BRITISH EDITORS AT OTTAWA.

Arrived There Wednesday Morning and Saw the Sights.

Ottawa, Sept. 24.—The British journalists who have been touring thru Canada arrived in Ottawa this morning, and took in the sights of the capital to-day. They were met early this morning by Hon. R. W. Scott, who showed them the parliament buildings and took them thru the library, the House of Commons and the Senate. The visitors were afterwards shown thru Eddy's paper and match works, and Mr. J. R. Booth's sawmill. From there they took a run thru the city, and landed at Rockliffe Park, where luncheon was held in the royal shanty. They were conveyed to the city by boats on the Ottawa, so as to give them a good view of the parliament buildings and Nepean Point from the river. In the afternoon they visited the Experimental Farm. The visitors are very favorably impressed with the country. They speak particularly of the fertility of the soil in Manitoba and the Northwest, which they say is something marvelous; they never saw anything like it. If the British people knew the advantages to be had in Canada, more of them would come to this country. The visitors are also greatly impressed with the Canadian educational system.

BRITISH CRUISER SAILS.

Report of Venezuelan Difficulty Awakens Interest at Halifax.

Halifax, N.S., Sept. 24.—The report from London of the strained relations between Great Britain and Venezuela has caused some uneasiness in this city, particularly in naval circles. The British North Atlantic Squadron, on station here, comprises eight cruisers and three torpedo boat destroyers. The cruisers Ariadne, Indefatigable and Pallas are here, the Charybdis and Alert are at Newfoundland and the Tribune, Retribution and Forte at Bermuda. The torpedo boat destroyers are also at the latter station. The cruiser Indefatigable, which was at Caracas a year ago, sailed under orders at 6 o'clock this morning, but her destination is unknown. The admiralty authorities say they know nothing official regarding the trouble at Venezuela, and so far no orders have been received to prepare the fleet for sea.

SPIDER POISONS THREE.

St. Joseph, Mo., Sept. 24.—Mrs. Magdeline W. Rode is dead and Dr. Walter H. Morris, her physician, is suffering from blood poison, as is E. J. Williams, the undertaker, as the result of a spider bite received by Mrs. Rode three weeks ago. Mrs. Rode died at 12 o'clock last night. Dr. Morris has confined to his room, having contracted blood poisoning from contact with his patient, and Undertaker Williams is similarly stricken.

Not for Canada.

Ottawa, Sept. 24.—The attention of the postoffice authorities was this morning drawn to the despatch from Rome, stating that the Italian Minister of Posts and Telegraphs is projecting an international envelope for use thruout the Postal Union, permitting a postpaid reply. The officials here do not favor the adoption of this proposition, at any rate, so far as Canada is concerned. They say that it is only in the interest of the wealthier classes and would cause a considerable loss of revenue.

Rev. Morgan Wood Declines.

Chicago, Sept. 24.—The People's Church is still without a pastor. It was given out in Cleveland, O., last night that the Rev. Morgan Wood had declined the call of the Chicago congregation and would remain in Cleveland. The call was extended to Mr. Wood shortly after the Rev. Frank Crane, the former pastor of the People's congregation, went east to fill a Congregational pulpit in Massachusetts. The Rev. Mr. Wood took the matter under consideration, and it was hoped he would decide to come to Chicago.

To Save Argentina's Credit.

London, Sept. 24.—The bondholders of the Cordova and Santa Fe (Argentina) municipal loans have appealed to the president of the Argentina Republic, Gen. Roca, thru the British Foreign Office, to bring pressure to bear on the defaulting municipalities in order to compel them for the sake of the national credit to pay up the interest due on the loans, now in arrears since 1891.

FIRST DAY AT NEWMARKET

North York Agricultural Fair a Success in Point of Attendance and Excellence of Exhibits.

PROMINENT POLITICIANS PRESENT.

Forty-Eighth and Local Bands on the Grounds—Three Events in the Ring.

Newmarket, Sept. 24.—North York Agricultural Society opened their annual fall fair to-day, under the most favorable auspices. The weather was perfect, and the attendance was, for the opening day, very encouraging. The Metropolitan Railway ran special cars from Toronto, and they were well patronized, while the attendance of farmers was probably larger than for many years. Entries from all sources total more than 4000, and, while no live stock was on exhibition to-day, the display of dairy and farm products, ladies' work and fine arts is of more than ordinary merit. Sir William Mulock, Hon. E. J. Davis, T. H. Lennox and many other prominent citizens were present thruout the day. The directors expect that, with favorable weather on Thursday, this will be the banner year in the history of North York. The 48th Highlanders, together with the local band, furnished music thruout the day. In the evening the Highlanders' Band gave a military concert in the skating rink, which was largely attended.

