LONDON, Wednesday, Sept. 20.

WEEKLY REVIEW.

This week has seen good receipts of wheat and oats, with steady markets and strong prices. There is an improvement in the price of wheat of about 2c per 100 lbs, occurring entirely in red samples. The close of a week ago was $1 for red and $1 03 for white. This week sales were $1 02 for red, and once and awhile $1 03 was paid, but only for the choicest stock, and mostly for the Golden Cross variety. White was firm at $1 03.

The movement in oats all over the country was good. This market is leading all the other local markets in price.

A few lots of new peas came in. The quality is good so far; 92c was the price.

No rye or barley offered

In the provision market there was very little change. Butter ranged from 18c to 27c, according to the quality and quantity. Eggs were firm at 10c to 11c for store lots, and 12c to 13c for strictly fresh lots in baskets. Poultry quiet and unchanged.

The supply of all kinds of fruit was good and the demand very steady. Apples fluctuated considerably; the range was 50c to $1 per bag.

Tomatoes active at 40c to 50c per bu. Recent rains are said by growers to be improving the growing crop.

Potatoes steady at 85c to 90c per bag.

Meats steady; the demand firm and prices unchanged. Dressed hogs quiet at $7 25 to $7 50.

Hay firm at the close at $8 to $8 50. The supply was uneven and demand good.

EAST BUFFALO.

EAST BUFFALO, N. Y., Sept. 20.—Cattle—Ten cars on sale, the best of which found sale at full steady Monday's prices. The feeling is firm for anything of good flesh and quality, but slow for the cheaper grades of butchers'.

Sheep and Lambs—The receipts are letting up, giving salesmen a chance to clean up the accumulated stock. Five cars were received to day, and about 13 loads held over from yesterday, including bunched stock and ends. Eastern markets reported bad again to-day. Several decks were in the yards of fair lambs, good enough to ship, but there were few orders in. A load or two of feeding lambs sold, and city butchers picked up second bunches; good native lambs of 80 lbs sold at $4 25; a load of good Canadas of 87 lbs weight brought $4 75, but anything below good quality sold at as low prices as at any time of late. Only a few sheep on sale of fair to common quality, which brought about steady prices with earlier sales of the week.

Hogs—20 cars on sale; heavier weights sold at $6 80; straight corn lots, $6 85; heavy, part grassy ends, $6 50 to $6 60; light weights ruled slow, the York demand was limited and the best hogs sold at $6 80, with part grassy lots $6 60 to $6 70, and pigs generally slow of sale; fair lots, $6 50, the best $6 60 to $6 65; roughs sold at $4 75 to $5 65 and stags at $4 to $4 50.

Hon. Wilfrid Laurier Makes a Brief Stop at Paisley.

PAISLEY, Sept. 20.—Early this morning the streets were thronged with people to catch sight of Hon. Mr. Laurier as he passed through here to Port Elgin. The train was held here one hour. The Conservatives were there as well as an immense crowd of Liberals.

Mr. A. Fisher, president of the Paisley Reform Association, presented an address to the leader, following which a presentation of a handsome bouquet by Miss Bell Sinclair, daughter of Mr. A. Sinclair, of this place. The leader impressed a kiss upon the young lady's lips, and turned his attention for a few moments to addressing briefly and thanking his hearers for their welcome. THE GOWANSTOWN TRAGEDY.

A Youth Admits That He Shot Old Mrs Martin and Then Fired the Building.

LISTOWEL, Sept. 20.—The terrible suspicion regarding the death of old Mrs. Martin at Gowanstown has proved to have been founded on fact. When the body of the old lady was found in the smoking embers of the Martin homestead, it was thought at first to have been one of those lamentable accidents which at times occur in spite of the carefulness of the average farmer's household, but the subsequent discovery that the hired boy, Albert Thomas (an importation from England, aged 18), and disappeared, led some to think that foul play might have been at the bottom of old Mrs. Martin's death, and the burning of the house. Late yesterday afternoon Thomas was captured. He at first denied having had anything to do with the affair, but after discussing his recent quarrels with Mrs. Martin he acknowledged that he had shot the old lady and then fired the building. Thomas says he only found $27 in the house. His case will be investigated to-morrow.

Wishart—Armstrong.

A very pretty and pleasant wedding took place on Tuesday evening at the residence of Mr. Edward Armstrong, King street, Whitby, when his daughter, Minnie Theresa, was united in marriage to Dr. John Wishart, of this city. Miss Florence Coulthard, of Oshawa, and Miss Maude Somerville, of London, acted as bridesmaids, whilst Dr. Mitchell, of this city, officiated as groomsman. The wedding was a quiet one, only the nearest relatives of the bride being present. A large number of handsome presents were received from friends in Whitby, Oshawa, London, Columbus, Ohio, and other places, and congratulatory telegrams were received during supper from Mr. Thomas Alexander (South London), Dr. Macarthur, Dr. George C. Davis, Messrs. W. Sutherland, Wm. Gray and other Londoners, testifying the high esteem in which Dr. Wishart and his bride are held. After a trip to Montreal, New York and eastern American cities the happy couple will reside on Dufferin avenue, this city.

ANOTHER MOMENT OF WEAKNESS.

[Brockville Recorder.]

A few years ago Hon. Geo. Foster was delivering lectures on temperance at $10 each, and telling the people that the country was ripe for prohibition. Now the stumping tour of Mr. Foster and his friends in Ontario is to be inaugurated by a public dinner to a distiller—Harry Corby, M. P., of Belleville.

HE LOVED good bread, pie, and pastry, but his stomach was delicate. SHE LOVED to cook, but was tired and sick of the taste and smell of lard. She bought Cottolene, (the new shortening) and THEY LOVED more than ever, because she made better food, and he could eat it without any unpleasant after effect. Now THEY ARE HAPPY in having found the BEST, and most healthful shortening ever made—COTTOLENE.
