There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

ST. PETERS TOOK BOTH GAMES YESTERDAY

But Marathons Gave Them a Close Run Each Time—Some Spectacular Plays.

Errors at critical stages on the part of the Marathons gave two victories to St. Peters on the Victoria grounds yesterday. Don Malcolm made a feature catch in the morning game, while Harringan, Small and Rootes hauled down beauties in the afternoon performance. Plenty of enthusiasm was afforded and although defeated the city champions played fast and clean ball.

The matches were fast and exciting and the afternoon performance was undoubtedly the best of the season.

SUSSEX RACES

The Labor Day races here were marked by slim attendance, although today was the opening day of the exhibition and a public holiday.

There was good racing in both races today. The 2:30 trot went to Frank Power in straight heats, the fastest time being 2:23 1-4. The excitement of the day was furnished in the 2:21 trot and pace. Idle Moments, Sleepy Jack and Orphan Girl each took one heat after which Orphan Girl captured two straight. Sleepy Jack did not get into the money, being distanced for running in the final heat. In this race Robert C., 2:23 3-4, A. B. Etter, Amherst, was entered but did not start.

It was announced from the judges' stand during the afternoon that a change had been made in the program of races. There will be no racing Tuesday. On Wednesday the 2:25 class and the 2:40 trot and pace will be run off and on the same day the three-year-old colt Barin by Bingara, owned by R. H. Edwards of Halifax, will trot an exhibition mile. Barins' breeding ensures the fastest half mile ever done in Canada by a three-year-old.

AT CHATHAM

CHATHAM, N. B., Sept. 6.—The first day's racing on the M. A. E. A. track passed off successfully this afternoon. The attendance was large. The weather was perfect and both events, the 2:19 and 2:24 classes, furnished lively racing. Lenord Wilton won the former in straight heats, but was hard pushed in each heat by Cecil Mack and Meadowvale. As the track was a little heavy owing to Sunday's downpour the time was not exceptionally fast. The 2:24 class however, developed some lively trotting.

A running race of half a mile between local horses furnished lots of excitement. Frank Harris won first place, Roy Finley second. Summary:

There were three events on the card, and in eachthere were exciting and close finishes. In the 2.18 class especially was there a keen contest. In the third heat, after Otto Oaks had two heats in, Robert C. sprang a surprise by winning the third by a nose. D W. Wilbur, who was behind the Amherst gelding, made a sensational drive and brought the grand stand to its feet. Otto Oakes, however, won the fourth and deciding heat.

CHARLETTETOWN SPORTS

CHARLOTTETOWN, P. E. I., Sept. 6.—Labor Day was well honored in its observance here, the main features being a parade by the Laborers' Protective Union and the United Brotherhood of Longshoremen and athletic sports by each organization.

The L. P. U. was the only one sanction by the M. P. A. A. and included many open events in which all prominent amateurs participated. The feature of the day was an exhibition given by Frank Lukeman the Montreal sprinter, and William Hapenny, also of Montreal, a native of Charlottetown, who is one of the best pole vaulters in America. Lukeman running with the wind did the 100 yards in 9 4-5 seconds, equalling the Canadian record.

In the broad jump he cleared 22 feet 2 7-8 inches, beating the Maritime record by 6 7-8 inches. Hapenny vaulted 11 feet 6 inches. All performances were the best ever done in the Maritime Provinces.

AT RENFORTH

About three thousand persons witnessed the magnificent Labor Day celebrations at Renforth yesterday — the most memorable event in the history of that suburb.

The Renforth Athletic and Outing Association, which has recently been formed, was successful beyond their most sanguine expectations in this the first undertaking of the organization. Field sports were held in the morning, aquatic events in the afternoon and a grand parade of illuminated boats was witnessed in the evening. The people flocked to the suburb in automobiles, carriages, boats and on bicycles, while the special and regular trains were also taxed to the utmost capacity.

