YOUNG CARRICK DROWNED

Anxious Father Finds His Son's Body in the Water at the Foot of Bay Street.

SPOT IS A MOST DANGEROUS ONE.

It is Supposed the Little Fellow Mistook Floating Chips for Solid Land.

The mystery surrounding the disappearance of the 7-year-old boy, John Gordon Carrick, was cleared away last evening, when his dead body was taken from the bay by the boy's father, Mr. A. W. Carrick, the well-known baker at Bay and Richmond-streets.

Started for School.

The lad left his home on Tuesday morning for school, and when he did not return at noon inquiries were made, and it was learned that he did not take his seat in the class that morning. The following morning the police were notified, and, believing that the missing boy might have run away, the authorities sent telegrams to principal outside points.

Anxious Father's Search.

When this failed to locate the boy, his father visited the water front and had a talk with ex-Esplanade Constable Williams on the advisability of dragging the bay, as the parent knew that his son had a fondness for playing about the boats tied up at the wharves. Taking a pike pole Mr. Carrick went to the foot of Yonge-street early yesterday morning and commenced the search himself. At noon he gave up in despair and went to his home at 47 Wellesley-street to rest.

The Body Found.

Late in the afternoon he resumed the search, and about 6 o'clock brought the boy's body to the surface. The spot where the boy lost his life is a particularly dangerous one. It is situated close to the cribbing that is being constructed by the city at the foot of Bay-street. The boy, it is thought, in stepping onto a raft that was tied there mistook a portion of the water covered with chips for earth and was drowned.

How it May Have Occurred.

A short time before the body was recovered three other little boys, in attempting to reach the raft, fell into the water at this point, but fortunately were rescued. The boys told their story to the man who saved them, and this gave the clue that led to the finding of Young Carrick's remains. The body of the dead boy was last night removed to W. H. Stone's undertaking establishment at 342 Yonge-street, and prepared for burial. The funeral will take place at 4 o'clock this afternoon from the home of deceased's parents to Mount Pleasant Cemetery. Rev. James Allen, pastor of Sherbourne-street Methodist Church, will officiate both at the house and grave.

ESTIMATES ARE DISCUSSED.

William Ogilvie Seems to Have a Fair Job at Dawson City These Days.

Ottawa, June 7.—(Special.)—The Penitentiary estimates and Interior Department estimates occupied the attention of the House all night. Apart from minor objections, everything went thru.

The commission to investigate irregularities in Dorchester Penitentiary elicited some discussion, it being held by the Opposition that while the work lasted 114 days it might have been done in one-third of the time.

When the salaries to officials in the Yukon came up the allowances for living were closely scrutinized. The excuse was that rents and prices of living were very high in the Yukon. That accounted for the fact that William Ogilvie got $6000 salary, $2000 for living expenses, $720 for a housekeeper and $3000 for rent.

The House adjourned at 1 a.m.

Tribute to Adelbert Hay.

Chicago, June 7.—William E. Curtis wires from Washington to The Record: Adelbert Hay has done good work in Pretoria, and has justified his appointment. He is only 23 years old, but has shown that wise heads sometimes rest on young shoulders. As consul of the United States he has had a most delicate and perplexing position to fill, and has filled it to the satisfaction of the Boers and the English, whose interests he has looked after, the American citizens in the Transvaal, the officials of our Government and all others concerned.

A pleasing feature of the meeting of Toronto Lodge, No. 30, Knights of Pythias, held last night in the Temple Building, was the presentation of a handsome silk Union Jack to the Chancellor Commander, Thomas J. Hill. Bros. Haynor and MacDonald made the presentation. Among the visitors present were: Bros B Weaver of the Syracuse, Robert Schaub of the Toronto Baseball Clubs, and A Pursey of Washington, D.C. Mr. Weaver is a member of the K. of P. in Kansas City, and Mr. Schaub in Indianapolis.

Alumni Dinner.

