STUDENTS SHOW SKILL AT ANNUAL ASSAULT AT ARMS

Athletic Exercises, Acrobatic Performances, Boxing, Etc., at Varsity Gymnasium.

The exhibition of the twelfth annual assault-at-arms, and acrobatic exercises by members of the gymnasium class of Toronto University last night was a creditable showing of what students can accomplish thrs physical training, as well as intellectual study. Under the tutorship of Q.M.-Sergt. Wilson, the students who performed appear to have every muscle thoroly developed. With perfect ease the acrobats went thru a variety of movements equal to many circus actors.

The gymnasium class consisted of Messrs. Barlew, Archibald, Parker, Benolie, Fidlar, Reid, Weir, Fletcher, Workman, Kilpatrick and Wing. The exercises, in which the whole class participated, were performed on the vaulting horse and parallel bars, while four of the members, led by E. Archibald, exhibited their prowess on the horizontal bar.

The special features of the program were of an interesting character, the feats on the flying rings by Barber and Fletcher being both difficult and clever, and the crack swordsmanship of Beverly and Vaughan in the fencing contest, a manifestation of superior training and continuous practice.

The finals in the tug-of-war between five Arts students and five School of Science men was very exciting, and resulted in a glorious victory for the Science men. The first and third pulls went to the winners. The boxing contest was a fairly good exhibition of sparing science, but ended without a knock-out blow. The bout was between J. Loudon and Instructor Williams.

E. Archibald, in pole vaulting, cleared a height of 10 feet 4 inches. His record outside is something over 11 feet.

Humor was introduced thruout the program by Muntz and T. Loudon, two clowns inder the pseudonyms of Weggie and Wabbie. There was a large attendance, and after the program a number of the young people remained for the dance.

Three leagues, Western, Iowa and Three I, are menaced by a bill introduced in the Iowa legislature prohibiting Sunday games.

The game of indoor baseball amongst the garrison of Toronto is drawing to a close, as Saturday night will see the final game played for the "Curry" Cup, presented by Major Curry of the 48th Highlanders. This is a beautiful silver cup, emblematic of the championship of the garrison of Toronto. The cup is a perpetual challenge trophy, to be held by the winners of one year. The game last night between C. Co., Q.O.R., and G., 48th, was expected to be a very close contest, if the playing of the teams on the previous night was taken into consideration, but as will be seen from the score given below C. Co., Q.O.R., came out an easy winner. The arrangements for to-night and Saturday are as follows: To-night, 8 to 9.30, picked teams chosen from the 48th and the cavalry battery and departmental corps. 9.30 to 11 p.m.; H. Co., 48th, and C. New Bedford Changes Hands.

New Bedford, March 1.—The New Bedford Baseball Club yesterday became the property of James F. Smith, Dennis Shay and Joseph A. Burke. Mr. Shay went to Boston and met Alfred G. Doe, and the transfer papers were passed. In addition to such property as Manager Doe held, the new owners also obtained the rights to several players who have accepted terms.

Mr. Shay said that Mr. Doe told him that when he appeared again in the baseball world it might be as manager of an American League club. He stated that he was considering taking the management of the Detroit Club, altho there is some reason for believing that he may decide to remain in the New England League. If Burkett is retained by the Boston American Club, the Worcester owners may need the services of a manager, and it is stated that some efforts have been made to get Manager Doe to consider this place.

The players of last year's team reserved by Manager Doe for the New Bedford Club are Coveney, Elliott, Morrissey, Burrill, Valdois, Murphy, Dwyer, Mullaney, Kavanagh and Kehoe. The transfer also includes Friend and Klobdenaz, whom President Murnane and Manager Doe will attempt to have reinstated. There is some doubt as to whether Friend can be put on the roll of honor again, as he slipped into the Tri-State League last summer.

ACTIVE LIVER, GOOD DIGESTION

In calling your attention to Dr. Chase's Kidney-Liver Pills it is only necessary to point to their success in the past, for they are known in nearly every home.

By means of their direct and specific action on the liver—causing a healthful flow of bile—they regulate and enliven the action of the bowels and ensure good digestion in the intestines. At the same time they stimulate the kidneys in their work of filtering poisons from the blood.

This cleansing process, set in action by Dr. Chase's Kidney-Liver Pills, means a thorough cure of biliousness, intestinal indigestion, torpid liver, kidney derangements and constipation.

It means a restoration of health, strength and comfort where there has been pain, weakness and suffering. It means a removal of the conditions which lead to backache, rheumatism, lumbago, Bright's disease, appendicitis and diabetes.

HOUGHTON HOCKEY PROS. PUT PITTSBURG OUT OF IT

Chaucer Elliott Refereed and Rough Game Ended 4 to 2—Games on Open Rinks.

Pittsburg, March 1.—(Special.)—A full house saw the second game between Pittsburg and Houghton and the game justified the attendance. It was fast from start to finish. Pittsburg was badly handicapped by the absence of Hod Stuart, who had his ankle badly cut in Tuesday's game. A Sixsmith playing a good game at cover in a strange position. The game was rougher than Tuesday's and penalties numerous. Houghton were the offenders in most instances. Pittsburg has played enough under Chaucer Elliott to behave, but Houghton has to learn that he will not have dirty work. Bruce Stuart was the worst offender and he is too good a player to need to be dirty. The play was so close and checking so hard that delays for repairs were numerous. The first half ended 2 to 1 in Pittsburg's favor. The second half was cleaner than the first and just as fast. Pittsburg missed Stuart on the defence by Sixsmith weakening and letting Houghton score two and take the lead, and then another, leaving the score 4 to 2. It stopped all Pittsburg's chances for the championship. Line up:

Pittsburg (2)—Winchester, goal; Baird, point; G. Sixsmith, cover; A. Sixsmith, rover; Campbell, centre; Roberts, left wing; Kent, right wing.

Houghton (4)—Hern, goal; Holden, point; Forrester, cover; Bright, rover; B. Stuart, centre; Lake, left wing; Hall, right wing.

Attendance—4500. Referee—Elliott.

Joy at Port Hope.

Port Hope, March 1.—Intense excitement was manifested here this evening on the arrival of the Port Hope hockey team from Toronto, where they had won the junior O. H. A. championship by defeating Woodstock. The railway station was illuminated and decorated and the arrival of the train was signalized by the discharge of numbers of fog signals. All Port Hope welcomed the team with great cheering. The boys were paraded thru the streets in an open cab and were accompanied by a band and torchlight procession amid the vociferous plaudits of the populace. A banquet was held at the Queen's Hotel, at which all the municipal magnates were present. There was general and universal jubilation. Fire works were discharged in the streets, which for hours presented a most animated appearance.

Peterboro Put Out Parry Sound.

Parry Sound, March 1.—In the fastest game of hockey seen yet in Parry Sound the local septet were defeated by Peterboro in the O.H.A. semi-finals last night by the score of 7 to 3. The game was as close as the score would indicate, and the second half developed brilliant hockey indeed.

The half-time score was 5 to 3 in favor of Peterboro, but Parry Sound then woke up and scored 3 to the visitors' 4. The checking was close, and Referee Waghorne had his hands full, 17 penalties in all being handed out.

Merrick and Prebble played the star game for the losers, and for Peterboro Chris. Graham played his usual close and careful game, but was laid off at the middle of the second half for striking Thomas. The line-up was as follows:

Peterboro (9): Goal, Wasson; point, Glover; cover-point, Moore; rover, Whitcroft; centre, Morgan; left wing, Cavanagh; right wing, Graham.

Parry Sound (8): Goal, Patterson; point, Mason; cover-point, Thomas; rover, Merrick; centre, Peart; left wing, Prebble; right wing, Bregg.

Referee—P. C. Waghorne. Timekeepers—J. Campbell, Parry Sound; E. Ford, Peterboro. Penalty timekeeper—S. E. Stork.

Wingham Won the Game.

Wingham, March 1.—The report in Thursday's papers of Harriston-Wingham game was incorrect and the score should have been given 5 to 4 in favor of Wingham, which makes Wingham winners of the Northern League, with only one defeat against them in the season. With all respects to Harriston for the game which they put up they must stand aside to the champions of 1905 and 1906. Wingham and Goderich are arranging a series of home-and-home games for the championship of Huron County.

Woodstock's Going Down.

Hoey and Lee sprang a good one for the Port Hope boys at Shea's yesterday. The Junior O.H.A. champions and their colors were much in evidence at the afternoon performance. The Hebrew pair rattled off the joke with the rest of their hot stuff and all the hockey people applauded:

Hoey—What are you doing now?
Lee—Stockbroking.
Hoey—What's that; what do you do?
Lee—Buy and sell lumber.
Hoey—Well, take my tip and don't buy any more.
Lee—Why?
Hoey—Woodstock's going down.

The ladies of the Fadette orchestra wore Port Hope ribbons, the boys gallantly presenting the fair leader with a handsome bouquet of flowers.

Berlin and the Champions.

Berlin, March 1.—(Special.)—At a public meeting of supporters of the Berlin hockey team to-night it was decided to ask the town council to grant a sum towards starting a public subscription to make a presentation to the members of the team at the banquet to be held when the John Ross Robertson trophy is presented to the champions. The meeting also passed a strong resolution censuring rough tactics and ungentlemanly conduct of Reifenstin and Hamber in Tuesday night's game.

The Western Assurance Company met and defeated the Canadian Northern last night at the King Edward Rink. As neither team had lost a game this season grea interest centred on the match, which was replete with brilliant plays. The score at half time was one all and at full time 4-2. The western's whole team played well, while Irwin and McCulloch shone for the Canadian Northern. The Westerns have won a good lead for th championship. The teams lined up as follows:

Western Assurance Company (4): Goal Mitchell; point, Bennett; cover point, Moore (capt.); forwards, Speirs, Clewis, Hodgins and Miller.

Cadanian Northern (2): Goal, McGuire; point, Eaton; cover point, McCulloch; forwards, Irwin, Gossett, Sefton and Adamson.