Great interest was manifested in the field sports in the morning, particularly by the young people. In the quoit tournament three or four teams tied for the leading place, but did not play off for the final. Ernest Ganter captured the 100 yards dash, getting over the ground in pretty quick time, while Hewett Dykeman was successful in carrying off the honors in the 100 yards dash for boys. Frank Smith outdid his fellow-contestants in the broad jump, and Ernest ganter again carried off honors in the hop, step and jump.

In the afternoon the aquatic events were competed for and proved very interesting. The following were the winners in the aquatic sports.

Sailing races for sloops and catboats—First, Defender, owned by Harry Morton; second, the Hornbrook boat. Five boats started.

Single scull race—Keith Barbour.

Double canoe race—Frank Harrison and J. C. Nickerson.

Single skiff race—Harry Gilbert.

Double skiff race—Ernest Ganter and Harold Kinsman.

Swimming race—Herman Lordly.

Crab race—Rolland Smith.

Two oared match—F. A. Dykeman and A .P. Patterson.

A tug-of-war was also pulled off during the day. In this event Capt. Keith Barbour's crew defeated Capt. Harry Morton's men.

The climax, however, was not reached until the evening came, when an event, the class of which has never before been equalled in the province and seldom surpassed in Canada, was witnessed by large multitudes. Almost every house from Renforth to Riverside was handsomely decorated with flags and bunting and illuminated with many lanterns.

After eight o'clock the grand illuminated parade was begun, starting from Renforth. Almost thirty boats participated in the magnificent demonstration. There were present crafts from the R. K. Y. C., Westfield Outing Association, La Tour Rowing Association, Rothesay Boat Club and many other . These illuminaed, with myriads of minature lanterns and decorated handsomely with flags and bunting, and towed by F. A. Dykeman's motor boat Ogistah, formed a most picturesque scene and the people marvelled at its magnificence. The boats went as far as the Riverside wharf and returned. While the boats were in procession numerous bon fires burned along the shore, and the whole sight was astonishing in its beauty, and seemed like a dream of Paradise.

BANNER EVENT.

When the boats returned to Renforth, probably the most interesting portion of the day's celebration was carried out, which consisted in the burning of the good ship "Mary Jane." The wooden craft was built especially for the occasion, J. A. Lipsett being the promoter of the scheme. Filled with combustibles, fireworks, blank cartridges and red fire, it was towed to the middle of the river, just in front of Renforth. It was manned by dummy men, which had been placed in the rigging and different parts of the ship.

There were two prizes, consisting of streamers of pennants, offered for the best decorated boats. The first was awarded to F. A. Dykeman, with motor boat the Ogistah, presented a handsome appearance.

Harry Morton's salmon boat took second prize. J. Fraser Gregory's boat also had a remarkably fine appearance, with decorations of all sorts.

The day's enjoyment was brought to a close with a dance to the Artillery Band furnished excellent music.

DRURY COVE.

The residents of Drury Cove were not to be outdone by their neighbors at Renforth yesterday and held a series of sports and games which were much enjoyed by a large number of the summer colony and their friends.

In the morning a tennis tournament was held in which the following were the winners: Men's Doubles, Mr. R. Sandall and Mr. W. C. Cross; Junior Singles, Master G. Scott; Mixed Doubles, Miss A. Cross and Mr. G. Scott.

In the afternoon aquatic sports were held. The races and the winners were as follows: Single Dingby, Mr. A. Christie, 1st, Mr. F. Hamm, 2nd; Double Dingby, Mr. D. Hunt and Mr. A. Tapley, 1st, Mr. H. Christie and Mr. G. Scott, 2nd; Single Canoes, Mr. R. Sandall, 1st, Mr. A. Tapley, 2nd; Double Canoes, Mr. A. Manx and Mr. R. Sandall, 1st, Mr. E. Hunt and Mr. G. Scott, 2nd; Swimming race, Mr. G. Cooper, 1st, Mr. E. Merritt, 2nd; Tub race, Mr. Paul Cross.

In the evening there was a brilliant display of fireworks and an illuminated parade in which about twenty boats took part. Some of the boats were prettily decorated and bonfires on the shore added to the brilliancy of the scene. Large rafts loaded with brush were set adrift and set fire to, and these, together with the rest of the illuminations made the surrounding country as bright as day.
