O. J. C. Entry Blanks for Stake Events Are Out

Note and Comment

It is taken for granted that the modified Miller bill will pass the senate, and thus the Ontario Jockey Club are going ahead with arrangements for the spring meeting at Woodbine Park from Saturday, May 21, to Saturday, June 8, inclusive. The list of stakes and conditions shows that the sport will be high-class with two feature events on each of the six days and one for the other.

Starter Cassidy does not believe in fining jockeys for misconduct at the post. He says a suspension produces better results, and his work with the barrier would seem to indicate that his idea is correct. On the other hand Curley Brown, whose starting at Jacksonville last winter caused much fault finding, slapped on the fines for the most trival offences. Not a jockey of note escaped this form of punishment and all of them were glad to get away.

The death of the stallion Americus is announced. He was owned by the German Government, which purchased him from Richard Croker in 1908. As Rey Del carries his original name, this horse was known in 1897 as a remarkable weight-carrying sprinter. He at that time was owned by the late E. J. Baldwin. Americus begot many horses in Ireland, then was sent to Italy, and next was sold to the Germans.

The New York Sun shares the general opinion that the compromise Miller bill will not be relished by the Fort Erie and Windsor managers, who have made arrangements for the usual long drawn out meetings. Celia Madigan and others who control Fort Erie, just across the border from Buffalo, made big money last year. Their meeting was the longest held in Canada and speculation was unbridled. At Windsor the same conditions existed. Together these tracks were made the basis for the anti-betting crusade in the Dominion, and The Sun is pretty nearly right when it says that they in all probability would have been wiped out by adverse legislation had it not been for the strong influence exerted by the Montreal and Ontario Jockey Clubs.

Sporting Editor Toronto World: As I understand that James Reynolds, the walking barber of Port Hope, wishes to repeat his trip from Port Hope to Toronto and return in thirty-four (34) hours, beginning on May 23, I hereby offer him two to one upto a thousand dollars that he cannot do it. Money to be deposited in any bank.—John Seip, Galt, Box 462.

Joe Choynski will supersede Jim Corbett as chief trainer and adviser to Jas. J. Jeffries, according to his own, the former's, statement, which should hardly prove a welcome announcement according to the program Joe has mapped out:

"I have had much time to ponder some plans for working with James J. Jeffries at Bowardennan. Music, art, psychology, painting, poetry, literature—all of these are going to be tried on the former champion at his training camp, by yours truly, providing I find that as chief boxing partner and superintendent of training I am given the latitude I should have.

"I shall permit no one to indulge in fight talk or pugilistic fanning with Jeffries when he is at the training table or when in the evening he elects to rest on the porch as a reward for strenuous road and gymnasium work. It will be my duty to get him back into ring condition, and I have my theories on how to dissipate his nervousness and his tendency to develop grouches.

"In training I would have anyone who cares to talk fight with Jeffries do so until his tongue is sore—the more fighting is talked the better. But music, art, painting, etc., must be the subjects of conversation at the training table and—"

SPORTING GOSSIP.

On account of the weather the Dufferin Driving Club matinee arranged for to-day has been postponed one week.

At Baltimore on Monday the Harvard lacrosse team lost to the Johns Hopkins alumni by 5 to 2.

The pigeon shoot at Puslinch yesterday resulted—Sylvester Smeltzer 15, Matthew Seigle 22, Ans Day 18, W. Marriott 22. The tie was shot off and won by Marriott.

Soccer games in the Scottish League yesterday resulted: Rangers 3, Hearts 1; Aberdeen 2, Hibernians 1.

Edward Payson Weston rested at Cheektowago, just beyond the Buffalo city line, Monday evening until 12.05 yesterday morning. Then he resumed his walk to Batavia, where he expects to arrive about noon to-day. He passed thru Bowmanville at 2 a.m.

Promoter James Coffroth has matched Billy Papke and Joe Thomas to box 25 rounds before his Colma Club May 14. He has promised the winner a bout with Stanley Ketchel for the championship.

When James J. Jeffries was informed yesterday that Jack Johnson had declared in favor of Jack Welch for referee of the coming fight, he said: "I don't believe I've given the question of a referee a moment's thought so far. Any of the names suggested would be agreeable to me. The selection of the referee would be in Berger's hands. Personally I don't care much who the third man is, so long as he understands the game thoroly."

Visitors to James J. Jeffries' training camp yesterday at Ben Lomond saw the former champion stripped to the waist, go thru his stunts. After laboring vigorously with the chest weights for an even hour, with the perspiration rolling off him, Jeffries suddenly concluded it was too warm to work that way and removed his heavy undershirt, in which he had exercised heretofore.

Boston Boxer Training at the Humber.