All members of Class '95 of the Toronto University, wishing to attend the alumni dinner on Tuesday, June 15, are requested to communicate with E. Gillis, 40 Tyndal-avenue, or V. E. Henderson, Varsity.

BOYS' BRIGADE AT CHURCH

Young Canada Turned Out Last Night 600 Strong and Were Reviewed on the Way

BY THE PREMIER AND MRS. ROSS.

Rev. Mr. MacGillivray Delivered a Sermon on What Goes to Make a Man.

The annual church parade of the Toronto Battalion of the Boys' Brigade in Canada was held last night to Cooke's Church, where the brigade chaplain, Rev. A. MacGillivray delivered an interesting and instructive sermon to the boys. The parade this year was the largest of any yet held, the boys turning out over 600 strong. They were accompanied by their three bugle bands, which rendered appropriate music.

Reviewed by the Premier.

On Jarvis-street, near Wilton-avenue, the parade was witnessed by Premier Ross, president of the Boys' Brigade in Canada, and Mrs. Ross, who were seated in a carriage. The boys in their natty uniforms and with their bright banners, presented an imposing sight as they marched in column.

Order of the Parade.

The parade was formed on Jarvis-street at the corner of Gerrard-street, and at 8 o'clock moved off in the following order:

Battalion officers, Lieut.-Col. Hamilton, Major H. Gilly and Brigade Chaplain, Rev. A. MacGillivray.

No. 11 Co., Bugle Band.
No. 3 Co., St. Mark's Presbyterian, 27 strong, Capt. Findlay.
No. 4 Co., Zion Congregational, 29 strong, Capt. Alexander.
No. 5 Co., Olivet Congregational, 27 strong, Capt. Wickson.
No. 6 Co., Wesley Methodist, 17 strong, Lieut. Axworthy.
No. 7 Co., West Presbyterian, 31 strong, Capt. D. Smith.
No. 8 Co., Trinity Methodist, 35 strong, Capt. D. T. Smith.
No. 10 Co., Carlton-street Methodist, 39 strong, Capt. Shaw.
No. 10 Co., Broadview-avenue Congregational, 140 strong, Capt. Atkinson.
No. 12 Co., Broadway Methodist Tabernacle, 15 strong, Lieut. Moody.
No. 13 Co., Bonar Presbyterian, 25 strong, Capt. Davidson.
No. 14 Co., Victoria Industrial School, Mimico, 42 strong, Capt. Black.
No. 15 Co., Cooke's Presbyterian, 56 strong, Capt. McCleary.
No. 16 Co., Parkdale Presbyterian, 83 strong, Lieut. Isaacs.
No. 17 Co., Bathurst-street Methodist, 30 strong, Capt. Hammond.
No. 15 Bugle Band.
No. 17 Bugle Band.

The boys marched down Jarvis-street to Queen and thence to the church.

At Cooke's Church.

As the marchers filed into the church Mr. Will. J. Rickaby rendered an organ voluntary, "The Queen's Jubilee March." After the singing of the Doxology, Rev. Charles E. Manning delivered a prayer, which was followed by the singing of "Onward Christian Soldiers." Prayers were also offered by Rev. Alexander Gilroy, Rev. A. L. Geggie and Rev. Canon Tremayne of Mimico. Rev. Mr. MacGillivray took for his text I. Corinthians, xvi., 13:

Watch ye, stand fast in the faith; quit you like men; be strong.

Addressing the boys, he said: "Young comrades, you are the stuff out of which men are made. You are the boys of today, who will be the men of to-morrow, who will be the officers to succeed the present ones, who will fill the positions in our places of business and become the leaders in the future." He pointed out in a simple manner what goes to make a man and urged his youthful hearers to live up to the principles of the Bible and also their country. He warned them against the use of strong drink, and the forming of bad habits, which are too popular. Speaking of the Canadian contingents, he said he was sure that the Boys' Brigade would join in the celebration when the soldiers return from the front.

