F. G. Donegan, Esq.:—Although the last Re-solution does not demand any explanation from the mover, I rejoice at the opportunity of taking my share of responsibility. But I do not see the degree of responsibility spoken of by the other gentlemen; I think what we are now doing is perfectly lawful. It is not good, Annexation is hazardous; no—that would be wicked and unlawful; but to us, let it be hoped time will bring us to him of a shepherd a noble Lord, bullied from the making of a Province with loyal hands, and of such stuff as Canadians are made of, you—you England do not forget your duty to your Queen and country. There was no [illegible] in this. There is one sin which can never be forgotten—duty disregarded. Why duty compels me to the course I am now pursuing. If any legal or political consequences follow, I am ready to submit. What I recommend to you is what I believe to be the duty of myself and every man. I propose:—

5.—That this Meeting do now adjourn, to Thursday next, at noon, then to meet for the Election of Officers, and that the following Gentlemen be a Committee to Nominate a Ticket for our consideration:—R. McKay, A. A. Dorion, D. Torrance, H. Mulholland, and J. Ostell.

John Donegani, Esq., seconded the Resolution, which was carried.

William Molson, Esq., having taken the chair, the thanks of the meeting were voted to the Chairman, and the meeting dissolved.

BY JOHN LEEMING.

40,000 Barrels of Flour.

EXTENSIVE PREMISES FOR SALE BY AUCTION.

THE SUBSCRIBER has been directed, by the Trustees of the Estate of THORNE & HEWARD, to Sell by Auction, on MONDAY next, November 12, the

LARGE AND COMMODIOUS FIVE STORY WAREHOUSE,

Situate on the Basin of the LACHINE CANAL, under the same roof as the

NEW CELEBRATED MONTREAL MILLS,

Of Ira Gould, Esq.

The Property is Fancy Grass—built of STONE, and covered with TIN. The most modern improvements for Loading and Discharging Grain, and Raising and Lowering all kinds of Produce, with its immediate contiguity to the above named Mills, render it the MOST DESIRABLE BUILDING OF ITS CLASS, in the City of Montreal.

It is capable of Storing 40,000 BARRELS FLOUR, and, from the present prospect of the enormously increased trade of Produce from the West, it likely to secure the first advantages (from its locality and capacity) of that apparently boundless business.

☞Sale at the Subscriber's Room, on MONDAY next, Nov. 12, at ELEVEN o'clock.

JOHN LEEMING,

The terms in which the above Property is held from Government will be explained at length at the time of Sale.

That of Wellington is also a fine Picture, and is represented in his costume as Warden of the Cinque Ports.
