MOTHER GOOSE PLAYLET

Presented by Canadian Girls in Training of Dundas Centre Church.

The Canadian Girls-in-Training of the Dundas Centre Methodist Church on Friday night presented a delightful Mother Goose play in the Sunday school rooms in aid of the fund for the Children's Memorial Hospital. A pageant, "The Queen of Hearts," was another little comedy presented. Miss Gertrude Cahill was Queen of hearts, and Miss Eleanor Grant, under whose direction the playlet was given, was the court herald. Miss Gertrude Andrews played Bo-Peep; Miss Dorothy Tait, Mother Goose, and Miss Margaret Cowley was Old Mother Hubbard. Others taking part in the playlet were Misses Marion Grant, Ruby Westman, Marion Tanton, Kathleen Yeates, Mildred Keenleyside, and Rita Lowry. Following the playlet a musical program was given by Iva Smith, Edith McGuffin, Rita Lowry, Dorothy Cahill, Annie Ward, Mildred Pocock and Miss Walton. Miss Bessie McCamus, who presided, paid a tribute to the Canadian Girls-in-Training, saying that their work was the outcome of a new version of Sunday school work.

SACREMENTAL SERVICES.—At the morning and evening services in Askin Street Methodist Church the Sacrament of the Lord's Supper will be partaken of. At 10 o'clock, Rev. T. S. Roy, of Talbot Street Baptist Church, will give the address to the Men's Brotherhood.

COST OF 14 TRIPS ON STREET CARS YESTERDAY WILL BE THE PRICE OF HAIRCUTS NEXT MONDAY

Barbers Advance Prices for Haircuts and Shaves.

Barbers have increased their prices again. The journeymen demanded an increase, and the only option which the master bakers had was to raise their prices. The increase is a 10 per cent one, and goes into effect on Monday. The hair-cut price will be 50 cents and for a shave 25 cents. The men receive $20 per week and 60 per cent of the receipts over $26.

"The last jump in prices was made on April 1, 1919. The days of the 15-cent hair-cut and the 10-cent shave are a thing of the past," stated one barber this morning. "Everything else has gone up, and there is no reason why barbers should not raise their prices."

WILL WORK LONGER THAN EIGHT HOURS

Laborers and Hod-Carriers' Union to Maintain Old Hours Pending Arbitration.

Although the members of the Laborers' and Hod Carriers' Union were supposed to have started to work eight hours a day, beginning today, they have been notified by their officials that they are to work the same number of hours that they have been working in the past. This is partly due to the fact that the employers wanted to have a compromise on the wage question. The men refused, with the result that all matters have been left to an arbitration board. The employees will work the same number of hours during the arbitration proceedings as usual.

LOCAL NEWS

WILL TAKE SERVICE.—At the Church of Epiphany, Manor Park, on Sunday evening at 7 o'clock, the address will be given by Raymond Smith.

WEEKLY COURT. — Mr. Justice Orde, recently appointed to succeed Mr. Justice Britton, retired from the bench, presided this morning at the weekly sittings of the high court here.

PRESENTATION TO LIBRARY.—Mr. and Mrs. W. T. Williams have presented the London Public Library with a bust by Paul Peel of the artist's sister. Paul Peel was one of the most distinguished Canadian artists and at one time made his home in London.

REPEATED SUNDAY.—The anthem "Watchman, What of the Night," by Thompson, rendered last Sunday night in such an excellent manner by the choir of the Cronyn Memorial Church, will be repeated tomorrow morning. Laurence Heathcote, who sang the tenor solo in fine voice, will again sing tomorrow.

CHOIR WERE GUESTS.—The choir of the Hyatt Avenue Methodist Church were the guests at a banquet given by the Ladies' Aid of the church. C. R. Myrick acted as chairman for the evening. A very pleasing program was disposed of, comprising toasts and songs. Speeches were given in honor of the choir and the conductor Clarence Gilmore.

REMANDED A WEEK. — A 17-year-old boy was remanded for one week after pleading guilty in police court to the theft of $28 from H. J. Childs, druggist, East London. He was formerly employed after school by the druggist and continued to frequent the store. The amount taken was in three installments of $5, $13 and $10. The boy had $27.17 in his possession when arrested and this was returned to Mr. Childs. One man was fined $10 for being intoxicated.