After the singing of the National Anthem the boys filed out to the street, where they dispersed. During the services the choir rendered several anthems. The offertory was in aid of the Toronto Battalion.

AN INTERVIEW WITH KRUGER

prisoners. The Pretoria forts were found without guns. All the artillery had been gotten away."

1600 British Prisoners Removed.

Another despatch says: "Sixteen hundred British prisoners were removed. After the Government had taken away most of the stores the burghers were given a free hand to help themselves. All the British found were a few hundred bags of coffee and sugar."

Four Irish Judges' Sons.

Four Irish judges had sons in the battalion of the 13th Yeomanry, which was captured at Lindley. Mr. A. M. Porter, son of the Right Hon. Sir Charles Marshal Porter, the Irish Master of the Rolls, was killed, and Mr. W. Holmes, son of the Right Hon. Hugh Holmes, Lord Justice of Appeals, was severely wounded.

WARNED NOT TO GO SOUTH.

Sir Alfred Milner Says That British Miners Cannot Go to the Transvaal for Months Yet.

London, June 7.—The following despatch has been received at the Colonial Office by the British High Commissioner, South Africa, Sir Alfred Milner:

Cape Town, June 7.—It is reported by telegram that large numbers of miners and others are about to start for the Transvaal from Southampton on Saturday. Cannot a public notification be issued warning the people against premature return here? They will be delayed at Cape ports, and will only increase the numbers supported by charity. It must be a couple of months at least before the bulk of these row in the colony and Natal can be allowed to return or work generally can be resumed.

HOLLIS' MYSTERIOUS VISIT.

Went to Lorenzo Marquez by Special Train From the Transvaal—Dutch Refugees on Cruiser.

London, June 8.—The Lorenzo Marquez correspondent of The Times, telegraphing yesterday, says:

"United States Consul Hollis to-day returned from the Transvaal on a special train. The object of his unexpected visit arouses curiosity.

"One hundred Dutch refugees have found accommodations on board the Netherlands cruiser Friesland."

German Friendship for Britain.

Berlin, June 7.—It has just become known here that the Woermann Line steamer Marc Woermann, on May 2, took 80 men and two officers, English troops, aboard at Whale Bay, after obtaining the German Government's permission by wire. The troops were landed at Cape Town. This is construed here as indicating the friendship of the German Government for England.

French Eulogy of Britain.

Paris, June 7.—In the Senate to-day during the discussion of the bill providing for the formation of a colonial army, Gen. Billot, the former Minister of War, eulogized the attitude of Great Britain, which he said at the time her troops were suffering reverses in the Transvaal supported her generals.

Funeral of Mrs. Sherman.

Mansfield, O., June 7.—The funeral of Mrs. Cecilia Stewart Sherman, wife of ex-Senator John Sherman, occurred at the family residence to-day. Business houses closed, and the postoffice suspended for two hours as a mark of respect.

TWO ATTEMPTED SUICIDES

One Man Tried to Cut His Throat With a Razor at the House of Providence.

OTHER MAN JUMPED INTO THE BAY,

Both the Would-Be Suicides Will Have to Face the Police Magistrate To-Day.

Two more cases of attempted suicide were reported to the police of the Wilton-avenue station last night, and in each case the principal was taken into custody. The prisoners are William Hughes, who is an aged inmate of the House of Providence, and John Wolfe, a young man living at 14 Wilkins-avenue.

Hughes attempted to take his life with a razor, it is alleged, after the inmates of the charitable institution had partaken of their supper. When he was restrained from committing the deed, he became abusive, and it was found necessary to have him taken in charge by Constable Jenkinson.

The other prisoner, Wolfe, while slightly under the influence of liquor, walked down to the foot of Trinity-street a little before 7 o'clock and leaped into the water from the wharf near Gooderham's distillery. He was seen to make the jump by several employes of the distillery and was rescued by them with considerable difficulty. Constable Allen, who came upon the scene then, placed the supposed would-be suicide under arrest.