A number of aspirants for Canadian boxing championships are training at the Humber Beach Hotel, Humber Bay, where a large gymnasium has recently been equipped. George Gallant, the 115-pound boxer, who defeated Scotty McEwan last week, is there doing some hard training, also Con. Brown of Oshawa, heavyweight, and W. Carr, 135 pounds, of the Humber Bay Athletic Club. Ken Salisbury, heavyweight, and Wm. Volke, 135-pound class, are expected to arrive to-day from Boston. The air and facilities for training and roadwork in this district are unequaled.

TORONTOS WIN BOTH GAMES AT FALL RIVER

Sammy Smith Pitched in the First and Newton and Corey in the Second—Two Home Runs.

FALL RIVER, Mass., April 19.—(Special.)—The Toronto ball team defeated Fall River in the morning game to-day by a score of 5 to 2. Altho it was a public holiday here, not more than 500 attended the game. The Toronto's have been getting a lot of bad weather the last few days, rain or cold being the order of things. A setback in their play could have been expected, but it was not noticed in the morning game at any rate. The play was snappy from start to finish and on the play Torontos deserved their victory. There were several outstanding features of the game. Kelley and Deal coming to bat in the fifth innings each knocked a home run, both balls went over the left field fence. The infield work of the Torontos was especially good, only one error being credited, and that to Vaughan, who let one go thru his fingers. He more than made up for the error, however. Smith pitched a good game. He was hit freely, but the hits were well scattered, and excepting in the first inning, when Weisenstein corked out a double baser with two men on, no more were scored by Fall River. Tonneman, who up t otnis game, had hit the ball only once for a safety, had his eye right with him and hammered them out for bungetters. One he put down the third base line almost took the hands off the third baseman, but he got it over to first in time to get the batter. The next time up Tonneman drove another at him and reached first.

Also Win in Afternoon.

The Torontos wound up their training trip to-day by defeating Fall River in the second game by a score of 2 to 0. The game was a fine exhibition. The pitchers on both sides had great control, and it was a pitchers' battle from start to finish. In the pitching line Corey, the youngster Kelley secured from New York, showed up the best. He had the points in the last four innings and pitched perfect ball, only 12 men facing him in these innings and not one reached first. Newton also had splendid control, and altho four hits were secured off his delivery, they were so scattered that he shut his opponents out. Excepting for the first innings when Toronto got the only two runs of the game the teams were about even up. The whole Toronto team played in midday season form and backed up their pitchers in finished style. Grimshaw was unable to play, and Lee took his place, doing good execution in the field and at bat. There was such a big crowd, 4000, that spectators overflowed on the field, and a ground rule was agreed to of not more than two bases on a hit. Following is the score:

M'GINLEY OR RUDOLPH TO PITCH OPENING GAME AT PROVIDENCE.

PROVIDENCE, April 19.—(Special.)—The Toronto ball team arrived here last night from Fall River and are registered at the Newman House. A light practice will be held to-morrow in preparation for the opening of the league on Thursday. Kelley has not decided on the battery yet, but he will likely choose between McGinley and Rudolph. Vandergrift will probably be the one behind the bat, as Tonneman had his finger badly hurt yesterday and may not be able to take his share of the backstopping for a few days.

O. C. A. DELEGATES WIND UP THEIR YEA.

Winners Receive Their Awards—Some Suggestions For Next Season.

The annual April meeting of the Ontario Curling Association was held yesterday in the Victoria Club, Huron-street, when the business of the year was wound up and some preparation made for the season ahead. The following delegates were present: Campbellford, Napanee and Detroit, J. A. Macfadden; Chatham, Dr. Bray; Galt, A. R. Goldie; Glanford, E. Dickinson; Guelph, Royal City, R. Mahoney; Hamilton Thistles, Dr. Russell; Hamilton Victorias, A. M. Cunningham; Newmarket, T. H. Brunton; Petrolea and Sarnia, Col. Mackenzie; Scarboro, Geo. Elliott; Stratford, D. M. Ferguson; Stratford Thistles, W. A. Moore; Toronto Caledonians, W. D. McIntosh; Toronto Granite, A. E. Trow; Toronto Lakeview, G. G. Loveys; Toronto Prospect Park, D. Carlyle; Toronto Queen City, J. W. Corcoran; West Toronto, R. C. Jennings; Richmond Hill, A. G. Savage; Petrolea, W. Ferguson, and past presidents, Dr. Russell, J. Hedley, D. Carlyle.

The committee on the annual reported greater promptness on the part of the clubs in forwarding their lists. There were 4100 copies distributed.

In the Tankard 92 clubs entered, and 82 engaged in the competition. Two clubs each defaulted in groups 4, 7 and 15, and five or all but one in group 12. The event was won by Toronto Granites. There were fewer defaults than in the last 25 years.

In the governor-general's Collingwood defeated Lindsay—the final 29 to 20. The thanks of the meeting were tendered by his excellency.

The district cup report showed 96 clubs entered, 87 playing, and 31 defaulting. Three winners failed to take part in the finals.

Points competition: J. Currie, Paris, 55; F. J. Smith, Campbellford, 45; Dale, Harriston, 45; A. McTaggart, Collingwood, 40; C. Stone, Collingwood, 35.

The receipts of the year were $1668.21, including a balance of $268.31. The disbursements were $1518.49, leaving a balance of $149.42.

Thirteen new clubs were received and three dropped, making 108 now in good standing, the largest in the history.

The decision of President Goldie on the Lakeview-Toronto-Varsity-Granite embroglio made on Jan. 21 was highly approved. The meeting endorsed his stand on the question and commended his call for the sporting spirit rather than a desire to inquire for advantages.

The report regretted that friendly games had given way almost entirely to cup competitions. Dr. Russell would appoint a committee to report on the matter. On his motion the president was instructed to appoint a committee.

A motion to insert was made to permit leads and seconds on Tankard rinks to play third and skip on district cup rinks.

The Ontario Tankard banner was presented to the Granite rinks by President Goldie. It was the seventh win of the Granites, and the second in which the identical players won the Tankard. The Queen rink were all present and received the president's pins. Tom Kennie replied. Dr. Hawke replied on behalf of his rink. The district medals and cup were distributed.

Weston Goes to Bed.

BATAVIA, N.Y., April 19.—Edward Payson Weston arrived here at 7 p.m. The entire route from Buffalo was in the face of a driving, cold rain, turning at times to snow. Weston was very tired, but he insisted upon carrying out the program arranged for him there. At the land office he turned a spadeful of earth upon the roots of a memorial tree, after which Mayor Aichison presented the veteran with a gold badge bearing his name and the dates of his four visits to Batavia. He retired shortly after 8 o'clock, leaving orders to be called at 2 a.m., when he will start for Rochester.

Baseball Notes.

All the games in the National League yesterday were postponed on account of rain.

Plank and Morgan were pitching in a post-season game last fall. In one innings Morgan turned around to the umpire back of the box and observed: "I don't know who you are, but you aren't losing any." "Thank you," replied the umpire who is now president of the National League.

Monte Cross of the Wilkes-Barre (New York State League) team has landed Southpaw Kellogg from Philadelphia. Kellogg was with Toronto in the flesh last year.

New York friends of Roger Bresnahan have sent the leader of the Cardinals an up-to-date mascot. It is a full-grown "billy" goat, that was delivered in time to pilot the Rajahs to victory over the Pirates Friday. Bresnahan says he will cart the billiken around the circuit with the club just as long as it subdues the angoras of the rivals.

Jimmy Sheckard, from all accounts, is about ready for the down-and-outs. He has been unable to get his arm into proper shape, and had to give way to Beaumont. Beau's legs are in better shape than for several years, and Chance thinks the former Dove will prove a live one for the Cubs.

Bobbie Kerr Gets a Ring.

HAMILTON, April 19.—Bobby Kerr was delightfully surprised this morning on receiving a handsome signet ring as a memento from the Edinburgh Harriers of Edinburgh, Scotland. During his visit in Scotland last year Kerr was the guest of the above-mentioned organization, and the courtesies he received while there cause him to speak in glowing terms of the Edinburgh sportsmen.

World's Champion Speller.

From The Kansas City Star.

Prof. D. Jones, the world's champion speller, is somewhat of a spellbinder. He addressed a curious crowd in Kirksville, saying: "Good people, my name is Jones, the school teacher. I'm the greatest speller, not on y in Missouri, but in the whole world. What's the harm in telling this if it's the truth? In 1870 while teaching school at Olathe I challenged the world to outspell me. The chancellor of the university went against me and I beat him. I have defeated all aspirants to the championship since then."

"How did that man come to be regarded as an authority on the tariff? He never impressed me as much of a student." "No," answered Senator Sorghum. "He didn't spend his time reading books or theorizing. He found out what his constituents wanted and got it."—Washington Star.

CAMERON OF AMHERST WINS BOSTON RACE

Corkery of I. C. A. C. Third and Jack Ree of West End Fourth.

BOSTON, April 19.—Fred L. Cameron of Amherst, Nova Scotia, and half a dozen fellow-Canadian runners captured most of the honors in the Boston Athletic Association's fourteenth Marathon road race to-day over the 26 miles of state road from Ashland to this city. While no records were broken, Cameron's time of 2 hours 28 minutes 52 3-5 seconds was the third best time made in this event. It was only 4 minutes and 28 seconds behind the record made by Tom Longboat, the Indian, three years ago.

