It is said that a delegation is to be sent from Ottawa to Newfoundland shortly to discuss the Union question. The Legislature is favourable to Union. That consummation is now only a question of time, with proper management.

The French papers are greatly exercised over the rumor that Sir. George E. Cartier is to remain in London as agent of the Canadian Government. It is noticed that his organ, the *Minerve*, has published the statement without contradiction.

HEAVY FORGERY. — Waterloo has had quite a sensation in the shape of heavy forgeries. Mr. Henry Ruppel, brickmaker, left rather suddenly for 'the other side' a few days ago, and now it turns out that he has forged notes to the amout of nearly a thousand dollars.

The editor of the Montgomery *Ma.* is in jail, and dates his contributions to that journal "Montgomery county jail." He is in durance vile for refusing to qualify as a juror, in voluntarily forfeiting of his privilege of exemption from jury service as a practicing lawyer.

FATAL ACCIDENT.—Mr. Sam'l Fisher, of Brooklin, farmer, was instantly killed about two miles west of that place, on Thursday. He was drawing logs for the Whitby and Port Perry Railway, and when going down the hill, the king-bolt of the sleigh came out, and the logs crushed against a bridge. He leaves a wife and five small children.

Twenty years' experience in using Bryan's Pulmonic Wafers have proved them to be the most effectual remedy for coughs, and irritation of the throat, caused by cold, or unusual exertion of the vocal organs; public speakers and singers will find them most beneficial. The entire freedom from all deleterious ingredients renders Bryan's Pulmonic Wafers, or Cough and Voice Lozenges, a safe remedy for the most delicate person, and has caused them to be held in high esteem by all who have used them. Sold by all medicine dealers, at 25c per box.
