PAID LANDLADY'S BOARD BILL WITH HER OWN MONEY

Odd Case of Theft at Hamilton—Boy Fractured Arm While Playing Football.

HAMILTON, Nov. 12.—(Special.)—An odd case came under the notice of the police this afternoon, when R. N. Gurney, an Englishman, was arrested on the charge of stealing $15 from his landlady, Mrs. E. Emory, 93 North Sanford-avenue, and it is charged that he stole the money from Mrs. Emory, and out of it paid her $4 he was in arrears to her for board. She charged that he picked up her purse, which she had left on a table in her bedroom, paid her $4 out of the $15 he found in it, and left with his trunk.

After he had gone, she discovered her loss, and her husband swore out a warrant for Gurney's arrest. The husband described Gurney as a man 40 years of age and 5 feet 6 inches tall. The police learned that Gurney had taken the train for Niagara Falls, and they telephoned the above description to Chief Mains. Chief Mains arrested the man all right, in spite of the fact that Gurney turned out to be only 24 years of age and over 6 feet tall.

Detective Coulter went to the Falls for the prisoner and brought him back this evening. To the detective the prisoner admitted that he had taken Mrs. Emory's money, but said that there was but $14 in the purse. The detective secured $10.40. If found guilty, it is likely that Gurney will be deported, as he has not been in the country long.

Frank McMahon, 113 South John-street, who got his foot crushed while unloading a boat by a hoist at Kingston some days ago, and who developed lock-jaw eight days afterwards, altho his wound was not considered serious, died to-night in the City Hospital from lock-jaw.

Norman Blowey, mountain top, 13 years of age, was taken to the City Hospital this afternoon with a compound fracture of his arm, which he received while playing football.

Sidney Panther had his thigh broken in a factory at Dundas this afternoon.

Special Committeee Met.

The special committee appointed to investigate the affairs of the city engineer's department met this evening. It provided an opportunity for the aldermen to "slang-whang" each other, and they devoted so much time to this that they almost lost sight of the engineer's case. Ald. Sweeney accused Ald. Farrar, who was the means of having the committee appointed, of playing to the gallery. Ald. Farrar contended that Mr. Barrow had blundered in laying the intake pipe, and in other ways, showed that he was not competent. He also laid part of the blame on aldermanic interference. The net result of the session was a decision to ask Ald. Farrar what he had to suggest in the way of improving the engineering department.

The members of the parks board and board of works this evening appointed a committee to wait upon J. R. Short, the owner of the Chedoke ravine, to see if he would not take less than $3000 for his property, if he makes a cut in his price it is likely that the aldermen will forego the conditions imposed by W. F. Cockshutt in his gift to the city of park property adjoining the ravine.

Street Car Smash.

There was a bad smash between a street car and a Grand Trunk freight train at the corner of King-street and Ferguson-avenue about 3.30 this afternoon. The street car was going east, and as it approached the crossing Motorman McIlwraith found that he was unable to stop it. He jumped, and the car crashed into the freight train, which dragged it some distance. There were a number of passengers in the car, and they were badly shaken up. Walter Howell, druggist, King and Emerald-streets, sustained a broken leg, and W. W. Hesson of 82 Sovereign-street, Toronto, was hurt about the back and arms. Several others were badly shaken up. Conductor Ryerse also had one leg injured. The vestibule of the car was completely wrecked, and one of the freight cars was also badly damaged.

The mayor and members of the fire and water committee have decided to give Capt. Bongard a chance to prove his charges with reference to the sand-sucker, and a special meeting will be held to-morrow night for the purpose.

W. Childerhose, a T., H. & B. baggageman, was injured at the station last night by a trunk falling on his foot. He went as far as Welland on his train, but had to be brought back to the city.

Frank Anderson, a former road racer, was arrested this afternoon by Constable Sayer on the charge of stealing a purse from Mrs. Burgoyne, Toronto, last week. The prisoner is suspected of being the much wanted man who has been conducting a systematic purse-snatching business on the mountain. Mrs. Burgoyne's purse was snatched while she was proceeding down the mountain from the asylum. It is likely that other charges may be registered against Anderson.

Wellington Livingstone, who was struck by a Radial car on Monday night, regained consciousness to-day, and it is now thought that his life will be saved.

