TO JARVIS AND HIS CREW.

VICTORIOUS CANADA AND TORONTO'S WELCOME.

Triumphal Entry of Vanceder's Conqueror Into Port—Songs at the R.C.Y.C.—Civic Reception and Speeches at the Pavilion—Aldermen are Lavish With Encomiums—Skipper Jarvis Makes a Manly Reply.

The water front yesterday put on its gala dress in honor of the yacht Canada. The steamers and boathouses were gaily decorated with flags, while the Argonaut Rowing Club, the Canoe Club and the Royal Canadian Yacht Club were a mass of bunting. The Canada's crew had at first intended to take the yacht from Port Dalhousie to Oakville on Sunday, there pick up Mr. Jarvis, and sail down yesterday morning, arriving at the Queen's Wharf about 3 p.m. This program was not carried out, and the Canada did not leave Port Dalhousie until yesterday. This caused the celebration to commence two hours behind time.

At 2 o'clock the victorious yacht, with Rear Commodore Jarvis at the helm, sailed gracefully through the western gap and was met by the steam yacht Cruiser, having on board the Reception Committee of the City Council and a party of ladies. Accompanying the Cruiser were the Tymon, with a crowd aboard, the Oriole, Vreda, Vivia, Vedette, Sylvia, Mirage, Cyprus, Wona, Lenore, Upstart and a host of smaller craft. The Argonauts were represented by their war canoe Argo, paddled by a sturdy crew.

The fleet swept eastward through the harbor, amidst the firing of guns and the tooting of steam whistles. When off Yonge-street the Canada came about, followed by the fleet, and returning to the R.C.Y.C. Club House, where a large crowd of members and their friends had assembled, picked up her moorings. Her skipper and crew put off in their dingy and boarded the Cruiser, where the civic deputation awaited them.

Ald. Scott presided, and toasts were drunk to the Canada and her crew. Speeches from various aldermen and from Messrs. Jarvis, Fearnside, Moran and Small, together with songs and toasts, occupied a pleasant half hour, after which the Cruiser landed her party at the Yacht Club Wharf, leaving the Canada's crew to the mercies of their friends.

AT THE PAVILION.

When the band of the Q.O.R. played "For He's a Jolly Good Fellow," at the Pavilion reception to Commodore Aemilius Jarvis and his victorious crew in the evening, the tremendous cheers only voiced in a measured degree the pent-up enthusiasm of the immense audience present. Spontaneous, hearty applause was the order of the evening, but, when the victors came on the platform, bearing the trophies they had won the uproar was indescribable. The hall, with its waving hts and handkerchiefs, was like a storm-tossed sea.

When it is remembered that but little opportunity had offered for extensive preparations for such an event, it will be seen that Canadians, and more particularly Torontonians, are not slower in recognizing a national triumph than are our boastful neighbors to the south.

ON THE PLATFORM.

On the platform were Skipper Jarvis and his crew, Ald. Scott, Hallam, Preston, Hubbard, McMurrich, Lamb and R. H. Graham, and Messrs. George H. Gooderham, S. F. McKinnon, A. E. Plummer, F. J. Campbell, Commodore Martyn of the Q.C.Y.C., O. Heron of the A.R.C., Commodore A. R. Boswell, Q.C., of the R.C.Y.C., Vice-Commodore George Wilkie of the R. C.Y.C., Percy Gait, president of the A.R. C., Capt. S. J. Levy and Vice-Commodore World of the R.T.S.C.C., Capt. J. E. McGee, James Somers, Claude Macdonnell and many others.

Mayor Fleming, who presided, said that they were there to do honor to Capt. Jarvis and his crew. On behalf of the citizens of Toronto he desired to express to them his heartfelt thanks. He made reference to the victories of Hanlan, O'Connor, Gaudaur and of the achievement of the Argonaut Rowing Club tour at Henley. No illuminated address had been prepared, but he could assure our citizens that one would soon be drawn up and adopted by the City Council.

Ald. Scott, who followed expressed his extreme satisfaction at the treatment the American sportsmen had accorded our own.

THE SPORTING ALDERMAN.

Ald. McMurrich, who was introduced as a sporting alderman, was a yacht club member of 30 years' standing. While he congratulated the Commodore and his crew, yet he thought that honor was also due to Messrs. George H. Gooderham, George Gooderham, S. F. McKinnon, E. A. Plummer and F. J. Phillips, all of this city, who, together with Mr. James Ross of Montreal had each contributed $1000 towards building the boat.

(Here cries of "Jarvis," brought forth from the chairman the remark that they were reserving the sweetness until the last.)

