### Municipality of Albert.

Annual Session.

COURT HOUSE, Jan. 15th, 1889.

The sec'y-treas called the meeting to order, and then read the returns from the different parish clerks, showing the following persons to be councillors for the ensuing year, viz: For Hopewell, G. H. Miner and S. J. Calhoun; for Hillsboro, [illegible] Duffy and H. B. Steeves; for Harvey, W. A. West and G. R. Smith; for Elgin, D. J. Collicutt and E. A. Blakney; for Alma, D. D. Lutwick and Wm. Rommel; for Coverdale, J. N. [illegible] and J. Steeves.

Coun. W. A. West is called to the chair and nominations for Warden being then in order, Coun. G. H. Miner is duly nominated and elected to fill that position.

The minutes of last Session were read and approved.

The Warden then appointed the following committees viz.

On Finance;—Couns. J. N. Smith, Rommel, Calhoun, H. B. Steeves, Blakney and G. R. Smith.

On Highways and Bye Roads; Couns. West, Lutwick and Duffy.

On County Property; Couns. Collicutt, h. J. Steeves and Sec'y-treas

On Bye Laws; Couns. Blakney, Rommel and H. B. Steeves.

Coun. Collicutt presented the Auditor's Report and prayed that it be read, which is done and on motion it is ordered that the report be received and be placed in the hands of the finance committee.

The Council then adjourned until 7 p. m., to enable committees to report.

Council convened pursuant to adjournment, Warden in the chair; All the councillors are present.

Sheriff Wells is heard concerning the matter of $16.28 which was before the council at the last session and on motion it is ordered that the sum of $16.28 which was retained from the salary of Sheriff Wells for 1888, be refunded to him.

The finance committee report that they have examined the Auditor's Report and find it to agree with the Sec'y-treas' accounts, and further agree to submit the accounts for the present year to the consideration of the Council Board. (Adopted.)

The committee on Highways and Bye Roads, report that they have carefully examined the reports of the commissioners of Highways, Surveyor's Returns, and collecting Justices Returns from the various Parishes and report as follows:

They would recommend the Council to authorize the Secretary-Treasurer to notify the delinquent Bye Road commissioners to make returns in ten days or they will be proceeded against according to Law. For Hillsborough, D. Bainley and C. S. Bishop expended all the money, Solomon Steeves refusing to act. We further recommend that the Secretary, Treasurer be instructed to notify delinquent Commissioners of Highways and Highway Surveyors that unless they make proper returns to the Secretary, Treasurer within ten days after receiving notice, they will be proceeded against according to Law. And we concur with the auditor's suggestion in reference to asking for amendment in the Highway Act concerning the payment of non-resident Road Tax. (Adopted.)

The committee on County Property report that they have examined the Jail and find that some slight expenditure is necessary viz: The window in the debtor's cell needs a bar to replace one that has been cut out; there is also need of two bars being placed across the iron door in the hall, and a lock for fastening the shutter on the criminal's cell. Some furniture is also necessary viz: a chair and table for criminal cell and a table for debtor's cell. A lock is needed for the Registry office, and some slight repairs on the ceiling of the Court House. (Adopted.)

The Committee on Bye Laws recommend that "Rule 13" of rules of Board be changed to read. "Any question decided by the Council shall be open for reconsideration after having lain on the table two hours. (Adopted.)

S. Purdy, M. D., Chairman of the Board of Health makes the following report.

HILLSBORO, ALBERT, A. Co., Jan. 31st, 1889.

To the Municipal Council of Albert County, Mr. Warden and Gentlemen:

As at the last meeting of the Municipal Council you saw fit in your wisdom to appoint me as Dr. Coleman's successor as Chairman of the Board of Health for District No. 21, County of Albert. I presume therefore it is expected of me to make some report to your honorable body of the work done by this Board and also of the sanitary condition of the District to which I have the honor of now being chairman. I therefore feel it due to your honorable body to submit to you the following annual report although not so elaborate as the one that came before you last year by the former chairman. I might say that I have had some difficulty in getting the various physicians of the District to send in their monthly reports, as to the state of the Public Health and the communicable diseases in their particular part of the District in compliance with the rules and regulations of the Provincial Board of Health. Some have never reported.

Since my appointment as chairman the following Parishes of this District have been visited by epidemics viz. Harvey by Measles, Elgin by Typhoid Fever and Hillsboro by Typhoid Fever and Diphtheria and but two deaths have occurred in so far as have been reported and these took place in Hillsboro, one from Typhoid Fever and the other from Diphtheria. The latter broke out as an Epidemic but by the blessing of an allwise and over-ruling Providence and strict adherence to the rules and regulations of the Provincial Board of Health, as to isolation and disinfection this fatal malady was prevented from extending.

I have not considered it necessary since my appointment as chairman to call the Board together.

At the present time no communicable disease exists within the District except a case or two of Typhoid Fever at Elgin, or if it does exist has not been reported

According to instructions from the Secretary of the Provincial Board of Health I have officially visited and examined some of our Public Buildings relative to the Sanitary condition and ventilation, etc.

I find the Court Room well lighted and fairly well ventilated. I find the Gaol without water-closets in any of the cells to which prisoners can have access, consequently required the jailer to remove all slops and fecal matter therefrom. This to my mind is a desideratum of no little importance and feel it to be our duty as a Board of Health to call the attention of our County Council to the fact, trusting they will at an early day have this very important need supplied. I have endeavored to conform to the rules and regulations of the Provincial Board of Health so far as I considered it practicable and for the best interest of the District." (Adopted.)

On motion of coun. West seconded by coun. Lutwick, it is ordered that the Sec'y-treas. take immediate action on the report of the committee on Highways and Bye Roads.

Council adjourned until 9 a. m. tomorrow.

JAN 16, 1889.—Council convened pursuant to adjournment, Warden in the chair. All the councillors present.
