# FLAG FALLS IN TWO DAYS

## Streets Filled With Followers of the Turf Ready for Saturday's Opening.

## WEDNESDAY'S TRIALS AT THE TRACK

**More Arrivals at Woodbine, Moore From Cincinnati and McCarren From New York.**

The town is filling up with racing men, and strangers are conspicuous on the streets. By Saturday Toronto will have a thoroughly metropolitan air, and there should be amusement enough for all. The Queen's Plate will be the piece de resistance for the opening day, when there are, besides, five good races on the card. As the followers of the turf are fond of boxing, a good entertainment of this description has been arranged for Saturday night. There has never been such a big lot of good horses here, and the players who have been looking for a line say the winners will be hard to pick, while the owners must have their charges perfectly fit to get near the money. The late spring has brought along the starting day surprisingly quick, and only the day after to-morrow Starter Pettingill will drop the flag for the Trial Purse, the opening event or the O.J.C. meeting.

Notwithstanding the wet weather on Tuesday the trainers had their horses out yesterday morning, when some fair trials were made.

Edward Whyte had the Hendrie lot out, and the new purchase, Gold Car, was sent along a mile accompanied by Martinas and Laverock, doing the distance in 1.50½, well within themselves. The two year-olds Provost and Barley Sugar worked a half in 55. White Clover and Highfield did the same distance in 55½.

Daly's Frohman and Ice Drop worked a half in 52.

Trainer Devlin worked Sleepy Belle three-eighths in 40 seconds.

Charlie Gates sent V. R. Customs and Annetburn a three-furlong breeze in 38½ seconds.

Gorman's Wink went a mile in 1.52¼.

Waterwick of the Shields lot went a good half in 51 seconds. Celestis and Allenna the same distance in 51½.

Sir Wilfrid, the plater, was worked out, going a half in 55 seconds.

Disturbance of the Dyment string worked a mile in 1.56¾.

Some of the Davies' string were given useful work. The youngsters French Polish, Adagio and Opentia reeled off a half in 54 seconds.

St. George, Shanty Kelly, Master Fred, Dr. Grimes and Mr. Dunlap were all worked to the field.

Ed. Moore was one of the arrivals yesterday, coming from Cincinnati with nine horses, including the good looking two-year-olds. The lot are:

**Prince of Melbourne Won the Stake.**

New York, May 17.—The light card drew a small attendance at Morris Park to-day, but the racing was good. In the Laureate Stakes the added horse, Prince of Melbourne, was the favorite at the opening, but the money came in with a rush on Withers, and they were soon equal favorites, with most of the money on Withers. They got away on the first break, with Primrose Day in the lead and Prince of Melbourne close up. Coming out of the dip the latter got his nose in front, and was never headed, winning with something in hand. Withers was never prominent, running as if he did not care for a race.

**Batton's Premier Stakes.**

Louisville, May 17.—The Premier Stakes, at a mile, was the chief event of a rather ordinary card at the Downs this afternoon. The victory went to Tom McDowell's colt, Batton, though he was doing his best at the end to stall off a whirlwind rush by Prince McClurg in the stretch, and won by a short head. Rush, coupled with Batton in the betting at 1 to 4, was third, and Ways and Means, the added starter, was a bad last. Three favorites were for the talent, and they had an even break with the books on the day's play.

First race, 5 furlongs—Florizar, 114 (Overton), 15 to 1, 1; Lew Kraft, 113 (Aker), 4 to 1, 2; Avenstoke, 108 (Conley), 6 to 1, 3. Time 1.04. Dick Flurber, Lun Ferguson and Machia also ran.

Third race, 1⅛ miles, selling—Don Orinso, 110 (Overton), 7 to 10, 1; Deering, 103 (Beauchamp), 2 to 1, 2; Traveller, 103 (Morrison), 5 to 1, 3. Time 1.57½. Jack Hays and Garrabrant also ran.

