THAMESFORD.

Thamesford, Ont., Oct. 12.—The past week brought to a close a goodly number of the township fairs, of which quite a number of our villagers are patrons. William McFarlane, of the fourth line, West Nissouri, received a good number of prizes on his colts, never having been beaten in any contest this fall.

The coming event of the week is the East Nissouri Fall Fair, or rightly termed, "The World's," and it being the last show in this section, it will no doubt be largely patronized. The concert will also be good.

George Herbert Judge and family are visiting parents and friends in this locality. Bert says things are booming in Tilsonburg. He sells the Deering harvesting machinery there.

Mr. Robert Hogg held a very successful party on the evening of Oct. 8, upwards of 60 guests being present. They had excellent games, and enjoyed themselves immensely in the mazy waltz and other dances. Mr. and Mrs. Hogg are certainly to be congratulated for the nice outing it afforded their friends.

Rev. Mr. Madden's father and mother called on Mrs. Lejaine the past week, as they were passing through the village.

The tug-of-war between Zorra and Nissouri on the 13th (fair day) will cause some excitement, and will certainly be good.

Mr. Edward Bartlett's house is nearly completed, and it certainly is a handsome residence.

George Patterson, of the Elgin road, sold his pacing mare, Dollie B., to Mr. Hugh Sharkey, of the Forest City. Consideration, $200. She won the farmers' trot in Ingersoll on Oct. 9.

T. H. McCarty drove Prince Regent, his trotting stallion, a couple of slow miles in Ingersoll on fair day. This colt's half-brother sold for $16,000. Mr. George McCormick had his eye on him.

G. E. Roundsush was in the village last week in the interests of the McCormick Manufacturing Company. The output for the farmers in this vicinity will be from Hamilton, so the patrons will be able to say "Canada for Canadians," and still use the McCormick.

Mrs. Dennis Kennealy and daughter have been on the sick list for a few days.

The Critical Age.
Height of vigor past—nature's power slowing down, vitality less, recuperative power less, endurance less. Stop the progress of decay, tone up the weakened nerve centers, impart vigor to the tiring brain, prepare for the crisis. A means of remarkable potency in the renewal of decreasing vigor is found in Ferrozone. It brightens up the whole being, imparts a sense of power and strength. By the use of Ferrozone, old age is pushed back twenty years. Ferrozone gives strength, vigor, endurance, vim. Your druggist has it. Get a box today.

Civilization has done a great deal for man, but it hasn't been able to prevent his stopping to look at a dog-fight.

A LINIMENT FOR THE LOGGER.—Loggers lead a life which exposes them to many perils. Wounds, cuts and bruises cannot be altogether avoided in preparing timber for the drive and in river work, where wet and cold combined are of daily experience, coughs and colds and muscular pains cannot but ensue. Dr. Thomas' Eclectric Oil when applied to the injured or administered to the ailing, works wonders.