FAREWELL BANQUET.—On Thursday evening about twenty-five friends of Wm. Haire tendered him a banquet at Wong's and presented the guest of occasion with a leather club-bag. Mr. Haire, or as he is known to his friends, "Bill," has been an employee of James Cowan & Co. for almost ten years, and is leaving the city for Port Arthur, Ont., where he will be manager of a large hardware concern. After the banquet the evening was spent in songs, speeches and instrumental solos, the musical part of this very enjoyable affair being arranged by Fred Land.

ON THE WARPATH!

The civic council was referred to as irresponsible by the Real Estate Owners' Association when they went on the warpath over the big expenditures by the city at a meeting last night. The landlords state that the taxpayers are powerless to remedy matters until next election. They passed the following resolution to vent their feelings over the misconduct of the city fathers:

"That it is a dangerous state of affairs when an irresponsible civic council can override and set at naught the expressed mandate of the electorate, and we think it is about time that we shut up our mouths and stop talking about German autocracy and the superior democratic institutions existing in this country, and while we must admit that the taxpayer is powerless to remedy the present condition of things until next election date, we respectfully request all who believe in the majority vote to take notice of the actions of Mayor Little and certain aldermen with respect to these important matters."

DEATHS AND FUNERALS

DIED IN DETROIT.

The death of William J. Lobb, eldest son of Mrs. Annie and the late W. T. S. Lobb, occurred in Detroit on Wednesday. Mr. Lobb was born in London 26 years ago, and spent all of his life in this city until the great war broke out. He enlisted in the early part of the war and was overseas for four years, two of which were spent in France.

He is survived by his widowed mother, three sisters, Mrs. Portsmouth, Mrs. Barnsley and Mrs. Talliaferro, and one brother, Harold, in the West.

The funeral, which is under the auspices of the Great War Veterans will be held from his mother's residence, 204 Rectory street, on Sunday at 3 p.m., to Mount Pleasant Cemetery. Rev. George McKinley of Hyatt Avenue Methodist Church will conduct the services.

MRS. LEILA LINDSAY.

Miss Leila Lindsay of Lucan died at an early hour in Victoria Hospital on Friday morning, after a lingering illness. Miss Lindsay was a native of Lucan. The remains will be forwarded to Poplar Hill, and interment will be made in the Coldstream Cemetery on Sunday. Miss Lindsay is survived by two brothers, Percy of Lucan and Charles of St. Clair, and one sister, Mrs. G. Richardson of Moose Jaw.

NEW PARTY TO HOLD CAUCUS NEXT WEEK

Attitude of Party On Budget To Be Discussed.

Ottawa, May 71.—Canadian Press.—With the return of the Hon. T. A. Crerar to Ottawa on Monday, members of the National Progressive party in the House are planning to hold a caucus within the next few days, at which the attitude of the party on the various phases of the budget will be discussed. It is taken for granted that the farmers will not ask for the entire abolition of the tariff, although there are those among their ransk who have stated on the floor of the House this session that if they had their way they would wipe the tariff out altogether. Hon. Mr. Crerar, however, has made it equally plain that he does not want to do away with the tariff at one fell swoop.

HON. F. B. CARVELL IS TO BE HERE MONDAY

Will Inspect the Westminster Hospital and Discuss L. and P. S. Matters.

Hon. F. B. Carvell, chairman of the Dominion Board of Railway Commissioners, will be in the city Monday. He will address the Rotary Club and will inspect the new Westminster Hospital. The railway board recently ordered the London and Port Stanley Railway to make another stop at this point for the accommodation of the hospital. This was done without consulting the London Railway Commission. They made an appeal on the grounds that the position of the stopping place named by the government was contrary to good railroad practice.

There is one stopping place immediately over the bridge at the city limits, and another one at the first concession of Westminster. The government wants another stopping place between these. This would place it on a curve and right at a switching point. The commission claims that one of the stops already existing would be better for the hospital, and would eliminate the difficulty of stopping on a switch point.

HERE'S WHAT

Ealing way where his own stenographer lives.

Thank goodness, she wouldn't have the old excuse for coming late that she was waiting for a street car. That excuse was getting a bit monotonous. But would she come at all?

A LONG, LONG TIME.

The Smiths and the Jones have lived next door to each other for a dozen years, but never got acquainted. This morning Jones rode down in Smith's car, and gratefully offered Smith the loan of his lawn mower for th's season's grass cutting. It wouldn't work on Jones' lawn last year, but then Smith being a handy man with a car can, perhaps, tinker it up. With the male members of the family thus on friendly terms, trust the women folks to keep on their own sides of the backyard fence! Never, never, never. They are going to the matinee together this afternoon. More business for the movie places!