With the exception of a mile or two early in the race, the little Amherst runner never saw the heels of a competitor, and gained the honor of being the first winner of a Boston Marathon run to set the pace practically from start to finish.

That Clarence H. Demar, an 18-year-old runner of the Dorchester district of Boston, was second was due to his stamina in beating out James J. Corkery of Toronto in the last three miles. John R. Roe, another of Toronto's team, was fourth, while R. E. McCormack of Toronto came in sixth. Chas. Cook of Hamilton, Ont., was sixteenth, John C. Near of Toronto seventeenth, and Gordon W. Wolfe of Dartmouth, N.S., nineteenth, giving seven placed men in the team of twelve Canadians who started.

The race to-day was the fourth that has been won by a Canadian runner.

J. Caffery of Hamilton, Ont., was the victor in 1909 and 1901, while Tom Longboat, also of Hamilton, established the record of 2.24.24 for the course.

Fred Cameron's Marathon to-day was his first 25-mile race. He had gained many honors in ten-mile distances, winning the Nova Scotian ten-mile championship last Thanksgiving Day, and establishing a new Canadian amateur record of 54 minutes 46 seconds. He is only 5 feet 3½ inches in height and weighs 127 pounds.

Cameron's finish was remarkable. He showed not the slightest evidence of the supreme test he had undergone. Examined by the physicians, he was declared to be in perfect shape, and not a bit the worse for the experience. It was as tho he had simply finished a short jaunt, rather than, as was the case, he had won the hottest long-distance racing proposition in the world, against a field of the best men in America, if not in the world.

The little Canadian is as modest over his great victory as tho it was an ordinary, every-day event and no special credit was his due. He paid a warm tribute to the men who contested with him the final miles, and said they made him do his best. Corkery of Toronto, he said, was the best man he ever went against, and made him exert every muscle at one point. Then came Mike Ryan, veteran of the Olympic Marathon, at Athens, for a word of praise, and Demar, who came in second, Cameron said, was a wonder.

"I am very proud and glad," said Cameron, "that not only was it a Canadian who won the race, but that we had three other men in the money as well. Canada is where the long-distance runners grow."

The first ten men to come in, and their order, was as follows:

1. Fred L. Cameron, Amherst, N.S.
2. Clarence H. Demar, Dorchester, Mass. Time 2.29.53 2-5.
3. James J. Corkery, Toronto.
4. John R. Roe, Toronto.
5. Mike Ryan, New York.
6. John J. Reynolds, Jersey City.
7. Eugene McCormack, Toronto.
8. Edwin H. White, New York.
9. P. Devlin, New York.
10. James J. Cleary, Cherry Farm, Mass.

Horse Show Gossip

Mr. Hugh S. Wilson, one of the first celebrated riders over high jumps, is now located at Ennisclair Farm, Oakville, and has on hand ready to show one of the best stables of jumpers ever owned in Canada. He has also several Montreal and Toronto horses in his charge to receive the finishing touches. It is confidently looked for amongst horsemen that he will make a clean up at the show next week.

Look for fun in the sporting tandems, Crow & Murray two, Hugh Wilson two, George Pepper two, and Dr. McCoy and the Hon. Adam Beck each have one, all experts and owners of expert horses. Competition will be lively to say the least.

The Horse Show committee this year is certainly leaving nothing undone to make this the greatest horse show ever held in Canada. With the armories decorated equal to the Olympia and brightened with the uniforms of the military and one thousand entries, it will be the grandest spectacle the citizens of Toronto have had an opportunity of seeing.

Montreal Stake Events.

MONTREAL, April 19.—The stake blanks of the Montreal Jockey Club, just issued, show that the fixed events for the spring meeting at Blue Bonnets have been in accordance with the curtailment of the number of racing days, cut down to four, a two-year-old selling stake; the Windsor Hotel Cup, handicap, for three-year-olds and upwards; the Prince of Wales Steeplechase, for four-year-olds and upwards, and the Jacques Cartier selling stake, for three-year-olds and upwards. The added money remains the same as last year in each of these events, the amount in the Kindergarten, for two-year-olds, being $1000, and in the others $1200.

To offset this cutting of the stakes, it is announced by the club that there will be seven races carded each day of the meeting, instead of six, as heretofore, and that many of the over-night events will have an added value of $500, and none will be less than $400. There will also be some handicaps with an added value of $600 and $700.

The meeting will open on Saturday, June 4, and conclude the following Saturday, making a solid week of racing. Entries to the stake events close at midnight, Wednesday, May 4.
