MARATHONS TOOK SECOND CONTEST FROM ST. STEPHEN

Greeks Won Out in Excellent Game, Yesterday Afternoon, by Score of 4 to 2—Fast Baseball Witnessed by Large Crowd.

The second game of the $500 series between the Marathons and the St. Stephens was played on the Marathon grounds yesterday afternoon in the presence of about 600 people and the Marathons won the second straight victory this time the score being 4 to 2.

The game was a hard fought one from start to finish, and was one of the best seen on the grounds this season. Callahan was in the box for the Greeks and for six innings not one hit was made off him. Then came the old seventh inning when something usually happens, and it was then that the St. Stephens made their two runs. Callahan of St. Stephen hit safe to left and Finnamore did the same, a bunt was hit to pitcher by Farrell and the pitcher fumbled. With the bases full Dee singled to deep centre and scored Callahan and Finnamore. Farrell was caught out at third and the next two men up struck out. Only one more single was made off Callahan in the game and that was in the last inning. The little pitcher also struck out eight men.

The Marathons made two runs in the first inning. Williams drew a base on balls and went to third on Frazer's single to left. Frazer was caught trying to steal second. Callahan smashed the ball to centre for two bags and scored Williams, Fryer got a single past pitcher, which put Callahan on third, Fryer stole second and when the catcher tried to throw him out Callahan was successful in scoring. McFaul flied out to left and Nelson struck out.

Connolly scored for the Greeks in the second inning. He drew a base on balls and stole second and crossed the plate on Frazer's two base hit to left field.

The Greeks' fourth run was made in the fifth inning. Martin failed to handle one from Fryer and the latter stole second. Riley hit to Dee at short and the throw was over the first baseman's head and Fryer scored. This was all the run getting.

There was sharp playing throughout the game and the Marathons short stop Fryer, showed up in no less than three double plays. A feature was Fryer's double in the fourth inning Finnamore hit a hard drive to Fryer who captured it with a beautiful one hand catch and doubled Callahan out on first. Fryer and McFaul figured in a double in the first inning and the third double was between Fryer, Frazer and McFaul in the fifth inning.

Another feature was a beautiful running catch by Art Finnamore in centre field in the sixth inning and a one hand catch by Farrell, the St. Stephen left fielder in the fifth inning.

The box score of the game is as follows:

ST. JOHN AND HALIFAX WILL TRY FOR BASEBALL HONORS

Marathons and Halifax Socials will Clash on the Marathon Grounds on Friday and Saturday Afternoons -- Should be Large Attendance.

St. John and Halifax, those old rivals in all lines of sport, will try conclusions for the supremacy in baseball on Friday and Saturday afternoons when the Marathons and the Halifax Socials will meet in what should prove two of the most interesting ball games in the season. The Socials have had a very successful season, and have defeated most of the teams they have met. Included in the number is the fast Stellarton team which is generally conceded to be the best baseball aggregation ever organized in Eastern Nova Scotia. The Stellarton team is a professional organization, and numbers in its line some of the best ball players in New England. Still they were unable to win from the Socials in the Halifax games, but did win in Stellarton. The two teams will play off in Truro for the championship of Nova Scotia, so it will be seen that when the Greeks meet the Socials on Friday and Saturday they will be up against the best that Nova Scotia can produce.

The Socials have also won from Dorchester, Mass., and Andover, Mass., when those teams toured Nova Scotia early in the season. On that occasion the Andover team was reinforced by some big league players, but with this they were unable to win from Halifax.

Manager Isenor of the Socials, however, realises that in the Marathons he is up against the hardest proposition in the baseball line that his team has yet attempted, and the Socials will be especially strengthened for the games here. Isenor himself is a pitcher of much class, and the redoubtable Joe Donnelly, who played first base with the Marathons for the first half of the season, now holds that position down on the Halifax team. With Joe on first base and coaching from the field there should be lots of fun when the Greeks and the pride of Halifax clash.

Both games will be started at 3 o'clock, and as the expense of bringing the Halifax team here is heavy it is hoped there will be a large attendance.

For Labor Day the Marathons will have a fast Maine team as an attraction for two games. Just which team will come is not yet decided as the management of the Greeks are in negotiation with Portland and Waterville, and it is expected that it will be one of these.

GREAT REPORTS COME FROM SUNBURY-QUEENS

Marked Contrast in Candidates' Meetings -- Liberal Working Hard Against Reciprocity -- Farmers See Bad Bargain.