Jones is a free trade radical and Smith voted Unionist in the last federal election. Riding in the same tin lizzie each admits that he may be mistaken, and Smith is frankly disgusted with Bordenist badgerings and the high price of gasoline. Jones weakens to admit that a high tariff on jewelry and other luxuries may be all right so long as necessaries come into the country free. They were both discussing single tax when they passed the downtown traffic cop.

MUCH DISCUSSION.

Much discussion is being heard this morning on the prices on proposed 'bus lines. If they are as low as those of London, England, people claim the street railway will lose business on the paved routes.

SLEPT PEACEFULLY.

Citizens living on the car lines all slept in this morning owing to the absence of the usual 6 a.m. bedlam.

Residents of the north end claim they will have to walk if there are no cars. They say they would sooner chance becoming seasick than being thrown off the second-story of a 'bus.

PITY THE COP!

To be a traffic cop in the time of a street railway strike is no great joy. Constable B. Irwin, who was stationed at Dundas and Richmond streets this morning, was a human semaphore. On each corner there was a line of motor cars waiting for the constable's signal. He had great difficulty with motorists from outside places who are not familiar with city traffic regulations.

HAVE NO DIFFICULTY

Manufacturing and other large firms experienced very little difficult from the street railway strike. Many of them have arranged or are arranging transportation systems.

The McCormick Manufacturing Company had its trucks out on various routes this morning. They operated in South London, West London, on Dundas and Adelaide streets and on the Hamilton road. They were on the streets in sufficient time before the hour for work to have the vast majority of the employees at their duties on time.

Smallman & Ingram, Limited, are arranging a truck and auto system which will go into effect on Monday.

A schedule is also being arranged by the superintendent of the McClary Manufacturing Company.

The Empire Manufacturing Company had private autos as well as trucks to bring those employed at their plant to work.

On Monday the exchange of the Bell Telephone Company will use autos to bring the girls residing at any distance greater than a reasonable walking one to the office.

The C. S. Hyman Company is fortunate inasmuch that most of its employees reside within a reasonable distance of their place of employment.

The D. S. Perrin Company will send trucks out in all directions on Monday. A few were pressed into service this morning.

Nurses employed by the soldiers' civil re-establishment commission did not worry when old 27, the Springbank liner went to the car barns. An S. C. R. motor 'bus took them to the sanatorium.

Military headquarters had motor trucks out in various parts of the city to bring the stenographers and other staff employees, who live out, to work. A ladder was part of the equipment of each truck.

WARNING TO LONDON AUTOISTS WHO SPEED IN RAILWAY CITY

Fines of $20 Will No Longer Be Judged Proper Punishment.

ST. THOMAS, April 30.—Nearly a dozen London and Middlesex autoists have been summoned to explain to the local magistrate why they will exceed the speed limit when pushing their cars on the asphalt pavement on Talbot street. Time and again the visitors from London have been warned and penalized and fined; but they will make friends with the police. Second and subsequent offenders coming from the "North Countrie" will hereafter be given more than a passing notice and $20 fine by the magistrate.

WANT TO KNOW IF MENACE IS BANNED

Ottawa, May 1.—Canadian Press.—Entry of objectionable publications into Canada is likely to be discussed on the floor of the House of Commons on Monday, when Dr. Edwards, Frontenac, will ask if a paper entitled the Menace, published in the United States, was banned, the date of the ban, and if it is still in force.

FIGHTING STILL IN PROGRESS AT CHITA

Vladivostok, May 1.—Severe fighting is in progress at Chita, Transbaikalia, between the forces of Gen. Voitzekoffsky, the sole remnant of Admiral Kolchak's army in Transbaikalia, and the opposing Bolsheviki faction, according to reports from a Russian source. The Japanese are declared to be supporting Gen. Voitzekoffsky.

OFF THE RAILS

Daylight saving will not affect the schedule of the railroads, according to statements made by local officials. In the places where the new time is adopted locally the G. T. R. will use it in its shops and offices or wherever it affects the employees at that place, but the time-table will in no way be affected. Daylight saving has not been adopted at any place west of Toronto on the Grand Trunk.

Two hundred and fifty thousand new railroad ties will be laid in place of old ones throughout the London division of the G. T. R., according to C. F. Forrester, superintendent of the district.

