

## ARTICLE IX

1. The Contracting Parties agree that within the Convention area:

- (a) each Contracting Party shall enforce the provisions of this Convention within its 200 nautical mile fishery zone in accordance with its domestic law;
- (b) outside the 200 nautical mile fishery zone of any Contracting Party, any Contracting Party may enforce the provisions of this Convention in accordance with the following:
  - (i) The duly authorized officials of any Contracting Party may board vessels fishing for anadromous species of the Contracting Parties to inspect equipment, logs, documents, catch and other articles and question the persons on board for the purpose of carrying out the provisions of this Convention. Such inspections and questioning shall be made so that the vessels suffer the minimum interference and inconvenience. Such officials shall present credentials issued by their respective Governments if requested by the master of the vessel.
  - (ii) When any such person or fishing vessel is actually engaged in operations in violation of the provisions of this Convention, or there is reasonable ground to believe was obviously so engaged prior to boarding of such vessel by any such official, the latter may arrest or seize such person or vessel and further investigate the circumstances if necessary. The Contracting Party to which the official belongs shall notify promptly the Contracting Party to which such person or vessel belongs of such arrest or seizure, and shall deliver such person or vessel as promptly as practicable to the authorized officials of the Contracting Party to which such person or vessel belongs at a place to be agreed upon by both Parties. Provided, however, that when the Contracting Party which receives such notification cannot immediately accept delivery, the Contracting Party which gives such notification may keep such person or vessel under surveillance within the waters of the Convention area or within its own territory under the conditions agreed upon by both the Contracting Parties.
  - (iii) Only the authorities of the Contracting Party to which the above-mentioned person or fishing vessel belongs may try the offense and impose penalties therefor. The witnesses and evidence necessary for establishing the offense, so far as they are under the control of any of the Contracting Parties to this Convention, shall be furnished as promptly as possible to the Contracting Party having jurisdiction to try the offense and shall be taken into account, and utilized as appropriate, by the executive authority of that Contracting Party having jurisdiction to try the offense.
- (c) the Contracting Parties shall take appropriate measures to ensure that their fishing vessels allow and assist boardings and inspections carried out in accordance with this Convention of such vessels by the duly authorized officials of any Contracting Party, and cooperate in such enforcement action as may be undertaken.
