It is for men who open their eyes in the morning upon a world that looks blue and discouraging, for men who feel tired, despondent, and out of luck; who have lost the fighting spirit—those fellows who have almost concluded that nothing is worth fighting for—who have pains in the back and who don't get rest from their sleep, and who wish that they were as strong as they used to be. It is all a matter of nervous energy—that is what ambition comes from—and that is what you can get from Dr. McLaughlin's Electric Belt. It is an invigorator of men.

It will make you strong. It will send the life blood dancing through your veins, you will feel the exhilarating spark warm your frame, the bright flash will come to your eye, and a firm grip in your hand, and you will be able to meet your fellow-man and feel what others are capable of doing is not impossible for you. This grand appliance has brought strength, ambition and happiness to thousands in the last year.

What would you not sacrifice to feel as you did a few years ago, to have the same snap and energy, the same gladsome, joyous, light-hearted spirit and the physical strength you used to have? You know you are not the same man, and you know you would like to be. You can be.

Dr. McLaughlin's Electric Belt makes you now, it causes the nerves to tingle with the joyous exhilaration of youth, fills the heart with a feeling of gladness, makes everything look right, and makes the nerves like bars of steel. It has cured Nervous Debility, Weakness, of every kind, whether in Nerves, Stomach, Heart, Liver or Kidneys, Rheumatic Pains in Back and Shoulders, Sciatica, Lumbago, Indigestion, Neuralgia, Constipation, Dyspepsia, and all troubles where new life can restore health. It does all this while you sleep by pouring electricity, which is Nature's energy, into your nerves and blood. Electricity is life to the vital parts, when they are weak it will make them strong.

Dear Sir,—I find your Belt, all you claim it to be and I am feeling like a different man, after four week's use of it.

AMUSEMENTS IN ST. JOHN; WHAT THE PLAYHOUSES OFFER

THE GEM.

One of the most brilliant spectacles ever witnessed on canvas is announced by the management o fthe Gem, for the week end bill, in the "Immortal Alamo," a splendid historical reproduction of the early days in Texas. A large body of students from Peacock Military College are seen taking part in the military scenes in the picture which are truly characteristic and realistic. Romance plays a leading part in the picture and adds a tingling pleasure to the liveliness of the scenes.

When Josh and his bride Cindy go on their honeymoon to a large city they have a number of sensational and startling adventures which are well portrayed by the Edison Co. in the charming production of "Josh and Cindy's Wedding Trip." The trials of a husband who knows practically nothing about housework are keenly appreciated in the Selig comedy hit, "Dear Kind Hubby." Tomorrow souvenirs will b given the youngsters at the matinee. Miss Allan has a new song success and the orchestra new pieces. Announcement of the coming of the coronation pictures is soon to be made.

THE LYRIC.

One could not help applauding the efforts of the Geers at the Lyric Theatre yesterday. The daring and hazardous feats exploited by this clever team while in mid air are deserving of great praise. Particularly wonderful is the whirling on the rings by the man of the act with his fair partner acting in the capacity on the bar by means of her arm. This part of the performance called for unstinted applause and it was merited. If ever a lesson in motion picture plays ever touched the right spot that lesson is contained in Vitagraph's labor drama, "Tim Mahoney, the Scab." The rest of the programme consists of "The Fastest Motor Boat in the World," and "When a Man Loves."

THE UNIQUE

Wide awake for Holiday features the Unique management announces today four exceptionally good subjects. They will include a Reliance story that caused quite a sensation when shown in Upper Canada last week. It is called "Over the Shading Edge," and in it Miss Marion Leonard, popular leading lady, portrays a most difficult character. The story is of a newspaper woman's clever scoop. A picture of the United States Army Service will be ably presented by the Solax Co. This firm has quite a reputation for their military plays, and "An Officer and a Gentleman," is said to be one of their best. The comedy has been left in the hands of the American players, who will offer two real funny ones, "Crazy Gulch" and "The Hobos' Round Up." John McCormack's revival of the old Irish song, "Molly Bawn," is Mr. Malcolm's holiday number. A special matinee is announced for Saturday.

THE STAR.

For the week-end programme at the Star Theatre in the North End, good drama and comedy are promised. "Sailor Jack's Reformation," a drama by the Kalem Co. is a good moral subject. Sailor Jack, the Salvation Army, Captain Agnes, a Salvation lassie, and a trip to sea all go to make up a very strong drama. "The Outbreak," a drama by the Selig Company, is a combination of Indian and western pictures in which the Cowboys have a desperate time to rescue two young women from the Indians. "Bumptious as Romeo" is an Edison comedy. Poor Bumptious with his discontented mind, meets his hoo-doo once more when his friends turn out enmasse to see him in the part of Romeo in Romeo and Juliet. It is a laugh for everybody. Miss Newington will sing "Don't You Want a Paper, Dearie." At the Saturday matinee the great cowboy and Indian picture will be shown also.

