
The Broadviews Win Final From Thistles Three Goals to 1

LITTLE YORK, Dec. 3.—That Association football occupies a warm spot in the affections of Toronto people was much in evidence this afternoon, when a large and enthusiastic crowd traveled down to Little York to witness the final game between Thistles and Broadviews for the T. and D. championship. It was anything but an inviting journey thru the snow out to the grounds, but that was no obstacle when a championship game was to be decided. There was even a generous sprinkling of ladies among the crowds on the touch-line. The Broadview Rooters' Club were out in full force with a big consignment of magaphones and there were lots of other noises of all shapes and colors. The Broadviews were on the field first and had a 15 minutes' practice in goal before their opponents arrived. It was 3.15 o'clock when the game started.

The line-up was as follows:

Broadviews (3): Goal, Irving; full backs, Roberts, Fred Gilding; half-backs, Maddocks, Gibbons, Givens; forwards, George Gilding, Frank Gilding, Young, Chandler, Matthews.

Thistles (1): Goal, Dunbar; full-backs, Marshall, Notcutt; half-backs, Waller, McBain, Buchanan; forwards, Parkin, Cater, Small, Nicols, Patterson.

George Mills of Toronto was referee.

First Half.—Thistles won the toss and chose to play down field. They started off with a nice combination thru forwards, but the Broadview backs were strong and played nicely on the defence. Five minutes after the game commenced Broadviews began to assume the aggressive, and kept the ball almost continuously in Thistle territory, and Dunbar, the blue and white goalkeeper, saved some dangerous shots. The attack, however, became too strenuous for Thistles, at this stage, and Chandler succeeded in scoring, after Dunbar had made several attempts to get the ball out of goal. The play now assumed a somewhat different aspect, and Thistles had the better of the play for a few minutes, their forward line making some determined rushes on the Broadview goal, but without any result. A feature of the play in this half was the splendid long-disance shots on goal made by the Broadview half-backs, Givens doing especially good work. Play was about even when half-time was called. Score:

BROADVIEWS 1, THISTLES 0.

Second Half.—Hardly had play commenced when Broadviews started in in whirlwind fashion and poured shot after shot in front of the Thistle goal. After two or three minutes of play the red and black again shot, making the score at this point 2—0 in favor of Broadviews.

From now on Broadviews had decidedly the better of the play, their team-work and passing being perfect. It was in the Thistles' back division that their weakness lay, the players as a whole being greatly handicapped by the absence of Campbell, their star centre half. Nevertheless, the blue and white had a good man in Notcutt, who put up an excellent defence all thru, his driving kicks to mid-field often giving the forwards splendid chances to get away with the ball. After a nice run down field, Herb Matthews scored the third goal for Broadviews. Play now began to get rough, and in one instance a free fight took place between Waller and Young, which was interrupted by the spectators rushing on the field. Both men were penalized for the remainder of the game. Thistles, however, rallied in their play during the last five minutes and kept the Broadviews hustling. Nicholls put in one, that the Broadview goalkeeper was powerless to stop. The score was now 3 to 1, with only four minutes to play and Broadviews took no chances, but played a steady game right to the finish. The Thistles' team seemed partly disorganized and with Rowe and Campbell, two of their best players gone, they were not at all the same team as that of last Saturday. Broadviews on the contrary showed excellent form and deserve all credit for their victory. Some comment was made regarding the first two goals scored by Broadviews. It was claimed that the first one was a foul, having been pushed thru the posts by hand, while the second was regarded in many quarters as an off-side goal. The referee, however, allowed both points, and the final score was:

BROADVIEWS 3, THISTLES 1.

Hamilton Alerts Wallop Petrolea O.R.F.U. Final

HAMILTON, Dec. 3.—Before a large crowd at Britannia Park, the Alerts and Petrolea met this afternoon to decide the junior championship of the O.R.F.U. It was very cold and the grounds were as hard as a rock. At Petrolea last Saturday, in the first of the home-and-home series, the game ended in favor of the home team by 13 to 4. The Petrolea bunch brought down a silver band and rooters' club, three hundred strong. The Alerts were supported by the band of the 91st Highlanders and a rooters' club of large dimensions, which marched thru the city from the Gore. The line-up was as follows:

Petrolea (2)—Full-back, Stirrett; halves, McRea, Deacon, Pollard; quarter, McGowan; scrimmage, Duncan, Thomas, Smith; wings, Robson, J. Webb, R.Webb, Rose, Ropper, Peat.

