St. John Y.M.C.A. Senior Hexathlon

Contest Completed and Final Showing of Points Much Larger Than Last Year.

The St. John Y. M. C. A. Senior Hexathlon contest has been completed and the final showing is one that the local Association ought to be proud of. Approximately six senior athletes competed, and the performances in each event were of an exceptionally high order.

In the 160 yard potato race, all of the six high point winners piled up over 90 points each.

In the fence vault, all of the six high point winners vaulted a bar well over six feet. Roy B. Cox vaulted 6 ft. 6 in—just 2 inches below the Canadian record.

In the running high jump, five men jumped over 5 ft., the high scorer being George Hudson—5 ft. 3 inches.

In the standing broad jump, 9 ft. 1 was the lowest, with Lloyd Ryan high point winner—9 ft., 6¼ inches.

In the 60 yard potato race, Les Kerr sprinted a distance of 14 ft. 4-5.

In the 12 lb. shot put, Andrew Malcolm touched the high spots in 40 ft. 6½ inches.

The total aggregation of points was 2,882, as against 2,547 last year—an increase of 355.

The Canadian results of this contest will be awaited with interest in St. John. Last year, over 5,000 athletes in the North American Y. M. C. A's competed in this contest; each year the standard of attainment is being boosted up, and any increase in points piled up by any association represents so much more effort.

Although the local association does not possess an outstanding star man, they have (which is infinitely better), a large group of high-average men. The star man will nose his way to the front as a matter of course; the group is what counts in the building of all-round athletic manhood.

Moncton Curlers Were Entertained

Lost Match to Both Thistles and St. Andrews, But Enjoyed the Visit.

Six rinks of visiting Moncton Curlers were defeated by both the Thistle and St. Andrew's Curling Clubs in a series of games played on the ice of both local clubs Saturday afternoon and evening. The result of the game in the Golding street rink was Thistles 71, Moncton 55, at the other local club, the score was St. Andrew's 59, Moncton 54.

The ice in the Thistle rink was in the best of condition, but owing to the mildness of the weather, the players had to contend with rather heavy ice in the Charlotte street rink.

At 6.30 p. m. the rinks of all three clubs sat down to a very enjoyable and delightful meal in the St. Andrew's rink at which the Monctonians were the guests of their joint hosts, the St. Andrew's and Thistle clubs. The menu and other arrangements were most excellent, and the Moncton players were very much pleased with the hospitality extended them. Much credit is due the chairman of the entertainment committee, J. H. Pritchard, who was ably assisted by the representative chairman of the Thistle Club, F. Watson, and an efficient committee selected from the membership of both clubs. Following the evening meal play was resumed at 7.30 and after a fine evening's sport the visitors left on the late train for Moncton, highly pleased with their visit.

Decisive Victory For St. John High

Provincial Normal School Given Overwhelming Defeat Saturday—Score Fifty-One to Nine.

Special to The Standard

Fredericton, N. B., March 5—A big surprise in interscholastic basketball circles was sprung Saturday afternoon, when provincial normal school tied with St. John High school in the league, went down to a decisive and overwhelming defeat at the hands of the St. John team. The final score was 51 to 9.

The normal team played as if stage struck and the combination of the visiting team was remarkably good. Right from the start St. John high began to score and normal absolutely failed to solve the defence of the visitors. McGinn did most of the scoring for normal school while Fraser, Potter and Lee were the heavy scorers for St. John High. The teams were:

St. John	Provincial
Forward	
Lee	McGinn
Forward	
Fraser	Gregg
Centre	
Potter	Gillard
Defence	
Wilson	Bradley

Welsford	Dysart
Sub.

The St. John High players returned home Saturday night after defeating both Fredericton High and Provincial Normal here. The result Saturday was all the greater surprise as Fredericton High had given the visitors a hard game Friday but had been beaten twice by Normal.

St. John High School has two more matches to play both at home and bids fair to go through the season undefeated.

National Hockey League Results

Mount Royal Arena, Montreal, March 5—Over five thousand people saw Canadiens defeat the world champion Ottawa team by 2 to 1 here Saturday night. Canadiens' deserved the victory, their stalwart defence, Sprague Cleghorn, Coture, and Bert Corbeau, was effective against the light attack of Denenny and Fred Boucharagain whilst the soft ice favored the Frenchmen.

Billie Boucher and Sprague Cleghorn scored for the Montreal team. For Ottawa "King" Clancy stood out. The ice had been cut almost to the ground by the third period which slowed up the game considerably and both goalkeepers excited the admiration of the crowd by the clever way they handled the long roling, twisting shots. The game was clean and penalties few and minor.

The line-up:

Canadiens	Ottawa

Defence	
Coture	Gerard
S. Cleghorn	G. Boucher
Centre	
O. Cleghorn	F. Boucher

It is stated that the Indians, strengthened by the addition of Fraser and Mooney, of the city team, are making a bid for a game at Sussex with the fast senior outfit of that

From Coal Mine To Big League

Boston, March 5—Baseball is more profitable than coal mining and so Charley Paul, of Cape Breton, has put away his pick and is now hustling to St. Petersburg, Fla., with the Boston Nationals in the hope that he may pitch for Fred. Mitchell's Braves during the coming season. Paul is 23 years old. Stowed away in his suit case is a record of 16 games won and four lost as a twirler for the Waterford, N. S., team in a three-cornered professional league last season. He gave up coal mining a month ago.

Harry Frazee Is In The Big Fight Game

Owner of Boston Red Sox Offers Dempsey $350,000 to Fight Harry Wills.

New York, March 4.—Harry Frazee, owner of the Boston American base ball league club, announced late today that he had offered Jack Dempsey $350,000 to defend his world's heavyweight boxing championship against Harry Wills, negro heavyweight. Saturday, September 2, was mentioned as the date, the site to be selected later.