REAL SENSATION

"I've got a great story," says the new reporter.

"You have?" growls the city editor. "What is it?"

"The only actress who never married Nat Goodwin is engaged to the city man who never married Lillian Russell."

	Won.	Lost.	P.C.
St. Johns	3	1	.750
Red Wings	3	2	.600
Victorias	2	3	.400
Acadias	1	3	.250

On Monday evening the St. Johns and Red Wings will play.

Two Games Tomorrow

The Marathons and St. John's will play two games here tomorrow. Manager Page of the St. John's has secured several new men who will wear the St. John uniform in the games. The new men are Paquette, a pitcher from the Sorel team in the Quebec league; Pinkerton, a shortstop who played with Worcester last year; and Tilton a second and third baseman. With these additions the Saint's should make a good showing, and two good games are expected. Harrigan has been released from the St. John's on account of his inability to get away from his work.

The Big Leagues.

National League yesterday:—Brooklyn 1, Philadelphia 4; Chicago 4, Cincinnati 5; Boston 4, New York 10; Pittsburg 8, St. Louis 6.

American League:—Cleveland 8, Chicago 7; Boston 1, New York 3; Boston 3, New York 2; Washington 9, Philadelphia 7.

Eastern League:—Providence 4, Rochester 5; Montreal 7, Jersey City 7; Baltimore 7, Toronto 2; Baltimore 8, Toronto 3.

The Juniors.

The young Richmond Stars defeated the young Shore Hills, in a good game of ball last evening, score 8 to 7. The batteries were:—For the winners L. Ryan and F. Donohue; for the losers, T. Clayton and R. Leuihan.

Philadelphia's Boy Wonder.

Not since Christy Mathewson began to electrify New York has there been such a sensational youth in the National League as Alexander, the boy pitcher of Philadelphia Nationals, who won his fifteenth victory this week out of eighteen games. He has had two raises since the season started. His salary was boosted $500 last May, and last week President Fogel elevated the figures a second time.

Alexander has been used in all the hard games. He and Earl Moore have been sent against the topnotchers of the rival pitching staffs, and this makes the youth's work all the more wonderful.

The juvenile bears his honors modestly. He is out every day working, and almost fights to get in the game. Any time when it looks like the Phillie pitcher caving and the call has been frequent the last two weeks, Alexander, without being asked by Manager Dooin goes out with McDonough and begins to warm up.

The Philadelphia team never had a more competent or a more loyal pitcher than Alexander, who is ambitious to see them win the pennant this year and he told Manager Dooin that he would be willing to alternate with Earl Moore and pitch every remaining game on the schedule.

In Alexander, Fogel has a star, that, all things being equal, should be a wonder for years. In one series out west Alexander won his game without trouble, and in the last contest of the set the rivals rallied and Dooin took out the pitcher and sent in Alexander to rescue it. He had no difficulty in spiking the rally and saving the victory for the Philadelphia team.

Diamond Sparkles.

Miller, the Pittsburg second baseman, took part in four double plays in last Tuesday's Boston game.

Zimmerman's 10 times at bat in one afternoon without a hit is a record for the season.

Chicago has secured the services of Pitcher Delhi from the Pacific Coast league. He is said to be one of the most promising in the west.

Another big league player has broken into the umpiring ranks. The newcomer is Pitcher Spade, formerly of Cincinnati, who has accepted a position in the Cotton State League.

Manager Jennings of the Detroit team has confirmed the report that he would like to secure Wagner of the Bostons, but will take him only on a cash basis. Should he secure him, he will play him at second.

President Fogel of the Philadelphia Club expects great things of his new outfielder Wilson from Alberta. Fogel claims he is of the Sam Crawford type and that he will be one of the sensations of the season.

Stephen V. White, the star Princeton pitcher, has signed a contract to pitch for the Boston Americans and will report to the team at once.

Graverson, who pitched for the Marathons at the first of the season and who was released, is now pitching for Haverhill. He defeated Lowell 4 to 3, the other day. Parlee also figured in this game.

The Ring

Langford Knocks Out Fitzgerald.

New York, June 29—Sam Langford, the Canadian negro heavyweight, knocked out Jack Fitzgerald, a Philadelphia "white hope," in the fifth round of a scheduled ten round bout at the National Sporting Club here tonight.

