G. W. ORTON WON THE MILE.

E. C. CARTER OF NEW YORK WAS SECOND.

Willie Day Won the Two Mile Run, In Which Orton Stopped at the Mile And a Half—Averages of International Cricketers—Directum Makes a Fast Mile.

PHILADELPHIA, Sept. 3.—There was a big crowd at the Bank Clerks' athletic games yesterday and some fine sport was witnessed.

Prizes were carried off by the representatives of 11 athletic organizations. The Bank Clerks' Athletic Association took the lead, capturing five firsts and three seconds. The athletic department of the Young Men's Christian Association came second with four firsts and four seconds, while the New York Athletic Club carried off two firsts and three seconds, and the New Jersey Athletic Club two firsts and one second. The athletic club of the Schuylkill Navy secured one first and two seconds, while the Toronto Lacrosse Club, Varuna Boat Club of Brooklyn and the Quaker City Wheelmen were contented with one first each, and the South End Wheelmen, Washington Young Men's Christian Association and the West Philadelphia Cyclers one second each.

C. Theodore Buchholtz of the Bank Clerks' Athletic Association broke the world's record for distance pole vaulting.

G. W. Orton of Toronto won the one mile run from scratch in 4.32, with E. C. Carter, New York Athletic Club, second; W. S. French, Y.M.C.A., third. Orton's only other start was in the two mile handicap, where he ran from scratch with Willie Day of the New Jersey Athletic Club. Everybody was expecting a fine race between these two, as it was known that Orton was anxious to try and take the Jerseyman's measure. The whole interest of the crowd was centered in these two, and many comments were passed on the different styles of running. Day carries his arms bent and body away over, while Orton holds himself more erect and keeps his arms down straight. The crowd was doomed to be disappointed, however, as Orton quit at the mile and a half. Day continued and won easily, covering the distance in 9.41 2-5, within 9 seconds of his record.

Parkdale Defeats the Infantry.

The return match between the Infantry School and Parkdale was played at the New Fort on Saturday afternoon and won by the latter by 34 to 52. The first game was won by the soldiers. The clubs now being equal, they will play off the rubber about the end of this month. A very pleasant afternoon's cricket was much enjoyed, the knights of the sword and bayonet proving themselves to be capital hosts, as well as good cricketers. Corp. Cooper again bowled extremely well, in one over performing the "hat trick," and taking four wickets with five balls. Wadsworth bowled also, but not with his usual success. Clark and Turnbull, for Parkdale, each bowled well, the former securing 6 wickets for 28 runs and the latter 4 for 18.

In batting Mr. Terry headed the scoring with a characteristic 34. Clark made 13 and Hall 19 not out. For the school Lieut. Cosby made 21 by hard hitting and Wadsworth 13. The fielding was good all round. The following is the score:

Strong Women Matched.

PITTSBURG, Sept. 2.—Mme. Minerva and Mme. Yucca, both of whom claim to be the strongest women in the world, to-day signed articles for a test of strength to determine which is entitled to the title of champion. The contest will take place in Madison-Square Garden, New York, Sept. 18, and will be for $1000 a side, the winner to take all the stake and gate money.

A Record Pole Vault.

PHILADELPHIA, Sept. 2.—Theodore Buckholtz of this city broke the world's record at pole-vaulting for distance at the fourth annual games of the Bank Clerks' Athletic Association this afternoon by clearing 27 feet ½ inch.

The best previous record was 26 feet 5 4-8 inches, made by C. R. Morse at Berkeley, Cal., on Aug. 25.

Referee—J. D. Bitley. Umpires—Varcoe, Toronto, and Clendenning, Ottawa.

Between 3000 and 4000 persons went up to Rosedale Saturday and saw the Capitals of Ottawa continue in their career of victory in a senior league match. They not only beat Toronto, but scored six goals and kept their opponents out of it altogether.

In the first game the local men made a determined fight that lasted 21 minutes before Murphy sent in a shot that Martin almost put aside. Indeed, many behind the flags asserted that it was no goal, and Toronto's defence men were sure that the ball didn't go through.

After the usual rest Toronto took the other end, and had no better luck with the sun behind them, for in two minutes the Capitals had notched another point. Devine sent in a long shot that Martin stopped, but failed to clear, and Ketchum ran up and scooped it through. The next game was longer, but the Capitals had all the best of it. The end came when Lacey sent in a long, swift shot. Little Murphy scored the next two games in short order, and the final in 18 1-2 minutes.

There was very little rough work during the entire game. During the third game Ketchum accidentally got Martin's stick in the stomach, but soon recovered.

The Capitals showed themselves to be much the superior team. They ran fast, passed accurately and were phenomenal ball-getters. Toronto was easily overmatched. In the third game Knowles went back to his old place on the defence and Douglass went up.

Jack Drynan saw a portion of the game. He had just returned from England on the Germanic and thought the Capitals were a very fast team, but would not express an opinion about his old comrades. He played all the past season with West London and had the pleasure of seeing his team winning the South of England Cup. Mr. Drynan, after an absence of three years, is now home for good.

And They Took a Gate.

MONTREAL, Sept. 2.—The lacrosse match between the Shamrocks and Montrealers to-day was about as bad as could well be imagined. The match was about as slow as any two championship teams could put up without a conscience and collect gate money. About five minutes in the whole two hours saw really good lacrosse. The rest of the time was spent in running away from the ball. The result was three to two in favor of the Shamrocks, and both teams have no particular occasion to be proud of themselves, rather otherwise. The teams were:

Montreal (2): Goal, Hamilton; point, Paterson; cover point, O'Brien; defence, Louson, Anderson; centre, Coulson; home, MacSlium, Mathews, Barlow; outside, Murphy; inside, Springins. Captain, Cameron.

Shamrocks (3): Goal, Foley; point, McGrath; cover point, Murray; defence, Moore, Dwyer, O'Brien; centre, Kelly; home, Hinton, Neville, Burke; outside, Tansey; inside, Tucker. Captain, Tansey.

Referee, T. McNully. Umpires, J. A. Ross, Toronto, and J. T. Scanlan.

Victoria's Star Aggregation.

VICTORIA, B.C., Sept. 1.—The Victoria Lacrosse Club, champions of British Columbia, start on their eastern tour to-morrow. The team will comprise 12 star players, the strongest combination the Pacific Province has ever known. They are: A. McNaughton, Harry Morton, Ross Eckardt (captain), Z. Ketchum, Will, Charlie and Frank Cullen, Chub Quigley, R. Cheyne, R. Campbell, W. Ditchburn, George Tite and W. F. Blight. Will Burnes, treasurer, and R. J. Frost and A. Belfrey, spare men, accompany the team. Dates have been arranged with Montreal, Toronto, Cornwall and Ottawa. There will possibly be games with St. Catharines and a mixed Canadian team at Chicago.

Toronto Junction Defeats Toronto.

Toronto club cricketers went out to the Junction on Saturday, and were beaten in a one inning match by 75 runs to 53. The match was played in the Victoria-street grounds.

Lacrosse Points.

The Orioles defeated the Loones at old Rosedale yesterday by 3 to 1.

Messrs. Eckardt, Ketchum, MacNaughton, Cheyne and Blight of the touring Victorias are all well known here. They play Toronto at Rosedale Saturday, Sept. 16.

A well-contested game of lacrosse was played opposite the old lacrosse grounds on Saturday morning between the Nelson Junior and Thistle clubs, which, after an hour and a half's play, resulted in favor of the Nelsons by 4 to 3.

NIAGARA TENNIS TOURNAMENT.

Ward of Rochester Beats Fuller of Boston.

NIAGARA-ON-THE-LAKE, Sept. 2.—The Niagara international lawn tennis tournament came to a close to-day with perhaps the finest tennis ever seen in Canada. The match for the Niagara trophy between A. F. Fuller of the Longwood Tennis Club, Boston, holder of the cup, and F. N. Ward of Rochester, the challenger and winner of the All-Comers, was a magnificent display of the highest kind of tennis. The young phenomenon from Rochester won the match by three sets to one, but it was a great fight. Ward took the first set 8-6, his short volleying and forehand smashing being very remarkable. Fuller was always on the ball and made some wonderful strokes. His judgment was excellent, and his game was nearly as brilliant. He came out at the second set and took it by 6-2, though the game was perhaps closer than the score would indicate. Ward outlasted him and though Fuller made a great fight in the third set which was 6, 4, he lost the last set without winning a game. Ward is looked upon by the knowing as a coming U. S. champion. He is just 17, and has all the requisites of a really great tennis player.

The ladies' final lay between Miss Osborne, Canadian lady champion, and Mrs. S. Smith of Ottawa. Mrs. Smith won the first set, 8—6, but Miss Osborne's staying qualities came into force for the next two sets, which she captured, 6—3, 6—3, after some very pretty play on both sides.

Dr. W. W. Coldham of Toledo, the champion of Ohio, captured the handicap, though he was at the very long handicap of minus half forty. His steadiness in placing and cutting makes him a very finished player.

The mixed doubles were won by Mr. Gordon Mackenzie and Miss Osborne, after a good final with Mr. Coldham and Miss Anna Coldham. In every respect the tournament was a great success and has added another laurel to the Queen's Royal Hotel.

The prizes were presented in the ballroom in the evening, just before the hop. The dance was greatly enjoyed and formed a fitting close to a most delightful week. To-day's scores were:

FINAL, for Niagara international trophy—F. K. Ward, Rochester L.T.C., challenger, beat A. F. Fuller, Longwood L.T.C., Boston, 8-6, 2-6, 6-4, 6-0.