In addition to the Dempsey-Wills bout, Frazee said that he was ready to make suitable offers for title bouts between Benny Leonard, world's lightweight champion, and Lew Tendler, of Philadelphia, and between Johnny Buff, United States flyweight champion, and Jimmy Wilde, premier English flyweight. No dates were mentioned.

The sum offered Dempsey for the Wills match is $50,000 more than he received for his battle with Georges Carpentier at Jersey City last July. It is the largest individual purse ever offered to a fighter. If Dempsey and Wills accept, Frazee said, the battle undoubtedly will be held in the east, and out of doors. Boyle's thirty acres at Jersey City where the Dempsey-Carpentier bout was held, and Fenway Park, Boston, the home of the Red Sox, were suggested as possible sites, providing the permission of the State Boxing authorities could be obtained.

No offer has yet been made to Wills, Frazee explained, but added that if Dempsey's signature to a contract was obtained Wills would be offered a sum large enough to induce him to sign for a bout which would give him a chance at the world's heavyweight title.

Need Cold Weather For Curling Match

Should the ice be in a suitable condition the Carleton and Thistle Curling Clubs will try out their respective ability at the "roarin' game" this evening, five rinks a side, three games on Carleton and two on Thistle ice. Owing to the soft weather of yesterday it will require a decided cold wave to put the ice into fit condition for the game.

The Thistles are planning on taking four rinks to Fredericton on Thursday to play a match with the capital players. The local men are hoping for frostier weather to provide ice, otherwise the match will be called off.

Junior Hexathlon And Spring Circus

Now that the senior hexathlon contest has been completed and the total score of 2,882 points hung up for the year, (representing a great volume of athletic effort), the staff are concentrating their efforts on the junior hexathlon and spring gymnasium circus with a thoroughness which characterizes the St. John Y. M. C. A. throughout their programme.

In the shot-put trials, some half-dozen big-physique juniors have totalled 100 per cent each in points, heaving the eight-lb. shot anywhere from forty to forty-four feet. MacMurray, Rockwell, Hollies and McLean all exceeded forty feet in this event.

In the potato races, last year's performances have been dwarfed. The main idea amongst the boys seems to be, "What do I have to do to defeat last year's best time?" The high objective the boys set for themselves speaks well for their keenness and enthusiasm in Athletics. St. John has the material, and the Y. M. C. A. is doing great work in bringing this material cut.

Dalhousie Lost To The Trojans

Capacity House Witnessed Local Players Trim the Visitors 61 to 39 Saturday Night.

Displaying a burst of speed and setting a pace which the visitors could not keep up, the Trojans took the Dalhousie College Basketball team into camp in the Y.M.C.A. Saturday night. Final score 61 to 39 The game was witnessed by a capacity house which included a very large number of prominent business men who turned out in force in support of the local boys.

At the very outset of the game the Trojans piled up 20 points against Dal's 5, and thus gained a lead which the visitors could not overcome. At half time the score stood 33 to 21 in favor of the locals.

Dalhousie changed their line-up time and again throughout the game in an effort to check the Trojans, but with little success. At no time were the Trojans in danger with the exception, perhaps, of a few seconds when the score was 39 to 33, and the spectators hollered themselves hoarse for the Trojans to "buck up."

In the second half Coster replaced Grant at centre and throughout the remainder of the game followed Malcolm all over the floor to prevent the hefty Trojan from scoring, but Malcolm was going too good and could not be stopped. At one time the Trojans used the same combination successfully three times in succession and scored as many baskets in less than a minute.

For the visitors Wilson and Coster did the best work, the former making several good shots and scoring more than half of his team's total. The Trojans were strong for team work, and their combinations could not be solved by the "Dal" players. Malcolm, of course, was the big obstacle and proved a real puzzle to the visitors.

Preceding the Trojan-Dalhousie game, the Y.M.C.A. Intermediates defeated the Y.M.C.I. Outlaws by 36 to 24.

The line-up of the Trojans game follows:

Old Country Football Results

London, March 5—(Canadian Press Cable)—The main interest in Saturday's Association football centered in the fourth round of the English Cup, but out of the eight teams engaged, only Huddersfield, as anticipated, emerged victorious, re-plays being necessary in the other three ties.

Of the eight teams, Cardiff, Tottenham and Preston were semi-finalists last year. Aston Villa still have a chance of winning both the cup and the first league championship this season.

Despite the dismal weather which rendered the grounds heavy, over 180,000 spectators watched the four cup tie games which overshadowed the ordinary league fixtures.

Second Game Ended In Draw

Charlottetown and Moncton Girls Played Friday and Saturday—Two Tie Games

Charlottetown, P. E. I., March 5—The second hockey game between the Charlottetown and Moncton girls played here Saturday night ended as on Friday with a draw, each side getting a goal. The Red Wings of Moncton were the first to score, Mrs. Steeves finding the net after seven minutes' play in the first period and Miss Viola Mullin, scoring for the Red Macs of Charlottetown after two minutes' plac in the third. The second period was scoreless. The ice was soft and the game therefore slow. For Moncton, Mrs. Steeves Lena Melanson and Miss Polley did effective work. Miss Mullins, Miss Rodd, Miss Ryan and Miss Mackenzie, were the stars of the Red Macs. As Miss Livingston, the Moncton goalkeeper could not remain over, Miss Jean Kelley, goalkeeper for the Abbie Sisters took her place. James Herrell, was referee.

SHAMUS O'BRIEN DEFEATED CHANEY

Philadelphia, March 5 — Shamus O'Brien, of New York, last night outpointed George Chaney, of Baltimore, in a fast eight-round bout. O'Brien carried the fight to Chaney in every round. O'Brien weighed 139 pounds and Chaney 135.