Wolgast and Moran

San Francisco, June 30—Ad Wolgast stands ready to bet $40,000 on himself when the meets Owen Moran here on July 4, according to his declaration. Stung by Moran's statement that he has only one punch, an overhand swing, Wolgast said: "If Moran is so sure I have only one good punch, why doesn't he put up some money? When he challenged he said he would bet $5,000 to $1,000 on himself, but when we were matched he squealed on the side bet proposition. I stand ready to bet $40,000 at 10 to 8 that I will beat him, perhaps with the very punch he is talking about."

Both are working hard, preparing for their fight, and both are now under the required 133 pounds.

Cricket

St. John Team Wins.

St. John defeated Chatham at cricket yesterday in an interesting game in Chatham. Sturdee, Popham and Young played well for the St. John's, and Snowball, Perry and Jordan for the North Shore team. The Saints won by an innings and ten wickets.

The Turf

"Davy" Johnson is Dead.

New York, June 30—David C. Johnson, a prominent turfman, died last night following an operation for cancer. Mr. Johnson had been ill for three weeks, but his illness did not become acute until last Sunday. An operation, from which he failed to rally, was performed yesterday. Mr. Johnson was widely known as "Davy" Johnson, sportsman, race horse devotee and winner and loser of several fortunes at the track. He achieved his widest notoriety, perhaps, as the owner of Roseben, the famous racer, which cost him $5,000 and won more than $100,000 in stakes and purses.

Johnson's winnings at the race track were very heavy. After the last race one afternoon a few years ago he told friends that he had won $52,000 on the afternoon's speculation. Bets of $10,000 on a race were not unusual for him and he would go higher, especially on the great Rose Bean. But the money melted away just as easily and his friends say that he left little of the fortunes he had won. Johnson was about fifty years old.

Hoof Prints.

Frank R. Walker will do the starting at Readville's grand circuit meeting this season.

Ed. Benyon has arrived at the Indianapolis track from Memphis with a string of six that he will race in the grand circuit.

Brenda Yorke (2.04 1-4) has been bred to The Abbe (2.04). As both are double-gaited, it is hard to say what the young thing will do.

John V. Palmer, at one time a grand circuit judge, and well known by the older generation of horsemen, died in San Francisco last week.

My Shady Belle, a mare that has been raced for two seasons in the south where she went to her record of 2.09 1-4 over a half-mile track, has been added to Billy Snow's string at Detroit.

Gen. Axworthy, a 3-year-old futurity candidate, worked in 2.11 1-2 at Lexington the other morning, with W. A. Owings up. This is about the fastest full mile that has been reported by any 3-year-old this season.

Billy Andrews worked Soprano, 2.07 1-4, a mile in 2.00 flat, and the syndicate trotter Wilmering, 2.12 1-4, a heat in 2.09 1-2 at North Randall last week. Willy stepped the last quarter of a 2.20 mile in 29 1-4 seconds the same day.

The Cobb horses of Wellsville, N. Y., are being raced out through the Cedar Valley circuit in Iowa by Al Thomas. At last week's meeting at Marshalltown, Thomas won with the Prodigal gelding Senator Odell in the 2.25 trot, stepping the second and third heats over the poor track there in 2.20 1-4.

The fastest mile by a 2-year-old reported thus far is one in 2.18 1-2, in which time Clem Beachey drove Miss Katherine L. Wilks' filly Princess Todd, which went to a record of 2.24 1-4 as a yearling last fall. Princess Todd's mile stands as the fastest ever made at the Lexington track by a 2-year-old prior to July.

United States Senator J. W. Bailey has sold his training paddocks of about six acres, just outside the Lexington track, to Henry Schmulbach of Wheeling, W Va. It is evident that the senator meant what he said last fall when he announced that he was retiring from all active participation in the trotting game.

THE RETORT CRUSHING

One of the worthies in a Fife village happened to be working in his garden with a very small spade, when a neighbor came on the scene and remarked: "Man, Jamie, that's a gey wee spade yer working wi' ma laddies have bigger spoons for suppin' their paritch wi,'" Without glancing up "Jimmie" cuttingly replied—"Ma mannie, I dinna winder at, when I see their faither's mouth."

JUST GIRLS.

"She told me you told her that secret I told you not to tell her!"

"The mean thing! I told her not to tell you I told her."—Milwaukee Sentinel.

RECEPTIONS FOR GRADUATES

The success of the evening was in a great measure due to the efforts of Mrs. Walker, Mrs. J. V. Ellis, Mrs. H. S. Bridges, and

The members of the High School Alumni held a reception in the High School auditorium last night in honor of this year's graduating class. The High School orchestra was in attendance and played an excellent programme of music. During the evening W. J. S. Myles, the principal, was made the recipient of a sum of money with which to purchase books for the High School library.

The Alumnae of St. Vincent's High School made merry in Keith's Assembly rooms. About 150 were present. Miss Ellen Reed president of the society presided at the function. The following programme was enjoyed:
