SPIRIT OF THE TIMES.

Athletic.

As expected, the Beavers' sports were good, and more than that, they were financially successful. There were no end of entries, and the events were called off rapidly. A big crowd applauded the efforts of the boys, and went wild with excitement in the mile run and half-mile walk. These were undoubtedly the best performances of the evening, and the time in the former is as creditable as an out-door record of 4:45. In that race Baxter again gave evidence of a remarkable reserve power, while O'Reilly made a much better showing than he ever made before. O'Reilly runs smooth y, gracefully and he only needs a little more practice at sprinting to bring him up at the end of his race. In the short races the men were altogether too anxious to get away. Several false starts were made and as a consequence some of the runners lost a yard or two, and McKee, of Montreal, after winning his heat in the fifty yards dash got disqualified in the final. This was unfortunate, but false starting will always be one of the features of a St. John meeting, until men find that the rule of the Amateur Association, which refers to this, will be strictly enforced. The events were won as follows:

50 yards dash, (1st heat) (1) J. McKee, Montreal A. A. C., 1 foot, (2) R. A. Watson, B. L. & A. C. (2 feet); Payne and Williams. Time 5 1-5 sec. McKee, Payne and Williams were put back one yard for false starting.

50 yards dash (2nd heat,) (1) Frank White, Y. M. C. A., scratch; (2) E. R. Taylor, B. L. and A. C., 3 feet; Carvill and Bain. Time 5 2-5 sec. Taylor, Carvill and Bain were put back one yard for false starting.

50 yards dash (final) (1) R. A. Watson, (2) Frank White, (3) E. R. Taylor. Time 5 1-5. McKee was disqualified for three false starts. White and Taylor made two false starts and Watson was consequently advanced two yards.

Running broad jump, (1) Frank White, (5 inches,) 16 ft. 10 in, (2) Harding Payne, (8 inches), 16 ft. 6 in. (3) Wm. Vincent, (scratch) 7 ft. ½ in.

One mile run—(1) A. J. Baxter, scratch (2) T. O'Reilly, U. L. C. 12 yards, (3) A. Williams, U. L. C. 24 yards; Puddington. Time 5:08 1-5.

Hurdle race, (1) Frank White. (2) R. A. Watson.

Half-mile race, (1) W. Vincent, scratch. (2) C. Lawton, 10 yards. (3) H. H. Ring U. L. C. 8 yards.

High jump (1) Walker, Y. M. C. A., 4.10½. (2) L. C. Tabor Y. M. C. A. (3) J. McKee.

220 yards dash (first heat) (1) R. A. Watson 3 feet; (2) C. H. Barnes, Y. M. C. A., 12 feet. Three other entries.

220 yards (second heat) (1) F. White, scratch; (2) H. J. Baxter, 4½ feet.

220 yards, (final) (1) F. White; (2) R. A. Watson. Time 27 4-5.

High kick—H. Payne, (3 inches) 8 ft. 1½ in. (2) T. S. Hall (scratch) 8 ft. 4 in. (3) L. C. Tabor (1 inch) 7 ft. 10½ inches.

Boys—the St. Stephen public library, Jr. B. L. C. scratch (2) W. Frith, Jr. B. L. C. 4 yards. Frith and several others were put back two yards for false starting.

Half mile walk, (1) F. Berton, U. A. A. C. 1 yard; (2) F. McAndrews, Y. M. C. A. scratch; (3) J. F. Berton 8 yards.

440 yards dash—(1) A. J. Baxter 3 yards. (2) W. Vincent scratch. Four other competitors. Time 62 1-5 sec.

ECHOES OF THE TRACK.

Ready! Set!—Go back a yard,
Wonder what Walker's high jump record is?

White got the homers of the evening with 18 points.

The "little fellows," come in for a large share of the ladies' admiration.

F. Berton the University boy is getting to be a fly-per.

Little Jack Berton was the object of much applause which was not in the least object—ionable.

Johnnie walked a game race, and is really a splendid walker for a boy so young. He did the half in less than 3:50.

Gerow and Frith in the boys' race easily got away from the other competitors. Both are pretty lively on their feet.

The running broad jump needs apologies, but then the boys had to jump uphill, and with rubber shoes.

