There's a Record for you. This is the kind of info. that will make a plunger out of a piker.

To-Day Big Killing

right off the farm. This is the "ripest melon" you have ever been "IN" on "IN YOUR LIFE." That's why I am telling you now to increase your bets. In fact, I advise you one and all to bet back all of the past eleven days' winnings. THIS BABY HAS BEEN RUNNING RINGS AROUND ALL HIS STABLE "MATES" (SOME OF THEM RECENT STAKE WINNERS) and has "TRIMMED" everything in the barn up to a mile and an eighth. He just "flew" a half mile in 48 seconds "AS A PIPE OPENER" for this race, which will be an "EYE OPENER."

EMPTY PROMISES make an EMPTY POCKETBOOK. When your "Uncle Bill Dixon" makes you a "PROMISE" it is sacredly kept, and you get the money.

TRY 'EM ALL, and after they convince you they know NOTHING, come to "ME" and I'LL convince you

I KNOW SOMETHING

I connect with the right horses, those that do or die in the attempt. Never do you see me shoot at the moon. Each and every horse I send out is backed by the right money. Day after day my clients have been doing business with the right horses. The information that I have been sending them right along proves without a doubt that I am without an equal in my line as a winner-giver. I have been before the public seven years now, and the fact that I am here is that "I have made good."

THIS IS A BUSINESS

you've got to make good in or quit. I made good by never misrepresenting anything and giving the WINNERS. Clients who have followed me all season are thousands of dollars to the good on my "sterling information."

My Connections

at the track are in right and "know" where the educated money will be sent each day, whether at the track or the pool rooms throughout the country. What more do you want to know than the stable folks are going to bet their money? This means that you are always on a live one and getting a run for your money.

STRICTLY INSIDE INFO. is what I deal in. My stuff comes directly from the stable, and is the kind of info. that gets the money, as my record amply proves.

I have "delivered the goods" ever since my advent into the game.

The truth of the matter is I've got AN ACE IN THE HOLE, and I'm the boy who knows how to nurse a good thing.

"Rassling" To-Night.

The following by the press agent himself:

The wrestling match between Art Edmunds and Young Muldoon should, from all indications, be a hummer, as both men have been training hard and each one has every confidence in himself. The Jewish clubs will be there in full force to cheer Muldoon, and Edmunds' followers will not be missing. The betting has been heavy, the Yiddish money having been floating all over the city, and Edmunds' followers have not been slow in covering it. The public should see a lively bout. The match will be the best two falls in three, strangle-hold barred.

Edmunds vs. Muldoon, Labor Temple, Thursday, May 6, 1909.
