SENECA CAPTURED PRINCE OF WALES

R.C.Y.C. Have Busy Day—Hargraft First in Open Dinghy Races.

R.C.Y.C. sailors had a busy day on Saturday with the Prince of Wales' Cup race, two 14-foot dinghy races and a 16-foot skiff race on the card. The Prince of Wales Cup, the premier event, was captured by Skipper Bill Jarvis with the good yacht Seneca. Norman Gooderham brought Patricia home second, and Cara Mia, M. L. Gordon, skipper, finished third. The race was twice over the twelve-mile lake course. Gardenia was first to cross the line, but Seneca won on time allowance. The race was a splendid one from a spectators' view, as the sky was clear and a light but steady breeze held thru out the day. W. M. Hargraft crossed the line first in the open 14-foot dinghy race over the bay course, which almost ended in a drifting match. Mac caught a slant of win on the first buck, however, which gave him an unbeatable lead. G. D. Addison was second and G. K. Douglas, third. Douglas also won the novice dinghy race, which was sailed in conjunction with the open event. Both the dinghy races had been postponed from Aug. 30. Following are the results:

Prince of Wales Cup race—1, Seneca, W. D. P. Jarvis; 2, Patricia, Norman R. Gooderham; 3, Cara Mia, M. L. Gordon.

SKATING RINK FOR BROCKVILLE.

BROCKVILLE, Sept. 7.—(Special.)—Brockville is to have a new skating rink to replace the Cossitt Rink, burned some time ago. Sufficient capital has been subscribed by local enthusiasts to warrant the organization of a company. It is expected that the contract will be awarded and work started within the next ten days.

This will allow sufficient time for the completion of the structure before the snow flies.

There is a Reason for the Rapid Increase in the Consumption of Beer in Canada

Statistics for 1912 show that 7.005 gallons of beer per capita were consumed in Canada last year as against 5.98 for 1911.

This enormous increase is conclusive proof that beer is holding its own as a popular beverage of the World's civilized nations.

The reason for this is that people everywhere recognize beer the purest, most nourishing and most refreshing of all known drinks.

THE COSGRAVE BREWS:

(Chill Proof) Pale Ale
Half-and-Half
XXX Porter
Golden Gate Beer

are the best beers for you to drink. You like the flavors when you drink them, and you like the beneficial effects afterwards.

You needn't fear biliousness from drinking any of the Cosgrave brands.

WINNIPEG WINS CONNAUGHT CUP

Holding Fort William to a Tie in Deciding Game—Next Year Big for Soccer.

FORT WILLIAM, Sept. 6.—Winnipeg won the Connaught Cup here today, holding Fort William to a tie in the final game, each team scoring two goals. This gave Winnipeg first place on points.

Great things are promised for next year in football in Canada. The international board, which governs the game, may meet in the Dominion next year. Not only that, but it has been confidently stated that next year will see two old country clubs touring Canada, six having offered to make the trip, possibles being Glasgow Rangers and Newcastle United. These will play local teams when the strength of the local associations admit, otherwise an exhibition match between the visitors will be played. Should all this come to pass, the game will receive such a boost as will render it a recognized fixture in Canadian sport, and the D.F.A. will be advertised in the best manner possible. The latter body deserves great credit for the work it had accomplished, of which the holding of a mammoth competition, a national competition, such as this is witness. Nothing in athletics of Canada has ever been attempted on so grand a scale.

The D.F.A. purposes sending a team to compete in the Olympic games at Berlin. The Canadian Government will be asked to assist with the requisite funds. Canadian soccer is now receiving the long-sought after recognition, and the way is laid open for it to advance along the most promising lines to brilliant success.

The D.F.A. will meet the C.A.A.U. in October, and will endeavor to get the amateur body to grant them the D.F.A. definition of an amateur. This the footballers feel confident that altho they may not be granted this year, they will in the near future win out. In any event, the D.F.A. intends to hold strong to the rule that has been adopted.

A special committee was appointed to meet the A.A.U.C. in Montreal next month, and this committee will present [illegible] dians will be safe in competing in the D.F.A. contests.

Pro Lacrosse Dead in Ottawa

OTTAWA, Sept. 6.—The report that the Big Four would make an effort to again place a senior lacrosse team in Ottawa is not taken seriously here. Pro. lacrosse in Ottawa is dead, never to return. It is extremely doubtful if the best lacrosse the D.L.A. could put up would draw out a corporal's guard here, and there is no one in sight who would think of undertaking the financing of a Big Four team. The introduction of baseball appears to have settled the fate of the national game, and the present magnates who control lacrosse in Canada are regarded with suspicion in this city. However, it is extremely probable that the Ottawas, an amateur team, who played in the O. A. L. A. last year, will make application to the N. L. U. for admittance next season. The Ottawas were very much displeased at decisions given against them by Secretary Doyle of the O.A.L.A., who refereed the final game in the O.A.L.A. eastern section here between Almonte and the Ottawas. The Ottawas are attracting the old guard of lacrosse fans out to see the amateur game, and would be able to turn out good crowds to see the M.A.A.A., Shamrocks and Cornwall play here.