The Unions did not turn out to these sports like the Beavers and Y. M. C. A's turned out to the Unions' sports a short time ago. If the Unions are to compare with the Beavers and Y. M. C. A's as athlets they want to brace up and go into sports to win.

Married at Gagetown.

At St. John's church, Gagetown, yesterday, the marriage of Mr. T. H. Gilbert, and Miss Sarah V. Currey, daughter of Mr. J. R. Currey, was solemnized. A number from St. John were present at the ceremony, including Mr. Geo. F. Baird, M. P., and Mrs. Baird, Mr. L. A. Currey, Mrs. T. B. Hanington and Miss Hanington, Mr. and Mrs. H. F. Hall, the Misses Hall and Mr. C. F. Hoben,

Mr. Geo. Gilbert, of St. John, acted as groomsman, while Miss Hoben attended on the bride. The bride was attired in a travelling suit of dark blue serge and silk with toque to match; Miss Hoben's dress was of heliotrope cashmere trimmed with velvet.

The ceremony was performed by Rev. Canon Roberts, and as the wedding party entered the church, the choir sang the Voice that Breathed O'er Eden. A sumptuous wedding breakfast was afterwards served at the residence of Mr. Currey, where toasts were proposed and honored, and congratulations and good wishes innumerable were showered upon the newly wedded couple. Mr. and Mrs. Gilbert will spend their honeymoon in Nova Scotia.

AN ALARM was sounded to-day from box 132 for a fire in an old un-occupied house in the Hamilton property, Strait Shore. The fire had been started, it is supposed, through the carelessness of some loafers who congregated there to play cards, etc. It was extinguished before much damage was done.

Thanksgiving Entertainment.

Thanksgiving day with its lovely Indian summer atmosphere was enjoyed by everybody, and the true spirit of thankfulness and pleasure seemed to pervade the gatherings of all kinds—religious, social or athletic—that were held during the day and evening.

THE ST. STEPHEN'S CHURCH SUNDAY SCHOOL scholars, who choose Thanksgiving evening for their harvest concert, the proceeds of which are for the aid of the poor, had unusual success, and those who attended had a very pleasant time. Rev. Dr. Macrae presided and excellent programme was carried out, those taking the principal parts being Willie Steen, C. Macrae, Misses Smith and Cameron, M. Graham, Miss Georgie Patterson and Maud Cameron.

AT BRUSSELS STREET CHURCH.

vestry ice cream was served, and a musical and literary entertainment was provided, in which Messrs Godard and Morrison, Miss Bertie Woodworth, Alice Chesley, Harry Cowan Walter Golding, Alice Golding, Stella McKay, Miss Blanch Colwell, Miss Bella Powers, Miss Furlong, Miss Emma Ritchie, Mabel Cowan, Jssie Short, and Robert Marks took part. Mr. Ira B. Kierstead, assisant superintendent presided.

AT HOME

was the feeling of all who spent the evening in the school room of the West end Baptist church and a very pleasant "at home" it was.

The pastor, Rev. J. A. Ford, and Mrs. Ford, occupied seats at one end of the room and cordially greeted the "callers." During the evening a good programme was carried out. C. Ring; Aggie L. Whipple; Misses Mullin and Wood; Messrs. Salmon and Bustin, B. Colwell, F. Bustin, H. S. Young, Miss J. Estey, Miss Mullin, Arthur Van Buren, T. H. Hall, Master George Dunham, Miss Annie Smith, and the choir contributed in their several lines of talent to the entertainment. The efficient arrangement committee were Mrs. E. J. Sheldon, Mrs. Hatfield, Misses Bessie M. Balcomb, Annie Colwell, H. Mullin, Edith Robinson, Lizzie Colwell, Susie Wells, Lottie Ring, Nettie Colwell, Tillie Toole, Katie Wilmot, Kate Buchanan, Hattie Hatton and Jessie Colwell. Refreshments were served.

In York.

A correspondent writes from St. Mary's Ferry under date of Nov. 6:—A little English girl, living with Mr. Ernest Elbett of Keswick went out the other day to draw water from the well. In lowering the bucket she lost her balance and fell headlong into the well, a distance of twenty-five feet. She was fished out in an exhausted state, just in time to save her life.

Mrs. Isaac Peabody of this place is laid up with paralysis of the brain; she is in a precarious state and not expected to recover.

