THE GREAT REMEDY FOR

CONSUMPTION,

and acknowledged by many prominent physicians to be the most Reliable Preparation ever introduced for the RELIEF and CURE of all

LUNG COMPLAINTS

This well known remedy is offered to the public confidently by the experience of over forty years; and when resorted to in season, seldom fails to effect a speedy cure of

Coughs, Colds, Croup, Bronchitis, Influenza, Whooping Cough, Hoarseness, Pains or Soreness in the Chest and Side, Bleeding at the Lungs, Liver Complaint, &c.

The unequalled success that has attended the application of this medicine in all cases of

PULMONARY COMPLAINTS

has induced many physicians of high standing to employ it in their practice, some of whom advise us of the fact over their own signatures. We have space only for the names of a few of these:—

ALEX. HAGUE, M.D.	A. A. GIBBS, M.D.
E. BOYDEN, M.D.	W. H. WEBB, M.D.
WM. A. REST, M.D.	W. B. LYNCH, M.D.

Such testimony

CANNOT BE DISCREDITED.

From the mass of evidence in our possession we select the following:—

From L. J. GACINE, Esq.,

of *La Minerve*, Montreal. "Having experienced the most gratifying results from the use of *Dr. Wistar's Balsam of Wild Cherry*, I am induced to express the great confidence which I have in its efficacy. For nine months I was most severely afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was entirely restored to health. I have used the Balsam in my family, and administered it to my children, with the happiest results. I am sure that such Testimony as this the Balsam can but speak in its favor. It is a preparation which has only to be tried, to be acknowledged as the remedy *par excellence*."

A CURE FOR WHOOPING COUGH.

ST. HYACINTHE, C.E., Aug. 21, 1867.

Messrs SETH W. FOWLE & SON.

Gentlemen:—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing would do for her seemed to give any way to relieve her suffering. We at length decided to try a bottle of *Dr. Wistar's Balsam of Wild Cherry*. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and it now will have since recommended the Balsam to many of my neighbors, who have used it, and in no one have it failed of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce anybody to use Wistar's Balsam I shall be glad, for I have great confidence in it.

Yours, P. GUITTE.
Proprietor of the *Courrier de St. Hyacinthe.*
