preston last night.

Becker, the outfielder, who was signed by the New York Americans and turned over to Toronto, arrived last night. He will go to Preston to-day.
