The largest crowd (probably 7000) that ever witnessed a lacrosse match in Toronto turned out to Rosedale Saturday to see Caps and Tecumsehs play the first game for the championship of the N.L.U. and the Minto Cup. The result was a disappointment to the spectators, for their hopefuls were beaten by a score of 4-1.

While the game was not as spectacular as last Saturday, it showed more close work. Both defences were strong, and it eventually turned into a defensive game on both sides. Tecumsehs missed opportunities in the first quarter that never occurred afterwards. They started some rushes that reminded you of a run on the Ontario Bank, but Bouse Hutton handed the sphere out to them again.

Caps played a great defensive game, and with Ralph and Pringle directing the men, the goal was almost impregnable. Ralph at point was a tower of strength, followed closely by Pringle and Hutton, the latter playing one of the best games seen in Toronto in a long time. Caps deserved to win on the play, they being a better team, man for man. It was only the great defence work of Davidson, Stuart, Pickering and Pitcher that prevented a larger score. Tecumsehs seemed to be minus the field and altogether they played a different game from last week. This was probably due to the close checking. The Indians felt the loss of Querrie, who wrenched his knee in the second quarter, and toward the last they appeared to lose heart. However, it is doubtful on form displayed if the Tecumsehs would have beaten Torontos Saturday.

The officials, Carlind and Pettigrew, didn't have much to do, but what little trouble they got into, they showed a greenness that resembled an evergreen.

The Game.

The game was started a little after three, Caps getting the ball, but Tecumseh defence relieved. From this to the end of the quarter it was nip and tuck, altho Tecumsehs worked the ball in several times by fast combination, but missed by inches in scoring. It was rather hard luck, for they deserved at least three goals. Powers was ruled off for hugging Stuart, and while on his way to the fence Butterworth was sent off for slashing. With Caps two men shy the Indians tried hard to score, but Caps played a great defensive game, especially Ralph at point. Referee Carlind allowed Caps to play a game of rag for a short period when Powers and Butterworth were off. With the teams even up and half a minute to play, Powers purposely fumbled a pass, allowing Murphy to come in, and with interference Powers ran around the side of Murphy and his man and tallied, the quarter ending 1-0 in favor of Caps.

Gaul was ruled off shortly after the second quarter started, and on a rush by Powers, Pickering was laid off for tripping Powers. There was nothing doing before the two men were on, the Capital defence playing a perfect defensive game. Ashfield got the penalty, and with Tecumsehs one to the good, the Indians tallied on a fast bit of combination from Querrie to Durkin to Whitehead, the latter scoring with a back hand shot. The time was 17.45. Just as Ashfield's time was up, Felker and Murphy had a headlong collision, Murphy, who received the stick on the eye, had to be carried off the field. Querrie's knee gave out, and he also had to be carried to the dressing room. Half time whistle blew with the score 1-1.

Caps Score Three Last Half.

Both teams continued to play hard lacrosse in the third quarter. Felker, who had been working like a horse all day, passed two men and threw to Adamson, who shot wide. Butterworth hit Pitcher and received five minutes. Powers tried playing rag with the Capital man on the fence and got away with it. With Butterworth on, Felker was knocked out in making a rush from behind the goal, Shea being ruled off. Shortly after this a dispute arose as to who had the option of putting on a man re the Querrie-Murphy case. However, after a lengthened argument, which included the officials, captains of the teams and President Foran, Tecumsehs were allowed to put on a man to take Querrie's place. It might be mentioned that President Foran was not appealed to before Vice-President Carlind of the N.L.U., referee of the game, had hunted in vain to find a ruling, his noodle not being thoroly conversant with the rules. Jimmy Murray, the old Toronto lacrosse player, jumped into harness for Tecumsehs, while Fairburn went on for Caps. On a rush up the field by Murray and a pass to Whitehead, Hutton was called upon to stop a hot one. Shea was on when Rountree got the penalty. With Caps pressing and only Adamson, Ralph and Hutton at the defensive end, Bones Allan shot, Clark dropping the ball out of his stick into the net. It was a case of hard luck, aided by Eastern N.L.U. luck. The time was 18 minutes.