**Blood at Newport.**

Cincinnati, May 17.—A foul, committed by Jockey Coley Thompson, on Myosotis, in the third race at Newport to-day, caused considerable excitement on the track. Myosotis bore out on Bon Jour coming down the stretch, and carried him to the rail. J. Matthews, Bon Jour's rider, after getting his mount straightened out again, drew his whip and struck Thompson across the face. The blow brought a stream of blood from Thompson's nose and cut a gash in his lip. The judges disqualified Myosotis and placed the other horses up. After the race Thompson and Matthews got into a fight in the paddock, but were separated by the police before any damage was done. Both boys will be up before the judges Thursday to explain their disorderly action on the track. The fields were large in the majority of events, and caused long delays at the post. Weather pleasant; track fast.

First race, 6 furlongs, selling—Elsie M., 105 (Bisping), 15 to 1, 1; John Boone, 109 (Gleason), 9 to 5, 2; Almante, 107 (Wapshire), 8 to 1, 3. Time 1.15½. Onagon, Virgie O., Infelice, Woodranger, Odaliche, Practitioner, Nannie Davis, Gustave Cook and the Doctor also ran.

Second race, 4½ furlongs—Pharaoh, 103 (E Ross), 3 to 1, 1; St. Ivor, 105 (McJoynt), 8 to 5, 2; Barney's Last, 110 (Harshberger), 5 to 1, 3. Time .56. Gallardo, Tame Mouse, Dr. Irvine, Irish Jewel, Dr. Duringer also ran.

**District Lawn Tennis.**

The following clubs have already sent their views on the question of forming lawn tennis districts in Ontario: Uxbridge, Lindsay, Peterboro, Millbrook, Port Perry, Newmarket, Bradford, Port Hope, Napanee, Trenton, Belleville, Wingham, Blyth, St. Mary's, Mitchell, Elora, Brampton, Georgetown, Streetsville, Ingersoll Woodstock College, Merritton, Lorne Park and Weston. Apart from the western district from London to Windsor, in which three groups have already been arranged, and the Toronto clubs, there are 42 clubs, which have not yet replied to the letters sent to them. As the Provisional Committee is anxious to meet at a very early date to arrange the districts, settle the number of players in each match, number of games to be played, referees, etc., clubs which have not yet written are urged to do so immediately. Address W. F. Summerhayes, 28 East Wellington-street, Toronto.

**Certificates for Bike Riders.**

The Racing Board of the C.W.A. yesterday issued the license certificates to district chairmen, and riders throughout the country are requested to take out their papers. The R.C.B.C. Building Committee meet to-night, when the plans for their new club house will be selected.

**The Police Games.**

The Games Committee of the Toronto Police Athletic Association met yesterday at Court-street station. The annual games will be held at the Island oval on Wednesday, Aug. 16. The program will be practically the same as last year. The Toronto Association is offering gold championship medals for competition at Hamilton, Ottawa and Montreal police games.

**Capt. Andrews at Work on the New Defender at Oakville—On the Mediterranean.**

The designs for the Arthur E. Payne defender arrived from England on Saturday, and were kept well secluded. They were sent out Monday to Oakville, where Capt. Andrews has all the timber in readiness, and the boat will be easily afloat in time for the trial races Aug. 7, when she will compete against the other two Toronto craft and the three now being built at Hamilton.

A 19-ton yacht named Mildred, owned by Lord Wolverton, and designed by Payne, made a very good showing on the Mediterranean the season just closed. She won £730 in 25 prizes, 12 of which were firsts. She started 28 times. Her rival, Sibbick & Co.'s Laura, also made 28 starts, and won 23 prizes; of these, 13 were firsts. Her prize money amounted to £360. Mildred proved the better boat in heavy weather.

Sir Maurice Fitzgerald's 112-ton yawl, Satanita, won £1796 in prize money during the Riviera season. She started 12 times, and won 12 prizes, but in many instances the contests were mere sail-overs.

**Australians Won by an Innings.**

London, May 17.—The cricket match between the Surrey and Australian elevens was concluded to-day. The latter won by an innings and 71 runs.

