# ON THE WHIRL AT OMAHA.

*BIG SMASHING OF RECORDS BY BICYCLIST JOHN S. PRINCE.*

**Fifty Miles Covered in an Exciting Race in 2 hrs. 35 mins.—Good Time at the Washington Races—Rugby Football To-day—Baseball Notes.**

*From the Omaha Herald.*

At the Exposition building, a few minutes before 8 o'clock, Jack Moynihan appeared in the balcony and announced the conditions of the race—Prince to ride fifty miles while Schock covered forty-nine; the winner to take a purse of $100 and 70 per cent. of the gate receipts, and the loser 30 per cent.

Prince had slightly the best of the send-off, and began setting a terrific pace from the start. He gained a lap on Schock in the first mile, and at the end of his fifth mile had added another, the score standing, Prince 5 miles, Schock 5 miles 6 laps. Prince made the five miles in 14 minutes 45 seconds. On the sixth mile they were going at a break-neck gait, Prince trying to get by Schock. On the eighth lap, by a magnificent spurt, he passed Schock on the south stretch amid wild cheering. The ten miles were completed in 29 minutes 45 seconds, beating the famous record of Woodside, which was the fastest ever made on an indoor track up to last night—30 minutes 15 seconds. The announcement was received with the wildest enthusiasm.

Prince kept right on with his fast pace, finishing his fifteenth mile in 43 minutes 11 seconds, his twentieth in 58 minutes 30 seconds, and his twenty-fifth in 1 hour 13 minutes 34 seconds, breaking the twenty-five-mile indoor record, and having gained six laps on Schock.

Both men looked fresh when they started for the 30th mile, and Prince still kept his killing pace, with Schock sticking to his work like a beaver. The 30-mile mark was crossed by Prince in 1 hour 29 minutes 32 seconds, and the 35th in 1 hour 45 minutes. It was evident that Prince would win, as he was now only 2 laps behind his opponent. When Prince had covered 37 miles 7 laps he lacked only 1 lap of being on even terms with Schock. He spurted by, and when he had rode 38 miles and 2 laps he was on even terms with Schock, having gained the one-mile start he allowed his antagonist.

From this out it was one of the prettiest races ever witnessed, the fortieth mile being reached in 2 hours and 2 minutes. Schock had the lead until the eighth lap of the forty-third mile, when Prince, by a tremendous burst of speed, passed him. This seemed to put Schock on his mettle, and he started after Prince like lightning, and on the second lap of the forty-fourth mile he went by Prince, amid the wildest cheering. The forty-fifth mile was finished in 2 hours 15 minutes 15 seconds.

Both men doubled over the handle of their machines for the finish, and at the end of the forty-eighth mile it looked as though Schock would win. Prince looked distressed, but kept on going, with Schock trying to get away from him. On the fiftieth mile Prince seemed to have recovered, and again spurted, passing his opponent, and finishing about one-fifth of a lap ahead in the remarkable time of 2 hours and 35 minutes, and breaking all indoor records up to fifty miles. Below is a table giving the time at the completion of every five miles:

| | Time. |
|---|---|
| 5 miles | 14:45 |
| 10 miles | 29:45 |
| 15 miles | 43:11 |
| 20 miles | 58:30 |
| 25 miles | 1:13:08½ |
| 30 miles | 1:29:32 |
| 35 miles | 1:45:00 |
| 40 miles | 2:02:00 |
| 45 miles | 2:18:15 |
| 50 miles | 2:35:00 |

**A Most Excellent Reason, Truly.**

*Editor World:* I notice in your issue of yesterday an article on the decision of the National Amateur Lacrosse Association on the tie between the Montreal and Toronto Lacrosse Clubs. You observe that it would be a disappointment to some in Toronto that Seybold (whom you assign to the Capital Lacrosse Club of this city) voted in favor of Montreal. In the first place Seybold belongs to the Ottawa Lacrosse Club, and not to the Capitals, and if you will turn back to the Toronto Mail of the week ending Sept. 21 and read their abuse of the Capitals in re the Brockville-Capital match for the Intermediate flags, and their most unfair criticism of the same, you may find a very strong reason why Eastern men voted against Toronto's claims; although, mind, I think they were in this case well founded. When your esteemed contemporary can bring itself to criticise clubs outside Toronto in a little fairer spirit, then may they expect more sympathy with the interests of Toronto clubs from those of Eastern Ontario.

A LOVER OF LACROSSE.

**Fast Racing at Washington.**

WASHINGTON, Nov. 5.—This was the third day of the extra meeting of the National Jockey Club at Ivy City. The track was in excellent condition. First race, 1 1-16 miles—Pericles won, Ten Strike second, Nellie Van third; time 1.49½. Second race, ¾ mile—Frankie B won, Zamora second, Lancaster third; time 1.20. Third race, 1½ miles—Boaz won, Irish Pat second, Gonfalon third; time 2.08½. Fourth race, 1 mile—Pontico won, Lizzie Dwyer second, Fery Kyle third; time 1.42. Fifth race, steeplechase, full course—Shamrock won, Tennessee second, Abraham third; time 4.22.