THE ROYAL GRENADIERS.

After the Parade Last Night, They Had Refreshments and Cheered for the Boys in Front.

Under the command of Lieut.-Col. J. Bruce, the Royal Grenadiers paraded, 382 strong, at the Armouries last night for their final drill of the season. Company drill was practised, after which Col. Bruce addressed the men and announced the promotion of Private W. Hawthorne to be lance-corporal. At the conclusion of the parade, the officers and their friends adjourned to the Assembly Hall, where a reception was held and refreshments served. Three hearty cheers were given for Lord Roberts and the Canadians now in South Africa. The regimental band was present, and under the direction of Bandmaster Waldron rendered an excellent program of patriotic music. The gathering dispersed after singing the National Anthem. Among those present were: Col. and Mrs. Bruce, Col. and Mrs. Peters, Col. and Mrs. Delamere, Major and Mrs. Young, Major and Mrs. Pellatt, Surgeon-Major King, Surgeon-Major Tassie, Dr. and Mrs. Garratt, Mrs. George Gooderham, Miss Cattanach, the Misses Beardmore and the Misses Sloan.

Liberal Nominee in East Assiniboia Talks About Matters in the Northwest.

Walter Scott, proprietor of The Regina Leader, who was nominated a few days ago by the Liberal party to oppose Nicholas Flood Davin in East Assiniboia, is at the Rossin House. In an interview he states that residents of the west are dissatisfied with freight rates and are determined to find relief. This they expect to find in the extension of the Great Northern Railway to Regina. The farmers, he says, are also dissatisfied with the Laurier tariff and want several of the branches lopped off. Unlike some of his neighbors in the west, Mr. Scott is satisfied with the Galicians, Doukhobors and other foreign settlers.

AMERICAN FOUNDRYMEN

Will Ask Universities to Include in Their Curriculum a Course in Foundry Work.

Chicago, June 7.—The American Foundrymen's Association, which has been in session several days, elected the following officers: President, W. A. Jones, Chicago; secretary, Dr. W. E. Moldenick, Pittsburg; treasurer, Howard Evans, Philadelphia; vice-presidents, G. B. Buckingham, Worcester, Mass.; William Yagle, Pittsburg; J. P. Golden, Columbus, Ga.; J. A. Penton, Detroit; William Ferguson, Chicago; W. S. Mosher, Dallas, Texas; R. Chartrey, San Francisco, and T. J. Bast, Montreal.

The Executive Committee will later decide the time and place of the next annual meeting, and take action to induce universities to include a course in foundry work in their curriculum.

War Supplies for the Cape.

Gibraltar, June 7.—The British transport Bramear Castle has arived here from England. After embarking 700 cases of ammunition the vessel will leave for the Cape.

SWALLOWED A DIAMOND RING.

Mrs. Flindell's Jewel Down Baby's Throat—Doctor Says it Will Be Recovered.

New York, June 7. — Mrs. Allen Flindell of Newark has lost a diamond ring valued at $150, the jewel having been swallowed by her daughter, three years old. Mrs. Flindell went to Plainfield a few days ago with her mother to visit the latter's brother, W. H. Spurge. The little girl, on Tuesday night, succeeded in getting the ring off of her mother's finger and swallowed it before she could be stopped.

The child does not seem to feel any ill effects from the experience. A physician was called, but he apprehends no serious results, and believes that the ring will eventually be recovered.

Biograph an Immense Success.

Another enthusiastic crowd were at Hanlan's Point last night to see these splendid and perfect moving pictures. The new views are the best that have been shown in Toronto. Mr. T. E. Kyle told several humorous stories between the intermissions, which were very laughable, and were heartily applauded. These pictures can be seen at the Point every evening during this week. Don't fail to see them, and you won't regret it.