Ald. Hallam congratulated the yachtsman in his characteristic manner.

Mr. E. B. Ryckman of the Toronto Athletic Club and Toronto Bicycle Club was well received. He desired to congratulate the noble crew of a grand city and still grander country.

Commodore ex-Mayor A. R. Boswell spoke of the importance to our city of the yacht clubs. He told how Mr. Jarvis had been the first to advise the acceptance of the challenge from Lincoln Park and deserved extra honor therefor. He then read the following telegram:

"Commodore Lucas regrets that your reply to my telegram came too late for Zelma to participate in the reception to Canada. Please convey to Skipper Jarvis and crew the heartiest congratulations of the R.H.Y.C. upon their victory. Canadians cannot express too high an appreciation of the glorious manner in which the national honor has been upheld.

"(Signed) "Thos. W. Lester."
"Hon. Sec. R.H.Y.C."

TO RACE HERE NEXT YEAR.

Mr. Boswell concluded by suggesting, amid applause, that our citizens contribute to have the race in this city next year, as the acceptance of the challenge from the American yachtsmen had been determined upon.

Ald. McMurrich announced that the ladies of Toronto had requested him to present the bouquet, which he held, to the most handsome sailor of the crew. In response to shouts from the audience of "Fernside," he then presented the representative from Hamilton in the crew with the beautiful token.

Skipper Jarvis, on rising, was greeted with an ovation. He said he could not find words to express himself. At first he had felt nervous, but when he saw the hearty expressions of good-will from all present, the feeling deserted him. The crew of the Canada was a national one, having been selected from all over the Dominion. The genial skipper then referred in glowing terms to the hospitable treatment they had experienced at the hands of their American hosts in Toledo. Their good-will could not have been exceeded. He thought that, in the sportsmanlike manner in which they had conducted the race, a lesson might be learned by certain salt-water yachtsmen.

He concluded by proposing three cheers for the vanquished, which was heartily responded to. Cheers for the Queen and for the victorious crew concluded the meeting, after which the heroes of the hour received the personal congratulations of their friends.

NO MORE RACES FOR CANADA.

She Will Go at Once Into Winter Quarters at Oakville and May be Sold.

The Canada is now lying at her moorings off the R.C.Y.C. She will be taken at once to Oakville, where she will be laid up for the winter, Mr. Jarvis having announced that the champion yacht will participate in no more races this season.

The Canada cost $6000 and is owned by a syndicate of six, who hold equal shares in her.

In the circuit just closed she won $1200, besides cups, medals, bicycles, etc., and still it is said she will shortly be offered for sale.

THE EMPEROR'S YACHTING TROPHY.

London, Aug. 31.—It is announced that Emperor William will give a costly silver cup designed by himself to the winner of the yacht race to be held between Dover and Heligoland immediately after the celebration of the conclusion of the sixtieth year of the reign of Queen Victoria. The cup will be at least three feet in height, and apart from the circumstances attending the designing and the awarding of the trophy to the winner of the race, the testimonial will be valuable. A committee composed of Sir Donald Graham, Dixon Kemp and a number of other well-known yachtsmen. The race will be open only to British yachts of forty tons and upwards.

OFF FOR PHILADELPHIA.

Toronto's contingent of the Canadian team leave by the 11 o'clock boat this morning en route for Philadelphia. The party will include Dean of Parkdale, Lyon of Rosedale, Rykert, Goldingham, Cooper and Laing of the Torontos and Duke Colline representing the Butterflies. They will be joined by McGiverin at the Falls and will meet Henry and McIntosh of Halifax and Little and Ackland of Ottawa at Philadelphia.

PHILADELPHIA'S STRONG TEAM.

The eleven selected to meet the Canadians is believed to be suprior to the Gentlemen of Philadelphia eleven, which played against Oxford and Cambridge last fall. In a fielding sense it is bang up, as Philadelphia elevens go, and while it is no stronger in batting is fully as strong in bowling, however, it particularly excels, possessed, as it is, of two first-class fast bowlers in King and Clark, two good slow trundlers in Patterson and Baily and excellent reliefs in Muir and the left-handed Brown. The committee has arranged the first practice match for (to-day) Tuesday and Wednesday afternoons on the Belmont grounds.

WRENN BEATS FRITZ WARD.

Final Games in the Niagara Lawn Tennis Tourney—Ftoulkes Wins.