Building operations have been very brisk here all summer. There were a great many new buildings erected; Mr. Wm. Jeffries built a number of tenement houses here, which add to the appearance of the place.

A great many men and teams are off to the lumber woods this fall, and the weather is all that could be desired.

Speculators are busy in this county buying potatoes for shipment to the States. The price paid is one dollar and fifty cents per barrel at farmers houses, and some buyers are purchasing and paying some cash in advance in order to secure their potatoes, and will give the current price when they take them away.

ST. JOHN is feeling badly the need of a reformatory for its juvenile criminals. Only last week eight boys five of whom were under nine years of age, were before the police magistrate on charges of stealing. The magistrate appears to have had no alternative other than to discharge them, after a severe talking to. To send them to jail with a lot of hardened criminals would simply have been to prepare them for a future of wickedness and crime. It will not be long, before progressive St. John will take a step in the direction of establishing one of these institutions for vicious and vagrant boys and girls.—Fredericton Reporter.

Mr. James M. Hird of Black Rock Mountain, King's Co. N. S. has this year raised twenty six barrels of cranberries. Mr. Hird's "bog" is situated on the highest part of the North Mountain and the berries grown there are said to be superior to those grown in the valley.

The marriage took place last Wednesday, at Sydney mines, of W. F. Snyder, manager of the cable station in Sydney, to Miss S. M. Rigby, daughter of D. G. Rigby, of Sydney Mines. A large quantity of bunting was displayed throughout the town in honor of the event, both parties being very popular in the community.

Mr. Gilbert J. Nichols, of Morristown, brought into our office on Saturday last an apple, one half of which is Baldwin the other half Nonpareil. The apple is divided longitudinally the line where the varieties join being clearly defined. The Baldwin part has grown slightly larger than the Nonpareil.—Kentville Chronicle.

Mr. R. Balfour Brown has recently discovered large deposits of metalic oxides, etc., in Digby County. These substances are suitable for making paints, and a mill will be erected shortly for grinding them, either at Port Gilbert or at Yarmouth. All shades, yellow, red and black are found, including sienna equal to that from Italy.

Hedly Garrison, barrister, of New Glasgow, who is stopping at the Halifax hotel informed a Mail reporter that negotiations are now pending with New York parties for the construction of an electric railway to run fiom Trenton through New Glasgow to Stellarton. The road has already been surveyed and it is said it will be in running order in the early spring.

Mr. James Sabeans, of Port Lorne, N. S. has passed his birth day, and is one hundred and two years old. He lives with his son and family, who speak of his disposition as remarkable, always pleasant and agreeable about the house, and converses cheerfully with any who call. His memory serves him well, and he speaks of incidents happening when ten years old and later through the many years he has passed.

Although in existence barely six months, the St. Stephen public library has been well patronized and is furnishing to many people in St. Stephen first class literature at a nominal cost. Since it was opened, 145 persons have taken books and 1973 volumes have been read. It may be added that the library is open to townspeople and all others in the vicinity on payment of a guarantee fee of $1.00 a year.—St. Croix Courier.

The Boston Sunday Herald of the 2nd says, Dr. A. H. Chandler, of New Brunswick, the Canadian poet, is in town on a brief visit, and is stopping at the Parker House. He is well known as a frequent contributor to the Boston press, and his poems are stamped with a sweet freshness and a pure love of and familiarity with nature that are rarely surpassed. His beautiful lyrics and his poem on "Immortality" are well known among readers of taste and lovers of the beautiful.

Last Friday night was even a more memorable Hallow E'en in Sydney than usual, the amount of destruction perpetrated by rascals, whom, it seems, nobody saw in the act, going into the hundreds of dollars. The fine young ornamental trees in front of the Merchants bank in the centre of the town, were ruthlessly uprooted, smashed and destroyed, while the number of signs torn down, gates smashed and carried away and similiar damage perpetrated extended for miles out the roads.—Sydney Reporter.

Mrs. Pope, widow of the Rev. Henry Pope, senr., passed peacefully away yesterday morning. This estimable lady had attained the good old age of 85 years. Born in Shelburne, Mrs. Pope removed at an early age to Halifax, and for the past 60 years has been well-known in this country for her simple genial life. Characterized by unostentatious piety and good works, her death will heard of with regret by a host of friends throughout the province.—Halifax Herald.