One of the most attractive displays in the main building was that of Cowan & Co., chocolate manufacturers. This exhibit was in charge of C. C. Locke and Miss Gentleman, and they were busily employed the day disposing of their well-known preparations.

Great interest centred in the sporting events, which were disposed of during the afternoon. The results:

By simultaneous action in this regard it is believed that the supporters of the government will be elected, for the full strength of both Dominion and local governments will be put forth to sustain Mr. Ross. The Times has this from reliable authority, and it will be found to be correct.

Consolidated School for Pelham.

Hon. Richard Harcourt, Minister of Education, announced on Wednesday that Sir William McDonald's consolidated rural school would probably be located in the township of Pelham, Welland County. He visited the township recently and explained the scheme at a public meeting held at Pelham Centre. The roads of the township are in good condition and it would be an easy matter to collect the scholars attending the eight schools. The cost of the consolidated school and the equipment will be borne by Sir William. In addition to the usual course of studies, domestic science, nature studies and manual training will be taught.

GUARANTEE BOND JUDGMENT

Imperial Bank Awarded $1327 in Its Suit Against R. F. Massie.

HOSPITAL CHARGED WITH NEGLECT.

Mrs. Everton Asks Damages for Death of Husband—Cases in Criminal Court.

The trial of Lewis D. Bailey, one of the Street Railway conductors charged with robbing his fare-box, will commence in the Criminal Sessions at 10 o'clock this morning. At the conclusion of Bailey's case, Conductor Harvey W. Rummans will be placed on trial. On Wednesday Alfred Inch was found guilty of complicity in the robbery of John Brown of Malton last May. Brown lost $525 in a Yonge-st. barber shop.

One day last month Josiah Chapman, a farm hand, had $21, and entrusted it to his friend, David Rowntree of Weston. Later he got some of it, and was having a drink in the Eagle Hotel at Weston, when, it is alleged, Joseph Drinkwater snatched some of the money and ran away. Drinkwater afterwards came back with Washington Irving, who was said to have been in the hotel when the money was taken. The two young men were tried in the Criminal Sessions on Wednesday on the charge of theft, and were acquitted. Irving was discharged by the judge and Drinkwater was found not guilty by the jury.

A warrant was issued for the arrest of Robert Young, who was apprehended in Buffalo, and brought back to answer a charge of stealing a watch and $80 from James Alair. Young has been out on bail.

Judgment for Imperial Bank.

R. F. Massie, F. S. Jackson and J. W. Bail traded under the firm name of the Diamond and Machine Screw Co., which went into liquidation. Advances were made to the company by the Imperial Bank to the extent of $40,000, the firm guaranteeing repayment. The bank sued, and Jackson and Bail allowed judgment to go against them by default. In the nonjury Assize Court on Wednesday the bank sued Massie on the guarantee bond. He claimed that the demand of the bank forced the company into liquidation, and that it forfeited its right under the bond. Judgment was entered in favor of the plaintiffs for $1327.

The Cawthra estate and Edwin R. Reynolds have a dispute about some land and its boundary in North York. Reynolds has a suit against Samuel Trivett, one of its executors, and an agent, for alleged trespass and illegal cutting of timber. The case came up and was adjourned.

There will be no sitting of this court to-day.

Sues Western Hospital.

In the Civil Assizes Mrs. Annie Everton of East Queen-street sued the Toronto Western Hospital to recover damages for the death of her husband, who leaped from a second-storey window while a patient in the hospital. Everton was suffering from pneumonia, which caused his mind to become deranged. The plaintiff alleged that the hospital authorities were negligent in not keeping a careful watch over the patient. The case was not finished. It is the last on the list for trial in this court.

Quirk Murder Recalled.

His Honor Judge Hardy of Brantford has granted an injunction restraining Mrs. Gladys Dudley, a spiritualistic medium, from making any further reference to the manner in which James Quirk met his death or to the whereabouts or identity of his supposed slayer. The order was made at the instance of the widow of deceased. To-day at Osgoode Hall Chancellor Boyd will be asked to continue the injunction till the trial of Mrs. Quirk's unique suit. Mrs. Quirk may seek damages at the trial for the injury done so far. L. F. Heyd, K.C., acts for Mrs. Quirk.