Felker slashed Pringle shortly after this and was sent to the fence for ten minutes. The game was delayed while Pringle was fixed up. In the meantime the Cap players had an argument among themselves that the spectators enjoyed. The quarter ended 2—1 in favor of Caps.

Tecumsehs started the last quarter with Rountree and Felker on the fence. Caps at once commenced to press and in 2.35 Allan found an opening, scoring the third goal. Rountree was on shortly after this. Shea crosschecked Durkin, putting him down. Judge of Play Pettigrew blew his whistle, but, much to the surprise of everybody, only faced off the ball, letting the man remain on. One would think by this action that during the interval he had dropped his rule book. However, a minute after Fairburn caught his eye for not so serious an offence. Felker was on and Tecumsehs were one to the good. The Indians started to press and on repeated brushes by Pickering, Stuart and Davidson, Bouse Hutton was given lots to do, which he certainly did in marvelous style. With Fairburn on, Cap. home began working and on a pass from Starrs on the side to Butterworth in front, another tally resulted in 4.10. This ended all the scoring and the game ended 4—1 in favor of Caps. in the first of the final home-and-home games. The teams:

Tecumsehs (1)—Goal, Clarke; point, Pitcher; cover, Davidson; defence, Stewart, Pickering, Rountree; centre, Felker; home, Querrie, Murton, Durkin; outside home, Whitehead; inside home, Adamson.

Capital (4)—Goal, Hutton; point, Ralph; cover, Shea; defence, Brennan, Pringle, Butterworth; centre, Ashfield; home, Starrs, Allan, Powers; outside home, Murphy; inside home, Gaul.

Referee—J. Carlind, Montreal.

Judge of play—Guy Pettigrew, Montreal.

Timekeepers—W. Foran, Ottawa; W. H. Hall, Toronto.

Penalty—Fred Thompson, Toronto.

Umpires—Jimmy Murphy and Percy Quinn.

Cap-Tecumseh Gate $3780.50

The gate at Rosedale Saturday was $3780.50. Caps are allowed $200 for traveling expenses, the same amount being allotted Tecumsehs this week, when they go to Ottawa. In both places, after expenses are deducted, the gate is divided.

On Saturday 500 rushed the bleachers' entrance and these, with the complimentaries and T. L. C. members, would bring the free list up to 1000.

Tecumsehs will go to Ottawa Friday morning and it is likely Fred Graydon will be seen in Tecumseh uniform again.

TAFT'S GOOD-BY TO CUBA.

Some Ceremony in Connection With the Departure.

Havana, Oct. 13.—Secretary of War Taft and Assistant Secretary of State Bacon completed their labors here today, and this afternoon departed for the United States on board the battleship Louisiana. They were followed to sea and acclaimed by many Liberal and ex-revolutionary leaders, but the former government officials showed no disposition to join in the farewell.

The principal event of the day preceding the departure of Messrs. Taft and Bacon was the taking over of the government by Charles Magoon.

Secretary Taft's governorship ceased at noon, and at 3 o'clock he and Mrs. Taft and Mr. and Mrs. Bacon held a farewell reception at the palace. Immediately thereafter the secretaries and their party were driven in automobiles to the Caballeria wharf, where they met Mayor Cardenas, who presented Messrs. Taft and Bacon with two bouquets. Brigadier-General Funston, who had preceded the others, had started for the battleship Virginia in a launch. Mr. Taft handed the ladies into a launch and the party started for the Louisiana. Within a few minutes the party had boarded the vessel and received a secretary's salute of seventeen guns.

The Louisiana passed out first, thundering a salute of twenty-one guns to the Cuban flag and the band playing the Cuban National Hymn. The salute was returned by the Cabanas fortress. In the wake of the flagship came the Virginia, carrying General Funston, and then came the New Jersey.