Work on replacing worn ties usually starts each year on May 1, but owing to the lateness of the season and the length of time it requires to bring the frost out of the ground, the work will not start for a week or so. Although reports from different parts of the country stated that the frost did not go deep in the ground throughout the winter, it went deep into the railroad right-of-way, because it was kept fairly free from snow.

Work of laying new 100-pound steel rails between Paris and Sarnia was expected to be started on the first of the month, but the construction will be delayed for a few days, as the rails have not arrived. They are expected to come at any time.

Yukon Goes Dry

DAWSON, April 30. — The Yukon Legislature, after being in session for three weeks, adjourned Wednesday after passing eleven bills, the most important of which was the one prohibiting the sale of intoxicants for beverage purposes. The export of moose and caribou hides will be prohibited to prevent the slaughter of these animals.

KNOTTY'S RED SOX HOLD THEIR FIRST SPRING WORKOUT

Brantford Squad Now Number Sixteen Players—Braves and Sox Play Today.

Brantford, April 30.—Sumpter Clarke, outfielder, reported here today from Baltimore, bringing the Red Sox squad up to 16 players. Kitchener and Brantford play an exhibition game here on Saturday. The first workout of the Red Sox was held today and fine work was done by McElligot, third baseman, who worked out with Rochester this spring, and by the new first baseman, Wanamaugher. Manager Lee is especially pleased with his pitching staff, Winslow and Walters, who are showing great stuff.

AT WETZEL'S SWIMMING HOLE

[By G. H. Townsley.

Delaware, Ohio, April 30.—The game scheduled between the London team and the Ohio Wesleyan Varsity was called off today on account of wet grounds.

Frequent showers made any outdoor practice impossible all day. Buzz Wetzel was therefore compelled to work out his pitchers in the cages. Although there has been an extraordinary amount of rain so far this season, the players say that this is the most successful training camp they ever attended, because of the fact that when it rains the cages will always serve for at least a light workout. This is especially shown in the way the pitchers are improving. Lefty Thomas, the big southpaw hurler from Lexington, Ky., was in high spirits today, and was showing all sorts of speed, form and control. His ability to place that little pill where he wants it bids fair to work disaster in many a rival team. Tickey Wheeler is developing an awful wicked curve in the form of an outdrop.

The team will journey to Sandusky City, Ohio, Sunday as was planned. The weather predictions for that day are good, so far as can be determined now.

BIG STEEL PLANT LIKELY TO BE TIED UP SOON

Hamilton, May 1.—May Day found Hamilton with labor troubles on its hands, which threaten to grow to considerable proportions by Monday. The steam and stationary engineers at the steel plant and other big concerns are on strike. The union called out all men in shops where employers refused to negotiate. This will likely mean tieing up the steel plant and throwing 2,500 men out of work. It is said the company has taken special steps to protect its property, and is looking for a long-drawn-out fight. The sheet metal workers on contracting jobs are also out as are building laborers. The bricklayers and stone masons are taking a "holiday."

For Spring Ailments

You feel the same every year in the spring-time—periodic headaches, stiffness of the joints, lame back. The root of the trouble is your kidneys. They are not functioning properly. They have not become accustomed to the mild damp weather. They are not taking the poisonous substances out of your system.

Dr. Clement's Juniper Pills are a sure remedy for all diseases of the kidneys and liver. They will clear up your diseased system and make you feel strong and active again.

Price, 50 cents a box, or six boxes for $2.50. At all druggists or by mail prepaid. The Clement Medicine Company, Limited, Woodstock, Ontario.

WEAK, WATERY BLOOD IS THE CAUSE OF MANY SERIOUS TROUBLES

Pale, Weak Women and Girls, Easily Tired Men and Boys Are Victims of Anaemia—Sound, Robust Health Can Only be Had by Enriching the Blood and Keeping It Red and Pure.

CONDITIONS OF THIN, WATERY BLOOD CAN BE EASILY CORRECTED THROUGH THE USE OF DR. WILLIAMS' PINK PILLS

Anaemia is so prevalent, particularly among young girls and growing boys, that every mother should know how to recognize its symptoms, for this trouble makes its approach so gradually and so stealthily that it is often far advanced before it is noticed. Anaemia literally means bloodlessness, and it is thought to be due to a lack of sunlight, improper nourishment, and insufficient out-of-door air. It is most common among those who are confined indoors by their occupations and among those who do not eat regularly or do not select a proper diet.

LOOK FOR THESE SYMPTOMS.