The home team made a lamentable exhibition on its second innings, and was completely at the mercy of the Australian bowlers, Howells and Trumble, who dismissed the Surrey men for 64 runs.

**The Rosedale Club House.**

Sporting Editor World: Being a life member of the Toronto Lacrosse Club, I have heard innumerable complaints made as to the violation of the rights of not only life members but annual badge holders, to the fact that any outsider can obtain admittance to the club house of the grounds. You will agree with the writer that this is wrong, as the club house should be restricted solely for the use of badge-holders and not their friends. I trust that this will have the desired effect to draw the attention to this flagrant breach of members' privileges, and that the present live executive of the T.L. and A. A. will enact strict laws in their opening match on the 24th.

**For Saturday Night's Bouts.**

Emile Sanchez, the Cuban wonder, arrived a day ahead of time, reporting at Crescent A.C. headquarters suddenly last evening. He is an interesting and bright-looking swarthy chap, and quite confident of defeating Gallagher. He has been training carefully for the week. Though his bout is only 12 rounds, he looks fit for 20. Harry Lemons had a score of onlookers while at work in Scholes' gymnasium yesterday and all pronounced him better than ever. His opponent, Howard Wilson, leaves Philadelphia to-day. He will be handled by Joe Gans, who will act as his chief second Saturday night.

**Around the Ring.**

Maurice Rauch and Clarence Forbes, both of Chicago, milled 20 rounds to a draw at St. Louis Monday night.

Joe Walcott and Dick O'Brien, in a 20-round bout, will be the attraction at the Broadway Athletic Club, N.Y., next Friday night.

The reserved seat plan for Saturday night's boxing show in the Mutual-street Rink opens at noon to-day at McDowall's sporting goods store, No. 65 Yonge-street.

Ed. Dunfass defeated Martin Judge in the 6-round wind-up at Philadelphia Monday night. Dunfass had Judge all but out in the fourth round, and it was cut short to save him.

Jack Steizner got the decision on a foul Tuesday at San Francisco over Jim Jeffries in the 10th round of what was to be a 20-round contest before the San Francisco Athletic Club.

The Cuban Wonder has a good record among the scrappers around Rochester. He has met many men 10 and 15 pounds heavier than himself, but henceforth will stick to his own class.

Joe McMahon, the hard-hitting 115-pound local champion, has not yet heard from his challenge to Jim Smith and others of that weight. He would like to meet the winner of the Smith-Mulcahy bout at Toronto Saturday night—Buffalo Courier.

The Empire Athletic Club have arranged an attractive program for the night of May 24 in the Mutual-street Rink. The main bout will bring together Kid Broad of Cleveland and Kid Goulette of Rochester, 20 rounds at 125 lbs. Ed. Sheppard of St. Paul and Al. Elsworth of Buffalo will furnish the preliminary 12 rounds at 135 pounds.

**Sporting Miscellany.**

The Toronto Rowing Club will give the formal opening of their new club house at Sunnyside on Monday night next.

The Pastimes will hold a meeting of importance at the Globe Hotel to-night sharp at 8 o'clock. All the players are requested to attend and any wishing to join.

The firm of Rogers & Rose is to be dissolved. All their horses, including Tilo and Lothario, will be sold at public auction by the Easton Company at Morris Park next Tuesday.

A meeting of the Canada Lawn Tennis Club will be held at their club rooms, corner Avenue and Davenport-roads, to-night, Thursday, May 18, at 8 o'clock sharp. All are invited to attend.

The Night Owl Club of the Senior League have signed the following players to the team: J. Gerew, J. Adams, J. Robertson, W. Benson and Pearson. All players are requested to attend a meeting next Friday night after practice, at club rooms, 838 West King-street.

The second game of the series arranged between Varsity and the Argyles will be played on the Bloor-street grounds Saturday afternoon. As the last game required 11 innings to decide a winner, a very interesting game is expected. Scott and O'Brien will do the battery work for the Argyles and Blakey, Greer and Parry will be in the points for Varsity.