The army transports Niagara and Seneca, and a flotilla of gaily decorated launches followed, carrying mostly leading Liberals and ex-rebels, flying Liberal banners. The battleships were escorted to the harbor mouth, where the flotilla whistled farewells, the warships responding.

Tigers Trimmed Argos.

Hamilton, Oct. 13.—(Special.)—In the O. R.F.U. senior series this afternoon the Tigers trimmed the Toronto Argonauts by a score of 19 to 6. The score at the end of each quarter was as follows: First quarter, 1 to 0 in favor of the Tigers; second quarter, 17 to 0; third, 19 to 1; last, 19 to 6. About 3000 people, expecting to see something choice in the way of football, crowded into the cricket grounds. They did not get what they expected.

The visitors were badly disorganized by the absence of Hoar at quarter. Dave Hewitt took his place and played a star game, but was not heavy enough to go against the Tiger line. Mara was put out of the game soon after the first whistle with a sprained ankle, and Craig went off to even things up. The team was depending on Mara to put some of their fancy tricks thru, and his absence from the line was a serious handicap. In addition to that, nearly the whole team was in such poor condition that some one was put out every few minutes until the rooters dubbed them "Chaucer Elliott's Chinamen."

It was an off day for the Tigers, and while they won the game by a good margin, they did not add anything to their reputation. They did not play with their usual fineness. They started out by fumbling badly, altho they were quick at recovering the ball, and did not meet any serious losses. The passing was punk and the Argos succeeded in breaking up nearly all attempts at the criss-cross plays. Until the last quarter the Argo wings were highly successful in blocking all mass plays and in holding their opponents' wings. For the Argos' back division Flett was easily the best. In fact, he played nearly the whole game, relieving nicely when the goal was pressed, and taking care of all the kicking in a first-class manner.

The ball was kicked off by Hugh Murray, senior hon. president of the Tigers. Play in the first quarter was ragged. The sun shone directly in the eyes of the Tigers, and may have been responsible for some of the poor passing. The visitors also did their share of fumbling and honors were pretty even. Tope got in a good run of 30 yards, and Marriott succeeded in bucking the line. The Argos lost the ball on an offside at their 20-yard line. Simpson tried a drop-kick on goal, but missed, and Flett had to rouge. The quarter ended with the score 1 to 0. In the second quarter the Tigers played up pretty well to form. The Argos lost the ball on downs at their line, and the Tigers also lost possession because they could not get a break thru, but got the ball again on an offside, and Simpson made a drop-kick on goal, making the score 5 to 0. Flett, from about 30 yards in front of his goal line, kicked across the field to near the centre. Art Moore caught it and ran in for a try, dodging all the Argo wings. He succeeded in converting it, making the score 11 to 0. Lyon ran in from near the middle of the field for the next try, and, altho it was a difficult feat, Moore succeeded in kicking a goal, bringing the score up to 17 to 0. The Tigers were pressing the Argos when half-time was called. In the third quarter the Tigers added two rouges. Flett distinguished himself with a long run of 50 yards thru the Tiger wings, but it did not add anything to the score. Tope caught Flett's kick at the Tiger goal line, but was caught before he got out, and the visitors tallied one point. Soon after, from the scrimmage, Flett kicked across the field, and Greey raced in for a try. Moore, thinking that Greey was offside, did not try to prevent him. That ended the scoring.

One feature of the game was the newly-organized rooters' club, which had a big space on the north side of the field reserved for it. Under the leadership of Fred Murphy, they created considerable amusement. Hugh Hays was the umpire and Fred Robbins the referee. Burns and McGuire were decorating the touch-line soon after the game started, and Isbister, Lyon and Burkholder also did turns there, the other officials were: R. L. Deims, referee; Dr. Kappele, goal line judges; P. Love and A. Taylor, linesmen; J. B. Baker and W. Morden, touch-line judges; J. B. Hay, timekeeper. The line-up:

Tigers (19)—Back, Tope; halves, Simpson, DuMoulin and Moore; quarter, Saharu; snap, Barron; wings, Lyon, Isbister, Murray, Burkholder, Craig and Marriott.