Herbert Ball of Toronto is seeking to realize on a $5000 judgment he recently obtained against Benjamin Kenyon, formerly of Woodstock, now living at Seattle, Wash., on the $100,000 Mr. Ball was instrumental in securing for him, his brother's California gold mine. His farm in Woodstock he has conveyed to his wife. Now Mr. Ball is seeking to set that deed aside as a fraud against him.

The trial of the libel suit brought by T. R. Preston against The Ottawa Journal, arising out of the evidence given in the Cook Senate investigation, opens at Ottawa to-day. The London Street Railway Company is appealing to have set aside the recent judgment for $400 given to Mrs. Oattiss there.

Suit has been entered here on behalf of Joseph Lee of this city against John H. Frazer, Alex. Frazer, his son, Ernest Dunlop and Emma K. P. Grant, all of Ottawa. The claim is for $25,000 damages for the alleged alienation of the affections of the plaintiff's wife, who is a daughter of Alex. Fraser.

A "Set" of Dunlop Pads.

Two pads make a set of Dunlop horseshoe pads. Many horsemen only put the one set on their horses. A pretty fair representation of one of these pads is given in another column.

Aside from the question of safety to the horse's limbs the Dunlop pads guard the horse from cracked hoofs, strained tendons.

The Dunlop Tire Company will send a set of the smaller sizes, Nos. 1 to 4, to any address for $1.25. They will be glad to send a catalogue and price list to anyone in Canada who owns a horse.

WILL UNVEIL PORTRAITS.

Ceremony Will Take Place at Mimico School on Oct. 3.

At a meeting of the Industrial School Board on Wednesday afternoon at the City Hall it was reported that portraits of the late Messrs. Goulding, Currie and Massey would be unveiled in the Mimico School on Friday afternoon, Oct. 3. The unveiling ceremony will be performed by Rev. A. H. Baldwin, Rev. Dr. Potts and A. E. Ames.

In the report of the Board of Management of the Victoria Industrial School it was stated that the number of boys in attendance on June 1st was 161; 13 were received since that date, 4 returned and 15 paroled. The number of boys in attendance on June 1 was their general behavior was good. The crops were fairly good, with the exception of potatoes, which were largely a failure. For the winter months an interesting program was drawn up. A concert will be held in October. Considerable work has been turned out by the shops, the receipts of the printing office being $70.75.

It was recommended that the stock of cattle be increased by the purchase of six head; that an appropriation be made for library purposes; that another horse be purchased, and that the salary of Drill Instructor Black be increased, in consideration of the extra labor involved.

Miss Lugsdin, superintendent of the Alexandra School, reported that there were now 26 girls in attendance. Since June four were admitted, five sent out. The receipts of the Industrial School were $6100 and the expenditure $5800. The board anticipate no trouble with their coal supply, as the contracts have already been made for the winter.

POSTOFFICE IMPROVEMENTS.

Will Be Begun Shortly and Will Last About Two Years.

It is expected that the improvements that will be carried out in the General Postoffice will be begun shortly after the tenders are opened and the contract awarded, which will be Sept. 30. The plans affect the basement and first floor only. The basement, which is now used as a storeroom, will have a lunch-room for employes 18 feet by 16 feet on the Adelaide-street side, a vault, lavatories, baths and basins. On the first floor the old wall which divides the space will be taken away. The vault will also be removed as far as the presence of some flues will permit. The improved building will have an iron stairway and an elevator, and a covered platform for the handling of mails will be erected on the Lombard-street side. Architect Curry will have charge of the work, which will probably occupy about two years. There will be no interruption of the work of receiving and distributing the mails.

New Promotion Company.

In the reference to The J. F. McLaughlin Co., Limited, in yesterdays issue, an error in the second last sentence spoiled the sense of the article. Instead of reading at it did, that "The new company have in hand the organization of The Farmers' Co-operative Farm Machinery Co., a large ranching company," it should have read: "The new company have in hand the organization of The Farmers' Co-operative Farm Machinery Co. and a large ranching company in Alberta."

If He Does Not Put Up $1500 for Good Behavior.

Dublin, Sept. 24.—The Court of King's Bench has ordered William H. Redmond, M.P., who was summoned to appear before it as a result of his recent incendiary speech at Wexford, to give bail in $1000 for his future good behavior. As Mr. Redmond did not appear, the court ordered that a warrant be issued a fortnight hence for his arrest, unless bail is furnished for his appearance. The court said that in default of bail Mr. Redmond would be imprisoned for six months.
