"CAMPBELL'S CLOTHING"

WE WANT TO SAY in this advertisement that the gentleman who buys his spring and summer suits or overcoat without visiting our store will be making a serious mistake. He will have omitted looking over the very line which of all others is the most important for him to see. Here we have every style of spring and summer clothing that is up-to-date in style and finish.

IT'S VALUE YOU WANT in buying any article. Cheap goods are dear at any price. Good goods are the cheapest in the long run. Especially is this true with clothing, where poor qualities are worthless. They look shabby, they wear shabbier and they are the shabbiest articles you can buy when you get poor qualities of them.

MAPLE SUGAR WORKED WELL

Frank McCabe's Charges Take Up Quarters at Woodbine—Working Records.

Almost every day at the Woodbine there are surprises at the splendid performances, and yesterday was not without its record. The weather favored fast work, and, with a fast track, many of the Platers extended themselves, especially as evidenced by the work of the Hendrie candidates.

The sensational trial by the Hamilton Plater Doonside, a 30 to 1 shot, was the feature of the work, establishing a new spring trial record for the mile and a quarter—2.15¾—which is a fraction of a second better than the time of Dyment's Revelstoke. Doonside, carrying 101 lbs., accompanied by Maple Sugar and Lyddite, made the first part of the way very fast, being easily ten lengths behind at the start, but at the three-quarter-pole drew up on even terms, while at the finish was only beaten by a head by Lyddite, with Maple Sugar ahead by half a length. The fractional times were: :12¼, :25, :38, :51¾, 1.05¼, 1.19¾, 1.34¼, 1.47½, 2.01 and 2.16¼.

Scotland Yet, with Walker up, accompanied by Butter Scotch, was sent the distance in 2.17½, with Butter Scotch in first at the end, the fractional time being as follows: :13, :25½, :38¼, :52¼, 1.06¼, 1.20, 1.34½, 1.48½, 2.02½, 2.17½.

Lady Essex galloped the Plate distance in 2.20¼, as follows: :14¾, :27¼, :41¼, :55¼, 1.10, 1.25, 1.38½, 1.52, 2.05¾ and 2.20¼.

Parisian Lady and Opuntia, the Davies' candidates, negotiated a quarter in :25 and :25½.

Gold Car ran a mile handily in 1.47¼, Tom Cosgrove dropping out at five furlongs, in 1.06½.

Easy Street and Bellcourt went a mile in 1.48½. Lady Berkeley galloped a quarter in :22 seconds, while Shields' Zoroaster ran six furlongs handily in 1.18.

Princess Otilie was sent a mile in 1.48½, Orontas three furlongs in :39½. Lauderdale a mile in 1.49½, while Taxman easily negotiated six furlongs in 1.19, and Woodrice a mile in 1.50.

Dangman, Blair Thorpe and Lendrum will likely ride the Seagram quartet. Frank McCabe yesterday afternoon unloaded eleven that have arrived from New York from Old Newmarket to the stables at Woodbine Park.

George Hendrie's horses arrived from Windsor. The nine are: Alex, b.m., 4, by Sensation—Alexina; Circus Girl, b.f., 3, by Derwentwater—Rosina Vokes; Grand Marla, ch.f., 3, by Rossington—Belle of Natura; Kahki, b.h., 4, by Cheviot—Sunny Locks; Red Robe, ch.c., 3, by Patrician—Noblesse; Springwells, ch.m., 6, by Derwentwater—Noblesse; Skulpin, b.c., 2, by Deceiver—Sea Food; Reservation, b.c., 2, by Cayuga—Arragon; Bargee, b.c., 2, by Russell or First Mate—Ballerina.

James Stove arrived from St. Louis with four, as follows: Cupra, b.f., by Esher—Eccenana; Honeywood, ch.f., 5, by Jim Gore—Quintette; Zorme, b.c., 5, by Strathmore—Marmora; The Elk, b.g., 4, by Imp. Deceiver—Elsie R.

The Seagram Platers will be at the track this morning.

Schooling will not be permitted in the field at Woodbine after to-day.

The grounds are the most beautiful in the city, situated on Queen's Park-avenue, and surrounded by grand old trees and shrubs, with a superb lawn on which the club has gone to considerable expense, makes it one of the most perfect places to spend an afternoon in the city, and the members look forward to having a good season and a good time.

Amateur League Games To-Day.

Much depends on the two games at Sunlight Park. At 2.15 the St. Clement's team and the Royal Canadian aggregation meet, and the loser goes to the tail end of the league. Both teams have strengthened during the week. The St. Clement's have six new men, and the Royals will replace Sedwick at first with Capps, and will put Storey in the box. The winner of the game at 4 p.m. between the Strathconas and the Wesleyeys ties with the Heintzman team for the leadership. The second game should be as good an exhibition of amateur ball as any in the town to-day. Greer will umpire both games.

The City Amateur League will have two games at the Toronto baseball grounds. At 2 o'clock the Wellingtons and the Marlboros will begin the day's amusement. Evans and Archer will be in for the Iron Dukes, and Humphrey will work for the Marlboros. At 4 o'clock St. Mary's will meet the Queen Citys. Falkner and Henry will work for the Brocktonites, who confidently expect to defeat the Saints.

There will be busy times this afternoon on the old U.C.C. grounds, and two fast games of ball will be served up for the delectation of the Senior League patrons. The Park Nine and Crescents clash in the first game, while his called to start at 2 o'clock, and, as there is not much to choose between them in regard to strength, the contest should be of the nip and tuck variety. The strengthened Night Owls will make an effort to take a fall out of the Cadets, and, judging from their line-up, should come pretty near doing the trick.

TOM COUHIG AND MARTIN DUFFY

Both Boxers Confident of Winning Next Saturday's Battle.

Tom Couhig has one of the shortest and best records of any boxer now before the public. His only defeat was Matty Matthews' decision at Louisville in 20 rounds that was afterwards emphatically reversed. Besides he has beaten McFarland, Corbett, Eddie Burns, Supples and Duffy and has a draw to his credit with Frank Erne. His manager is gracefully conceding Duffy a second chance within two months, feeling confident that he will again win, notwithstanding the clean break conditions and the limit of 140 lbs. Both men have subscribed to the Crescent A.C.'s penalty clause for hitting in clinches, which assures that the bout will continue for 20 rounds or until terminated by the superiority of one of the contestants. The shorter bouts, John Jackson v. Eli Gibson, the heavyweight amateurs, and Jimmy Smith v. Billy McCarthy, at 128 lbs., should produce two battles of more than ordinary interest.

The scale of prices for next Saturday night will be as follows: Gallery 75c, promenade and arena seats $1.25 and reserved ring-side seats $2.