Argos (6)—Back, Hay; halves, Clark, Flett and Sale; quarter, Hewitt; snap, Russell; wings, Crooks, Mara, Greey, Grant, Burns and Maguire.

Before the big game, the Rough Riders defeated the West End Pleasure Club in the junior O.R.F.U. series, and at Dundas the intermediate Tigers suffered defeat by a score of 13 to 7.

This Game Unfinished.

The initial Intermediate O.R.F.U. game between Argonauts II. and Victoria II. on Jesse Ketchum Park Saturday was called on account of darkness by Referee Brown, with the Argos leading by 28 to 25. There was still but two minutes to go. The game was a most unsatisfactory contest, because of the incapacity of the officials and the game developed into something akin to a free-for-all, with the spectators butting in. The Argos showed up with a big strong team and for the firs. three quarters simply smothered the Vics. The half-time score was 9—6 in the consumer's favor, and at three-quarter time it stood 24—9, but in the last 15 minutes the Argos tired sadly and the Vics all but won out. It was a desperate contest. "Shorty" Fellowes, the Argo centre half, did some magnificent punting, while Usher and Sinclair on either side, tho a bit uncertain at times, redeemed themselves with grand runs. Perram, Hutchins, Murphy and McLean did some excellent line work and the inside men, Scully and Thompson, were good all the way. Jerry Ellicott was the Vics' star. His end runs were good ground gainers. Regan at quarter, too, did yeoman service. Fellowes and Marsh got tries for Argos and Fellowes and Usher both dropped goals from the field, and Hutchins and Marsh both by fast following up forced several rouges. Love dropped a couple of field goals for Vics, and Regan got a try, but the majority of their points came in the final quarter on rouges and kicks to the dead ball line. The game was replete with disputes and it took an hour and five minutes to play the last 13 minutes' time. The Argos claim that the time was much overdue when Brown called the game. The teams:

Argos II. (28): Back, Greening; halves, Sinclair, Fellowes and Usher; quarter, Marsh (capt.); snap, Hogg; wings, Thompson, Perram, Hutchins, Scully, McLean, Murphy.

Victorias II. (25): Full back, Freeman; halves, Twiddee, Love, Heal; quarter, Regan; centre, Buck; wings, Brown, Pope, McWhirter, Munns, Elliott, Dickenson.

Two Games at Ottawa.

Ottawa, Oct. 13.—(Special.)—Ottawa College defeated Queens here to-day by a score of 15 to 15. About 1500 in attendance. When the whistle sounded for the end of play, Queens had the ball on the 10-yard line.

Montreal outplayed the Rough Riders on Lansdowne Park here to-day, winning out by 12 to 8. At half time the Ottawas had scored two points over the dead line and one rouge, the latter against the wind and sun, while Montreal failed to tally. In the third quarter Montreal scored a try and missed the goal. Following a run by Lafleur, Ottawa scored a touch, without a try, regaining the lead, 8 to 5. In the fourth quarter, Powell fumbled badly and Murphy scored a try, which Gordon missed. Montreal forced Powell to rouge twice, putting in two more, making the final score 12 to 8 for the Red and Black. The teams were:

Montreal (12): Full back, Stinson; halves, P. Molson, Craig (capt.), E. Russell; scrimmage, Lesser, Nosworthy, Roberts; right wing, Murphy, Kingston, Davidson; left wing, Rogers, W. Molson, Kelly.

Ottawa (8): Full back, Powell; halves, McGee, Williams, Shore; scrimmage, Buckham, Kennedy, Shirreff; right wing, Walters, Ferguson, Lafleur; left wing, Church, Sillington (capt.), Ryan. Referee—H. C. Griffiths, St. Catharines. Umpire—Dr. Ridley McKenzie, Toronto.

McMaster Walloped Trinity 43-0.