LADIES' singles, final—Miss Osborne beat Mrs. S. Smith 6-8, 6-3, 6-3.

HANDICAP FINAL—Dr. W. W. Coldham, Toledo, owes half forty, beat G. H. Meldrum, Toronto Granite, owes half fifteen, 6-4, 5-0, 6-4.

VETERANS' SINGLES, final—Dr. Holford Walker, Toronto, beat Capt. Dickson, Niagara, 6-0, 6-2, 6-2.

MIXED DOUBLES, semi-finals—G. Mackenzie and Miss Osborne beat Dr. W. W. Coldham and Miss Nellie Coldham, 6-4, 7-5; A. Coldham and Miss A. Coldham beat Dr. H. B. Yates and Miss Gould, 6-4, 6-3. Final—G. Mackenzie and Miss Osborne beat Mr. A. and Miss A. Coldham, 6-4, 6-3.

THERE WERE NO TIMERS.

Toronto Cyclists Loafed in the Road Race, Which Greenwood Won.

The Toronto Bicycle Club's second of the series of road races for the club medal took place Saturday on the Kingston-road, over the 10 mile course, from the 5 mile to the 10 mile post and return.

Starter W. G. McClelland sent 10 men off, the last man leaving the post at 4 p.m. It was rather a loaf, many of the men evidently having the international race in their mind. There were no timekeepers. The finish was as follows:

H. Greenwood 1, M. R. Goodrham 2, C. Burgoyne 3, W. H. Mills 4, C. O. Brimer 5, R. T. Brimer 6, W. Robins 7, H. Bible 8, J. Gannon 9, J. Mills 10.

The next race will take place about the end of the month. The Torontos will discuss at their regular monthly meeting tonight the proposal to affiliate with the Toronto Athletic Club.

Schofield Won the Novice.

PHILADELPHIA, Sept. 2.—Three thousand persons were present at the professional bicycle races at the Tioga track this afternoon. It was the first meet of the fall series and the events were all well contested. Schofield, the English crack, made his first American appearance in the novice race, which he won easily. He withdrew from the events on the plea of having a cold, much to the disappointment of the spectators, who had expected to see him pitted against Wheeler.

SAILING SKIFF RACES.

A Victory For the Shamrock—19 Footers Before the Breeze.

The Toronto Sailing Skiff Club race, ordered to be re-sailed between the Shamrock and Thistledown on account of the Thistledown going to the rescue of the Iona's crew, was started Saturday at 3 p.m. The wind blew very hard from the north west. The rounds were completed as follows:

Shamrock	3.38.05	4.07.05	4.38-58	5.07.20
Thistledown	3.33.35	4.15.45	Did not finish.	

The owner of the Thistledown did not sail his boat, as he was out of town, but a crack crew was put aboard.

The race for the 19 footers also took place over the usual club course. The rounds were completed as follows:

	1st.	2nd.	3rd.

Preparing for the Open Regatta.

The Toronto Sailing Skiff Club are making great preparation for the open regatta to be held on Saturday, Sept. 16. It is open to all boats on the bay that conform to the classes in the club. All those desiring to enter and compete should send their entries in as soon as possible to F. C. Paterson, hon. secretary of the club. Members desiring invitations for their friends should make application at once. The usual monthly meeting of the club will be held Tuesday at 8 p.m. As business of great importance will come before the meeting, all members are urgently requested to be present.

Toronto Canoe Club Races.

It was rough weather Saturday when the Toronto Canoe Club met at Centre Island to hold their sailing race, so rough that J. W. Sparrow, who came out to enter the race, thought it safer to stay on shore. The course was of triangular shape northwest to the city from "the cut" at Centre Island, then west, then southeast to the starting point. Tilley led till the first buoy was reached, then Ford drew ahead, followed by Bailey 3 and Ellis 4. Ford unfortunately upset, but righted again, finishing second, leaving Ellis third and Bailey fourth. Owing to handicaps the race stands as follows: Tilley 1, Bailey 2½, Ford 3, Ellis 4.

THE GREAT 4-YEAR-OLD

Directum Makes a Race Record of 2.09 1-2 At Fleetwood Park—He Will Try To Beat 2.06 3-4 To-Day.

FLEETWOOD PARK, Sept. 2.—Again Directum, the great stallion, demonstrated that he is one of the greatest trotting horses of this country. At Fleetwood Park to-day before 3000 people he trotted in competition a mile in 2.09 1-2, breaking his previous record of 2.09¾ made last Wednesday.