**General Notes.**

The Hounds will meet to-day in the Queen's Park at 3 o'clock sharp.

Somers, of the Hamilton Baseball team, has signed with the Metropolitans.

Sered and McKeough of the Uticas have signed as a battery with Cincinnati.

Buffalo has secured John Galligan of the Portlands and Farning of the Nassaus.

Chas. Littlewood has challenged Chas. Rowell to a six-day go-as-you-please race for $1000 a side and gate receipts.

The Detroits have already secured seven pitchers for next season. New York, Chicago and Cincinnati have nearly as many.

Mr. Pierre Lorillard has just received two thousand English pheasants for stocking Tuxedo Park, N.J. They were bred in Bohemia.

O. P. Caylor, the former manager of the Cincinnati Club, will retire from baseball. After a trip to California he will start in business in New York.

Shomberg, formerly of Utica, will receive $1800, and Fields of Buffalo $1200 from Pittsburg next season, and M. Griffin of Utica $1700 from Baltimore.

The New York Club has engaged John C. Cuff, the captain of the Waterbury Club. His record for the season as a catcher was: Fielding, .899; batting, .186.

Case, of Hamilton, ran so fast in his trials that Nikirk, of Pittsburg, with whom he was to run half a mile race at Mahanoy City to-day for $300 a side, paid forfeit.

Warren A. Wheelock, the all-around player of the Portland Baseball Club, has signed with the Bostons for 1887. He made more runs than any other New England player last season.

Newark, N.J., and Scranton, Pa., have made formal application for membership in the International League. Paterson, N.J., Troy, Jersey City, Guelph, Hartford and other cities are also anxious to join.

The high jump record for horses was beaten last night at Madison-square Garden by Jas. Keene's brown gelding Hempstead, which jumped six feet and eight inches, beating the best previous record.

Chinn & Morgan, Barnes & Co., and R. C. Pate will sell their stables of racehorses at Lexington, Ky., on Dec. 13. Blue Wing, Pure Rye, Belle Pate, Editor, Hilarity, Tattoo, and a lot of yearlings by Hindoo, Billet, and other famous sires will come under the hammer.

Four years ago "Pip" O'Neill was released by the New Yorks with the record of "a broken-down pitcher and very poor batter," but Von der Ahe stuck to him and gave him a place on the Browns. As a pitcher he was not a success, but to-day he is one of the surest batters in the business.

The following team, representing the Toronto Football Club, play the Western Toronto Football Club on the Toronto grounds, Bloor-street, at 3 o'clock this afternoon: Broughall, Cassels, Macdonnell, Vankoughnet, Hughes, Beatty, McKibbon, Baldwin, Lloyd, Muntz, Strange, MacCallum, Hanning, Burrits, Chadwick; Evans, spare man.

The sloop yacht Atlantic, which was built this year to compete for the Queen's Cup, was sold yesterday in New York at auction. She was built by Philip Ellsworth for the Atlantic Yacht Club, and cost $30,000. The yacht, after considerable bidding, was knocked down to L. A. Fish for $7500. Mr. Fish stated that he would probably have her remodelled.

The race for the Shrewsbury Cup was run yesterday at Shrewsbury and was won by the Duke of Beaufort's chestnut filly Winter Cherry, 3 yrs., by Albert Victor—Red Berry, with Capt. H. Fisher's bay horse Dalesman, 5 yrs., by Beauclerc—Lady Millifleurt, second, and W. E. Evers' bay filly Buy-a-Broom, 3 yrs., by Bertram—Gypsy, third. Sir R. J. Jardine's chestnut horse Bonny Charlie was the only other starter.

The following team of the Toronto Football Club left via the Canadian Pacific Railway last night to play Ottawa College for the Rugby Union championship of the province: Saunders, Cartwright, Smith, Muntz, Bethune, Auld, Hime, Vankoughnet, Robertson, Richardson, Craig, Carey, Fleury, Boyd and Harvey. The team has been considerably weakened by the loss of Morphy, Hughes, Torrance and Cameron, who found it impossible to get away.

It is not probable that Oswego will be represented in the International League next season. The Oswego Times says: "Parties who are interested in baseball will please bear in mind that election is now over and that if Oswego has a baseball club and is represented in the International League, it is necessary to take the proper steps to put the club on a solid foundation, so that our delegate to the meeting of league directors may be able to say with authority just what Oswego will do this year; unless he is able to do this it is very probable that the Oswego Baseball Club will be a thing of the past." If Oswego drops out of the league Troy will probably be taken in.