In section C. of the intermediate series of the Intercollegiate Rugby Union, McMaster trimmed Trinity on the latter's grounds Saturday morning by the one-sided score of 43—0, the half time score being 32—0. McMaster had the ball in Trinity territory three-quarters of the time and the score indicates the play. The winners have a well-balanced team that will take some beating for the championship. Benson on the half line was the pick of the backs.

In the second half Reid of Trinity wrenched his knee and had to be carried off the field.

The teams:

Trinity (0): Full back, Blythe; halves, Kane, Reid, Beasley; quarter, Inglis (capt.); scrimmage, Archer, Baker, Storms; wings, McAndrew, Rossiter, Spencer, McMichael, Forynet, Hornibrook.

McMaster (43): Full back, Gray; halves, Jordan, Benson (capt.), Young; quarter, White; scrimmage, Constable, Vichert, Fitch; wings, Bingham, McKechnie, Cohoe, Parker, Holman, Leckie.

Referee—Jack Lash. Umpire, Bob Cory.

Dundas Beat Tiger Cubs.

Dundas, Oct. 13.—The first game in the intermediate series of the O. R. F. U. was played here to-day between the Hamilton II. and Dundas, and resulted in a win for the locals by a score of 13—7. The game was a fairly good exhibition of Rugby, but both teams showed lack of practice. Dundas was very much better on the wing line than the Hamilton boys, the feature of the game being Wilson's bucking, which resulted in two touchdowns. Mr. J. Morrison refereed the game very satisfactorily. The teams lined up as follows:

Dundas (13)—Back, Grafton; half-backs, C. Walker, Nelson, R. Walker; quarter, Quackenbush; snap, Smith; wings, Lee, Stutt, Martin, Wilson, Mason, Cameron.

Tigers (7)—Back, McLeod; half-backs, Harrison, Loftus; quarter, Ecclestone; snap, Martin; wings, Mitchell, Till, Awrey, McGavin, Potticary, Parke.

Referee—W. J. Morrison.

Cadets Beat Queen's II.

Kingston, Oct. 13.—(Special.)—In the opening game in the intermediate I. C. R. U. series here to-day, Cadets defeated Queens II. by the score of 16 to 7. The play was somewhat of a ragged character, the team work of Queens especially being very poor. Baird and Meikle showed up best for the wearers of the tri-color, while Carson, Warren, Hilliard and Donnelly starred for the Cadets. The half-time score was 12 to 1 in favor of Cadets. A. Y. Thompson and Dr. A. E. Mahood gave satisfaction as referee and umpire. The line-up was:

Cadets (16)—Full-back, Donnelly; halves, McKenzie, Gibson, Hilliard; quarter, Carson; scrimmage, Humphrey, Scott, Cowley; wings, Brown, Hutton, Warren (captain), Rhodes, Hammond, Moffatt.

Queens (7)—Full-back, Fraser; halves, Roberts, Malcolm (captain), Sargent; quarter, Melkie; scrimmage, Baker, McKay, Brecroft; wings, Houston, Lloyd, McCammon, McCreadie, Baird, Turner.

R. M. C. have withdrawn their team from the junior O. R. F. U., and defaulted their game with Gananoque to-day here. They will play in the junior intercollegiate series.

Tammanys Defeat Canada Life.

The Tammanys (late Trinitys) defeated the Canada Life team on the Trinity College grounds Saturday afternoon in a junior O. R. F. U. game, by the score of 15—2. Both teams played very hard, and nothing but the best of feeling prevailed between them. The Canada Life have a very strong team and will take a lot of beating in the section. Levack, Baillie, May and Sharp were the shining stars of the Tammany team, while Harper on the back division played a good game for his first time in the position. Balfour, Beard and Hutty were the best for Canada Life. The teams:

Tammany (15)—Levack, full; Baillie, J. Harper, Gibson, halves; Fleming, quarter; H. Harper, snap; Sharpe, May, Bardgette, Meegan, Mitchell, Voger, wings.