Niagara Falls, Aug. 31.—The international championship tennis tournament closed today in a blaze of glory with a magnificent five-set double match between Ware and Whitman of Boston and Neel and Wrenn of Chicago. The Boston men won after a terrific struggle. Ftoulkes, the British Colinia champion, won the handicap, defeating George Wrenn in the cup match. Ftoulkes has come up wonderfully since he discarded his old racquet. Fitz Ward was beaten by Carr Neel of Chicago in the cup match. The Rochester boy was outclassed, nevertheless he played a plucky game. The scores follow:

Cup match—Neel beat Ward 6–2, 6–3, 6–3.

Final handicap—Ftoulkes beat Wrenn, 7–5, 6–2, 4–6, 6–4.

Double finals—Ware and Whitmann beat Neel and Wrenn, 6–1, 8–6, 3–6, 7–5.

Semi-final, handicap—Wrenn, owe 30, beat Ware, owe 15, 3–6, 7–5, 6–2.

HAMILTON RUGBY CLUB.

Hamilton, Aug. 31.—(Special.)—The annual meeting of the Hamilton Rugby Football Club was held this evening, and the gathering was an enthusiastic one, everyone expressing his belief that Hamilton will have a winning team in the field this season. R. H. Labatt, secretary-treasurer, reported that there is a balance of $286 on hand. The following officers were elected: Charles Barker, captain; R. H. Labatt, secretary-treasurer; J. Irvine, G. A. M. Young and H. Southam, committee; delegates to the Ontario Rugby Union, R. H. Labatt and Charles Barker.

It was decided to have three teams in the Union.

The Charges are Officially Denied.

The charges of neglect and carelessness which are, according to an evening paper, made by relatives of Archibald McGillivray of Brechin and Albert Pedwick of Uxbridge, two paralytic patients at the General Hospital, are flatly denied by the doctor in charge of the hospital. Dr. Rannie, acting superintendent of the institution during Dr. O'Reilly's holiday, said to The World that he did not care to say anything regarding the matter. He said: "There are no grounds for the statements which have been made and the two patients themselves when spoken to by Dr. Graef, who is attending their ward, said they had no complaint to make. Further than that I don't care to say anything. I have reported the matter to the chairman of the board."

C.L.A. PROTESTS DECIDED.

STOUFFVILLE GAINS A POINT OVER THE MARKHAM CLUB.

Wiarton Wins From Owen Sound and the Tie Will Be Played on Labor Day—Turnbull and the Mitchell Club—Some Semi-Final Games—Orillia and Bradford.

The Judicial Committee of the C.L.A. met yesterday afternoon at the Rossin House to consider several protests. President Harry O'Loughlin of St. Catharines was in the chair. Other members present were D. A. Rose, J. D. Bailey, Fred W. Garvin and H. B. Clemes.

The protest of Richmond Hill against Bolton for an alleged playing of ringers was adjourned till Thursday to allow Bolton to produce witnesses.

The Markham-Stouffville protest was taken up, George Stephenson and W. Hall appearing for Markham and C. Russell Fitch and W. J. Stark for Stouffville. Markham claimed that Stouffville had played ringers in the match at Stouffville on Aug. 14, viz., Thomas Doyle of Newmarket, H. E. Sewell (Jud) of Toronto, Jack Macdonald of Toronto and Robert E. Manning of Newmarket. It was claimed that this quartet, although they had played all this season for Stouffville, had played in several matches with other teams, including II. Tecumsehs, Torontos and Chathams.

Markham also claimed that Burchard and Cameron of Beaverton, umpires appointed by Referee Bill Hartley, were interested parties, belonging to the same district, and that accordingly the match should be disallowed. It was found that the umpires appointed by Referee Hartley had not been objected to.

The committee heard the reading of declarations on both sides and the arguments of the representatives, decided in favor of Stouffville and dismissed the Markham protest.

This leaves Beaverton, Stouffville and Markham a tie in the district, and it was ordered that Beaverton and Stouffville shall play at Uxbridge on Thursday.

LACROSSE POINTS.

The Capitals will play the Tecumsehs at the Island Sept. 12.

At Madoc yesterday the home twelve defeated Peterboro by 5 goals to 3.

A meeting of the Toronto Lacrosse League will be held on Wednesday evening at the Strand, 8 Adelaide-street east. Every delegate is requested to be present, as business of importance will be brought up.

RUNS, HITS AND ERRORS.

Many of Them in This Game Over the Don—That Toronto Won.

The day was too cold for the pitchers' arms and batsmen had all the best of it on both sides yesterday over the Don. Callahan was knocked out in two innings, when Torontos earned 8 of 10 runs. Dineen retired in the third, when Rochester promised to keep up their scoring of the first and second. Lutenburg was sick and Delehanty played first. Toronto's fielding was of the yellow order and it was only the bunched hits that saved the day. Score:
