For the 'Signal.'

Something To Do.

By John Carrick.

Though you find on life's rough journey
Many trials and pleasures few
Think not though thou're poor and feeble
"There is nought for me to do"
Beauteous flowers, with sweetest fragrance
Blossom round; thee bright and gay
If thou would st but stoop to pluck them
As thou tread'st along the way.

If thou dar'st not to aspire
Unto mighty deeds of fame,
Yet upon thy feeble knowledge
Mankind have a wondrous claim;
Unto each are given talents
Though we may not know their worth
Mark how fared the wicked servant
Who his talent hid in earth.

Dost thou e'er have thoughts ennobling?
Hide them not within thy mind,
But if they have aught of wisdom
Let them benefit mankind;
When thou seest the sad, afflicted
Torn with anguish bowed with grief
Hasten thou to give him comfort;
Use thy skill for his relief.

When thou seest the poor bereaved one
Weeping o'er the fresh turned sod,
Chide in tones of soft affection
Teach him how to kiss the rod;
Shield the weary weak and wronged one
From the bitter heartless jest,
Unto all be kind and loving
And in blessing thou'lt be blest.

Little deeds of loving kindness
Often touch a tender chord.
Who can tell the depths of treasure
Hidden in one loving word?
Unto all be meek and gentle;
To the needy kind and free;
Then when thou hast ceased thy wanderings
Some one's heart will grieve for thee.

Railway From London.

Blythe, Dec. 15.

A meeting of the inhabitants of Hullett, Morris and Wawanosh townships was held in the village of Blythe this day, Mr. Thomas Holmes, J. P., in the chair, to consider the propriety of building a railroad from London to Kincardine. There were 400 people present. The meeting was addressed by a deputation from London; also by Messrs. Sloan, Drummond and Kelly, of Blythe, and Mr. Matheson, of the *Clinton Era*. There was great enthusiasm for the railroad going through Blythe. Several resolutions were moved and carried. It was agreed that the following bonuses would be given:—Morris, $30,000; Wawanosh, $25,000; and Hullett, $15,000.

THE most Unhappy Person in the world is the Dyspeptic. Everything looks dark and gloomy; he feels "out of sorts" with himself and everybody else. Life is a burden to him. This can all be changed by taking Peruvian Syrup (a protoxide of Iron). Cases of 27 years' standing have been cured by it.

Fellows' Compound Syrup of Hypophosphites will not only supply the waste going on in the brain, but will enable the mind to endure a greater tax than before. It will impart vigor and promote clear conceptions to the intellect. It will strengthen the nerves and give power to all the involuntary as well as the voluntary muscles of the body.

Price $1.50 a bottle; 6 for $7.50. Sold by apothecaries and by F. Cundill & Co., wholesale agents Montreal.

A BEA TIFUL HORSE.

There is nothing that can contribute so much to render the horse beautiful and elegant to improve his condition and make him all that is desirable as 'Darley's Arabian Heave Remedy and Condition Medicine;" it has been used by many persons who own valuable carriage and other horses with decided success, and so well pleased are they with it that they always keep it on hand in case of an emergency: it may be given at all times with perfect safety.

Remember the name, and see that the signat ure of Hurd & Co is on each package.

Northrop & Lyman, Newcastle, C. W., proprietors for the Canadas. Sold by all medicine dealers.

Good Signs—It is a good sign to see a man doing an act of charity to his fellows.—It is a good sign to see the color of health in a man's face. It is a good sign to see an honest man wearing old clothes, and the immense sale of the Canadian Pain Destroyer, is a good sign that it is a scientific preparation, and properly appreciated by the people. Sold every where at 25 cents per bottle.

If exposed to pestilence or epidemic pestilence. It not only Cures Pain, but will prevent it, and all kindred of sickness that are contagious, or malarious, or atmospheric.
Hidden Powers brought to Light.
As a Pain Remedy it yields all essential services, and when first introduced the doctors as well as the people were astonished at its marvellous curative powers—for the moment it was applied powerfully, it cured every DROP diluted in water to have as a drink, the most violent Pains, Cramps, Spasms, Rheumatism, Neuralgia, and all unknown and long standing complaints.
PERSPIRATION AND PLEURISY.
When Asiatic Cholera appeared, RADWAY'S READY RELIEF was found, relieving every it was thousands and saved millions from an attack. It was that Divine Providence inspired us to send forth this great remedy to every nation on the face of the earth. We were inspired with faith of its benefit in saving the lives of all people, against the pleurisy and malignant fevers, and the best skill of physicians. Without having one exception to any disease, pain or ailment in the RADWAY'S READY RELIEF proving to be a cure for the afflicted human race, we cast forth with its mission of cure over