Cumberland Bay, Aug. 28.—Prospects of victory for L. B. Smith, the Conservative candidate in Queens-Sunbury appear brighter every day. Col. McLean's picnics have not been the grand successes that they were three years ago. A slim attendance and an extreme indifference on the part of the spectators has been rather discouraging to the colonel. On the other hand the Conservative meetings have been largely attended and marked by great enthusiasm. The party has been getting its organization in first class shape and is determined to roll up a record vote on Sept. 21.

Reports from the parishes of Canning and Chipman are most reassuring. Prominent Liberals are leaving their party and are working against reciprocity. The farmers are beginning to realize the Laurier-Taft trade treaty is a bad bargain for them and will mean the over-stocking of the home market with cheaper grown American produce. It will require more than the labored efforts of the colonel and his reverend political helper, Mr. McCaskill with his mass of contradicting statistics, to convince them otherwise.

A public meeting in the interests of Mr. Smith will be held in Clay's hall on Wednesday evening, Aug. 30. Other meetings will follow in adjoining districts and the campaign will be kept moving lively until polling day.

ABOUT TO WED, BRIDEGROOM GONE

MISS CASELLA AND WILLIAM STEIFEL

With no news of her missing fiance, William Steifel, for whom she waited for hours on August 21 to wed her, Miss Mary Kinsella, a pretty nineteen-year-old New York girl, declares that her experience has led her to give up all thought of ever being married to any one. She said she did not fear that Mr. Steifel had met with harm nor did she believe he had kept from the altar because of lack of affection.

The reason Miss Kinsella ascribed for Mr. Steifel's failure to appear was on account of differences between the two families over the engagement.

Reciprocity spells commercial union.

CHAMPIONSHIP SPORTS WERE NOT SUCCESS

Special to The Standard.

New Glasgow, Aug. 30.—The 24th annual field and track championships of the Maritime Provinces were held here this afternoon. The features of the meet were the small entry list and the small attendance at the games The Abegweits, of Charlottetown, carried off the majority of the events, the total number of points being 69 which included 8 firsts, 6 seconds and 4 thirds. New Glasgow came second with 14 points, 2 seconds, and 5 thirds. Inverness had 13 points, 2 firsts and 1 second. The Wanderers had 5 points, 2 seconds and 3 thirds. Amherst with 5 points, Pictou, 5 points, and Montreal unattached, 5 points. The real exciting event of the day was the 880 yards dash which was won by Thomas, of Charlottetown after beating out McGee by a few inches. The other events while all contested, had nothing of the sensational order about them. The results follow:

ST. MICHAEL'S WERE BEATEN BY ST. JOHN'S

On the Marathon grounds last evening the St. Michael's baseball team were defeated by the St. John's by a score of 4—2. The game was well contested throughout, each team having their strongest line-up. The St. Michael's have two victories to their credit and the St. John's one. The teams will meet again this evening, and should the St. Michael's win, they will clinch the amateur championship of the city. Both teams will line-up as follows:

St. Michael's—Crawson, c.; Elliott, p.; Rooney, 1st b.; Kelly, 2nd; McCann, 3rd; Keefe, s.s.; Cunningham, l. f.; Dever, c.f.; Howard, r.f.

AVIATION MEET POSTPONED.

Boston, Mass., Aug. 30.—Adverse weather conditions caused the postponement of today's events of the Harvard-Boston aviation meet at Squantum. The events on the day's programme will be given on Wednesday next if the weather permits. Although it was believed earlier in the day that fair weather was in sight frequent showers during the forenoon and a strong east wind, resulted in the postponement.

RAIN INTERFERED WITH TENNIS MEET.

Newport, R. I., Aug. 30.—The continuance of intermittent rains last night and this morning necessitated a postponement of the final match in the All-Comers Lawn Tennis Tournament set for today. Tomorrow if the weather clears, Beals C. Wright of Boston, will play Maurice McLaughlin of San Francisco for the right to challenge the holder of the national championship, William A. Larned of Summit, N. J.

PITY THIS POOR GIRL.

Growing fast—yes, into weakness, but without strength. Tired of course she is—pale and thin, too. She doesn't eat enough and digests far too little. This condition is so common, but how seldom noticed even by fond parents. Give her Ferrozone—then watch her appetite improve—see her cheeks and lips grow ruddy—watch her spirits rise. This gain is simply the result of eating and digesting enough, and thereby nourishing blood, brain and nerves. To a woman Ferrozone restores strength she has lost—to a girl it brings strength perhaps she never knew. You'll try Ferrozone, 50c. at all dealers.