Canada Life (2)—Balfour, full; Hutty, Dineen, Harvey, halves; Broomhall, quarter; Pett, snap; Beard, Reid, Laurie, McDonald, Myers, Sefton, wings.

The Tammanys will play the Argonauts on Thursday morning, and Canada Life next Saturday.

ASSOCIATION FOOTBALL MANY GAMES DECIDED

St. Giles Beat College in Presbyterian League—Thistles Beat Scots by 1 Goal.

In the eastern section of the Presbyterian Association Football League, College met their first defeat of the season on Saturday, St. Giles winning at Riverdale Park by 3—2. The game was called at 3 p.m. by Referee Dobb. Half time score, College 1, St. Giles 1.

In the second half College outplayed St. Giles. However, luck was hard against them. In a scrimmage Thompson scored for College. Reid was hurt. St. Giles brought the ball down, Cordell relieved. Five minutes later St. Giles scored on a foul off Thompson. Shortly before time St. Giles scored the winning goal, on a shot that Matson should have stopped. Bates saved another goal. Final score, St. Giles 3, College 2. The teams:

St. Giles (3): Goal, Currie; right back, Wassin; left back, Dolson; right half-back, Main; centre half-back, Yule; left half-back, Henrick; wings, Fenton, Orr; forward, Carmichael; l.l. wing, D. Yule; l.o. wing, Armstrong.

Thistles 3, Scots 2.

The Thistles, senior champions of Toronto, defeated the Scots Saturday in a senior football game at the Pines, by 3 to 2. The game was fast from start to finish, and was watched by a large crowd of spectators. The Thistles started out with a rush, but Scots' defence relieved. The Thistles' forward line were playing a fast game, and by good combination succeeded in scoring. However, this wakened the Scots up to the fact that they were one goal behind, and they started in to rush matters, finally Gilding scoring from a pretty shot. Both teams were now playing a steady game, and the ball was worked continually from one goal to the other, the Scots seemingly having the most of the play, but could not locate the net.

The Scots were unfortunate in having a penalty called on Gibbons when it simply should have been a foul, but the referee calling didn't make any difference in the score, for the shot was misjudged, going to one side.

The game was free from roughness, with the exception of a little incident between Campbell and McIlroy. Campbell struck McIlroy thru ill-feeling. However, the game ended by the Thistles scoring two goals to Scots 1. The line-up of the teams was as follows:

Thistles (3)—Goal, Galbraith; backs, Campbell, Waldron; halves, McDonald, McLean, Murchie; forwards, Raven, Higgins, Gillespie, Morgan, Wilcox.

Scots (2)—Goal, Holmes; backs, Humphries, Wheeler; halves, Parsill, Gibbons, Gilding; forwards, McIlroy, Gilding, Strain, Busby, Dowdell.

Referee—G. Lawrence.

All Saints Decisive Victory.

All Saints Junior football team had a decisive victory over Broadviews on the latter's grounds Saturday afternoon. Score 2—0. All Saints' centre forward, W. Eckmeir, kicked both the goals in the first half. Outside of this brilliant play it could be hard to single out any particular men, as the Saints all played star games. The forwards, Carroll, Forbes, W. Eckmeir, Miller and Main all distinguished themselves, and the defence, Zillax, MacDonald, Hoppins, James and Darlington were always reliable, and Pointon in goal played his usual heady game. All Sahts are sorry to see that the Broadviews could not take their defeat, but wound up the day by resorting to rough tactics after the game.

Thistles Beat Scots.

The Thistles beat the Scots at the Pines in a Senior League game by 3 to 2. It was 2 to 1 in favor of the Thistles at half time.

Another for British United.

The British United A.C. defeated the Silent Eleven on Bayside Park Saturday by 3 goals to 1 in a City Intermediate League game. The United had matters mostly their own way. The stars of the game were G. Harding and A. Stringer of the United, the latter scoring all three goals. There was quite a large crowd present. This makes the second league victory for the United.

Intermediate Draw.