As a 3-year-old Directum is a most remarkable horse. The ease with which this stallion has been defeating the crack-a-jacks certainly places him a most dangerous rival to Nancy Hanks, Nelson Kremlin and Stamboul, and if he is successful in his attempt at the record of 2.06¾, made by Nancy Hanks last Thursday, for which he will try on Monday, the association will give Monroe Salisbury, his owner, $5000. When the first heat of the 2.12 class was called some lively pool-selling was done, with Directum as the favorite. Azote took the pole, with Pixley next the favorite, Directum in fourth place. Pixley set the pace, leading to the quarter, then she broke and Directum lengthened out and passed her. He easily increased his lead and as they turned home drew away and landed a winner in 2.11¾.

He again went to the post a favorite for the second heat and immediately got away in the lead, with Phoebe Wilkes close up. These positions they retained to the finish. The event came in the next heat, when Directum after several breaks stepped away to the front, trotting to the quarter in 32 seconds and half in 1.03¾, and then up the hill to the three-quarters in 1.36¾ and finished the mile in the remarkably fast time of 2.09¾. The Rancocas Stable for Sale.

NEW YORK, Sept. 2.—Mr. Pierre Lorrillard has decided to sell his entire stable of horses in training and to temporarily retire from the turf. His stable will be sold in two lots, the first on Sept. 8 at Sheepshead Bay, including the following well-known horses: Lamplighter, Kilkenny, Julien, Yemen, Kildeer, Derfargilla, Rubicon, Curacos, Lochinvar, Roma, Ixion, Flirt and Venisburg.

Mr. Lorrillard's retirement is due to continued ill-health. He may return to the turf in a year.

Turf Topics.

The Guttenberg management will give races all this week. Next week Clifton will race six days, and thereafter the two tracks will race alternate weeks until further notice. It is said in this connection that neither of these tracks will race in opposition to Brooklyn, and that it has been agreed to allow the Linden and Elizabeth tracks a week's racing each without opposition.

The wonderful Domino-Dobbins match race furnished an inexhaustible topic for talk at Sheepshead Bay Saturday afternoon. Richard Croker and James R. Keene were both at the track, and in reply to innumerable questions said that their great colts were not affected by Thursday's terrific race. There will be several opportunities for them to meet in stakes before the season is over, and both Mr. Keene and Mr. Croker said that they were not desirous of making another match and that they were entirely satisfied with the grand performances of their colts.

Ormonde, the horse of the century, the costliest animal in the history of the world, was in Chicago yesterday. The famous thoroughbred rested here six hours while en route to his future home at W. O'Brien MacDonough's stock farm, Menlo Park, Cal. Ormonde and six horses were aboard J. B. Haggin's palace car. Ben Ali and 12 mares and foals were in the car, the load having been carried from Elizabethport, N. J. E. D. McSweeney, MacDonough's secretary, is in charge of the transportation. The horses are traveling across the continent on passenger schedule.

The chances are that the Labor Day Stakes, to be run to-day, will provide a genuine treat for lovers of high-class sport. The entries closed Thursday and among the horses nominated were both Lamplighter and Tammany. Under the conditions both would carry their weight, 122 pounds, and the distance, one mile and three furlongs, would provide a thorough test of their respective merits. The fact that Tammany was entered so near the date of the running of the race makes it probable that Matt Brynes has had him ready and means to start him.

Sporting Notes.

The Crescents and Parkdale Juniors have dropped out of the Toronto Junior Baseball League.

J. Taylor and J. Everist write: "We challenge any two in Norway to pitch a game of quoits of 61 points for the sum of $10 in two weeks after signing agreement."

A meeting of the Kensington Football Club will be held Tuesday evening at 8 o'clock in Broadway Hall, Spadina-avenue. All old members and intending members are requested to attend.

The Hamilton Football Club will meet next Saturday night to organize for the season. It is likely that the brown and yellow will, as usual, have a strong fifteen. There will be a number of new players, as some of the old men are going to retire.—Spectator.

James Stanbury, champion oarsman of the world, has decided to return to Australia on Sept. 16 because Jake Gaudaur refuses to make a match with him. He now offers to row any man in the world for $5000 a side over the Parramatta River course in New South Wales, and will allow $500 expenses.—Detroit Free Press.

Entries for the fifth annual international bench show in connection with Toronto Industrial Exposition closed on Thursday. On Monday next the show will be opened and continue until Friday. A large number of entries have been made from Hamilton, and it is expected that the high reputation which the dog-lovers of this city hold will be upheld and that a large share of prizes will come this way.

It looks very much as if "Class B" will be an accomplished fact next year in the L.A.W., and the makers' amateurs will be placed in this separate class. The league members are quietly discussing the subject, and the cycling papers are now and again nibbling at it, which leads one to believe that Chairman Raymond's project was but a year ahead of its time. The Cash Prize League, although it is a comparative failure itself, has no doubt had a great deal to do in bringing about this result.—Toronto Cycling.