Mrs. Julia Wyman, who committed suicide in New York last Saturday, was well known in this city. She was a music teacher and a former concert singer.

Chief Smith calls the present burglary and highway robbery epidemic a wave of crime, which visits every city at one time or another.

A Louisiana Judgment.

The copy of a judgment given in a Louisiana court, in reference to an action brought by some relatives of a Mrs. Drysdale to set aside her will on the ground that it was a forgery, has been received in the city. T. H. P. Carpenter of this city, and a New Orleans lawyer, executors of the estate, were defendants in the action, and the judge voided it. The decision establishes the claim of Mrs. T. H. P. Carpenter to a share of an estate valued at about $40,000.

Fred McMahon, 113 South John-street, is at the City Hospital suffering from lockjaw. He was struck on the foot by a derrick while employed on a boat at Kingston some time ago, and altho the injury was not considered serious at first, it developed into lockjaw. The patient is in a serious condition.

Malt Beverages Have Real Food Value

Though mistaken zeal sometimes classes beer* with the intoxicants, common sense and medical knowledge will teach you its real worth as an item of daily diet.

For beer is four times as rich in food elements as potatoes, nearly as rich as fresh wheat bread, and its proteids (body-builders) reach the stomach in the form easiest digested.

The very small proportion of alcohol in Ontario beers helps the other food to digest quickly and easily.

Quit thinking of beer as an intoxicant—learn how valuable it is for people with weak stomachs or slack digestions.

*BEER is a term which covers lager, ales, porter, and stout; and, in the practise of Ontario brewers, implies beverages made under most hygienic conditions from Ontario barley (the best in the world) malt, hops, and pure water. 261

BANK CLOSES ITS DOORS.

Believed To Be Solvent, But Felt the Pressure of Heavy Withdrawals.

PORTLAND, Ogn., Nov. 12.—The Merchants National Bank of this city is for the time being in the hands of comptroller of currency. Its doors were not opened to-day because of unfounded but persistent rumors which resulted in heavy withdrawals lately. Tho said to be entirely solvent, the bank was to-day closed temporarily, awaiting the advice of the comptroller of the currency, to whom the bank officials have wired details of the institution.

With $5,212,052 on deposit at the close of business August 22 last, when the comptroller called for a statement of the condition of all national banks, the bank's liquidation since that date has been over $2,300,000, of which $1,500,000 has been withdrawn since specially proclaimed holiday season began October 29. The only assistance the bank has received has been the loan of $250,000 from the clearing house association, which amount, equalling the capital stock of the bank, was the limit allowed by the national banking act.

HOTELKEEPER ARRESTED

Charged With Receiving Stolen Goods —Lumber Disappeared.

ST. CATHARINES, Nov. 12.—(Special.)—Stuart Nelson, proprietor of the Union Hotel, Merritton, is in custody on a serious charge.

A quantity of lumber has been missed from the new station being built by the Niagara, St. Catharines and Toronto Co. and no trace of the missing goods could be found. Chief Moffatt, Merritton, accompanied by Provincial Officer Kelley, Niagara Falls, traced the goods to a barn in the rear of the hotel, but Nelson, altho he denied the theft, refused to give the name of the guilty party and the company had the warrant issued for his arrest on the charge of receiving stolen articles.

NO POISON IN STOMACH.

Thomas Burns Released by Coroner's Jury at Ottawa.

OTTAWA, Nov. 12.—At the inquest to-day at Osgoode, upon the death of Martha Burns, wife of Thomas Burns, who died and was buried in quick order and whose husband left the village, a verdict of not guilty was returned. Analyst Ellis of Toronto wired that he could not swear to strychnine in the stomach.

Neighbors in the village had spread stories of the man illusing his deceased wife, but no definite evidence could be gathered at the inquest.

DEATH OF DR. CONSIDINE.

ST. CATHARINES, Nov. 12.—(Special.)—Dr. John W. Considine, aged 88 years, died at his home in Port Dalhousie last night. He graduated from Trinity University, Dublin, and was presented to Queen Victoria on the occasion of her coronation. He came to Canada when a young man and practised his profession at Smithville and, later at Port Dalhousie, and was for years clerk of the village and coroner of the county.