St. James and Gore Vales played a draw, 1—1, in Intermediate City League Saturday. The St. James' opened the scoring in the first half, but Gore Vales evened up in the second half and were doing all the pressing. The Mimico team went down to defeat on Saturday on their own grounds before the Macdonald Manufacturing Company's team, after a hard and stubborn contest, by the score of 2 to 1. The game was well featured with brilliant defence work on the part of Macdonalds, who were short a half-back, in which Jack Andrews, the old Britannia back, did some wonderful work. Macdonalds scored the first goal on a pretty shot by J. Ross from outside right, but Mimico evened matters before the end of the half, a free kick being responsible for the score. Just after the beginning of the second half a shot by Naughton scored the second goal, and, altho Mimico pressed hard, there was no further scoring. Macdonalds lined up as follows: Goal, Meredith; backs, Wheeler and Andrews; half-backs, H. Anthony and McKay; forwards, J. Ross, B. Anthony, Mairs, Naughton and Murphy.

PREMIERS' CONFAB ENDED WHAT WAS SAID AND DONE

Question of Provincial Subsidies Only One Discussed—Power Question Not Touched On.

Hon. J. J. Foy was the only minister who left Ottawa for Toronto on Saturday. Hon. Mr. Whitney went to Morrisburg and Hon. Mr. Matheson to Perth. Both are expected in the city this afternoon.

Mr. Foy said that the provincial subsidy question was the only one taken up by the premiers. The power question was not taken up, and the boundary question will be discussed at a conference in the middle of November by the provinces interested.

Premier Whitney had presented a memorandum of additional reasons why a larger sum than was demanded in the memorial of 1902 should be given Ontario. This memorandum may be published as soon as the premier returns. He did not get the assent of the other provinces to this proposal, and was not inclined to a hasty disposal of the matter in view of his comparatively recent knowledge of the whole situation.

Why McBride Withdrew.

Premier McBride withdrew from the conference on account of the refusal of the others to consent to his demand for more than $100,000 in addition to what the other provinces got, and in addition to the extra allowances for British Columbia in 1902. Nor was he satisfied with the grant for ten years, but claimed the $100,000 in perpetuity. The peculiar conditions of the Pacific province, its 7000 miles of highways, the immense cost of administering justice, one trial costing as much as $10,000 on account of the great distances, were conceded by all the others as affording grounds for special treatment, but they were not sufficiently special for Premier McBride.

A committee of the Dominion house met the conference and seemed favorably disposed to the claims made by the provinces, and it was gathered that their opinion would weigh with the government. The committee intimated that nothing would be done till the B.N.A. Act was amended, which can only be obtained by petition of the governor-general and the two houses of parliament. The government were urged to introduce the necessary resolutions at the earliest possible moment.

Fisheries Question.

On the fisheries question all admitted that the present arrangement was very inconvenient by which the Dominion makes the regulations while the proprietary rights are with the provinces. The Dominion authorities thought it would be better if they took charge altogether, not because they wish to make any money, but to avoid further friction and the double jurisdiction. Some of the provinces conceded this and will recommend legislation to that effect. Mr. Whitney wished to consult his colleagues first, as the question was new to him, and it had not been suggested that it would come up, while the Ontario minister in charge of fisheries was not present.

Quebec, Prince Edward Island and British Columbia have a tax on commercial travelers, and they were willing to abolish the tax and would recommend legislation to that effect, except in the case of agents for the sale of liquor, who should pay the same tax as the local sellers.

WANT TO GO BACK NOW.

Buckingham Strikers Wait on MacLarens' Who Refuse Terms.

Ottawa, Oct. 14.—On Saturday the first steps towards a settlement of the Buckingham strike were taken when a deputation of citizens waited on the company and asked that the men be taken back and that none be dismissed without the company showing cause.

The Messrs. MacLaren refused such terms, saying it meant recognition of the union, and they proposed running their own business. They sent an answer to the men that they could return as individuals and take up work where they left off.

The men's answer is expected tomorrow. Warner, one of the wounded detectives, is reported very low tonight.