*AMUSEMENTS.*

**Rhea and Roland Reed's Concluding Performances—Attractions Next Week.**

Rhea will wind up her farewell engagement at the Grand Opera House to-day. At the matinee this afternoon "The Country Girl" will be presented, and to-night "Fairy Fingers." The play is a bright, sparkling comedy allowing M'lle Rhea ample scope for the display of her varied talents and an opportunity to wear her most gorgeous dresses. In the scene depicting the interior of a fashionable French modiste's, M'lle Rhea will make a lavish display of her wardrobe on a number of dummies.

Roland Reed, after a highly successful week at the Toronto Opera House, closes his engagement to-day with performances both afternoon and evening. "Check" will be the attraction.

**Attractions Next Week.**

Messrs. Ramsay and Cooney, two young men of considerable ability, will give an entertainment of songs and recitations in character in Shaftesbury Hall Monday evening. They deserve to be encouraged.

For the first three nights of next week, with a Wednesday matinee, at the Toronto Opera House appears the Mexican Typical Orchestra. The music of this combination is spoken of as "exquisitely beautiful" by the newspapers all over the country. The organization chosen for the American tour has twenty pieces selected from the most eminent soloists of Mexico. During the last half of the week at the Toronto appears the Countess Janish, with this repertoire: Thursday evening and Saturday matinee, Sardow's great play "Princess Andrea;" Friday and Saturday evenings, "Violeta."

At the Grand Opera House next week comic opera will hold the boards. This will be a welcome relief from the steady run of comedy since the season opened. Mr. J. M. Hill's excellent company will present "Pepita" in a manner that ought to please all who love opera.

—Steel wire door mats will not wear out. They require no shaking as they clean themselves. They do not fill with dirt and dust; all dust falls through and can be readily swept up. 136

*"BAD AND SECRET PRACTICES."*

**Weighmaster Mackenzie's Little Epistle to the Waterworks Committee.**

At the request of Ald. Walker, Weighmaster Mackenzie, of the pumping station, appeared before the Waterworks Committee yesterday to explain why, in a letter to the Mayor, read in the latter's message presented to the council on October 25, he used the words, "In a short communication I can hardly describe the secret and bad practices in vogue here." He said that the statement had no reference to the committee or to the general management of the department, but to the conduct of ex-Engineer Venables, with whom he had a little difficulty, and who complained to the Mayor. The letter was written at the Mayor's request. The committee felt that it had been slighted in the matter, because it and not the Mayor was the tribunal to which such an appeal should be made. Mr. Mackenzie was asked to put in writing a full explanation of "the bad and secret practices," and Ald. Frankland requested him to come out with everything, no matter whose toes were trod on.

**Big drives in Wilton, Axbusson velvet and Brussels carpets all this month at Petleys'.** 61

**Alice Holly Acquitted.**

Alice Holly, who was committed for trial a few days ago on the charge of child murder, was discharged in the Criminal Assizes yesterday, the Grand Jury having returned no bill against her. W. J. Canning was tried on three charges of forgery of orders for trees on Stone & Wellington, nurserymen, by whom he was employed as agent. On two charges he was found guilty of forgery, and on the third of uttering. James D. Connors was convicted of stealing a horse belonging to Joseph H. Forrester from the Black Horse Hotel on Sept. 16. No evidence was offered against him on a charge of stealing a buggy at the same time. Wm. Armstrong was acquitted on the charge of stealing a watch from Robert Reilly.

The Petit Jury was dismissed till Monday. To-day Chief Justice Cameron will hear the non-jury case of Tinning v. Grand Trunk Railway.

**Men's heavy working pants selling at $2, cheap at $3. Petley & Petley.** 61

**The Cottage Meeting.**

Rev. P. McF. McLeod delivered an address at the cottage meeting last night in Richmond Hall, which was well filled. The speaker took the words "A new heart also will I give you" as his text, which he handled in a masterly way. Rev. Bayley Jones followed in the same line of thought, and spoke most encouraging words to the workers, they being his last before leaving for England to-day. I. Suckling & Sons, who have taken a great interest in this meeting, presented them with a handsome new organ, which will be used next week. Mr. George Suckling has lately become choir master, and is working it up in good style. About $200 has been sent in by outside friends to carry on the work, which puts the association in a position to go on for a year or more.

In the rough the direct liabilities are $59,000 and the indirect liabilities $10,000, and the assets are put at $54,000, made up: Stock in warehouse, $37,000; goods in bond, $3500; goods warehoused, $6400; bills receivable and on hand, $2200; Toronto, Grey and Bruce Railway stock, $1600; real estate in Hamilton, $700, and other smaller sums. **Beauty in Fairy Bowers.**

The cream of society turned out in force last night and crowded St. Basil's Bazaar, now in progress on King-street. Pretty girls with rosebud faces acted as salesladies, and scores of elegantly dressed men wearing boutonnieres of roses and quinn's exquisite neckties and gloves, added a charm to the fairy-like scene.
