A Slightly Better Feeling in London—Grain and Produce Strong With Prices a Turn Dearer Both at Home and Abroad—General Gossip.

TUESDAY EVENING, Oct. 25.

The stock market to-day was weak and irregular, with a slight rally in some instances towards the close, but nothing of moment. The grain and produce market was strong and active, prices if anything ruling higher and the demand for both wheat, oats and barley good.

NEW YORK STOCKS.

In New York the market opened weaker even than last night, but rallied some towards the afternoon and closed about a cent higher. Even with this stocks were very much depressed.

The report was received to-day that the earnings of Chicago and St. Paul have increased $22,000 for the third week in February. This should have a strengthening effect upon this stock.

The feeling continues decidedly bearish, though the Gould section try to keep a bold front.

Following are the opening and closing prices of the chief stocks on the New York Exchange to-day:

Grain and Produce.

The grain market keeps strong with, if anything, an upward tendency in prices. Wheat has got quite scarce here and dealers are having difficulty in covering their contracts.

On call this morning: 35c was offered for 20,000 bushels of No. 1 red winter without takers. Four cars of No. 2 red winter sold at 31c. Buyers offered 78c for No. 1 fall, 80c for No. 2 spring, 75c to 81c for No. 1 red winter and 80c to 81c for No. 2 red winter.

The demand for barley continues as strong as ever and prices keep firm.

Chicago Stock Yards report to-day: Receipts of hogs, estimated at 22,000; official yesterday, receipts 15,943, shipments 6895, left over 4000. Receipts of cattle 16,000.

Cox & Co's special wire from Chicago to-day says:

Wheat opened strong with cables 2d to 6d higher by private subject. Early was quiet and offerings very light, while there has been good foreign buying, giving the market a strong appearance. It is now easier on heavy selling by Hutch, Bros-ers and Patterson, and the selling against calls has apparently filled up the shorts. Corn opened strong, with a good local demand and light offerings. Pork and lard act firm. There seem to be good buyers on the market, and many of the local crowd are short. Offerings not free. January lard is a very good demand.

LOCAL STREET MARKET.

The street market to-day was active, receipts fair and prices firm. Wheat sold at 78c to 79c for spring and fall, and a load of goose sold at 74c. Barley active. 10,000 bushels selling at from 64c to 75c. Oats firm at 30c to 32½c. Peas nominal at 60c to 61c. Hay firm, with sales of 20 loads at $15 to $17 a ton. Straw sold at $11 50 to $12 a ton. Dressed hogs steady at $8.50 to $8.75. Beef is still quoted at $3 to $4.50 for forequarters, and $5.50 to $7 for hindquarters. Mutton $5.50 to $7.50; lamb $8.50 to $9.50, and veal $4.50 to $7.75.
