COMMERCIAL.

Local Market.

Reported by A. M. Hamilton & Son.

LONDON, Saturday, Nov. 3.

Wheat scarce today; demand steady. Sales of poor quality at 83c; fairly good at 85c. No choice lines offered.

Oats—Sales were mostly made from 75c to 78c today, owing to the inferiority of offerings. A few sales at 80c when the quality was good.

Buckwheat sold at 90c, and corn at 90c and $1. No peas offered. Barley quiet and unchanged.

Eggs were in good demand, and higher baskets sold at 18c to 20c for new laid and 20c to 22c for single dozens.

Butter was steady and almost no change in price. Pound rolls sold at 20c in basket lots and crocks at 18c to 20c. There may have been some odd lots of special makes sold for a cent or so more, but the above price seemed to be about the general price paid.

Chickens were plentiful and sold from 35c to 50c per pair as a rule, 60c being paid for extras. Ducks brought 50c to 70c, and turkeys 60c to $1 50—7c to 9c per lb.

Meat very dull, and no change in price. There was the usual good selection offered. Some of the lambs and beef were particularly fine.

Skins, hides and tallow quiet and unchanged.

Dressed hogs were a little lower; choice weights, 120 to 150 lbs, sold from $5 25 to $5 50; other grades brought $4 50 to $5 10, as to quality.

Apples in good supply; sales of Greening and other good cooking varieties, unpicked, at 30c to 40c per bag; hand picked, 60c to 70c per bag; $1 25 per barrel; quite a goodly quantity of pears and quince came in, the price was 60c to $1 for the former and $1 for the latter per bushel.

Cauliflowers, beets, cabbage, onions and squash formed the principal supply of small vegetables, and about the usual prices were realized.

Potatoes were very plentiful; sales mostly at 50c by the load and 60c by the single bag.

Hay was almost a blank, only one load offered and sold at $8 75.

TORONTO.

[Special to the ADVERTISER.]

TORONTO, Nov. 2.—At the western cattle market today the receipts, all told, were 36 car loads, which included 782 sheep and lambs, 750 hogs and about 30 calves.

Export Cattle—There was some buying for Belgium again, as high as $3 80 per cwt being paid for one choice car load of cattle. When the Ontario cattle are of the right class they readily bring more than the Manitoba cattle. Prices paid ranged from 3½c to 3¾c per lb, the latter figure for choice.

Butchers' cattle today were quiet. One or two lots brought as high as 3¼c per lb, but most of the deals were made in the vicinity of 3c and 3½c per lb for the best, 2⅞c to 3c per lb for medium to good, and 2½c to 2¾c per lb for common.

In stockers and feeders trade continues steady. Not enough good cattle offered, but there were plenty of poor and common stockers. Prices were well held. Good to choice feeders brought from 2⅞c to 3⅛c per lb, common selling down to 2c per lb. Byres are beginning to be pretty well filled, so that buyers are more particular about the class of cattle they purchase.

Not so many hogs in, and the feeling was a little steadier. Weighed off the cars best bacon hogs brought from $4 25 to $4 35 per cwt. Others are quiet and dull, only the best are wanted. Some pretty good hogs sold for 4¼c per lb weighed off the cars, and some at $4 10 per cwt.

Shipping sheep were steady at from 2⅞c to 3½c per lb for the best, down to 2c to 2½c per lb for poor sheep, and rams; lambs were slightly firmer, selling at from $2 to $3 per head, according to quality. Some good calves offered and sold. Poor calves sold slowly as usual. The general range of Prices was from $2 to per head, according to quality.
