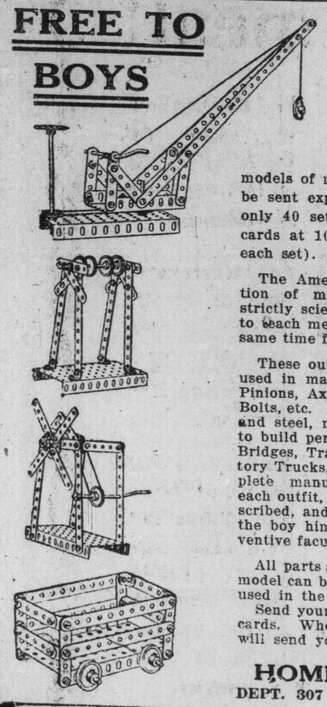
FREE TO BOYS



The American Model Builder

The complete model building outfit containing 99 different parts, and which will build 20 different working models of machinery, carts, motor, etc., will be sent express prepaid to any boy selling only 40 sets of our embossed Easter Postcards at 10 cents a set (6 lovely cards in each set).

The American Model Builder is a collection of mechanical parts constructed on strictly scientific principles, and is designed to each mechanical construction, and at the same time furnish amusement.

These outfits comprise all the main parts used in machinery, such as Pulleys, Gears, Pinions, Axles, Beams, Machine Screws and Bolts, etc. All of the parts are made of brass and steel, nickel plated, and enable anyone to build perfect working models of Derricks, Bridges, Traveling Cranes, Fire Ladders, Factory Trucks, Railway Signals, etc. In the complete manual of instruction accompanying each outfit, 20 different models are fully described, and many more can be designed by the boy himself, thereby developing his inventive faculties.

All parts are made interchangeable and any model can be taken down and the same parts used in the construction of other models.

Send your name and we will send you the cards. When sold send us the $4 and we will send you the whole outfit. Address

Baseball is the Only Live Game in Ottawa

OTTAWA, March 20.—Extensive improvements to Lansdowne Park will be made by the Ottawa Baseball Club before the opening of the Canadian League season, on which the curtain will go up with the Toronto team as visitors on on Thursday, May 14.

Tho the Ottawas have many worries on their hands just now, Lansdowne Park will receive special attention. Manager Frank Shaughnessy signed up a lease yesterday with the Central Canada Exhibition Association.

As there were no other applications for use of the field, lacrosse being a dead issue here, it looks as if baseball would hold full sway in Ottawa. In other years the Ottawas had to scramble for the dates. Last spring there was the professional soccer club and the Ottawa Lacrosse Club also had to be accommodated, and they do not seem to think they are an attraction any more.

AMATEUR BASEBALL.

The annual meeting of the Kendon B.B.C., junior city champions, was held at 138 Close avenue on Thursday. The following officers were elected: Hon. president, Councillor Simpson; hon. vice-president, E. Dillon Mills; president, W. F. Lancaster; sec.-treas., A. L. Smith; manager, W. J. Fleming; captain, E. Donohue; business manager, F. Kirkendall; executive committee, J. I. Sanderson, W. A. Price, W. F. Lancaster, jr., A. Gales Lancaster. The Kendons are contemplating entering a senior league this year and trust to have a banner season.

CENTRAL BOWLERS WON.

In the fivepin series between Broadview and Central Y.M.C.A. on Central alleys, Central won two of the three games and the series also, five to four. Dr. Winter was high with 450, and LeRoy next with 386. Tomorrow will see the beginning of the tenpin tournament for the association trophy. Highest five games will count. The scores:

WORLD HOCKEY TEAM WINS CHAMPIONSHIP.

In a fast and fairly clean game of hockey yesterday afternoon, The World beat The Star and won the Toronto newspaper championship. At half time the score stood tie, 1 to 1, and at that period The Star seemed to have the better of the play. In the second half The World played their opponents off their feet, and the game wound up 4 to 1.

SWIMMING AT THE WEST END.

Seldom does the opportunity occur for the citizens of Toronto to secure an insight into the causes of the numerous drowning accidents that take place with most painful regularity summer after summer as will be given at the West End Y.M.C.A. tonight by Mr. Corsan and his lady pupils. Then in view of the fact that so many persons enter canoes, rowboats and launches who have not the least idea how to act in an emergency this demonstration is for the purpose of showing how to act, tho a non-swimmer. Those who can swim and admire the art in its finer points will greatly enjoy the fancy swimming.

SMOKERS!

HAMILTON QUARRY PROJECT IS KILLED

Decision of Private Bills Committee Influenced Mayor and Controllers.

Special to The Toronto World.

HAMILTON, March 20.—Because the private bills committee of the Ontario Legislature refused to assent to the issuing of debentures for $75,000 by the City of Hamilton for the purpose of purchasing a site and equipping it with the necessary machinery without first having a bylaw passed by the people, the city officials have abandoned the idea of securing the quarry this year. A special election could be held after it had been advertised for four weeks, but this would cost $2300, and the officials do not propose to go to this expense.

Hotelkeepers Will Fight.

The proposed legislation of Hon. W. J. Hanna, to compel the hotelkeepers to close their saloons on Saturday afternoons will meet with strong opposition from the liquor interests in this city.

Word has been received from Ottawa, stating that the work on the postoffice extension will likely be commenced in the early part of May. The department of public works is at present preparing plans for the extension, and tenders for the work will be asked for in April. The officials hale every confidence that the deals for the purchase of the necessary property will be completed in time for the commencement of the work in May.

IMPERIAL BANK BRANCH

A branch of the Imperial Bank will be opened at the northwest corner of Wellesley and Bleecker streets on March 23, under the management of F. G. Coy of the Toronto office.

SEVEN HOURS LATE

Owing to a heavy snow storm which occurred o nthe Lake Superior division of the line, the C.P.R. train from Winnipeg was seven hours late in arriving here last night.