The one general symptom of anaemia is pallor. The cheeks gradually lose their color, the lips become white. With this loss of color there comes a tendency to fatigue, palpitation of the heart and breathlessness after slight exertion, with occasional headaches. In ordinary anaemic conditions, including the anaemic that afflicts young girls in their teens, Dr. Williams' Pink Pills are all the medicine required. These, with fresh air, sunlight, proper food and a little rest after meals will make recovery complete.

NERVOUS TROUBLES.

Many severe nervous troubles have their origin in anaemia. It is literally true that when the blood is weak and watery, the nerves are starved, and there follows neuralgia, sciatica and nervous headaches. When the blood is made rich and red, these troubles disappear, as is shown by the case of Miss Annie L. Johnston, R. R. No. 1, Listowel, Ont., who says: "For a long time I was a severe sufferer from nervous troubles, with the result that I grew very pale and weak. Medical treatment did not help me, and various medicines had no beneficial effect, until finally a friend advised me to try Dr. Williams' Pink Pills. I began their use and took the pills regularly for several months, with the result that I not only gained in weight, but have recovered my full health and strength. I cannot praise Dr. Williams' Pink Pills too highly for what they have done for me."

BLOOD WEAK AND WATERY.

Another case in which Dr. Williams' Pink Pills have restored a weak, despondent girl to good health is that of Miss Jessie McLean, Trenton, N. S., who says: "I was as weak as it was possible for anyone to be, and yet be able to go about. My blood seemed to have turned almost to water. I was pale, the least exertion would leave me breathless, and when I went upstairs I would have to stop and rest on the way. I often had severe headaches, and at times my heart would palpitate alarmingly. A good friend urged me to try Dr. Williams' Pink Pills and I have reason to be grateful that I took the advice. Soon after beginning the use of the pills I began to get stronger, and by the time I had taken seven boxes I felt that I was again enjoying good health. I think Dr. Williams' Pink Pills are a blessing to weak girls, and I shall always warmly recommend them."

WEAK AND RUN DOWN.

There is no eight-hour-day for the woman in the home. Her every waking hour is filled with household duties and cares, and often, under the strain, her blood becomes weak and watery, and there is a complete breakdown in health. Mrs. Milan Bailey, Utterson, Ont., tells what Dr. Williams' Pink Pills did for her in a health crisis. She says: "Some two years ago I got weak and badly rundown, and could scarcely do my housework. I grew so thin that my friends used to comment upon it. At that time my baby was six months old and the care of it and my housework was almost too much for me. It was at this stage that my husband got me a supply of Dr. Williams' Pink Pills, and before I had been taking them long, we could see an improvement in my condition. For months I had not been sleeping well and my natural sleep returned and I wasn't so nervous. Then my friends began to comment on my improved condition and tell me how much better I was looking. By the time I had taken six boxes I felt completely cured, and have since enjoyed the best of health. Now I never fail to recommend Dr. Williams' Pink Pills when any of my friends are ailing."

A TEACHER'S EXPERIENCE.

Nervous exhaustion, nearly always brought on by anaemia, is one of the most serious troubles affecting men and women of today. The only way to bring back sound, vigorous health is to feed the starved nerves, which are clamoring for new, rich blood. This new blood can be had through the use of Dr. Williams' Pink Pills, which fact accounts for the thousands of cures of nervous diseases brought about by this powerful blood builder and nerve restorer. Through a fair use of this medicine thousands of despondent people have been made bright, active and strong, among these is Miss Bibiane Chiasson, South Beach, Que., who says: "I am a teacher by profession, and probably due to the close confinement and arduous nature of my duties I became much rundown and suffered from extreme nervousness. The least noise would startle me, and my heart would beat violently. Indeed my condition was an unhappy one. I had often heard of Dr. Williams' Pink Pills as a cure for nervous troubles and decided to give them a fair trial. I am happy to say that this medicine completely restored my health, and I can confidently recommend it to all suffering from nervous troubles."

WE SELL REDWINE KENTUCKY CANNEL
H. H. McKILLIP, R. R. LYONS, Manager. CHAS. S. MARTIN.

MARTIN'S MAN SAYS—

Dear Friends,—Meet my friend, Redwine Cannel! He rode (with me) in the Made-in-Canada parade—huge glistening chunks of him, that would almost get the Thames on fire! He is the best Grade coal, for a Grate fire, to sit before (with your best girl) on a great night. He is the Only Fellow who can make a bright third at a party of two—and never make himself a nuisance. On damp, chilly evenings he is doubly welcome. He is a worthy partner, too.