Alerts (20)—Full-back, G.Fickley; halves, Laing, Flannery, Carr; quarter, Harper; scrimmage, Spence, C. Fickley, Ireland; wings, Becker, Clark, Snider, Tyce, Rockmaker, Havers.

Referee—W. A. McPherson, Toronto. Umpire—Thomas Stock, Dundas.

First Quarter.—The Alerts pressed Petrolea right at the outset and Deacon was finally forced to rouge. The game was very rough, two Alerts and one Petrolea man being benched for dirty work. Deacon was caught a moment or two later for another rouge, and two minutes afterwards did it again. It had been all Alerts. Becker then stole a ball on the line and went over for a try. It was not converted. First quarter ended

ALERTS 8, PETROLEA 0.

Second Quarter.—After a long kick by Fickley, Carr got it by running up. The Alerts then pushed Becker over for another try. It was not converted. The game was delayed for five minutes because the Petrolea captain wanted to take his team off the field. He claimed his team was being ill-treated by the Alerts. Several Alerts supporters were also ejected from the grand stand for stealing favors from Petrolea visitors. Half time score

ALERTS 13, PETROLEA 0.

Third Quarter.—After resumption, the Alerts slowly forced Petrolea back, and failure to give Fickley yards took the scrimmage to five yards out. Becker was once more rammed over for a try. No conversion. A series of onside kicks took the ball back to Petrolea's ten-yard line, and another try was taken by the Alerts. It could not be converted. Petrolea got a rouge after a series of bucks. The quarter ended:

PETROLEA 2, ALERTS 23.

Fourth Quarter.—Another rouge, goal and try were secured by Petrolea just after changing ends. Final score:

ALERTS 30, PETROLEA 2.

BARLEYTHORPE WINNER FEATURE AT MONCRIEF

Danfield, Favorite, Runs Outside Money—Results at Juarez and Oakland.

JACKSONVILLE, Dec. 3.—Barleythorpe, running in the colors of James E. Gaffney, the New York turfman, and held at 8 to 1 in the betting, was returned the winner of the Quickstep Stakes at Moncrief Park to-day. Ryestraw was second with Ella Bryson third.

Eleven in all faced the starter in the event with Helen Ellen coupled with Barleythorpe. The betting on the race was undoubtedly the heaviest of the meeting. Danfield closed favorite and was backed thruout the country. The running of the race found Ryestraw off in front, closely attended by Imprint and Ella Bryson. Turning for home the pacemaker was seen to hang out the distress signal and there was a general closing up. In the final furlong Barleythorpe, under a powerful finish at the hands of Jimmy Butwell, overhauled, passed out the tiring pacemakers, winning by a comfortable margin. Ryestraw outclassed Ella Bryson. The race of Danfield was too bad to be true and should not be seriously considered in future calculations.

Another good thing went wrong in the fifth when Parkview, about which there occurred a spectacular plunge, failed to deliver. The Joplin mare, which has shown some phenomenally fast trials in preparation for this race, showed a flash of speed for half a mile and then quit all over. Ottawa Hockey Conjecture.

OTTAWA, Dec. 4.—It is understood that Andrew Sutherland, president of the Interprovincial Amateur Hockey Association, will call a meeting of that body for next Saturday evening, when the schedule will be compiled. The division of the league into two sections will simplify matters greatly and an endeavor will be made at the gathering to have the two sections finish early enough to permit of a saw-off, altho whether or not the I.A.H.A. teams will challenge for the Allen Cup is a matter which will come up later. Cliffsides have not yet decided upon a rink, but it is thought that they will move back to Rideau, while the New Edinburgh seven will work out two nights a week against the Ottawa professional team.

Ottawa's professional hockeyists, the men who wore the red, white and black jerseys thru the National League session last winter, are still firm in their demands for the old scale of salaries and with Chairman Dave Mulligan, the Ottawa gum shoe artist out of the city, hockey as far as securing a team goes, is somewhat tied up in Ottawa.

Hockey Stars Holding Out.

OTTAWA, Dec. 4.—Professional hockey will lose one of the greatest defence men in the game to-day, with the retirement of Art Ross, the former Wanderer, who last season captained the Haileybury seven at the highest salary ever paid a hockeyist. Interviewed on Saturday Ross stated that with the reduction in salaries and the trouble that now clouded the eastern professional hockey horizon, there was very little likelihood of him ever playing again, tho he may consent to coach one of the numerous amateur sevens in Montreal. Depositing a certain sum of money to back up their word that they will refuse to sign under the National Association salary limit, seven members of the Wanderer team are solid against the drop in wages. This is a new stunt in Canadian hockey circles, but goes to show the intensity of feeling that the hockey stars have against the latest deal in high finance.
