MIGHTY VICTORY WON BY THE TEMPERANCE FORCES

(Continued from page 1)

as they should be, but the results in the different wards and activity shown by the workers showed that the organization was good. The workers for the wet side of the election were not as well organized having fewer workers and had considerable hustling to get out a large number of their workers especially those who had to be brought from places of employment at the dinner hour.

The City Vote

It was somewhat of a split vote in the city so far as Wet and Dry went. Seven wards gave a majority in favor of Prohibition, while six wards had majorities against. Eight wards gave a majority in favor of light wines and beers, while five wards had a majority against. Guys, Dukes, Queens, Kings, Wellington, Victoria and Lorne were the wards in favor of Prohibition; Brooks, Sydney, Prince, Dufferin, Lansdowne and Stanley went against. In the vote on wines and beers Brooks, Sydney, Kings, Prince, Wellington, Dufferin, Lansdowne and Stanley were the wards in favor, while Guys, Dukes, Queens, Victoria, and Lorne were against.

Guys, Dukes, Queens, Victoria and Lorne wards were the ones to go strongly for Prohibition and against wines and beers with large majorities and these were the wards which practically carried the day for the Temperance party.

In the County

Every parish in the county went dry with good majorities both for prohibition and against wines and beers.
